**COGENT, INC. PROFIT SHARING 401(k) PLAN**

FINANCIAL STATEMENTS AND  
INDEPENDENT AUDITORS' REPORT  
DECEMBER 31, 2021 AND 2020

## **INDEPENDENT AUDITORS' REPORT**

To the Plan Administrator and Participants of Cogent, Inc. Profit Sharing 401(k) Plan  
Riverside, Missouri

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the financial statements of Cogent, Inc. Profit Sharing 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter – 2021 Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Other Matter – Auditors' Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated May 28, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

---

### 1. DESCRIPTION OF THE PLAN

The following description of the Cogent, Inc. Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions, which is available from the Plan Administrator.

**General** – The Plan is a defined contribution plan covering all eligible employees of Cogent, Inc. (the “Company”) who are 21 years of age and have completed one month of service. Eligible employees may enter the Plan on the first day of month that coincides with or next follows the date on which the requirements are satisfied. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Fidelity Management Trust Company is the trustee and recordkeeper.

**Contributions** – Participants may contribute from 1% to 90% of their annual compensation subject to certain Internal Revenue Code (“IRC”) limitations. The Company may make discretionary matching contributions to the Plan. In 2021, the Company matched 30% of the first 8% of each participant’s pay contributed to the Plan. The Company may also make a discretionary profit-sharing contribution. No such contribution was made in 2021.

The plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5% of eligible compensation. If a participant is automatically enrolled, their deferral rate will increase annually until it reaches a deferral rate of 8%.

**Participant Accounts** – Each participant’s account is credited with the participant’s contribution and an allocation of Company contributions and Plan earnings, less any distributions and expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**Investments** – Participants direct their contributions into various mutual funds or a money market fund.

**Vesting** – Participant contributions are fully vested at all times. Vesting in the Company’s contributions is based on a graded vesting schedule depending on the participant’s employment date and years of service. Participants have completed a year of service for vesting purposes if they worked at least 1,000 hours during a plan year or the twelve-month period beginning on their date of hire. Vesting occurs in 20% increments, with 20% vested after 2 years of service, 40% vested after 3 years of service. Employees become fully vested after 6 years of service.

**Forfeitures** – Forfeitures occur upon termination of employment by a participant who is not fully vested in the Plan. Forfeitures will be used by the Company to reduce future employer contributions. During 2021, \$41,751 was used to offset the Company contributions. Unallocated forfeitures at December 31, 2021 and 2020, were \$4,058 and \$18,474, respectively.

**Payment of Benefits** – Upon termination of employment, the participant, or in the case of death, the participant's beneficiary receives the participant's account balance in a single lump-sum. In the event of termination by a participant, account balances under \$5,000 will be subject to automatic distribution.

**Notes Receivable from Participants** – Participants may obtain a Plan loan for no less than \$500 and no more than the lesser of \$50,000 or one-half the employee's vested account balance. Participant loans may be repaid over a term of up to five years, in accordance with Plan provisions. A participant may not have more than one loan outstanding at any given time. Participant loans are drawn from participant account balances. Interest charged on loans is established at the Prime rate plus 2%. Principal and interest payments are made by the participants through payroll deductions.

**In-Service Withdrawals** – Certain participants may make withdrawals prior to termination of employment. Hardship withdrawals are available to Plan participants, as defined by the Plan Document and permitted by the IRC. Hardship withdrawals are limited to the participant's account balance that is 100% vested.

Participants who have obtained the age of 59 ½ may elect to receive a distribution of all or any portion of their vested account balances in a single lump sum payment.

**Investment Management Fees** – Two West Capital Advisors, LLC ("Two West") provides investment management services to the Plan. Total fees paid directly from Plan assets for the year ended December 31, 2021, were \$44,586.

**Administrative Expenses** – Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Certain other administrative expenses are paid directly by the Plan. The Plan paid Fidelity Investments Institutional \$35,092 for recordkeeping charges.

**Termination of the Plan** – Although the Plan Sponsor has not expressed any intent to do so, it has the right to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, all participants will become fully vested in their account balances.

## **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting** – The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

**Use of Estimates** – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Contributions** – Company and employee contributions are reported in the year services are rendered to the Company by the Plan participants.

**Investment Valuation and Income Recognition** – The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales are recorded on a trade-date basis. Dividends are recorded on the accrual basis.

Management fees and operating expenses charged to the Plan for investments in mutual funds, money market funds and the collective investment trust are deducted from income earned on a daily basis and are not separately reflected. Consequently, a portion of management fees and operating expenses are reflected as a reduction of investment return for such investments.

**Notes Receivable from Participants** – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance is considered necessary.

**Payment of Benefits** – Benefit payments are reported in the year paid.

**Date of Management's Review** – Subsequent events have been evaluated through June 30, 2022, which is the date the financial statements were available to be issued.

