## *Independent Auditors' Report*

Plan Administrator  
Enstor 401(k) Retirement Plan  
Houston, Texas

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed the audit of the financial statements of the Enstor 401(k) Retirement Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103 (a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Other Matter - Supplemental Schedules Required by ERISA***

The supplemental schedules (1) Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and (2) Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Other Matter - Auditors' Report on the 2020 Financial Statements***

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the qualified institution. In our report dated September 17, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## ***Notes to Financial Statements***

### ***Note 1 - Description of Plan***

The following description of the Enstor 401(k) Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

#### ***General***

The Plan is a defined contribution profit sharing plan with a cash deferral arrangement covering all eligible employees, as defined by the Plan, of Enstor Gas, LLC and Enstor Operating Company, LLC (the “Employer”), who have completed 30 days of service. Employees covered by a collective bargaining agreement, leased employees, non-resident aliens and residents of Puerto Rico are not eligible for the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Substantially all investments are participant directed.

Through December 30, 2020, the Plan used Massachusetts Mutual Life Insurance Company (“MassMutual”) for recordkeeping and custodian services of its guaranteed interest account. MassMutual entered into a trust arrangement with Reliance Trust Company (“Reliance”) to act as trustee. On December 31, 2020, Empower Retirement, LLC (“Empower Retirement”) acquired the retirement business of MassMutual. Following an initial transition period, Empower Retirement became the sole administrator of this business. An affiliate of Empower Retirement, Great-West Life & Annuity Insurance Company, has been granted power of attorney over the guaranteed interest account issued by MassMutual. Empower Retirement prepared statements and documents on behalf of Reliance as of December 31, 2021.

#### ***Participant Contributions***

Participants may contribute up to 100% of annual compensation, as defined by the Plan, up to a dollar limit set by Federal law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan provides for automatic enrollment of 5% of compensation unless an alternative election is made, which are processed on the 1<sup>st</sup> day of the month following the date the employee meets the eligibility requirements. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (“Participant Rollovers”).

#### ***Employer Safe Harbor Matching Contributions***

Each payroll period, the Employer makes a safe harbor matching contribution equal to 100% of a participant’s salary deferrals up to a maximum of the first 5% of the participant’s compensation. For the year ended December 31, 2021, the safe harbor match amounted to \$652,880.

#### ***Employer Profit Sharing Contributions***

Each year, the Employer, at its sole discretion, determines the amount, if any, of additional Employer contribution that it may contribute to the Plan, subject to certain limitations. In order to receive an Employer profit sharing contribution, a participant must work 1,000 hours during the Plan year and be employed on the last day of the Plan year and is allocated pro rata based on each participant’s compensation to total compensation of all eligible participants. For the Plan year ended December 31, 2021, the Employer did not make a profit sharing contribution.

## ***Notes to Financial Statements***

### ***Note 1 - Description of Plan (Continued)***

#### ***Participant Accounts***

Each participant's account is credited with the participant's contribution and allocations of (a) the Employer's contribution and (b) plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### ***Vesting***

##### ***Participant Contributions***

Participants are immediately vested in their voluntary contributions plus actual earnings thereon.

##### ***Employer Contributions***

Participants are immediately 100% vested in the Employer Matching contributions and related earnings thereon. Participants vest in Profit Sharing contributions at a rate of 33.33% per year and become fully vested after three years. A participant also becomes fully vested upon death or disability.

#### ***Notes Receivable from Participants***

Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years (or longer for the purchase of a primary residence). Participants are allowed only one loan outstanding at any given time. The loans are secured by the vested balance in the Participant's account and bear interest at the prime interest rate or such other reasonable rate as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions.

Under the CARES Act, the available loan limit was increased to \$100,000 or 100% of the participant's vested account balance. The CARES Act also delayed loan payments for a COVID-19 qualified individual for any loan outstanding on or after March 27, 2020 through December 31, 2020 and, if applicable, extends the loan for up to one year. This increased loan limit was allowed to be taken from March 27, 2020 through September 22, 2020.

## ***Notes to Financial Statements***

### ***Note 1 - Description of Plan (Continued)***

#### ***Payment of Benefits***

In-service withdrawals from a participant's elective deferral account are permitted only due to financial hardship or upon reaching age 59½. Hardship withdrawals may be taken from a participant's deferral account balances with a minimum withdrawal of \$500. The amount of hardship distribution cannot exceed the amount to meet the immediate financial hardship. Upon disability, retirement or termination of employment, a participant may elect to receive a lump-sum payment equal to the vested account balance. Upon termination of service due to death, a participant may elect to receive either a lump-sum payment or installment payments equal to the vested account balance. If a participant's vested account does not exceed \$5,000, the Plan administrator may automatically distribute the account balance to the participant in the form of a lump-sum distribution.

The Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was passed by the U.S. Senate on March 26, 2020. Section 2202 of the CARES Act permits eligible Plan participants to request special penalty-free distributions of up to \$100,000 for qualifying coronavirus-related reasons. These reasons include the participant, spouse or dependent diagnosed with COVID-19, adverse financial consequences due to being quarantined, furloughed, laid off, having work hours reduced or being unable to work due to a lack of childcare due to COVID-19. The special coronavirus-related distributions waive the 10% early withdrawal penalty and were allowed to be made between January 1, 2020 and December 31, 2020.

