Report of Independent Auditor

To the Plan Administrator
Heart of Florida United Way, Inc. Prototype 401(k) Profit Sharing Plan
Orlando, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Heart of Florida United Way, Inc. Prototype 401(k) Profit Sharing Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor’s Responsibilities for the Audit of the 2021 Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements. In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Heart of Florida United Way, Inc. Prototype 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated June 17, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 1—Description of the Plan

The following description of the Heart of Florida United Way, Inc. Prototype 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants of the Plan should refer to the Plan document for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering substantially all employees of Heart of Florida United Way, Inc. (the "Organization" or "Employer") that are age 21 or older. The Plan was established on January 1, 2006 and was restated as of February 24, 2016. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan was amended on November 1, 2017, providing that, unless electing otherwise, each new and current participant is to be automatically enrolled in the Plan at a participant contribution rate of 2%. Also, unless otherwise elected, this participant contribution rate is to increase 1% per year until it reaches 7%. The provisions of this amendment are effective the earlier of November 1, 2017, the entry date of Plan participant or the date eligibility requirements are met.

Administration – The Plan is administered by the Organization, which serves without compensation. The Plan Administrator has the overall responsibility and authority as the named fiduciary to manage and control the operations and administration of the Plan and may designate one or more individuals to perform those responsibilities. The Investment Committee is responsible for the oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and fee structure.

Contributions – Plan participants may voluntarily contribute, on a pre-tax basis, up to 100% of their annual compensation to the Plan up to the maximum allowable pre-tax voluntary contribution, as determined by the Internal Revenue Service ("IRS"), which for the year ended December 31, 2021 was \$19,500 plus an additional catch-up contribution of \$6,500 for participants over age 50. Effective June 1, 2021, Plan participants may make after-tax contributions under IRS Roth guidelines. Participants may also contribute eligible retirement plan transfers and rollovers from qualifying 401(a), 401(k), 403(b), and IRA (except a Roth IRA) plans. However, the Plan will not accept any rollovers from a government 457(b) plan and cannot accept any rollovers of after-tax contributions. Effective June 1, 2021, the Plan allows Roth rollovers. Effective June 1, 2010, the Plan was amended to include those employees who are "Highly Compensated Employees" as defined in the Internal Revenue Code ("IRC") to be eligible to contribute to the Plan.

The Plan previously provided for an Organization contribution equal to 10% of the participants' annual compensation. On June 18, 2020, the Board of Directors, at the recommendation of Organization management, approved a decrease in the Organization contribution from 10% to 5%, effective July 1, 2020. The contribution is made whether or not the employee is contributing to the Plan. To qualify for this contribution, participants must complete a year of service, defined as 1,000 hours within a 12 consecutive month period beginning on the anniversary of the day that the employee first performed an hour of service. Employee compensation in excess of \$290,000 in 2021 and \$285,000 in 2020 is not included for the purposes of determining Employer contributions. Any Employer contributions made on behalf of a participant for whom no investment direction is in effect shall be allocated to one of the Mutual of America Retirement Funds based on the appropriate retirement fund based on the participant's age, subject to the participant's right to transfer those funds in accordance with the Plan.

Note 1—Description of the Plan (continued)

Participant Accounts – Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, and an allocation of the Organization contribution and Plan earnings and charged with withdrawals and administrative expenses and an allocation of Plan losses. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Employee contributions and rollover contributions plus or minus actual earnings or losses thereon have full and immediate vesting. Organization contributions plus or minus actual earnings or losses thereon vest according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	40%
3	60%
4	80%
5 or more	100%

Participant accounts become fully vested regardless of the above vesting schedule upon death, disability, attainment of normal retirement age, or upon termination of the Plan. Participants will be credited with a year of service at the end of their first 12 months of employment provided they have completed at least 1,000 hours of service within that 12-month period.

Investment Options – Upon enrollment in the Plan, a participant may direct employee contributions in a variety of investment choices as more fully described in the Plan's literature. Participants may change their investment options at any time.

Payment of Benefits – The entire vested balance of a participant's account may be distributed upon termination of employment for any reason. The normal retirement age, as defined by the Plan, is 65. On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account or annual installments over a period up to 15 years. If a participant terminates for other reasons, they may receive the value of the vested interest in their account as a lump-sum distribution. Vested benefits in amounts less than \$1,000 are distributed in a lump-sum amount without the participant's election.

Forfeited Accounts – Forfeited nonvested accounts totaled \$-0- as of December 31, 2021 and 2020. These accounts will be used to reduce future Organization contributions. During 2021, Organization contributions were reduced by \$51,278 from the use of forfeited non-vested accounts.

Note 2—Summary of significant accounting policies

Basis of Accounting – The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

Use of Estimates – The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investments – Investments held by the Plan are reported at fair value.

The following is a description of the valuation methodology used for instruments measured at fair value.

Pooled Separate Accounts – These assets are not available in an exchange or an active market; however, as a practical expedient, the fair value is determined based on the net asset value of the underlying assets as traded in an exchange or active market. There are currently no redemption restrictions on these accounts and there are no unfunded commitments.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded as earned. Net appreciation (depreciation) in fair value of investments includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties – Investment securities, in general, are subject to various risks, such as interest rate, credit and overall market volatility. Subsequent to the Plan’s year end, stock market conditions experienced a significant downturn, exacerbated by inflationary factors, rising interest rates, and ramifications from the war in Ukraine. The Plan’s investment portfolio has been adversely impacted by this decline, the duration and ultimate impact of which is uncertain and could materially affect the amounts reported in the statements of net assets available for benefits.

Excess Contributions Payable – Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the excess contributions to the applicable participants prior to March 15 of the subsequent year.

Benefits Paid to Participants – Benefits paid to participants are recorded when paid.

Administration Expenses – Plan administration expenses are paid out of Plan assets, unless otherwise stated.

Subsequent Events – Heart of Florida United Way, Inc. has evaluated subsequent events through June 16, 2022, the date the financial statements were available to be issued and determined there were no events requiring recognition or disclosure.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 3—Investments (unaudited)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to the following information certified by Mutual of America Life Insurance Company ("Mutual of America"), the custodian of the Plan, as complete and accurate, except for comparing such information to the information included in the Plan's financial statements and supplemental schedule as of December 31, 2021 and 2020 and for the year ended December 31, 2021.

- Cash equivalents and investments, at fair value as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Net appreciation in fair value of investments and investment earnings as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021.

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 4—Party-in-interest transactions

Plan investments and cash equivalents are held and managed by Mutual of America, which qualify as party-in-interest transactions.

Fees paid by the Plan for the investment management services of Mutual of America amounted to \$1,362 for the year ended December 31, 2021.

Note 5—Tax status

The IRS has determined and informed the Organization by a letter dated July 7, 2010, that the Plan is designed in accordance with applicable sections of the IRC. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended since 2010, but the Plan administrator believes the Plan continues to be operated in compliance with the applicable provisions of the IRC and, therefore, believes that the Plan is qualified and tax exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to audit by taxing jurisdictions. However, there are currently no audits for any tax periods in progress.

Note 6—Plan termination

The Organization believes that the Plan will continue without interruption but reserves the right to discontinue the Plan. In the event such discontinuance results in termination of the Plan, the Plan provides that the assets be allocated among the participants and beneficiaries in the amounts credited to each participant's respective account at the effective date of such termination. Distribution of participant account balances will occur as soon as administratively feasible upon termination of the Plan.
