Independent Auditor's Report

Plan Administrator, Plan Participants, Audit Committee, and Board of Directors
Leggett & Platt, Incorporated 401(k)
Plan and Trust Agreement
Carthage, Missouri

Opinion

We have audited the financial statements of Leggett & Platt, Incorporated 401(k) Plan and Trust Agreement (the "Plan"), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2021 and 2020, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules listed in the table of contents is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE A – DESCRIPTION OF PLAN

The following description of the Leggett & Platt, Incorporated (L&P or the Company) 401(k) Plan and Trust Agreement (Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions, which is available from the Plan Administrator.

General

The Plan is a defined contribution plan covering employees who meet eligibility requirements. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility of Employees

Employees of a L&P branch or subsidiary who have completed 90 days of service and bargaining unit employees who have negotiated inclusion into the Plan are considered eligible for participation. If a previously ineligible employee changes employment status and, as a result, meets the above criteria, the employee may generally participate in the Plan as soon as administratively reasonable. Eligible employees may participate beginning on January, April, July and October 1 after meeting eligibility requirements or on any special entry date according to the participation agreement.

Contributions

Company contributions, including matching contributions, are made in accordance with the Plan document or at the discretion of the employer, limited by 6% of eligible employee compensation. Company discretionary contributions will be allocated based on each participant's eligible contributions in proportion to total eligible employee contributions or based on each participant's total pay.

Employees may elect to voluntarily contribute any whole percentage of eligible compensation, limited by annual Internal Revenue Service (IRS) contribution limits and any applicable Plan limits. The Plan also allows:

- Employee rollover contributions.
- Roth contributions. These contributions are made on an after-tax basis subject to the rules contained in the Internal Revenue Code (IRC).
- Catch up contributions for participants age 50 and over. Catch up contributions are not eligible for a Company matching contribution.

Eligible employees who are not participating are enrolled at 1% with pre-tax contributions. Beginning January 1, 2020, employees who are contributing less than 6% will have their contributions increased by 1% annually until they are contributing 6%. Employees may annually opt out of enrollment and/or automatic increases.

Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan currently offers L&P common stock, mutual funds and common trust funds as investment options for participants.

If participants elect to diversify their existing or future contributions or Company contributions, such contributions will be invested directly in the other investment options offered by the Plan, rather than in L&P common stock. A participant may sell some or all existing shares of L&P common stock acquired through employee or Company contributions and invest the proceeds in the other investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE A – DESCRIPTION OF PLAN – CONTINUED

Retirement K

Retirement K participants receive employer matching contributions ranging from 20% to 80% based on their age at December 31, 2006, limited by 6% of eligible employee compensation. An employee was eligible to be a Retirement K participant if on December 31, 2006 he or she was an active participant in the L&P Retirement Plan and on or after April 1, 2007, he or she was a participant in this Plan.

Participants in the Hanes Companies, Inc. Retirement Savings Plan II (Hanes Plan) are allowed to contribute to the Plan under the Retirement K provision. Hanes Plan participants can also continue to contribute to the Hanes Plan, subject to contribution limits prescribed by the IRS.

Vesting and Distributions

Participants are always 100% vested in their employee contributions, rollover accounts and qualified non-elective contributions (QNECs). Company contributions are vested following three years of service with 1,000 hours completed, at which time, they will become 100% vested. Any Company contribution from a prior plan merged into this Plan shall continue to vest in accordance with the vesting schedule set forth in the prior plan. A participant's entire account balance will become fully vested at normal retirement age or termination due to disability or death. A participant's non-vested account balance will be forfeited at the time of distribution of the vested account balance. The forfeitures will be used to restore accounts, pay Plan fees and expenses, and offset Company matching contributions and/or Company discretionary matching contributions, as directed by the Plan Administrative Committee. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$60,967 and \$98,536, respectively. These accounts will be used to offset future employer contributions. Also, in 2021 and 2020, Company contributions were offset by \$446,106 and \$156,153, respectively from forfeited non-vested accounts.

