INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
River Oak Center for Children
Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of River Oak Center for Children Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(c) [ERISA Section 103(a)(3)(c) audit]. The financial statements comprise the statements of net assets available for benefits as of August 31, 2021 and December 31, 2020, and the related statements of changes in net assets available for benefits for the eight months and year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(c), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the eight months ended August 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(c).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of River Oak Center for Children Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(c) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(c) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about River Oak Center for Children Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(c) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of River Oak Center for Children Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

INDEPENDENT AUDITORS' REPORT

continued

Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about River Oak Center for Children Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of River Oak Center for Children Retirement Savings Plan were audited by us. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. Our report dated October 13, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

RIVER OAK CENTER FOR CHILDREN RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

The following description of River Oak Center for Children Retirement Savings Plan ("the Plan") provides only general information. Participants should refer to the Plan's agreement for a more complete description of the Plan's provisions.

General

The Plan, as restated and amended effective January 1, 2012, was a defined contribution plan covering all eligible employees of River Oak Center for Children ("River Oak") who are at least twenty-one years of age and have completed one year of service, as defined in the Plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), and subsequent laws.

Plan Administration

The employer was the administrator of the Plan and, as such, carried out the duties imposed by ERISA. The employer delegated certain responsibilities for the operation and administration of the Plan. Trustees and recordkeeping services were provided by American United Life Insurance Company ("AUL") during the plan year.

Contributions

The plan contribution for the year ended December 31, 2020 was 5% of the participants' annual compensation. The plan contribution for the period ended August 31, 2021 was a liquidation of final forfeited balances. The distribution to participants was based on their proportional share of total eligible wages.

Participant Accounts

Each participant's account was credited with the allocation of contributions and the Plan earnings. The benefit, to which a participant was entitled to, in case of termination or retirement, is the benefit that can be provided from the participant's vested account.

Vesting

Vesting in the Plan's contribution and earnings was based on years of continuous service. A year of credited service was defined by the Plan as 1,000 hours worked in a calendar year. Participants are fully vested in the profit-sharing contributions according to the following schedule:

<u>Years of Service</u>	<u>Percentage Vested</u>
Less than 3 years	0%
3 years	100%

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan, continued

Investment Options

The Plan offered various investment alternatives through the trustee. Participants were not allowed to direct their investments until they were 100% vested. Upon vesting, participants may change their investment options at any time. Funds not directed by participants were invested in the general account by default.

Forfeitures

Forfeiture is the non-vested portion of a participant's account that is lost upon termination of employment. Forfeitures are disposed of in the plan year it occurs. Upon termination of employment, non-vested portions of participant accounts are forfeited and used to reduce future employer contributions or pay administration expenses. Forfeitures used to reduce employer's profit sharing contributions during the period ended August 31, 2021 and year ended December 31, 2020 were \$46,287 and \$129,042, respectively.

Payment of Benefit

A participant may elect to receive a single lump-sum payment (recommended for accounts with vested balances equal to or less than \$5,000), a direct rollover into another qualified plan, a joint and survivor annuity, or a single life annuity.

2. Summary of Significant Accounting Policies

A summary of the significant accounting policies applied in the preparation of the accompanying financial statements is as follows:

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and (losses) on investments bought and sold as well as held during the year.

RIVER OAK CENTER FOR CHILDREN RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Fair Value Measurements

Generally accepted accounting principles provide guidance on how fair value should be determined when financial statement elements are required to be measured at fair value. Valuation techniques are ranked in three levels depending on the degree of objectivity of the inputs used with each level:

Level 1 inputs - quoted prices in active markets for identical assets

Level 2 inputs - quoted prices in active or inactive markets for the same or similar assets

Level 3 inputs - estimates using the best information available when there is little or no market

The Plan is required to measure investments at fair value. The specific techniques used to measure fair value for the financial statement element is described in the notes below that relates to the element.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures as of the date and for the period presented. Actual results could differ from those estimates.

Recently Adopted Accounting Pronouncement

River Oak Center for Children Retirement Savings Plan early adopted and implemented the new standard related to forming an opinion and reporting on financial statements of Employee Benefit Plans Subject to ERISA *Standards (SAS) No. 136*, effective for financial statements for periods ending on or after December 15, 2021.

