INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Sendik's Fine Foods, Inc. 401(k) Plan
Brookfield, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Sendik's Fine Foods, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule; other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 21, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

SENDIK'S FINE FOODS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS – DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN

Sendik's Fine Foods, Inc. 401(k) Plan is a defined contribution plan sponsored by Sendik's Fine Foods, Inc. (the Company). The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that covers substantially all employees of the Company who have reached twenty-one years of age and have completed six months of service. Employees can join the Plan on the 1st of the month following the attainment of these requirements unless the employee elects to waive participation. The Plan includes an automatic enrollment and automatic deferral increase feature. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

The Plan provides for voluntary pre-tax and Roth employee contributions of up to 75% of compensation. The Company may, but is not required to, make discretionary matching contributions to the Plan. In 2021 and 2020, the Company made matching contributions equal to 35% of a participant's contributions, limited to 4% of the participant's compensation.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings, and charged with the withdrawals and an allocation of Plan losses and expenses. Allocations are based on Plan earnings or participant account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All amounts in participant accounts are participant directed.

Investment Options

Participants may direct employee and employer contributions in any of several investment options. By designating these investment alternatives for participants, allowing frequent fund transfers, and providing the necessary fund information to participants, it is intended that the Plan be treated as an ERISA 404(c) Participant Directed Account Arrangement.

Plan Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Loan and withdrawal administration fees are charged directly to the participant's account and are included in administrative fees. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

Vesting

Participants are immediately fully vested in their contributions plus actual earnings thereon. Participants become fully vested in their account balances upon retirement, death, or disability, as defined by the Plan.

Company contributions are vested on a six-year schedule as follows:

Years of Service	% Vested
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Payment of Benefits

The Plan allows for automatic cash out distributions of terminated participants who have a vested amount that does not exceed \$1,000 (excluding rollovers). If a participant's vested account balance is more than \$1,000, but less than \$5,000, the participant will automatically be paid a lump-sum distribution or by direct rollover to an Individual Retirement Account (IRA) or other eligible retirement plan, as soon as administratively feasible following their termination of service. If a participant's account balance is over \$5,000, the participant may elect to receive a lump-sum amount equal to the value of his or her account, postpone distribution until required by internal revenue code rules, elect to rollover all of the balance into an IRA, or elect to receive a partial distribution of any portion of account. In-service distributions are allowed under certain circumstances as described in the Plan agreement.

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest as determined by the Plan based on interest rates charged for similar types of loans by other lenders. Once the participant loan rate is established, that rate of interest will be fixed for the life of the loan. Principal and interest is paid ratably through payroll deductions.

Forfeitures

Forfeitures are used to reduce employer discretionary contributions. There were outstanding forfeitures of \$3,833 and \$3,694 as of December 31, 2021 and 2020, respectively. During 2021 and 2020, \$5,353 and \$6,431 of forfeitures were used to reduce employer contributions, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investments. Investments are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Valuation of Investments and Income Recognition

The Plan's investments are reported at their fair value, except for the fully benefit-responsive interest contract and investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Realized gains (losses) and unrealized appreciation (depreciation) are recorded in the accompanying financial statements as net appreciation (depreciation) in fair value of investments. Realized gains (losses) on investment transactions are recorded as the difference between proceeds received and the carrying value of the investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the delinquent participant note receivable is recorded on the Form 5500 as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN (UNAUDITED)

The Plan administrator has elected the method of annual reporting compliance allowed by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan's custodian, Great-West Trust Company, LLC, certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- a) Investments as shown in the Statements of Net Assets Available for Benefits.
- b) Interest and dividend income and the net appreciation (depreciation) in fair value of investments as disclosed in the Statements of Changes in Net Assets Available for Benefits.
- c) The Schedule of Assets (Held at End of Year).

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses the appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

The fair values of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-ended mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

There were no significant transfers between Level 1, Level 2 and Level 3 investments during the year ended December 31, 2021.

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021:

		Fair Value Measurements at the End of the Reporting Period Using:		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
	<u>Total</u>			
Mutual funds	<u>\$ 4,768,126</u>	<u>\$ 4,768,126</u>	<u>\$ -</u>	<u>\$ -</u>
Total investments at fair value	<u>\$ 4,768,126</u>	<u>\$ 4,768,126</u>	<u>\$ -</u>	<u>\$ -</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2020:

		Fair Value Measurements at the End of the Reporting Period Using:		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
	<u>Total</u>			
Mutual funds	<u>\$ 4,177,172</u>	<u>\$ 4,177,172</u>	<u>\$ -</u>	<u>\$ -</u>
Total investments at fair value	<u>\$ 4,177,172</u>	<u>\$ 4,177,172</u>	<u>\$ -</u>	<u>\$ -</u>

NOTE 5 - FULLY BENEFIT-RESPONSIVE GUARANTEED INTEREST CONTRACT

The Plan invests in a fully benefit-responsive interest contract with Great-West Life & Annuity Insurance Company (GWLA). GWLA maintains the contributions in a general account. The Plan also participates in collective trust investment contracts with AST Wilmington Trust (Wilmington). Wilmington maintains the contributions in general accounts. These accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer and the collective trust investment contract issuer are contractually obligated to repay the principal and a specified interest rate that are guaranteed to the Plan.

Because the guaranteed interest contract and collective trust investment contracts are fully benefit-responsive, contract value is the relevant financial measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed interest contract and collective trust investment contract. These contracts are presented on the face of the statement of net assets available for benefits at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The interest crediting rate is reset quarterly.

As described in the contracts certain events limit the Plan's ability to transact at contract value with GWLA and Wilmington. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their account balances.

NOTE 7 - TAX STATUS

Effective December 31, 2018, the Plan adopted a non-standardized form of a prototype plan sponsored by Great-West Trust Company, LLC. The prototype plan received an opinion letter dated June 30, 2020 from the Internal Revenue Service as to prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan has been amended since receiving the determination letter. However, the Plan administrator and management believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the Plan administrator believes that the Plan is qualified and tax-exempt at the financial statement date.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Great-West Capital Management, LLC, a wholly-owned subsidiary of Great-West Life & Annuity Insurance Company. Great-West Life & Annuity Insurance Company is the Plan's record keeper (Great-West Retirement Services) and parent company of the Plan's custodian (Great-West Trust Company, LLC); therefore, these transactions qualify as party-in-interest. These transactions are not, however, considered to be prohibited transactions.

NOTE 9 - RECONCILIATION TO FORM 5500

The following is a reconciliation of balances per the financial statements to Form 5500 at December 31, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 5,017,827	\$ 4,364,781
Difference in treatment of defaulted loans	<u>(19,670)</u>	<u>(29,282)</u>

Difference in treatment of deemed distributions	<u>(9,919)</u>	<u>(17,335)</u>
Benefit payments per Form 5500	<u>\$ 360,439</u>	<u>\$ 437,438</u>

NOTE 10 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through June 9, 2022, the date on which the financial statements were available to be issued.

Effective July 1, 2022, the Plan will be amended to designate contributions for new hires that are automatically enrolled in the Plan as Roth contributions instead of pre-tax contributions.
