Part I Asset and Liability Statement

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

PKF O'CONNOR DAVIES
ACCOUNTANTS AND ADVISORS

Independent Auditors' Report

The Retirement Committee of
The Sharp Employees
Savings and Investment Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of The Sharp Employees Savings and Investment Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PKF O'Connor Davies, LLP is a member firm of the PKF International Limited network of legally independent firms and does not accept any responsibility or liability for the actions or inactions on the part of any other individual member firm or firms.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report

The Retirement Committee of
The Sharp Employees
Savings and Investment Plan

We were engaged to audit the accompanying statement of net assets available for benefits of The Sharp Employees Savings and Investment Plan as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Charles Schwab Trust Bank, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

PKF O'Connor Davies, LLP is a member firm of the PKF International Limited network of legally independent firms and does not accept any responsibility or liability for the actions or inactions on the part of any other individual member firm or firms.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

The Sharp Employees
Savings and Investment Plan

Notes to Financial Statements
December 31, 2021

1. Description of the Plan

The following description of The Sharp Employees Savings and Investment Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a participant directed, defined contribution retirement plan covering substantially all eligible full-time employees of Sharp Electronics Corporation (the "Company" or "Employer") and adopting employers who have attained 21 years of age. Adopting employers include Sharp Laboratories of America and Sharp Manufacturing Company of America. Effective September 1, 2017, the Plan was amended to add MiiCs, IP, Inc. as an adopting employer. Effective January 1, 2019, the Plan was amended to add Toshiba America Client Solutions, Inc. as an adopting employer. Effective April 1, 2019, the Plan was amended to add Dynabook Americas, Inc. as an adopting employer due to Toshiba America Client Solutions changing its name to Dynabook America, Inc. Effective July 30, 2019, the Plan was amended to add Saratoga Technologies as an adopting employer. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, participants may contribute up to 50% of their eligible compensation on a pre-tax, after-tax or Roth basis, as defined by the Plan. Eligible employees will automatically be enrolled in the Plan at a 5% elective deferral rate, unless they affirmatively elect otherwise within the reasonable period established by the plan administrator. There is an automatic escalation feature whereby participant's deferrals will increase by 1% up to 10% of their eligible compensation. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into the various investment options offered by the Plan.

The Company makes matching contributions in the amount of 100% of a participant's contributions up to 2% of their compensation and 50% of a participant's contributions that exceed 2% but not to exceed 6% of a participant's compensation.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings (losses) thereon. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. Description of the Plan *(continued)*

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. The Company's matching contributions become gradually vested based on a participant's years of service as follows:

Years of Service	Vesting
Year 1	50%
Year 2	75%
Year 3	100%

Forfeitures

If a participant terminates employment and is less than 100% vested, he or she forfeits the non-vested portion of their account balance. Forfeitures are retained in the Plan and are used to reduce either future Company contributions or administrative expenses. At December 31, 2021 and 2020, forfeited non-vested accounts totaled $18,870 and $36,600. In 2021, Company contributions were reduced by $162,691 and administrative expenses were reduced by $37,374 from forfeited non-vested accounts.

Plan Credit Account

The Plan and Charles Schwab Bank (succeeded by Charles Schwab Trust Bank) (the "trustees") have entered into a revenue sharing arrangement whereby a portion of the revenue earned by the trustee from certain funds is allocated to the accounts of those participants who generated the credits on a quarterly basis. In order for the Plan to receive credits as a result of this arrangement, the Company created the Plan Credit Account under the Plan. The Plan Credit Account is a nonparticipant directed account within the Plan and is used to record the redistribution of Plan-generated fund revenue that exceeds the costs associated with plan administration. The Plan Credit Account balance was $282 and $257 at December 31, 2021 and 2020. During 2021, $58,004 from the Plan credit account was allocated back to participants.

Notes Receivable from Participants

Participants may borrow from their account balance a minimum of $1,000 up to a maximum of the lesser of one-half of their vested account balance or $50,000. The loans are secured by the balance in the participant's account and bear interest at prime rate plus 1%. Loans are to be repaid within five years for general purpose loan or ten years for a principal residence loan from the date of execution or earlier. Principal and interest is paid ratably through payroll deductions.

1. Description of the Plan *(continued)*

Payments of Benefits

Withdrawals are permissible upon reaching age 59 ½, termination of employment, disability, retirement, or for certain financial hardships. Upon death, a participant's entire account balance is paid to the participant's beneficiary.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Pursuant to U.S. GAAP guidance, alternative investments where fair value is measured using the Net Asset Value ("NAV") per share as a practical expedient are not categorized within the fair value hierarchy.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Mutual funds held by the Plan are valued at fair value based on the daily closing price as reported by the funds. All of the mutual funds are open-ended and are registered with the Securities and Exchange Commission. The mutual funds are required to publish their daily NAV and to transact at that price. The mutual funds are deemed to be actively traded. The common/collective trusts are valued at the NAV of units held by the Plan. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The self directed brokerage accounts are valued based on the account's underlying investments held as of the end of the plan year. The self directed brokerage accounts consist of: common stocks (including the American Depository shares of Sharp Corporation, the parent of the plan sponsor), preferred stock, mutual funds, exchange traded funds, real estate investment trusts, and interest bearing cash.

