Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Shick Solutions, Inc. 401(k) Plan and Trust (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in *Note 3* to the 2021 financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the "Auditor's Responsibilities for the Audit of the 2021 Financial Statements" section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the “Auditor’s Responsibilities for the Audit of the 2021 Financial Statements” section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the 2021 financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the 2021 financial statements.

In preparing the 2021 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern within one year after the date that these 2021 financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the 2021 financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the “Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements” section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2021 financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the 2021 financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2021 financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2021 financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Shick Solutions, Inc. 401(k) Plan and Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated May 21, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations under ERISA.

Notes to Financial Statements

December 31, 2021 and 2020

Note 1: Description of the Plan

General

The following description of Shick Solutions, Inc. 401(k) Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan Document for a complete description of the Plan's provisions.

The Plan is a defined contribution plan sponsored by Shick Solutions, Inc. and its domestic affiliates (the Company) for the benefit of its employees. Employees who have attained age 18 and met the three-month service requirement are eligible for salary deferral and matching contributions. Participants who have met the one year or 1,000 hours service requirement are eligible for the Company's nonelective employer contributions.

The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). Fidelity Management Trust Company is the trustee of the Plan and serves as Plan custodian.

Effective July 26, 2021, the Plan was amended to include W.D. Laramore Manufacturing, Inc. as a participating employer in the Plan. Employees were immediately eligible to contribute to the Plan and receive employer contributions.

Contributions

The Plan permits eligible employees through a salary deferral election to make maximum annual contributions of 96 percent of eligible compensation. Employee rollover contributions are also permitted. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions.

The Company matches employee contributions equal to 100 percent of the first 1 percent of eligible compensation and 50 percent of the next 5 percent of eligible compensation, up to a maximum of 3.5 percent of that participant's total compensation.

The Company may make annual discretionary nonelective contributions in an amount determined by the Company. Profit sharing contributions are allocated based on eligible compensation. The Company did not make a nonelective contribution for the years ended December 31, 2021 and 2020.

Participant Investment Account Options

Investment account options available include various mutual funds, a money market mutual fund and stable value funds. Each participant has the option of directing his/her contributions into any of the separate investment accounts and may change the allocation daily.

The Plan Document also includes an automatic enrollment feature whereby a new participant is treated as electing to defer 6 percent of eligible compensation unless the participant makes an affirmative election otherwise. The automatic deferral feature also provides for an annual increase in the percentage deferred and is ultimately capped at 10 percent.

Notes to Financial Statements

December 31, 2021 and 2020

Participant Accounts

Each participant's account is credited with the participant's contributions, the employer contributions and plan earnings and is charged with an allocation of administrative expenses. Participants' accounts are valued daily. Allocations are based on participant earnings or account balances, as defined. The benefits to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their salary deferral and rollover contributions plus earnings thereon. Vesting in the Company's matching contribution portion of their accounts plus earnings thereon is based on completed years of service. The vesting schedule is as follows:

Years of service	Vesting percentage
Less than 2	0%
2	100%

Vesting in Company discretionary nonelective contributions plus actual earnings thereon is based on years of service. The vesting schedule is as follows:

Years of service	Vesting percentage
Less than 2	0%
2	25%
3	50%
4	75%
5	100%

Notes Receivable from Participants

The Plan Document includes provisions authorizing loans from the Plan to active eligible participants. Loans are made to any eligible participant. Participants may borrow from their fund accounts a minimum of \$500, with the maximum amount being the lesser of 50 percent of the participant's vested account balance or \$50,000. The maximum loan term is five years or for a reasonable period of time, which may exceed five years for the purchase of a primary residence. All loans are repayable through payroll withholdings unless the participant is paying the loan in full. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest. Interest on the loans is based on prevailing rates as determined by the Plan Administrator, currently at 2 percent over the current prime rate, updated monthly for all participant loans.

Shick Solutions, Inc. 401(k) Plan and Trust

Notes to Financial Statements

December 31, 2021 and 2020

In March 2020, the Company adopted the *Coronavirus Aid, Relief, and Economic Security Act* (CARES Act) provisions for loan relief to 1) delay certain required loan repayments for one year and 2) increase loan limits to the lesser of \$100,000 or 100 percent of the participant's vested balance for coronavirus-related loans. The CARES Act provided for the increased loan limit for coronavirus-related loans issued through September 22, 2020. The one-year suspension of loan repayments applies to qualified participants' loan payments due between March 27, 2020 and December 31, 2020. Following the suspension period, these loans will be re-amortized over the remaining period of the loans, plus the suspension period.

