INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Central National Gottesman Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Central National Gottesman Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

(Continued)

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Form 5500 Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Central National Gottesman Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated May 3, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

1. Description of Plan

The following brief description of Central National Gottesman Inc. (the “Company”) 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Amended and Restated Plan as of January 1, 2021 for a more complete description of the Plan’s provisions.

The Plan, which became effective October 1, 1989, is a defined contribution plan for purposes of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Plan adopted the Vanguard Fiduciary Trust Company (“VFTC”) prototype savings plan. VFTC is the trustee of the Plan and the Vanguard Group is responsible for all the recordkeeping of the Plan.

Certain employees of the Company become eligible for participation in the Plan: (a) if the employee is scheduled to work at least 20 hours per week and completes at least 1,000 hours of service during the Plan year, and (b) if the employee has completed one month of service. Eligible participants may enter the Plan upon the first pay date of each month.

Each participant’s account is credited with the participant’s contributions and allocations of (a) the Company’s contribution, as pertaining to certain eligible divisions’ employees, and (b) earnings on participant account balances and is charged with (c) the participants’ withdrawals, (d) allocations of administrative expenses and (e) losses on participant account balances. The benefit to which a participant is entitled is the participant’s vested account.

Employees hired on or after the effective date are automatically enrolled at a 3% deferral rate upon becoming eligible to participate in the Plan and they may elect to change or discontinue deferrals at any time. Any participant making contributions to the Plan at a rate lower than 10% of compensation per pay period will have his or her contributions automatically increased by 1% each January 1, until the participant reaches a maximum of 10% of compensation per pay period or he or she opts out of the automatic increases. All other participants may elect to defer, in increments of 1%, up to 25% of their annual compensation. The deferrals are subject to limitations as described in the Plan document. Rollover contributions attributable to an employee’s participation in a qualified retirement plan may be made in accordance with Plan limitations. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants are permitted to request In-Plan Roth rollovers as well as elect to make Roth contributions to the Plan. The Company makes certain non-elective as well as match contributions for certain eligible divisions’ employees (who meet the criteria as defined by the Plan document). For participant compensation accruing after April 19, 2020, the Plan was amended so that the Plan sponsor shall make no further contributions to the Plan for Plan year 2020 (except as required under the Plan for certain participants who are subject to certain collective bargaining agreements).

Notes to Financial Statements

December 31, 2021 and 2020

Participants are immediately vested in their contributions, rollover contributions as well as employer contributions plus actual earnings thereon.

The Plan does not normally permit loans. However, the Plan was amended to permit certain loan balances from participants that joined certain divisions as a result of acquisitions that were transferred into the Plan. Loans are secured by the balance in the participant's account and bear interest from 4.25% to 7.25% as of December 31, 2021 and 4.50% to 7.25% as of December 31, 2020. Loan repayments of principal and interest are made through payroll deductions. Loans receivable from participants are reported in the financial statements at the unpaid balances.

Amounts held in a participant's elective account may not be distributed earlier than one of the following events:

- 1) a participant's termination of employment
- 2) a participant's death
- 3) a participant's disability (as defined by the Plan document)
- 4) a participant's attainment of age 59 1/2
- 5) the termination of the Plan
- 6) the financial hardship of a participant, subject to restrictions as set forth in the Plan document
- 7) coronavirus related distributions effective for plan year 2020 per the amendment dated April 19, 2020

2. Summary of Significant Accounting Policies

a) Principles of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in conformity with U.S. generally accepted accounting principles.

b) Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

c) Investments Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability.

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

d) Administrative Expenses

Expenses incurred in the administration of the Plan are required to be paid with assets of the Plan unless the Company, at its discretion, elects to pay them. For the years ended December 31, 2021 and 2020 the Company paid the majority of the administrative expenses of the Plan.

e) Payment of Benefits

Benefits are recorded when paid.

f) Subsequent Events

The Plan has evaluated subsequent events through May 17, 2022, the date the financial statements were available for issuance.

