INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Southeast Alaska Regional Health Consortium Tax Deferred Annuity Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Southeast Alaska Regional Health Consortium Tax Deferred Annuity Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of September 1, 2021 (liquidation basis), and the related statement of changes in net assets available for benefits in liquidation for the period from January 1, 2021 through September 1, 2021 (liquidation basis), and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of September 1, 2021 and for the period from January 1, 2021 through September 1, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material

respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

As described in Notes 1 and 2 to the financial statements, the Board of Directors of Southeast Alaska Regional Health Consortium, the Plan Sponsor, terminated the Plan effective December 31, 2020. As a result of the termination of the Plan, the Plan Sponsor accordingly approved a plan of liquidation, and management determined that liquidation was imminent. Accordingly, the financial statements of the Plan are presented on the liquidation basis of accounting. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material

misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit

evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Southeast Alaska Regional Health Consortium Tax Deferred Annuity Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Southeast Alaska Regional Health Consortium Tax Deferred Annuity Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of September 1, 2021 (liquidation basis), and the related statement of changes in net assets available for benefits in liquidation for the period from January 1, 2021 through September 1, 2021 (liquidation basis), and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of September 1, 2021 and for the period from January 1, 2021 through September 1, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material

respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

As described in Notes 1 and 2 to the financial statements, the Board of Directors of Southeast Alaska Regional Health Consortium, the Plan Sponsor, terminated the Plan effective December 31, 2020. As a result of the termination of the Plan, the Plan Sponsor accordingly approved a plan of liquidation, and management determined that liquidation was imminent. Accordingly, the financial statements of the Plan are presented on the liquidation basis of accounting. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material

misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit

evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

TAX DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS

Period From January 1, 2021 Through September 1, 2021

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Southeast Alaska Regional Health Consortium Tax Deferred Annuity Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established on January 1, 1991, as a tax deferred annuity plan covering all full-time employees of SouthEast Alaska Regional Health Consortium (the Company). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Termination

On January 24, 2020, the Company's Board of Directors made a resolution to terminate the Plan effective December 31, 2020, at which time all employee and employer contributions into the plan were ceased. All participants were notified of the Plan termination. Upon termination, participants became 100% vested in the Company's contributions. The liquidation of the Plan was completed on September 1, 2021. All eligible employees of the Company had the option to participate in the Southeast Alaska Regional Health Consortium 401(k) Plan, which is sponsored by the Company, on August 10, 2020. The description of the Plan that follows describes the Plan prior to termination, effective December 31, 2020.

Contributions

Each year, participants may contribute up to the legal limit of pretax annual compensation as defined in the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified plans. The Company's contributions to the Plan are allocated to all eligible participants based on each participant's earnings. Eligible participants receive an employer matching contribution up to 5% of eligible compensation. Participants who are regular full time or regular part time employees are eligible to receive employer contributions starting on their date of hire. Participants who normally work under 20 hours a week are eligible for employer contributions after one year of eligible service. One year of eligible service is satisfied by working for the Company at least 1,000 hours in a 12-month period. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers several mutual funds and guaranteed investment contract options.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the (1) Company's contribution and (2) Plan earnings. Allocations are based on the Company's contribution for each participant and their account balance. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Distributions from the Plan are made when a participant retires, dies (in which case, payment shall be made to his or her beneficiary, or if none, his or her legal representatives), incurs a disability, or otherwise terminates employment with the Company. Hardship withdrawals are permitted under certain circumstances.

Vesting

Participants are immediately vested in their contributions and employer non-elective contributions, plus actual earnings thereon. Participants who were employed with the Company or a related employer any time prior to January 1, 2016, are 100% vested in their employer matching contributions and earnings thereon. Participants who were employed with the Company or a related employer after January 1, 2016, will have no vesting of employer

SOUTHEAST ALASKA REGIONAL HEALTH CONSORTIUM
TAX DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS

matching contributions and earnings thereon until they have had 2 years of service at which point, they will be 50% vested in the employer matching contributions and earnings thereon. Participants will become fully vested in employer matching contributions and earnings thereon after 3 years of service.

Payment of Benefits

Upon hardship, or termination of service due to death, disability or retirement, a participant may elect to receive benefits by various methods. Participants should consult the Plan agreement for detailed information concerning distribution options.

Notes Receivable from Participants

If a participant's account is held by either Great West Life Insurance Company (Great West), AXA Equitable Life Insurance Company (Equi-vest) or Vanguard Fiduciary Trust Company (Vanguard), they may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loan is secured by the balance in the participant's account and bears interest at rates ranging from 5.25% to 10.5%. The loan term may generally not be longer than five years.