Payment of Benefits

A participant is entitled to a benefit equal to the full value in the participant's account upon retirement at age 59 1/2, permanent disability or death prior to termination of employment. In the event of resignation or discharge before any of the above events, the benefits will be dependent on the Plan's vesting schedule. Benefits are payable in a lump sum or in installments, subject to certain provisions as defined by the Plan Document. In the event of death, benefits are payable to the designated beneficiary. Distributions to participants are recognized in the statements of changes in net assets available for benefits when paid to participants. A participant is also entitled to receive a lump-sum distribution of his or her pretax employee contributions after attaining age 59 1/2 without terminating employment.

The Plan permits hardship withdrawals. To qualify for a hardship withdrawal, the participant must demonstrate immediate and heavy financial needs, as defined in the Plan Document, subject to a minimum of \$500.

In March 2020, the Company implemented *Coronavirus Aid, Relief, and Economic Security Act* (CARES Act) provisions for coronavirus-related distributions (CRD). Through December 31, 2020, qualified participants are permitted to take a CRD of up to \$100,000 from the Plan. Participants who take a CRD have the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distribution within three years and not be subject to federal income tax as a result. The Plan also waived minimum distribution requirements for any distribution required to be made in 2020. Although the CARES Act was adopted by the plan sponsor, there were no CRD provisions taken in 2020.

Forfeitures

Forfeited nonvested accounts are retained in the Plan and are used to reduce Company contributions. During the years ended December 31, 2021 and 2020, forfeited amounts totaled \$41 and \$8,490, respectively. Employer contributions were reduced by \$25,124 and \$0 from amounts forfeited by nonvested accounts for the years ended December 31, 2021 and 2020, respectively.

Notes to Financial Statements

December 31, 2021 and 2020

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are maintained on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value and are held in an account with Fidelity Management Trust Company, the trustee of the Plan. On each valuation date, as defined by the Plan, securities held, plus or minus any net income or loss of the Plan, is allocated to participant accounts. Fair value of the mutual funds is determined based principally on quoted market prices of the funds.

The Plan's interest in the stable value fund are valued based on information reported by the investment advisor using the audited financial statements of the collective trust and stable value fund at year-end.

Net appreciation in the fair value of investments consists of both realized and unrealized appreciation on assets held by the Plan. Purchases and sales of securities are recorded on a trade-date basis (the date the order to buy or sell is executed). Interest is accrued as earned, and dividend income is recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses may be paid by the Company or the Plan, at the Company's discretion.

Shick Solutions, Inc. 401(k) Plan and Trust

Notes to Financial Statements

December 31, 2021 and 2020

Note 3: Certification of Plan Trustee

The Company has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company has certified the following information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Investment income and interest income on notes receivable from participants as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.
- Investment information and notes receivable from participants included in the accompanying schedule of assets (held at end of year) as of December 31, 2021.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and the ERISA-required supplemental schedule.

Note 4: Related-Party and Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries of the Plan, individuals who provide services to the Plan, and the Company, as the employer whose employees are covered by the Plan.

Certain plan investments are shares of mutual funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee and custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. The plan sponsor pays directly any other fees related to the Plan's operations.

The Plan paid \$71,368 and \$63,804 of fees to Fidelity Management Trust Company during 2021 and 2020, respectively. The Company provides certain administrative services at no cost to the Plan.

Note 5: Disclosures About Fair Value of Plan Assets

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liabilities

Recurring Measurements

The following table presents the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2021 and 2020:

		Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

Shick Solutions, Inc. 401(k) Plan and Trust

Notes to Financial Statements

December 31, 2021 and 2020

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the years ended December 31, 2021 and 2020. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections and cash flows. Such securities are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy.

Note 6: Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in the employer contributions. Upon termination of the Plan, the interest of each participant in the trust fund will be distributed to such participant or his or her beneficiary or, if none, his or her legal representative at the time prescribed by the Plan terms and the applicable provisions of ERISA.

Note 7: Plan Tax Status

The Plan operates under a non-standardized adoption agreement in connection with a volume submitter defined contribution plan and trust/custodial document sponsored by Fidelity Management & Research Co. This prototype plan document has been filed with the appropriate agency. The Plan has not obtained or requested a determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Shick Solutions, Inc. 401(k) Plan and Trust

Notes to Financial Statements

December 31, 2021 and 2020

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

The outbreak of the novel coronavirus COVID-19, which was declared a pandemic by the World Health Organization on March 11, 2020, has led to adverse impacts on the U.S. and global economies. Economic uncertainties have arisen, which have resulted in significant volatility in the investment markets and may continue to impact the value of plan assets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

In 2021, there are still economic uncertainties due to COVID-19 and other economic fluctuations caused by global uncertainties.

Note 9: Subsequent Events

Subsequent events have been evaluated through June 15, 2022, which is the date the financial statements were available to be issued.
