INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of the
403(b) Thrift Plan for Employees of DePelchin Children's Center

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the 403(b) Thrift Plan for Employees of DePelchin Children's Center (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the 2021 financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matter - 2021 Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated June 28, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

403(b) THRIFT PLAN FOR EMPLOYEES OF DEPELCHIN CHILDREN'S CENTER

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

Note 1 - Description of the Plan

General

The 403(b) Thrift Plan for Employees of DePelchin Children's Center (the Plan) is a defined contribution plan that was established effective January 1, 1996 covering eligible employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The following description of the Plan provides only general information and is as of December 31, 2021, unless otherwise noted. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Administration

DePelchin Children's Center (DePelchin) serves as the Plan Administrator and is responsible for oversight of the Plan. The Plan Administrator determines the appropriateness of the Plan's investment offerings. DePelchin receives no compensation for services provided to the Plan. The Custodians of the Plan are Mutual of America Life Insurance Company and Lincoln National Life Insurance Company. The Custodians hold all of the Plan's assets and execute all of the Plan's investment transactions.

Eligibility

All employees of DePelchin are eligible to participate in the Plan. There is no minimum age requirement and no minimum service requirement to make employee contributions to the Plan. Employees are eligible to receive employer matching contributions and employer discretionary base contributions after reaching age 21 and completing one year of service, defined as 1,000 hours of service in a 12 consecutive month computation period.

Participant Contributions

The maximum amount participants may elect to contribute on a pre-tax basis to the Plan during the Plan year is the lesser of 100% of their total compensation or the maximum deferral as allowed under Section 414(v) of the Internal Revenue Code (the Code). Effective September 1, 2021, each participant may elect to defer his or her eligible salary as Roth contributions. Employees hired or rehired after January 1, 2018, who do not complete a salary reduction agreement, are automatically enrolled in an age-based retirement fund in the amount of 1% of eligible salary. Employees also have a choice to not contribute to the Plan. Changes to a participant's contribution amounts may be made throughout the Plan year and become effective either the first day of the first full payroll following hire (if a new employee) or the first day of the pay period beginning on or after the later of the date specified in the salary reduction agreement or the date the salary reduction agreement is received by the Plan Administrator. Participants may modify the allocation of their elections at any time. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan also allows rollover contributions to the Plan from other eligible retirement plans.

Note 1 - Description of the Plan (Continued)

Employer Contributions

Participants with one year of service and who have attained the age of 21 years are eligible to receive employer contributions. The Plan provides for two types of employer contributions to each eligible Plan participant that are described below:

- Employer matching contribution to each eligible Plan participant equal to 100% of the participant's employee contribution up to 3% of total annual compensation.
- Employer discretionary base contribution which for the year ended December 31, 2021 was equal to 2% of all eligible participant compensation, provided that the participant was an employee the last day of the Plan year and regardless of whether salary deferral contributions were made into the Plan by the participant.

The employer discretionary base contribution is recorded as an employer contribution receivable for the years ended December 31, 2021 and 2020. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (1) the employer matching contribution, (2) the employer discretionary base contribution, and (3) Plan earnings or losses.

Participant Notes Receivable

Participants may use their vested participant accounts as security for a loan from the Plan. Participants are allowed to borrow a minimum of \$1,000, up to the lesser of \$50,000 or 50%, of their vested balance. Each loan must be properly secured by the participant's vested account, bear a reasonable rate of interest based on similar commercial lending rates, and require level payments over a period generally not to exceed five years, except for the purchase of a primary residence, in which case loan terms can reach ten years. Principal and interest are paid ratably through payroll deductions.

Benefits

At 59^{1/2}, if the participant elects early retirement, eligible participants will receive benefits in a lump-sum payment, a joint and survivor annuity, or a life annuity. If the participant elects early retirement at age 55, eligible participants may receive benefits by installments commencing on the first day of the month on or after the participant attains age 55. Upon withdrawal from the Plan, prior to normal or early retirement, the entire amount of employee contributions and the vested portion of employer contributions made on behalf of each participant may be returned to the employee. Upon death prior to normal or early retirement, the benefits to which a participant is entitled are paid to a designated beneficiary. At termination of employment, if the vested account balance is \$1,000 or less, a single lump-sum payment will be made to the terminated participant. Hardship withdrawals are permitted from the Plan.

Note 1 - Description of the Plan (Continued)

Vesting

Participants are immediately vested in their employee contributions plus actual earnings thereon. Employer matching and discretionary base contributions vest as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than 2	0%
2 to 3	25%
3 to 4	50%
4 to 5	75%
5 or more	100%

A participant becomes fully vested at normal retirement, or upon disability or death.

Forfeitures

Forfeitures are non-vested employer contributions from participants who terminate from the Plan. Forfeitures may be used first to pay certain Plan expenses. Any amount of forfeitures remaining may be used to reduce future employer contributions to the Plan. There were no forfeited nonvested accounts available for use as of December 31, 2021 and 2020. During the year ended December 31, 2021, employer contributions were reduced by \$42,404 from forfeitures.

Note 2 - Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

Note 2 - Summary of Significant Accounting Policies (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Benefit Payments

Benefits are recorded when distributed.

Expenses

DePelchin pays substantially all expenses incurred in the administration of the Plan and as such, these expenses are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

Management has evaluated subsequent events through June 27, 2022, the date which the financial statements were available to be issued.

Note 3 - Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of pooled separate accounts, interest income and interest on notes receivable for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Mutual of America Life Insurance Company and Lincoln National Life Insurance Company, the Custodians of the Plan.

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled separate accounts: Valued at the underlying price per unit, which approximates fair value based on the quoted price of these funds by Mutual of America Life Insurance Company and Lincoln National Life Insurance Company. The pooled separate accounts used net asset value (NAV) as the practical expedient for measuring fair value.

Interest accumulation accounts: Valued at principal and previously-credited interest, net of investment expenses.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

Note 4 - Fair Value Measurements (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2021:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Interest accumulation accounts	\$ 4,375,504	<u>\$ -</u>	<u>\$ 4,375,504</u>	<u>\$ -</u>
Investments measured at net asset value ^(a)	<u>23,776,917</u>			
Total assets at fair value	<u>\$ 28,152,421</u>			

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2020:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Interest accumulation accounts	\$ 4,276,197	<u>\$ -</u>	<u>\$ 4,276,197</u>	<u>\$ -</u>
Investments measured at net asset value ^(a)	<u>20,581,300</u>			
Total assets at fair value	<u>\$ 24,857,497</u>			

(a) In accordance with Subtopic 820-10, pooled separate accounts are measured at net asset value per share (or its equivalent) and have appropriately not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table sets forth additional disclosures for entities that use NAV as a practical expedient to measure fair value at December 31:

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

Note 5 - Party-in-Interest Transactions

Certain Plan investments are units of pooled separate accounts managed by affiliates of Mutual of America Life Insurance Company and Lincoln National Life Insurance Company. Mutual of America Life Insurance Company and Lincoln National Life Insurance Company are the Custodians for the Plan; therefore, these transactions qualify as party-in-interest transactions as defined by ERISA. Transactions involving these investments are permitted under the provisions of the Plan and are not considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.

Note 6 - Plan Termination

Although it has not expressed any intent to do so, DePelchin has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 7 - Tax Status

The Plan has been designed to qualify under Section 403(b) of the Code. The Plan Administrator believes that the terms of the Plan have been prepared to conform with the written plan requirements of Regulation 1.403(b)-3 of the Code. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for Plan participants under Section 403(b). The Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the Code.

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities which are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.
