Financial Statements and Supplemental Schedule

Years Ended December 31, 2021 and 2020

With Independent Auditors' Report

INDEPENDENT AUDITORS' REPORT

The Plan Administrator and Participants
Nappi Distributors, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Nappi Distributors, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the United States Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Fidelity Management Trust Company, the trustee of the Plan, as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by Fidelity Management Trust Company agrees to, or is derived from, in all material respects, the information prepared and certified by Fidelity Management Trust Company that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued (or within one year after the date that the financial statements are available to be issued when applicable).

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

The Plan Administrator and Participants
Nappi Distributors, Inc. 401(k) Plan

- The information in the supplemental schedule related to assets held by and certified to by Fidelity Management Trust Company agrees to, or is derived from, in all material respects, the information prepared and certified by Fidelity Management Trust Company that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by Fidelity Management Trust Company. In our report dated June 21, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NAPPI DISTRIBUTORS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. Description of Plan

The following brief description of the Nappi Distributors, Inc. 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all full-time employees of Nappi Distributors, Inc. (the Company). Employees are eligible to participate in the Plan after attaining age 18 and having completed 3 months of service. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA).

The Plan was amended and restated effective May 2022. Employees are eligible to participate in the Plan after attaining age 18 and completing one month of service.

Contributions

Participants may make pre-tax salary reduction contributions from 1% – 75% of their compensation up to the Internal Revenue Service limit.

The Company matches 75% of the first 4% of compensation. The Company may also make discretionary contributions to the Plan; however, no such contributions were made for the years ended December 31, 2021 and 2020.

Investment Options

Participants may elect to invest their contributions in any of the Plan's investment options. The options consist of various mutual funds as well as a collective trust fund. Participants should refer to the prospectus of each investment for further information. Employer contributions are invested in the same manner as the corresponding employee contributions.

Benefits

The Plan provides benefits to participants upon death, disability, retirement or termination of employment. Benefits will be paid to the participant in a lump-sum payment if the balance of the account is less than or equal to \$1,000. If the balance exceeds this amount, the participant may elect to receive the benefit in a lump-sum payment partial withdrawal (if terminated), an annuity, in installment payments or by transfer to another qualifying plan. Any distribution greater than \$1,000 that is made to a participant without the participant's consent before the normal retirement age will be rolled over into an individual retirement plan designated by the Plan Administrator. A participant who has incurred a separation from service may also elect to leave the monies in the Plan until they are required to begin receiving minimum annual distributions starting at age 72 (70½ if that age is reached before January 1, 2020).

Participants are permitted to make hardship withdrawals from their accounts provided they meet certain criteria and the withdrawals are approved by the Plan Administrator. Participants whose employment has terminated can take partial withdrawals for any portion of their distributable vested interest in their account at any time.

NAPPI DISTRIBUTORS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. **Description of Plan (Continued)**

Effective March 27, 2020, the Plan adopted the distribution provision of the *Coronavirus Aid, Relief and Economic Security Act* (CARES Act) that was signed into law. A CARES Act distribution allows the Plan's qualified participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. Additionally, required minimum distributions were temporarily waived over the same period. The Plan had approximately \$110,000 in COVID-19-related distributions for the year ended December 31, 2020.

Vesting

Participants are immediately vested in their contributions. Participants vest in employer contributions over a five year period beginning in the second year of service at a rate of 20% per year and are 100% vested after the fifth year of service. Forfeitures of nonvested contributions are used to pay administrative expenses related to the Plan. There were no material unallocated forfeitures for the years ended December 31, 2021 and 2020.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's matching and discretionary contributions, an allocation of Plan earnings and an allocation of administrative expenses. Plan earnings are allocated based upon participant account balances. Administrative expenses are allocated to participant accounts based on the participant's relative account balances.

Rollover Accounts

Employees may rollover into the Plan, assets distributed as a vested interest upon their termination from a qualified defined benefit plan or qualified defined contribution plan in which they were formerly participants on or before the 60th day after the day that they received the distribution.

Notes Receivable from Participants

Participants may also elect to borrow funds against their accounts. Loans made to a participant cannot exceed the lesser of (a) \$50,000 or (b) 50% of the participant's vested account balance. A participant may not request a loan of less than \$1,000 and may not have more than two outstanding loans at one time. Loan terms range from one to five years or up to ten years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and typically bear an interest rate of prime plus 1% at the date the loan is issued.

Notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. As of December 31, 2021, the interest rate on outstanding participant loans ranged from 4.25% to 6.50%, with maturities through 2026.

Interest income on notes receivable from participants is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

NAPPI DISTRIBUTORS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. **Description of Plan (Continued)**

Under the CARES Act, the Plan adopted the temporary loan repayment deferral provision. The deferral provision adopted by the Plan allows qualified Plan participants who have Plan loan repayments to defer such repayments until December 31, 2021. The CARES Act also permits qualified participants the ability to take a loan up to the lesser of \$100,000 or 100% of the participant's vested balance from the Plan beginning on or after March 27, 2020 to September 22, 2020.

Termination of the Plan

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA, as amended. In the event of Plan termination, participants will become 100% vested in their accounts.

Upon termination of the Plan, the trustee, once notified by the Company of the termination date, will distribute to each participant his or her account balance on that date in accordance with the terms of the Plan.

2. **Summary of Significant Accounting Policies**

Basis of Presentation

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (see note 6 for further fair value information). Purchases and sales of investments are recorded on a trade-date basis. Interest income and dividends are recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties

The Plan provides for various investment options which in turn invest in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NAPPI DISTRIBUTORS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

2. Summary of Significant Accounting Policies (Continued)

Contributions

Contributions from participants are recorded in the period in which payroll deductions are made. Employer matching contributions are recorded in the same period as the corresponding participant contributions.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses are charged against the accounts of the participants to the extent they are not paid by the Company.

Subsequent Events

Events occurring after the statement of net assets available for benefits date are evaluated by management to determine whether such events should be recognized or disclosed in the financial statements. Management has evaluated subsequent events through June 15, 2022, which is the date the financial statements were available to be issued.

3. Tax Status

The Company adopted a prototype defined contribution plan and standardized profit sharing 401(k) plan. The prototype plan has received an opinion letter dated March 31, 2014 from the Internal Revenue Service (IRS) as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by a plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has evaluated the Plan's tax positions and concluded that the Plan had maintained its tax exempt status and had taken no material uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.

NAPPI DISTRIBUTORS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

4. **Related Party Transactions**

Certain plan investments are managed by Fidelity Management Trust Company, the trustee; therefore, these transactions qualify as party-in-interest. Administrative fees paid by the Plan to Fidelity Management Trust Company in 2021 and 2020 were \$7,136 and \$10,320, respectively. Certain fees incurred by the Plan are paid through revenue sharing, rather than direct payment. Notes receivable from Plan participants, the related interest income and transactions are also considered party-in-interest transactions.

5. **Information Certified and Provided by Trustee**

Plan asset information disclosed in the accompanying financial statements and supplemental schedule including investments held and notes receivable from participants at December 31, 2021 and 2020, net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants and investment transactions for the years ended December 31, 2021 and 2020, was obtained or derived from information provided to the Plan Administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee, as of and for the years ended December 31, 2021 and 2020. Accordingly, as permitted under 29 CFR 2520.103-8 of the United States Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information certified by the trustee, except for comparing such information certified by the trustee to information included in the Plan's financial statements and supplemental schedule.

6. **Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

NAPPI DISTRIBUTORS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

6. Fair Value Measurements (Continued)

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the net asset value (based upon quoted market price) of shares held by the plan at year end.

Collective trust fund: The units of the collective trust funds are valued using the net asset value practical expedient as determined by the issuer based on the current fair values of the underlying assets of the fund.

In accordance with Accounting Standards Update 2015-07, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. Therefore, there is no hierarchy required for the collective trust fund held by the Plan totaling \$1,581,155 and \$1,498,398 at December 31, 2021 and 2020, respectively.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>2021</u>

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

6. Fair Value Measurements (Continued)

There are no unfunded commitments, redemption period notice requirements, or restrictions on sale or transfer related to the collective trust fund as of December 31, 2021.

7. Delinquent Contributions

In 2020, the Company was late remitting employee contributions in the amount of \$11,675. The lost earnings related to the contributions are not material to the financial statements. The late contributions were corrected in 2020.

8. Reconciliation of Financial Statements to Form 5500

Notes receivable from participants are reflected as a receivable on the financial statements which is different from the Form 5500 presentation. On the Form 5500, notes receivable are classified as investments under the caption "participant loans."
