Notes to Financial Statements

December 31, 2020

1. Description of the Plan

The following description of the Special Touch CDPAP, Inc Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, which began on January 1, 2020, is a defined contribution plan available to eligible employees of Special Touch CDPAP, Inc. and Home Health NYC (collectively, the Plan Sponsor). Participation in the Plan is automatic, and eligible employees are enrolled on their date of hire if they have attained age 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan Sponsor is responsible for the administration of the Plan and has entrusted the maintenance of records and the day-to-day administration to TAG Resources, LLC (TAG) who processes transactions through Transamerica Financial Life Insurance Company (Transamerica), the custodian.

The Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law in March 2020. The Plan implemented certain provisions of the CARES Act which allow certain eligible participants impacted by COVID-19 (Qualified Individuals) to obtain in-service distributions; suspend required minimum distributions and delay the commencement date for required minimum distributions.

Contributions

Participant deferrals are not allowed under the provisions of the Plan; however, participants are eligible to contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into the various investment options offered by the Plan as listed in the schedule of assets (held at end of year). Participants can change the investment options previously elected at any time.

The Plan Sponsor is required to pay wage parity compensation in accordance with Section 3614-c of the New York State Public Health Law (Home Care Worker Wage Parity Law) to home care aides who perform Medicaid-reimbursed work within New York City and the counties of Nassau, Suffolk, and Westchester. The wage parity requirement can be satisfied entirely through a payment of wages or through a combination of both wages and supplemental benefits. During 2020, the Plan Sponsor made contributions to the Plan totaling \$1,603,290 to satisfy the requirements of the Home Care Worker Wage Parity Law.

Contributions are subject to certain Internal Revenue Service (IRS) limitations. Receivables from the Plan Sponsor for contributions are unsecured.

1. Description of the Plan (continued)

Participant Accounts

Each participant's account is credited with the Plan Sponsor's contributions and Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in the voluntary rollover contributions, if any, and the Plan Sponsor contribution portion of their accounts plus related earnings thereon.

Payment of Benefits

If the participant's vested benefit in the Plan does not exceed \$1,000 at the time of termination of employment, the participant's benefit may be distributed in a single lump-sum payment as soon as administratively feasible. If the participant's vested benefit in the Plan exceeds \$1,000 but is less than \$5,000, the participant's benefit must be distributed in a single lump-sum payment or rolled over into another individual retirement account. If the participant's vested benefit in the Plan exceeds \$5,000 at the time of termination of employment, the participant may elect to either maintain their account in the Plan, receive a lump-sum distribution or rollover their account balance into another individual retirement account. Participants may also withdraw their vested account balances at any time on or after the age of 59½, or upon retirement, death or disability.

Qualified Individuals were eligible for a CARES Act distribution in 2020 up to a maximum amount of \$100,000, with no limit on the number of distributions. CARES Act distributions may be recontributed, in part or in full, to the Plan as rollover contributions within three years of the distribution. The retribution may occur in multiple transactions within the three-year period. CARES Act distributions were only available for Qualified Individuals by request in 2020, but the Plan will continue to accept recontributions for the three-year period after the distribution, which will be no later than December 31, 2023.

2. Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Special Touch CDPAP, Inc Retirement Plan

Notes to Financial Statements (continued)

2. Significant Accounting Policies (continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures and changes therein. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan sponsor's management determines the Plan's valuation policies utilizing information provided by Transamerica. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Benefits Paid to Participants

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses paid by the Plan Sponsor are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through June 15, 2022, the date the financials were available to be issued. Subsequent to December 31, 2020, and through April 28, 2022, benefit payments totaling approximately \$277,000 have been distributed from the Plan.

3. Certified Information (Unaudited)

Transamerica holds the Plan's investment assets and executes transactions therein. Financial information relating to those investment assets is included in the accompanying financial statements based on information supplied to the Plan administrator and certified as complete and accurate by Transamerica. That information, which has not been audited by independent auditors, is summarized below.

Investments at fair value total \$1,532,596 as of December 31, 2020. Net appreciation in fair value of investments totaled \$263,550 during 2020.

Special Touch CDPAP, Inc Retirement Plan

Notes to Financial Statements (continued)

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets the Plan can access.
- Level 2 Inputs to the methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The fair value measurement level of assets or liabilities within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Pooled separate accounts: Valued at the net asset value (NAV) which equals the number of shares of the respective underlying fund, multiplied by the closing NAV per share quoted by that fund. The NAV is used as a practical expedient to estimate fair value.

Classification within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following table sets forth by level, within the fair value hierarchy, the Plan's investments as of December 31, 2020:

	Level 1	Level 2	Level 3	Total
Pooled separate accounts*	\$ —	\$ —	\$ —	\$1,532,596

- * - In accordance with Subtopic 820-10, the Plan's interest in the pooled separate accounts is measured at fair value using the NAV per share (or its equivalent) practical expedient and has not been classified in the fair value hierarchy. The NAV is determined by Transamerica and is based on the fair value of the underlying assets held by the funds. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Notes to Financial Statements (continued)

4. Fair Value Measurements (continued)

Fair value of Investments that use NAV

The following table summarizes investments measuring at fair value based on NAV per share as of December 31, 2020:

Investment Type	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice for Period
Pooled separate accounts	\$1,532,596	None	Daily	Daily

5. Related Party Transactions and Party-in-Interest Transactions

Plan investments are in accounts of Transamerica; therefore, these transactions qualify as party-in-interest transactions. Plan Sponsor contributions are considered to be both party-in-interest and related party transactions.

6. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

7. Income Tax Status

The Plan adopted a volume submitter plan which had received an advisory letter dated March 31, 2014, from the IRS which stated the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the plan has been amended since receiving the advisory letter, the Plan administrator and the Plan's tax counsel believe the Plan is designed and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe the Plan is qualified, and the related trust is tax-exempt.

8. Risks and Uncertainties

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and amounts reported in the statement of net assets available for benefits.

Notes to Financial Statements (continued)

8. Risks and Uncertainties (continued)

As a result of the coronavirus (COVID-19) pandemic, economic uncertainties have arisen which have resulted in significant volatility in the investment markets. The duration of the uncertainties and the ultimate financial effects on the Plan's investments cannot be reasonably estimated as of the date of these financial statements.