3. Investment Information Certified By the Plan's Trustee (Unaudited)

Substantially all information pertaining to the Plan's investments and participant loans receivable included in the financial statements, including the associated investment income (loss) and interest earned on participant loans receivable, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by VFTC, the trustee of the Plan. This information has not been audited by independent accountants.

4. Fair Value Measurements

Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

December 31, 2021 and 2020

The following presents the valuation methods and assumptions used by the Plan to estimate the fair values of investments.

Mutual Funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Collective Trust: The fair values of participation units held in the collective trust are based on the net asset values per unit as reported by the fund manager. The collective trust provides for daily redemptions by the Plan at reported net asset values per share, with no advance notice requirement.

Investments measured at fair value on a recurring basis are summarized below:

Fair Value Measurements at December 31, 2021, Using					
	<u>Total</u>	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Collective Trust
Mutual Funds	\$ 238,364,945	\$ 238,364,945	\$ -	\$ -	\$ -
Collective trust *	<u>17,293,141</u>	<u>-</u>	<u>-</u>	<u>-</u>	<u>17,293,141</u>
Total	<u>\$ 255,658,086</u>	<u>\$ 238,364,945</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 17,293,141</u>

Fair Value Measurements at December 31, 2020, Using					
	<u>Total</u>	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Collective Trust
Mutual Funds	\$ 206,013,198	\$ 206,013,198	\$ -	\$ -	\$ -
Collective trust *	<u>19,894,232</u>	<u>-</u>	<u>-</u>	<u>-</u>	<u>19,894,232</u>
Total	<u>\$ 225,907,430</u>	<u>\$ 206,013,198</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 19,894,232</u>

* Investments in a collective trust are measured at fair value using net asset value per share (or its equivalent) as a practical expedient and have not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statements of net assets available for benefits.

5. Party-in-Interest Transactions

The Plan invests in shares of mutual funds issued by Vanguard, an affiliate of VFTC. VFTC acts as trustee and therefore these transactions qualify as party-in-interest transactions. Amounts paid by the Plan to VFTC for administrative expenses amounted to \$124,280 and \$120,231 for the years ended December 31, 2021 and 2020, respectively. Participant loans receivable amounted to \$91,675 and \$40,641 at December 31, 2021 and 2020, respectively. These transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules.

6. Termination of the Plan

Although the Company has not expressed any intent to do so, it may, by action of its Board of Directors, terminate the Plan for any reason and at any time subject to the provisions of ERISA.

7. Federal Income Tax Exemption

The IRS issued an opinion letter dated May 28, 2014 indicating that the prototype adopted by the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). Although the Plan has been amended from the original prototype, Plan management believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

The Plan's tax returns, like those of other Employee Benefit Plans, are subject to examination by the Internal Revenue Service generally for a period of three years after they are filed. Accordingly, as of December 31, 2021, the Plan's federal Annual Return/Report of Employee Benefit Plan (Form 5500) for the years ended December 31, 2018, 2019 and 2020 were subject to examination by the Internal Revenue Service.

The Plan's 2019 Form 5500 was examined by the Internal Revenue Service resulting in no changes to the tax return as originally filed.

8. Risks and Uncertainties

The Plan's investments are concentrated in funds that invest in marketable registered investment companies and a collective trust. Such securities are subject to various risks that affect the value of the funds. Due to the level of risk associated with equity securities and the level of uncertainty related to changes in the value of such securities, it is at least reasonably possible that changes in market conditions in the near term could materially affect participants' account balances and the value of investments reported in the financial statements.

Notes to Financial Statements

December 31, 2021 and 2020

In the first several months of 2020, a novel strain of coronavirus, and resulting disease, COVID-19, spread throughout the world and the United States. The coronavirus was declared a Public Health Emergency of International Concern by the World Health Organization on January 30, 2020. This Public Health Emergency continued for the year ended December 31, 2021. As a result of the coronavirus, the value of the investments of the Plan may be negatively impacted by this event.
