INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the Johns Manville Hourly Employees 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Johns Manville Hourly Employees 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated May 20, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from

fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, and schedule of delinquent participant contributions for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such

information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2021 AND 2020 AND FOR THE YEAR ENDED DECEMBER 31, 2021

1. DESCRIPTION OF THE PLAN

General — The following description of the Johns Manville Hourly Employees 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

The Plan is a defined contribution plan sponsored by Johns Manville Corporation and offered through its wholly owned subsidiary Johns Manville (the “Company”). The Plan provides eligible union hourly employees a convenient means for regular and systematic savings with several investment options. The Plan is offered as part of collective bargaining agreements between unions and the Company. The investments of the Plan are maintained in the Johns Manville Master Trust (the “Master Trust”). Fidelity Management Trust Company (“Fidelity” or the “Trustee”), the trustee of the Plan, administers, manages, and reports the Plan’s investment transactions.

Investments — Participants direct the investment of their contributions into the various funds offered by the Plan. The Plan offers mutual funds, target date common collective trust funds, and a unitized stock fund through the Master Trust.

Eligibility — Full-time union hourly employees at a participating bargaining unit may become participants of the Plan immediately upon hire or immediately upon reemployment. Effective April 1, 2021, if the employee is a part-time union hourly employee at a participating bargaining unit, such employee becomes eligible to participate in the Plan on the first payroll date on or after April 1, 2021, or their date of employment or reemployment.

The Plan includes an auto-enrollment provision whereby all full-time newly eligible employees are automatically enrolled in the Plan 91 days if hired on or before July 31, 2021, or 31 days if hired on or after August 1, 2021, following their dates of hire unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions are invested in the T. Rowe Price Retirement Date Trust that aligns with their projected year of retirement until changed by the participant.

Contributions — Pre-tax Contributions — Eligible employees may contribute to the Plan through a reduction in salary on a pre-tax basis from 1% to 75% of eligible compensation.

Contributions — After-Tax Contributions — Employees may elect to contribute 1% to 9% of eligible compensation on an after-tax basis regardless of the percentage of pre-tax contributions.

Company Contributions — The Company will make fixed matching contributions of 50% of the first 6% of pre-tax employee contributions up to a maximum of 3% of eligible compensation. The Company may make variable matching contributions in a specified percentage (as agreed upon in each collective bargaining agreement) up to 50% of the first 6% of pre-tax employee contributions up to a maximum of 3% of eligible compensation. Such variable matching contributions are based upon the operating performance of the Company and management’s sole discretion. All employer contributions are based on negotiated rates within the collective bargaining agreements.

Company contributions of \$3,284,450 and \$3,107,909 related to the Company’s variable match were accrued for as of December 31, 2021 and 2020, respectively. Voluntary after-tax contributions, catch-up

contributions and rollover contributions are not matched by the Company. The Company's annual contribution made on behalf of any employee is subject to certain maximums as specified in the Plan and regulated by the Internal Revenue Service (IRS).

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Contributions are subject to certain Internal Revenue Code (IRC) limitations.

Contribution Limitations — Amounts invested by a participant in the Berkshire Hathaway Class B Unitized Stock Fund (Berkshire Fund), an investment option of the Plan that invests in common stock of the parent company of the sponsoring employer, cannot exceed 25% of their contributions or total value of their account.

Participant Accounts — Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, the Company's matching contribution, and allocations of participant forfeitures and Plan earnings, and charged with withdrawals and an allocation of Plan losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may change their deferral percentage of authorized payroll deductions at any time in accordance with administrative notice requirements.

Vesting — Participant contributions and earnings thereon vest to the participant immediately. Company contributions and the earnings thereon vest 100% to the participant after three years of service.