Administrative Expenses

River Oak may pay some plan administration expenses with its own assets rather than use plan assets. To the extent River Oak does not pay plan expenses with its own assets, the Plan generally will pay the expenses of plan administration and will assess the expenses paid against the accounts of all participants in the Plan. River Oak may, from time to time, change the manner in which expenses are allocated. During the period ended August 31, 2021 and year ended December 31, 2020, total administrative charges were \$9,062 and \$21,684, respectively.

RIVER OAK CENTER FOR CHILDREN RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market volatility, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the financial statements.

Impact of COVID-19

Following the State "Safer at Home" order to close all non-essential business activities, the Plan's sponsor, River Oak, has been conducting business as usual under Safer at Home isolation protocols. The COVID-19 virus did not materially impact River Oak's ability to continue its business operations and fund the Plan.

Subsequent Events

Management has evaluated subsequent events through June 13, 2022, the date which the financial statements were available for issue. No events or transactions have occurred during this period that appear to require recognition or disclosure in the financial statements.

3. Information Prepared and Certified by the Trustee

The following summarizes the information certified by AUL, the trustee of the Plan, as of August 31, 2021 and December 31, 2020, respectively:

	<u>August 31, 2021</u>	<u>December 31, 2020</u>
Mutual funds	\$ -	\$4,231,367
Insurance company general accounts	<u>-</u>	<u>134,543</u>
	<u>\$ -</u>	<u>\$4,365,910</u>

As of August 31, 2021 and December 31, 2020, the Plan's investments (including investments bought, sold, and held during the years) appreciated in value by \$387,685 and \$652,645, respectively.

continued

RIVER OAK CENTER FOR CHILDREN RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

4. Tax Status

The Plan was designed to operate as a standardized profit-sharing plan based on a favorable opinion letter dated March 31, 2008 issued to the prototype sponsor that provides tax-exempt status under appropriate sections of the Internal Revenue Code. The Plan has been amended since then, however, the plan sponsor believes that the Plan was designed and was currently being operated in accordance with the applicable requirements of the Internal Revenue Code. Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan was subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan was no longer subject to income tax examinations for years prior to 2018.

5. Fair Value Measurements

The tables below sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of August 31, 2021 and December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>August 31, 2021</u>				
Mutual funds				
Investments measured at				
net asset value*	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>
<u>December 31, 2020</u>				
Mutual funds	\$4,231,367	\$ -	\$ -	\$4,231,367
Investments measured at				
net asset value*	<u>134,543</u>			
	<u>\$4,231,367</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$4,365,910</u>

The fair values of mutual funds is measured on a recurring basis using quoted market prices, which represents the net asset value of shares held by the Plan at year-end (Level 1 inputs).

* In accordance with subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statements of net assets available for benefits.

6. Fair Value of Investments in Entities that Use NAV Practical Expedient

The following table summarizes investments measured at fair value based on NAV per share as of period ended August 31, 2021 and year ended December 31, 2020:

Investments	Fair Value		Unfunded commitments	Redemption frequency (if currently eligible)	Redemption notice period
	2021	2020			
General account	<u>\$ -</u>	<u>\$134,543</u>	n/a	Daily	12 months

7. Related Party and Party-in-Interest Transactions

Certain administrative functions are performed by officers and employees of River Oak. No officer or employee received compensation from the Plan for these services.

Fees incurred by the Plan for investment management services are included in net depreciation in fair value of investments, which were not covered by revenue sharing. The Plan also made direct payments to service providers which were not covered by revenue sharing.

8. Plan Termination

Effective August 27, 2021, the Plan was officially terminated and all funds have been distributed to the participants as either a distribution or rollover into another qualified retirement account.

Participant's accounts for those who did not make any election for a standard distribution or rollover to a qualified retirement account were automatically converted to its own individual retirement accounts.

Participants with balances greater than \$5,000 may receive their distributions in one lump sum or in monthly, quarterly, or annual installments if they are determined as being required to receive Required Minimum Distributions according to Internal Revenue Code Sections 6.02(A) and 6.03(A)(4)(a).