Upon termination of employment, participants are entitled to receive the full value of their account representing participant contributions and the vested portion of their account representing Company contributions. For participants with vested balances of \$1,000 or less, unless the participant elects to roll over the balance to an individual retirement account or another qualified retirement plan, upon separation of employment, the Plan will automatically process a distribution of the participant's account. If the vested balance is greater than \$1,000 but less than \$5,000, the balance will be rolled over into a qualified Individual Retirement Account (IRA), unless the participant elects direct distribution or other eligible direct rollover. Beginning in July 2020, the IRA program is offered through Principal Bank, and prior to that was offered through Millennium Trust Company, serving as custodian of the program's assets. Participants with vested balances exceeding \$5,000 can elect to keep their balance in the Plan until April 1st of the next calendar year in which the participant reaches age 70½ or until a distribution or rollover is elected. In-service withdrawals are allowed by participants after reaching age 59½. In-service hardship withdrawals are also allowed by participants prior to reaching age 59½, provided they meet the hardship withdrawal requirements set forth by the Plan.

Plan Trustee

On July 1, 2019, Principal Financial Group acquired the Institutional Retirement & Trust business of Wells Fargo & Company, parent company of Wells Fargo Bank, N.A.

During 2020 and through May 2021, Wells Fargo Bank, N.A., served as the sole trustee of the Plan. In June 2021, Plan assets moved to Principal Trust Company (Principal), who is now serving as the sole trustee of the Plan.

Through May 2021, Well Fargo Bank, N.A. held all plan assets, executed all of the investment transactions, maintained the financial records relating to the trust, and made all benefit payments as directed by the Plan Administrative Committee. Beginning June 2021, Principal assumed these duties.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE A – DESCRIPTION OF PLAN – CONTINUED

The Plan became subject to a Securities and Exchange Commission Regulation BTR blackout period from June 16, 2021 through June 21, 2021, in order to administratively process the migration of the Plan from the recordkeeping platform of Wells Fargo Bank, N.A. to the record keeping platform of Principal Financial Group. During the blackout period, participants and beneficiaries were unable to: a) purchase, sell, or otherwise acquire or transfer funds into or out of any of the investment alternatives in the Plan, including Company common stock; b) change allocations for future contributions, make payroll percentage elections, or designate beneficiaries in the Plan; c) receive distributions or withdrawals from, or terminate their participation in, the Plan; d) receive loans from the Plan; or e) make rollover contributions into the Plan.

Notes Receivable from Participants

Notes receivable from participants (loans) are measured at their unpaid principal balance plus any accrued but unpaid interest. A loan is considered to be in default if a participant, active or terminated, fails to make all or part of a required loan repayment by the end of the calendar quarter which follows the calendar quarter in which the repayment is due. Loan balances in default will be treated as outstanding for purposes of determining any future loan amounts. In the event of default, the outstanding balance of the loan, including accrued interest, will be treated as a deemed distribution subject to federal income tax. Participants may borrow from any of their vested participant accounts up to a maximum equal to the lesser of \$50,000 (reduced by their highest outstanding loan balance during the twelve months immediately preceding the loan) or 50% of their vested account balance. The minimum loan amount is \$500, and the interest rate will be set at the Prime Rate as quoted in the Wall Street Journal on the day the loan is processed, plus 1%. The maximum number of loans that may be outstanding at any one time is two, one for any reason and one to acquire a principal residence. If an employer is sold and therefore ceases to be a related company, the Plan Administrative Committee may, at its sole discretion, permit each participant whose employment with all related companies terminates to transfer all loans outstanding to a retirement plan maintained by the purchaser of that employer.

Administrative Expenses

Administrative expenses are paid by both L&P and the Plan. Any L&P paid expenses are not reflected in the financial statements of the Plan. For both 2021 and 2020, no forfeitures were used to pay administrative expenses.