Withdrawals — Active employees may take a distribution of their vested Company matching contributions according to the provisions of the Plan. Company matching contributions deposited on or after July 1, 2010 must have been in the Plan for at least 24 months, or the member must have a minimum five years of participation to qualify for an in-service distribution. Company matching contributions deposited prior to July 1, 2010 must have been in the Plan for at least 24 months. All other vested amounts (except those relating to participant pre-tax and conversion contributions and earnings thereon) may be withdrawn by the participant at any time subject to the maximum number of withdrawals available. For eligible contributions made to the Plan prior to July 1, 2010, participants can take up to four in-service withdrawals from their vested account balance in any plan year. For eligible contributions made to the Plan on and after July 1, 2010, participants can take one in-service withdrawal from their vested account balance during the calendar year. Employee pre-tax contributions and earnings thereon may not be withdrawn until the participant attains age 59-1/2, leaves the Company, or furnishes satisfactory proof of financial hardship. Rollover contributions are available for immediate withdrawal. The minimum amount per non-hardship in-service withdrawal is \$200. The Plan allows for payments from the Berkshire Fund to be distributed in shares of common stock, in accordance with the participant's election.

If a participant's employment is terminated for reasons other than death, disability, or retirement, the participant forfeits any unvested Company contributions and applicable earnings. Participants with vested balances (excluding rollover contributions) greater than \$5,000 can elect to defer distribution of their account until the minimum required distribution rules apply. All other participants cannot defer and are subject to a lump sum payout or rollover to Fidelity Individual Retirement account. If the participant dies before receiving a full distribution of their account, the vested portion must be distributed to the designated beneficiary no later than certain deadlines established by law.

Notes Receivable from Participants — Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of the lesser of one-half of the vested account balance or \$50,000. The loans are secured by an assignment of a participant's vested interest in the Plan, and bear interest at Reuter's prime rate plus 1% as of the last business day of the month preceding the month in which the loan is processed. Principal and interest are paid ratably through payroll deductions or as a lump sum for the outstanding loan balance. Loan terms range from 1 to 5 years; however, terms may exceed 5 years for the purchase of a primary residence. As of December 31, 2021, participant loans have maturities through 2046 at interest rates ranging from 4.25% to 9.50%.

Forfeited Accounts — Forfeitures serve to reduce future contributions from the Company. As of December 31, 2021 and 2020 the forfeitures account balances were \$72,798 and \$49,806 respectively. During 2021, employer contributions were reduced by approximately \$190,000 from forfeited nonvested accounts. If a participant is not rehired by the Company and does not make a withdrawal, the nonvested accounts will be forfeited after five years, or upon a total distribution if earlier. A participant who takes a total distribution and is subsequently rehired by the Company within five years has the option of repaying to the Plan, within five years of the reemployment date, cash in one lump-sum equal to the full amount received from the Plan at termination. If such repayment is made, the Company will restore to the participant's account, the amounts previously forfeited.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting — The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates — The preparation of the financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect the amounts reported in these financial statements, including disclosures of contingent liabilities. Actual results may differ from those estimates and assumptions.

Risks and Uncertainties — The Plan provides various investment options to participants. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the value of the participants' account balances and the amounts reported in the financial statements.

Investment Valuation of Master Trust Fund and Income Recognition — Investments are stated at fair value. Fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's interest in the Master Trust is presented at fair value, which has been determined based on the fair value of the underlying investments of the Master Trust. The Master Trust invests in mutual funds, collective trust funds, and the Berkshire Fund. See Note 9 for a description of the fair value methodology by investment type.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants — Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions based on the terms of the Plan document.

Administrative Expenses — In general, as provided in the Plan document, all expenses incurred in connection with administering the Plan, including but not limited to legal, accounting, and consulting fees, will be paid by the Plan, at the discretion of the Benefits Committee, except to the extent such expenses are paid by the Company.