### 3. FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The hierarchy consists of three broad levels, described as follows:

Level 1 – Inputs consist of unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.

Level 2 – Inputs consist of 1) quoted prices for similar assets in active markets, 2) quoted prices for identical or similar assets in inactive markets, 3) inputs other than quoted prices that are observable, and 4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term.

Level 3 – Inputs consist of unobservable inputs where there is little or no market activity, and the reporting entity makes estimates and assumptions related to the pricing of the asset including assumptions regarding risk.

The assets' fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies at December 31, 2021 and 2020.

Mutual Funds and Money Market Funds – Valued at the net asset value (NAV) of shares held by the Plan at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's investments are reported at fair value as follows at December 31, 2021 and 2020:

|                                    | Fair Value<br>Measurements Using: |         |         | Total                |

#### 4. RISKS AND UNCERTAINTIES

The Plan invests in investment securities, which hold securities including U.S. Government securities, corporate debt instruments, and corporate stocks. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

#### 5. INFORMATION CERTIFIED BY TRUSTEE

The following is a summary of the unaudited information regarding the Plan as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included in the Plan's financial statements that was prepared by or derived from information prepared by Fidelity Management Trust Company, the trustee of the Plan, and furnished to the Plan Administrator. The Plan Administrator has obtained a certification from the trustee as of December 31, 2021 and 2020, and for the year ended December 31, 2021, that such information is complete and accurate.

- Investments, at fair value
- Notes receivable from participants and related interest
- Net depreciation in fair value of investments
- Dividend income
- Schedule of Assets (Held at End of Year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

## **6. TAX STATUS**

The Company adopted a Prototype Non-Standardized 401(k) Profit-Sharing Plan which received a favorable opinion letter from the IRS on March 31, 2014, which stated that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan has been amended since the date of the opinion letter. However, the Company believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan qualifies under Section 401(k) and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## **7. EXEMPT PARTY-IN-INTEREST TRANSACTIONS**

Plan investments include mutual funds and a money market fund managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee, as defined by the Plan and, therefore, these transactions qualified as exempt party-in-interest transactions.

The Plan pays certain fees to Fidelity to administer the Plan. The Plan pays fees to Two West for investment management services. These transactions qualify as party-in-interest. Notes receivable to participants are party-in-interest transactions.

## **8. SUBSEQUENT EVENT**

The Plan was restated effective March 25, 2022, with similar provisions as the prior Plan document.

**COGENT, INC. PROFIT SHARING 401(k) PLAN**

FINANCIAL STATEMENTS AND  
INDEPENDENT AUDITORS' REPORT  
DECEMBER 31, 2021 AND 2020

## **INDEPENDENT AUDITORS' REPORT**

To the Plan Administrator and Participants of Cogent, Inc. Profit Sharing 401(k) Plan  
Riverside, Missouri

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the financial statements of Cogent, Inc. Profit Sharing 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter – 2021 Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Other Matter – Auditors' Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated May 28, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

---

### 1. DESCRIPTION OF THE PLAN

The following description of the Cogent, Inc. Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions, which is available from the Plan Administrator.

**General** – The Plan is a defined contribution plan covering all eligible employees of Cogent, Inc. (the “Company”) who are 21 years of age and have completed one month of service. Eligible employees may enter the Plan on the first day of month that coincides with or next follows the date on which the requirements are satisfied. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Fidelity Management Trust Company is the trustee and recordkeeper.

**Contributions** – Participants may contribute from 1% to 90% of their annual compensation subject to certain Internal Revenue Code (“IRC”) limitations. The Company may make discretionary matching contributions to the Plan. In 2021, the Company matched 30% of the first 8% of each participant’s pay contributed to the Plan. The Company may also make a discretionary profit-sharing contribution. No such contribution was made in 2021.

The plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5% of eligible compensation. If a participant is automatically enrolled, their deferral rate will increase annually until it reaches a deferral rate of 8%.

**Participant Accounts** – Each participant’s account is credited with the participant’s contribution and an allocation of Company contributions and Plan earnings, less any distributions and expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**Investments** – Participants direct their contributions into various mutual funds or a money market fund.

**Vesting** – Participant contributions are fully vested at all times. Vesting in the Company’s contributions is based on a graded vesting schedule depending on the participant’s employment date and years of service. Participants have completed a year of service for vesting purposes if they worked at least 1,000 hours during a plan year or the twelve-month period beginning on their date of hire. Vesting occurs in 20% increments, with 20% vested after 2 years of service, 40% vested after 3 years of service. Employees become fully vested after 6 years of service.

**Forfeitures** – Forfeitures occur upon termination of employment by a participant who is not fully vested in the Plan. Forfeitures will be used by the Company to reduce future employer contributions. During 2021, \$41,751 was used to offset the Company contributions. Unallocated forfeitures at December 31, 2021 and 2020, were \$4,058 and \$18,474, respectively.