#### ***Forfeitures***

Upon termination of service, a participant who is not 100% vested forfeits the unvested portion of his or her account. Forfeited amounts may be used to reduce Employer contributions and/or to pay Plan expenses. At December 31, 2021 and 2020, forfeited and unallocated accounts amounted to \$2,190 and \$1,722, respectively, and during 2021, there were no forfeitures used to reduce Employer contributions or pay Plan administrative expenses.

#### ***Plan Administration***

The Employer is the Plan administrator and has the authority to appoint person(s) or entities to carry out the operation of the Plan.

### ***Note 2 - Summary of Significant Accounting Policies***

#### ***Basis of Accounting***

The financial statements of the Plan are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

# **ENSTOR 401(k) RETIREMENT PLAN**

## ***Notes to Financial Statements***

### ***Note 2 - Summary of Significant Accounting Policies (Continued)***

#### ***Investments, Investment Valuation and Income Recognition***

Investments are reported at fair value except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measure for the portion of the net assets available for benefits attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

#### ***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

#### ***Benefits Paid***

Benefits are recorded when paid.

#### ***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

#### ***Administrative Expenses***

Certain expenses of the Plan are paid by the Employer and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses charged to participants' accounts are included in administration fees.

#### ***Subsequent Events***

The Plan has evaluated subsequent events through June 28, 2022, the date that the financial statements were available to be issued. No significant matters were identified for disclosure during the evaluation.

## *Notes to Financial Statements*

### ***Note 3 - Information Certified by the Trustee and Custodians***

The mutual funds are held by the Plan's Trustee and Custodian, Reliance. The guaranteed interest account is held by the Plan's Custodian, Great-West Life & Annuity Insurance Company ("GWLA") pursuant to a power of attorney from Massachusetts Mutual Life Insurance Company. The fair values of the mutual funds as of December 31, 2021 and 2020 and all investment transactions of the mutual funds, including interest and dividend income and net appreciation for the year ended December 31, 2021, are reported to the Plan and certified as complete and accurate by Reliance. The contract value of the guaranteed interest account as of December 31, 2021 and 2020, and all investment transactions of the guaranteed interest account for the year ended December 31, 2021, including interest income, is reported to the Plan and certified as complete and accurate by GWLA. Information included in the supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year), and notes receivable from participants, have also been derived from information certified by Reliance and GWLA. The Plan offers several investment choices to allow Participants to create a diversified portfolio of assets based on the Participants' risk tolerance.

### ***Note 4 - Fair Value Measurements***

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level I) and the lowest priority to unobservable inputs (Level III). Valuation techniques used need to maximize the use of observable inputs to minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

|           |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
|-----------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Level I   | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.                                                                                                                                                                                                                                                                                                                                                                                                                |
| Level II  | Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level II input must be observable for substantially the full term of the asset or liability. |
| Level III | Inputs to the valuation methodology are unobservable.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

## *Notes to Financial Statements*

### ***Note 4 - Fair Value Measurements (Continued)***

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

#### ***Mutual Funds***

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The Plan's assets measured at fair value as of December 31, 2021 and 2020 consist of mutual funds valued at \$8,948,412 and \$8,078,445, respectively, and are considered Level I investments.

### ***Note 5 - Fully Benefit-Responsive Investment Contract***

The following is a description of the investments and valuation methodologies for the fully benefit-responsive investment contract:

#### ***Guaranteed Interest Account***

The MassMutual Guaranteed Interest Account with a contract value of \$1,685,760 and \$443,484 as of December 31, 2021 and 2020, respectively, is a guaranteed group annuity contract backed by the general account of Great West Life & Annuity Insurance Company (acquired the retirement business of MassMutual effective December 31, 2020). The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuers are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

There are no reserves against contract value for credit risk or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed semiannually for resetting. The guaranteed minimum interest rate under the contract is 1%. The crediting interest rate was 1.8% as of December 31, 2021 and 2020. The average yield was 1.8% for the year ended December 31, 2021.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan document (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

# **ENSTOR 401(k) RETIREMENT PLAN**

## ***Notes to Financial Statements***

### ***Note 5 - Fully Benefit-Responsive Investment Contract (Continued)***

#### ***Guaranteed Interest Account (Continued)***

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by the future economic and regulatory developments.

The guaranteed interest account does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

### ***Note 6 - Risks and Uncertainties***

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

### ***Note 7 - Plan Termination***

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in all of their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Employer may determine.

### ***Note 8 - Related-Party and Party-in-Interest Transactions***

Plan investments include a guaranteed interest account managed by GWLA (formerly MassMutual). GWLA is the custodian of the guaranteed interest account as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules, as defined by ERISA. For the Plan year ended December 31, 2021, administrative fees of \$13,863 were paid to GWLA. The Employer pays directly any other fees related to the Plan's operations. In addition, notes receivable from participants also qualify as exempt party-in-interest transactions.

# **ENSTOR 401(k) RETIREMENT PLAN**

## ***Notes to Financial Statements***

### ***Note 9 - Tax Status***

The Plan has adopted the Angell Pension Group Inc. Volume Submitter Profit Sharing Plan with CODA, which obtained its latest opinion letter on September 30, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### ***Note 10 - Prohibited Transaction***

ERISA regulations require the Employer to remit participant contributions and loan repayments to the Plan as soon as they can reasonably segregate from the Employer's general assets, but no later than the 15th business day of the month following the month in which the participant contributions and loan repayments are withheld. When this regulation is not satisfied, the Employer has engaged in a prohibited transaction. During the Plan year ended December 31, 2020, \$1,858 in participant loan repayments were not remitted to the Plan. The Employer made the necessary contributions and made a correction for lost earnings during 2021.
