Independent Auditor's Report

**To the Board of Directors
Baker Boyer Bancorp

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Baker Boyer Bancorp 401(k) Profit Sharing Plan & Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C), which comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

OTHER MATTERS

2021 Supplemental Schedules Required by ERISA

The supplementary information, as listed in the accompanying table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements but is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information. In forming our opinion on the supplementary information, we evaluated whether the supplementary information, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary information, other than the information in the supplementary information that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplementary information agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 1, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

BAKER BOYER BANCORP 401(k) PROFIT SHARING PLAN & TRUST

Notes to Financial Statements For the Year Ended December 31, 2021

Note 1 - Description of the Plan

The following description of the Baker Boyer Bancorp 401(k) Profit Sharing Plan & Trust (the Plan) provides general information only. Participants should refer to the plan agreement for complete information regarding the Plan's definitions, benefits, eligibility and other matters.

General - The Plan is a defined contribution plan established by Baker Boyer Bancorp (the Sponsor) under the provisions of Section 401(a) of the Internal Revenue Code (IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA) of 1974, as amended. The recordkeeper of the Plan is Benefit Plans Administrative Services LLC (BPAS). The Plan is administered by the Sponsor.

Eligibility - Eligible employees who are age 21 or older completing six months of service are eligible to participate in the Plan. The entry date is the first day of the plan year or first day of the seventh month of the plan year subsequent to meeting eligibility requirements. On-call, COE students, college interns, and temporary employees are excluded from plan participation.

Contributions - Participants may elect to defer up to 100% of their compensation as pre-tax contributions under the Plan's 401(k) provisions. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other eligible plans.

The Sponsor makes safe harbor matching contributions equal to 100% of each participant's elective deferrals up to 6% of eligible compensation. The Sponsor also makes a nonelective contribution equal to 6% of each participant's eligible compensation.

Contributions are subject to regulatory limitations.

Vesting - Participants are immediately vested in their elective contributions and safe harbor matching contributions plus actual earnings thereon. A participant is 100% vested in their nonelective contributions after three years of credited service with at least 1,000 hours annually, commencing on the first day of the year in which the participant completes one hour of service.

Participant Accounts - Each participant's account is credited with his or her contribution and allocations of (a) the Sponsor's contribution and (b) the Plan's earnings or loss and administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Allocation Provisions - Dividend income, interest income and net realized and unrealized investment gain or loss of each fund shall be allocated to the accounts of each participant based on the participant's proportionate share of the various investment funds held in their investment account.

Investment Options - Participants have the option of directing their account balance into any one or more of the Plan's investment options. A participant may change their investment elections and transfer existing account balances between funds on a daily basis.

Benefits Paid to Participants - Upon termination of service, death, disability, or obtaining age 62, a participant or their beneficiary may elect to receive a distribution of their vested account balance. The distribution may be in the form of a lump-sum payment, a partial payment, an annuity, or in the form of installment payments.

BAKER BOYER BANCORP 401(k) PROFIT SHARING PLAN & TRUST

Notes to Financial Statements For the Year Ended December 31, 2021

Note 1 - Continued

Forfeitures - Forfeitures will be used to restore prior participant forfeitures if they are rehired and eligible for restoration, reduce employer contributions, or to reduce plan administrative expenses. During 2021, forfeitures of \$5,024 were used to pay the Plan's administrative expenses and forfeitures of \$10,969 were used to fund employer contributions. As of December 31, 2021 and 2020, unallocated assets held in the Plan's forfeiture account totaled zero and \$5,210, respectively.

Note 2 - Significant Accounting Policies

Basis of Accounting - The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates - The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefits Paid to Participants - Benefits paid to participants are recognized when paid.

Administrative Expenses - Several of the investment fund options are subject to investment and administrative fees based on a percentage of invested assets and are netted with investment earnings, as disclosed in the fund's prospectus. All such fees are charged directly against the fund's investment performance and thus are not separately disclosed in the accompanying financial statements. Recordkeeper fees, custodial fees and transaction based fees for loans and distributions are charged directly to participant accounts. The Sponsor may elect to pay other expenses related to the Plan's administration.

Subsequent Events - The Plan's management has evaluated subsequent events through June 21, 2022, the date on which the Plan's financial statements were available to be issued.

Note 3 - Fair Value Measurements

U.S. GAAP provides a framework for determining fair value measures for financial assets and liabilities. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

Note 3 - Continued

The three levels of the fair value hierarchy are described as follows:

Level 1 - Unadjusted quoted prices available in active markets for identical assets or liabilities;

Level 2 - Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; or

Level 3 - Unobservable inputs that are significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. Mutual funds held by the Plan are considered actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

Fair Value Measurements as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 73,150,278	\$ -	\$ -	\$ 73,150,278

Fair Value Measurements as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 67,042,130	\$ -	\$ -	\$ 67,042,130

Notes to Financial Statements For the Year Ended December 31, 2021

Note 4 - Certified Investments

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investments held at December 31, 2021 and 2020, and investment income or loss and transactions for the year ended December 31, 2021, that is disclosed in the accompanying financial statements and supplementary information, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Hand Benefits & Trust Company, the custodian of the Plan. The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplementary information.

Note 5 - Party-in-Interest Transactions

BPAS provides recordkeeping services to the Plan. Fees paid by the Plan to BPAS qualify as party-in-interest transactions, which are exempt from prohibited transaction rules.

Note 6 - Income Tax Status

The Sponsor adopted a volume submitter plan document from BPAS. BPAS received an advisory letter from the Internal Revenue Service (IRS) dated March 31, 2014, which states that the volume submitter plan document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

The Plan is subject to audits by the IRS; however, there are currently no audits for any tax periods in progress.

Note 7 - Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provision of ERISA. If terminated, the Plan assets would be distributed to participants in proportion to the participants' account balances.

Note 8 - Risks and Uncertainties

The Plan's investment options invest in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.