Forfeitures

Forfeited nonvested amounts are first used to restore unvested amounts to reemployed participants. Any remaining forfeitures are used to reduce company contributions into the plan and to pay administrative expenses in that order. Forfeited nonvested accounts totaled \$-0- and \$27,633 at September 1, 2021, and December 31, 2020, respectively.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

As discussed in Note 1, the Plan was terminated effective December 31, 2020. In accordance with accounting principles generally accepted in the United States of America, the accompanying financial statements are presented on the liquidation basis of accounting. Under the liquidation basis of accounting, assets are valued at the estimated amount of cash or other consideration that the Plan expects to collect in settling or disposing of Plan assets in carrying out its plan for liquidation, and liabilities are stated at their estimated settlement amounts.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for Fully Benefit Guaranteed Investment Contracts which are valued at amortized cost based on participant contributions plus accrued interest. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in the fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Management considers the notes receivable to be fully collectible at year-end. Accordingly, no allowance for doubtful accounts has been recorded.

SOUTHEAST ALASKA REGIONAL HEALTH CONSORTIUM
TAX DEFERRED ANNUITY PLAN
NOTES TO FINANCIAL STATEMENTS

Administrative Expenses

Administrative expenses are shown only to the extent they reduce net assets. Expenses incurred to maintain the Plan are paid through a revenue sharing agreement. The revenue sharing account totaled \$-0- and \$143,608 at September 1, 2021 and December 31, 2020, respectively. Total Plan expenses for 2021 were \$53,211 .

Payments of Benefits

Benefits are recorded when paid or are accrued at year-end if approved but not disbursed.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect the amounts in the financial statements and the accompanying notes. Accordingly, actual results may vary from these estimates.

Date of Subsequent Review

Management has evaluated subsequent events through the date of the Independent Auditor's Report, which is commensurate with the date which the financial statements were available to be issued.

NOTE 3 – INVESTMENT CONTRACTS WITH INSURANCE COMPANIES

The Plan entered into multiple traditional fully benefit-responsive guaranteed investment contracts with Great West and Equi-vest totaling \$-0- at September 1, 2021 and \$6,876,761 at December 31, 2020. Great West and Equi-vest maintain these contributions in general accounts. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuers are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuers. The crediting rate is reviewed periodically for resetting. The guaranteed investment contracts do not permit the insurance companies to terminate the agreement prior to the scheduled maturity date.

These contracts meet the fully benefit-responsive investment contract criteria and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Great West and Equi-Vest, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuers' ability to meet their financial obligations. The issuers' ability to meet their contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuers. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan

SOUTHEAST ALASKA REGIONAL HEALTH CONSORTIUM
TAX DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS

sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

NOTE 4 – FAIR VALUE MEASUREMENT

FASB Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosure*, defines fair value as the exchange price that would be received on the measurement date to sell an asset, or the price paid to transfer a liability in the principal or most advantageous market available to the entity in an orderly transaction between market participants. FASB ASC 820 also establishes a three-level fair value hierarchy that describes the inputs that are used to measure assets and liabilities. The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets in active markets;
- Quoted prices for identical or similar assets in inactive markets;
- Inputs other than quoted prices that are observable for the asset;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at September 1, 2021 and December 31, 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are generally open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

SOUTHEAST ALASKA REGIONAL HEALTH CONSORTIUM
TAX DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS

Guaranteed Investment Contracts: Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer.

Pooled Separate Accounts: Investments in pooled separate accounts are reported at their fair value. For investments in pooled separate accounts, fair value represents the Plan's proportionate share of the total fair value of the net assets of the underlying mutual funds. In determining the total fair value of the net assets of the investment funds, the issuer has valued investments at the quoted closing NAV per share, as reported in active public markets.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2020:

	Investment Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 87,999,141	\$ -	\$ -	\$ 87,999,141
Guaranteed Investment Contracts	-	303,995	-	303,995
Total assets in the fair value hierarchy	<u>\$ 87,999,141</u>	<u>\$ 303,995</u>	<u>\$ -</u>	88,303,136
Pooled separate accounts measured at NAV as a practical expedient*				<u>4,596,901</u>
Total investments at fair value				<u>\$ 92,900,037</u>

*In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2020:

	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Pooled separate accounts	<u>\$ 4,596,901</u>	<u>N/A</u>	<u>Daily</u>	<u>None</u>

NOTES TO FINANCIAL STATEMENTS

NOTE 5 – INTERNAL REVENUE SERVICE STATUS

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (Code). The terms of the Plan have been prepared to conform with the sample language provided by the Internal Revenue Service (IRS) in Revenue Procedure 2007-71. The plan administrator intends to apply for a determination letter on the Plan once the IRS opens such a program. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b).

NOTE 6 – INFORMATION CERTIFIED BY THE PLAN'S CUSTODIANS

Certain information related to investments disclosed in the accompanying financial statements, including investments held at September 1, 2021 and December 31, 2020, and net appreciation in fair value of investments and interest and dividends for the period January 1, 2021 through September 1, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Great West, Equi-vest and Vanguard, the certifying custodians of the Plan.

NOTE 7 – TRANSACTIONS WITH RELATED PARTIES OR PARTIES IN INTEREST

Certain Plan investments are in shares of mutual funds managed by Vanguard. Vanguard is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services amounted to \$53,211 for the period from January 1, 2021 through September 1, 2021.