**Payment of Benefits** – Upon termination of employment, the participant, or in the case of death, the participant's beneficiary receives the participant's account balance in a single lump-sum. In the event of termination by a participant, account balances under \$5,000 will be subject to automatic distribution.

**Notes Receivable from Participants** – Participants may obtain a Plan loan for no less than \$500 and no more than the lesser of \$50,000 or one-half the employee's vested account balance. Participant loans may be repaid over a term of up to five years, in accordance with Plan provisions. A participant may not have more than one loan outstanding at any given time. Participant loans are drawn from participant account balances. Interest charged on loans is established at the Prime rate plus 2%. Principal and interest payments are made by the participants through payroll deductions.

**In-Service Withdrawals** – Certain participants may make withdrawals prior to termination of employment. Hardship withdrawals are available to Plan participants, as defined by the Plan Document and permitted by the IRC. Hardship withdrawals are limited to the participant's account balance that is 100% vested.

Participants who have obtained the age of 59 ½ may elect to receive a distribution of all or any portion of their vested account balances in a single lump sum payment.

**Investment Management Fees** – Two West Capital Advisors, LLC ("Two West") provides investment management services to the Plan. Total fees paid directly from Plan assets for the year ended December 31, 2021, were \$44,586.

**Administrative Expenses** – Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Certain other administrative expenses are paid directly by the Plan. The Plan paid Fidelity Investments Institutional \$35,092 for recordkeeping charges.

**Termination of the Plan** – Although the Plan Sponsor has not expressed any intent to do so, it has the right to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, all participants will become fully vested in their account balances.

## **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting** – The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

**Use of Estimates** – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Contributions** – Company and employee contributions are reported in the year services are rendered to the Company by the Plan participants.

**Investment Valuation and Income Recognition** – The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales are recorded on a trade-date basis. Dividends are recorded on the accrual basis.

Management fees and operating expenses charged to the Plan for investments in mutual funds, money market funds and the collective investment trust are deducted from income earned on a daily basis and are not separately reflected. Consequently, a portion of management fees and operating expenses are reflected as a reduction of investment return for such investments.

**Notes Receivable from Participants** – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance is considered necessary.

**Payment of Benefits** – Benefit payments are reported in the year paid.

**Date of Management's Review** – Subsequent events have been evaluated through June 30, 2022, which is the date the financial statements were available to be issued.

### 3. FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The hierarchy consists of three broad levels, described as follows:

Level 1 – Inputs consist of unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.

Level 2 – Inputs consist of 1) quoted prices for similar assets in active markets, 2) quoted prices for identical or similar assets in inactive markets, 3) inputs other than quoted prices that are observable, and 4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term.

Level 3 – Inputs consist of unobservable inputs where there is little or no market activity, and the reporting entity makes estimates and assumptions related to the pricing of the asset including assumptions regarding risk.

The assets' fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies at December 31, 2021 and 2020.

Mutual Funds and Money Market Funds – Valued at the net asset value (NAV) of shares held by the Plan at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's investments are reported at fair value as follows at December 31, 2021 and 2020:

#### 4. RISKS AND UNCERTAINTIES

The Plan invests in investment securities, which hold securities including U.S. Government securities, corporate debt instruments, and corporate stocks. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

#### 5. INFORMATION CERTIFIED BY TRUSTEE

The following is a summary of the unaudited information regarding the Plan as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included in the Plan's financial statements that was prepared by or derived from information prepared by Fidelity Management Trust Company, the trustee of the Plan, and furnished to the Plan Administrator. The Plan Administrator has obtained a certification from the trustee as of December 31, 2021 and 2020, and for the year ended December 31, 2021, that such information is complete and accurate.

- Investments, at fair value
- Notes receivable from participants and related interest
- Net depreciation in fair value of investments
- Dividend income
- Schedule of Assets (Held at End of Year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

## **6. TAX STATUS**

The Company adopted a Prototype Non-Standardized 401(k) Profit-Sharing Plan which received a favorable opinion letter from the IRS on March 31, 2014, which stated that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan has been amended since the date of the opinion letter. However, the Company believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan qualifies under Section 401(k) and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## **7. EXEMPT PARTY-IN-INTEREST TRANSACTIONS**

Plan investments include mutual funds and a money market fund managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee, as defined by the Plan and, therefore, these transactions qualified as exempt party-in-interest transactions.

The Plan pays certain fees to Fidelity to administer the Plan. The Plan pays fees to Two West for investment management services. These transactions qualify as party-in-interest. Notes receivable to participants are party-in-interest transactions.

## **8. SUBSEQUENT EVENT**

The Plan was restated effective March 25, 2022, with similar provisions as the prior Plan document.