The Plan is permitted to require Participants to pay certain fees in connection with the operation of the Plan from individual Participant accounts. Accordingly, each Participant's account is charged an annual fee to help cover the cost of Plan administration. The annual fees were \$52 in 2021. The Plan also has a revenue-sharing agreement whereby certain investment managers return a portion of the investment fees to participants who hold investments in the funds generating the credits. For the year ended December 31, 2021, revenue credits of \$8,360 were applied to individual participant accounts that invested in the funds generating the revenue credits. The Plan held undistributed revenue credits of \$56,521 and \$52,255 as of December 31, 2021 and 2020, respectively.

Payments of Benefits — Benefit payments to participants are recorded upon distribution. There were no participants, who have elected to withdraw from the Plan, but have not yet been paid as of December 31, 2021 and 2020.

Transfers — Along with the Plan, the Company sponsors the Johns Manville Employees 401(k) Plan (the "Employees Plan") for salaried and non-union hourly employees. If employees change their union status during the year, they may elect to transfer their account balance into the corresponding plan. For the year ended December 31, 2021, plan transfers reported in the statement of changes in net assets available for benefits to the Employees Plan were \$22,574.

3. INFORMATION CERTIFIED BY THE TRUSTEE

The following is a summary of the unaudited information regarding the Plan as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included in the Plan's financial statements and supplemental schedules, that were prepared by or derived from information prepared by Fidelity and furnished to the Plan administrator. The Plan administrator has obtained certifications from the Trustee that the following information is complete and accurate:

	<u>2021</u>	<u>2020</u>
Statements of net assets:		
Participant-directed investments — Plan's interest in Master Trust	\$189,778,863	\$167,223,627

Statement of changes in net assets — Plan's interest in Master Trust investment income:		
Dividends and interest	\$4,270,426	
Net appreciation in fair value of investments	23,094,982	
Interest income on notes receivable from participants	454,811	

Supplemental schedule: All investment balances and information included in the supplemental schedule of assets (held at end of year).

Notes 4 and 9: All investment balances and investment information, excluding level of investments in Note 9.

4. INTEREST IN MASTER TRUST

Certain of the Plan's investment assets are held in a trust account at the Trustee and consist of an undivided interest in an investment account of the Johns Manville Corporation DC Master Trust (the "Master Trust"), a master trust established by the Company and administered by the Trustee. Use of the Master Trust permits the commingling of trust assets with the assets of the Employees Plan for investment and administrative purposes. Although assets of both plans are commingled in the Master Trust, the Trustee maintains supporting records for the purpose of allocating the net gain or loss of the investment account to the participating plans. The net investment income and administrative expenses are allocated by the Trustee to each participating plan based on the relationship of the interest of each plan to the total of the interests of the participating plans.

The assets of the Master Trust as of December 31, 2021 and 2020, are summarized as follows:

	2021		2020	
	Master Trust Balances	Plan's Interest in Master Trust Balances	Master Trust Balances	Plan's Interest in Master Trust Balances
Investments:				
Mutual funds	\$458,371,687	\$72,793,699	\$430,019,609	\$68,505,383

Plan's interest in the Master Trust as a percentage of the total		<u>20.34%</u>		<u>20.10%</u>

Activity of the Master Trust for the year ended December 31, 2021 is summarized as follows:

	<u>2021</u>
ADDITIONS:	
Contributions	\$ 60,830,433
Dividends and interest — mutual funds	26,803,912
Net appreciation in fair value of investments	111,922,424
Interest income on notes receivable from participants	<u>965,229</u>
Total additions	200,521,998
DEDUCTIONS:	
Benefits paid to participants	97,105,328
Administrative expenses, net of revenue sharing	<u>441,175</u>
Total deductions	97,546,503
 INCREASE IN NET ASSETS	 <u>102,975,495</u>
 TOTAL NET ASSETS AT THE BEGINNING OF THE YEAR	 <u>875,101,883</u>
 TOTAL NET ASSETS AT THE END OF THE YEAR	 <u>\$978,077,378</u>

5. FEDERAL INCOME TAX STATUS

The IRS has determined and informed the Company by a letter dated January 10, 2018 that the Plan and related trust were designed in accordance with the applicable regulations of the IRC. The Plan has been amended since receiving the determination letter. However, the Plan Sponsor believes the Plan has maintained its tax-exempt status. Therefore, no provision for income taxes has been included in the Plan's financial statements.

6. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated by the Company, participant accounts would become fully vested. The assets of the Plan would be distributed to the participants based on their account balances. In addition, any previously forfeited amounts which had not been applied to reduce Company contributions would be credited ratably to the accounts of the participants remaining in the Plan at the time of such termination.

7. RELATED-PARTY TRANSACTIONS AND EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds, a money market fund, and a common collective trust fund managed by Fidelity. Fidelity is the trustee and recordkeeper as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund within the Master Trust. The Plan also issues loans to participants, which are secured by the vested balances in the participants' accounts.

As of December 31, 2021 and 2020, the Master Trust held 585,527 units and 591,881 units, respectively, of the Berkshire Fund with a cost basis of \$16,957,770 and \$15,436,583, respectively. The Berkshire Fund holds 108,846 and 111,206 shares of Berkshire Hathaway Class B common stock, related parent company

of the sponsoring employer, with a cost basis of \$11,886,283 and \$11,359,092 as of December 31, 2021 and 2020, respectively. The Plan owns approximately 10% of the Berkshire Fund.

8. NONEXEMPT PARTY-IN-INTEREST TRANSACTIONS

The Company remitted certain 2021 participant contributions and loan repayments of \$97 to the Trustee later than required by Department of Labor (DOL) Regulation 2510.3-102. The excise tax on the transactions for the Plan year 2021 were de minimis and the Company is not required to file Form 5330 with the IRS. In addition, participant accounts were credited with the amount of investment income that would have been earned had the participant contributions been remitted on a timely basis.

9. FAIR VALUE MEASUREMENTS

ASC 820, *Fair Value Measurements and Disclosures*, provides a framework for measuring fair value, and requires additional disclosures about fair value measurements. In accordance with ASC 820, the Master Trust classifies its investments into Level 1, which refers to securities valued using quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Investments are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

Asset Valuation Techniques – Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value.

Berkshire Fund – A separately managed account that is a unitized stock fund that operates similarly to a mutual fund, in that it is composed of stock, and a small percentage of cash or another short-term interest-bearing vehicle. The inclusion of cash provides liquid assets to allow for the daily processing of transfers, loans, and withdrawals. The value of a unit in a unitized stock fund is based on the Net Asset Value (NAV), which is the value of the underlying common stock and the cash piece held by the fund, divided by the number of units outstanding. Therefore, the NAV of the fund (the “unit price”) will, as a rule, be different from the closing price of the underlying stock on the applicable exchange. The individual assets of a stock fund are considered separately as individual investments for accounting, auditing, and financial statement reporting purposes.

Collective trust funds – Valued at the NAV of units of a collective trust. The NAV as provided by the trustee is used as a practical expedient to estimate its value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the Master Trust in order to ensure that securities liquidation will be carried out in an orderly business manner.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level within the fair value hierarchy a summary of the Master Trust's investments measured at fair value on a recurring basis as of December 31, 2021 and 2020.

Total investments				<u>\$856,344,742</u>

The valuation methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table for December 31, 2021 and 2020, sets forth a summary of the Master Trust investments with a reported NAV.

	<u>Fair Value</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
<u>2021</u>			
Collective Trust Funds	\$466,897,522	Immediate	None
<u>2020</u>			
Collective Trust Funds	\$399,486,882	Immediate	None

There are no unfunded commitments, in addition, there are no other redemption restrictions related to the Master Trust's holding of the various Collective Trust Funds.

10. SUBSEQUENT EVENTS

In 2021, the Company approved the merger of the Plan into the Employees Plan. The merger is expected to occur on or about December 31, 2022, and will not impact the investments, contributions, or participants accounts or benefits of either plan.

Subsequent events were evaluated through June 24, 2022, the date the financial statements were available to be issued.