2. Summary of Significant Accounting Policies *(continued)*

Investment Valuation and Income Recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Expenses

The Company pays certain administrative costs of the Plan. Any expenses not paid by the Company are paid by the Plan. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is June 15, 2022.

3. Information Certified (Unaudited)

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Charles Schwab Trust Bank, a qualified institution, has certified that the following investment information included in the accompanying financial statements and supplemental schedule is complete and accurate: investments in the statements of net assets available for benefits as of December 31, 2021 and 2020; net appreciation in fair value of investments and interest and dividends in the statement of changes in net assets available for benefits for the year ended December 31, 2021; and the investment information included in the supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021.

At the request of the plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and supplemental schedule.

4. Investments

The following table summarizes the fair value hierarchy for the Plan's investments as of December 31, for those investments subject to categorization within such hierarchy:

	2021		
	Level 1	Other Investments Measured at NAV *	Total
Mutual funds	$ 280,896,989	$ -	$ 280,896,989
Common/collective trusts	-	116,684,454	116,684,454
Self directed brokerage accounts	9,337,379	-	9,337,379
	$ 290,234,368	$ 116,684,454	$ 406,918,822

	2020		
	Level 1	Other Investments Measured at NAV *	Total
Mutual funds	$ 241,329,250	$ -	$ 241,329,250
Common/collective trusts	-	111,241,121	111,241,121
Self directed brokerage accounts	7,072,100	-	7,072,100
	$ 248,401,350	$ 111,241,121	$ 359,642,471

(*) As discussed in Note 2, investments that are measured using the practical expedient are not classified within the fair value hierarchy.

5. Common/Collective Trusts

Invesco Stable Value INVSVC Fund

The Invesco Stable Value INVSVC Fund ("Invesco Fund") is a collective trust fund of Invesco Trust Company, the trustee of the Invesco Fund. The Invesco Fund may invest in: bank, insurance company and other financial institution investment contracts.

The NAV of the Invesco Fund is determined as of the close of each business day. Units are issued and redeemed at the NAV of the Invesco Fund on the last business day preceding the date on which such orders to issue or redeem units are received.

5. Common/Collective Trusts *(continued)*

Invesco Stable Value INVSVC Fund (continued)

The Invesco Fund is valued at NAV principally because unitholders are able to transact at NAV when initiating benefit-responsive withdrawals, taking loans or making permitted investment option transfers. A benefit-responsive withdrawal includes a payment to a unitholder arising from retirement, termination of employment, disability or death. In the normal course, unitholder events are predictable such that the economic integrity of the Invesco Fund is largely unaffected by unitholder withdrawals. Employer initiated events, if material, may affect the underlying economics of the Invesco Fund. These events include plant closings, layoffs, plan termination, bankruptcy or reorganization, merger, early retirement incentive programs, tax disqualification or other events. The occurrence of one or more employer initiated events could limit the Invesco Fund's ability to transact at NAV with unitholders.

At December 31, 2021 and 2020, the Invesco Fund represented approximately 10% and 12% of the Plan's net assets available for benefits.

Charles Schwab Managed Retirement Trust Funds

The Schwab Managed Retirement Trust Funds (collectively the "SMRT Funds") are common/collective trust funds that invest in, but are not limited to, domestic equity, international equity, emerging markets equity, global real estate ("REITs"), commodities, intermediate-term bond, short-term bond, world bond ex-US, cash/cash equivalents, and inflation-protected bonds ("U.S. TIPS").

The SMRT Funds value, at their respective NAV per share/unit, the securities in their portfolios daily. The Charles Schwab Trust Bank ("SMRT Funds' Trustee") may decide to distribute, as of any valuation date, all or part of the net investment income and realized gains of the SMRT Funds to participating qualified trusts on a pro-rata basis in accordance with the number of units held by each qualifying trust on the valuation date. Net investment income and realized gains not distributed are retained, reinvested in the SMRT Funds and reflected in the SMRT Funds unit values. The SMRT Funds pay the SMRT Funds' Trustee a fee equal to an annual rate of 0.45% of the Funds average daily net assets for serving as trustee and overseeing the management and operation of the SMRT Funds.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Company contributions.

7. Income Tax Status

The Internal Revenue Service ("IRS") issued an opinion letter to the prototype plan document preparer dated June 19, 2014, which states that the form of the prototype plan qualifies under the applicable provisions of the Internal Revenue Code ("IRC"). Although the prototype Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

8. Related Party Transactions

Certain Plan investments are managed by Charles Schwab Trust Bank. Charles Schwab Trust Bank is the trustee as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

Schwab Retirement Plan Services Inc. is the record-keeper as defined by the Plan. The self directed brokerage accounts are offered through Charles Schwab & Co., Inc., an affiliate of the trustees.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements of net assets available for benefits.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The global economic uncertainty associated with the COVID-19 pandemic has resulted in significant volatility in global financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2021 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted due to uncertainty regarding the duration and scope of the pandemic and other changing market conditions.