Plan Termination

Although it has not expressed any intent to do so, L&P has the right, by action of its Board of Directors, to terminate the Plan at any time. In the event of termination, participants will become 100% vested in their accounts.

CARES Act

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (CARES Act). The Plan was operationally amended to implement certain changes provided for under the CARES Act including allowing certain eligible individuals to a) receive COVID-19-related distributions during the period of January 1, 2020, through December 31, 2020; b) delay certain participant note repayments for up to one year; and c) temporarily suspend required minimum distributions. Distributions of \$7,638,956 were made related to the CARES Act during the year ended December 31, 2020.

NOTE B – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting, except for benefit payments, which are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ materially from those estimates.

Investments and Income Recognition

The fair value of the common trust funds, Wells Fargo Enhanced Stock Market Fund N and Wells Fargo Stable Return Fund N are valued at net asset value (NAV) as a practical expedient. As of December 31, 2021 and 2020, there were no unfunded commitments or restrictions on redemptions.

The fair value of mutual fund and common stock investments is based upon quoted market prices as of the close of business on the last day of the year. These are classified within Level 1 of the valuation hierarchy as the quoted price is in an active market. See *Note C* for further information regarding the valuation hierarchy.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment Contracts

The Wells Fargo Stable Return Fund N invests all assets in Wells Fargo Stable Return Fund G (Fund G), a collective trust fund sponsored by the trustee. The Fund G is a fully benefit-responsive fund which seeks to provide investors with a moderate level of stable income without principal volatility. The primary underlying investments held by the Fund G are guaranteed investment contracts. An investment in Fund G results in the issuance of a given number of participation units. Wells Fargo Bank, N.A., the manager of the fund, determines the purchase price and redemption price of the units, which is generally equal to the total value of each asset held by the fund, less any liabilities, divided by the total number of units outstanding at the valuation date. Redemptions of units are redeemed at the Unit Value at contract value. As a benefit-responsive fund, this fund generally permits plan participant redemptions daily. As of December 31, 2021 and 2020, there were no unfunded commitments or restrictions on redemptions.

Plan Tax Status

The Plan obtained its latest determination letter on March 16, 2017, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC and therefore, not subject to tax. The Plan has been amended and restated since receiving the determination letter. However, L&P believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and conforms to the requirements of ERISA.

NOTE C – FAIR VALUE MEASUREMENTS

ASC Topic 820, Fair Value Measurements, specifies a fair value hierarchy and defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The primary area in which the Plan utilizes fair value measurements is valuing the Plan's investments. See *Note B* for discussions of the methodologies and assumptions used to determine the fair value of the Plan's investments. There have been no significant changes in the valuation techniques during the year ended December 31, 2021. The standard describes three levels of inputs that may be used to measure fair value:

- Level 1: Quoted prices for identical assets or liabilities in active markets.
- Level 2: Other significant inputs observable either directly or indirectly (including quoted market prices for similar securities, interest rates, yield curves, credit risk, etc.)
- Level 3: Unobservable inputs that are not corroborated by market data.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021 and 2020.

		December 31, 2021		
		Fair Value Measurements Using		
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

NOTE F – RISKS, UNCERTAINTIES AND SUBSEQUENT EVENTS

In March 2020, the World Health Organization categorized Coronavirus Disease 2019 (COVID-19) as a pandemic. The COVID-19 pandemic has resulted in economic uncertainty and extreme volatility in financial markets, and may continue to affect the value of Plan assets. The duration of COVID-19 is uncertain and the ultimate financial impact on the Plan is difficult to assess or predict.

The Plan invests in various investment securities. In addition to the risks associated with COVID-19 discussed above, investment securities are also exposed to market, credit, and interest rate risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially adversely affect the participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits. The financial statements have been prepared using December 31, 2021 values and information currently available to the Plan.

Subsequent events have been evaluated through June 17, 2022, which is the date the financial statements were available to be issued.
