INDEPENDENT AUDITORS' REPORT

The Plan Administrator
Golding Barge Line, Inc. 401(k) Plan
Vicksburg, Mississippi

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Golding Barge Line, Inc. 401(k) Plan an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Golding Barge Line, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Golding Barge Line, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Golding Barge Line, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Golding Barge Line, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Golding Barge Line, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 18, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 DESCRIPTION OF PLAN

The following description of the Golding Barge Line, Inc. 401(k) Plan (Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of the controlled group, Golding Barge Line, Inc. and Golding Timberlands, LLC (previously Golding Timberland II, LLC) the adopting employers (the Employer). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). All employees who have over nine-months of full-time consecutive service, or 1,000 hours of service in a twelve-month period from the date of hire, are eligible to participate in the Plan.

Plan Amendments

Effective January 1, 2020, the Plan was amended to allow elective deferral contributions to be made as Roth Contributions. These contributions are included in the definition of matched employee contributions. In-Plan Roth rollovers are not permitted.

Effective April 1, 2020, the Plan was amended to remove the minimum age requirement for elective deferrals and voluntary contributions.

Effective January 1, 2021, the Plan was amended to remove the Safe Harbor contribution provisions and to add a discretionary employer matching contribution, and or profit-sharing contributions. Employees who have over nine-months of full-time consecutive service, or 1,000 hours of service in a twelve-month period from the date of hire, are eligible for matching contributions. All participants are immediately 100% vested in employer matching contributions.

New Auditing Standard for Employee Benefit Plans

In July 2019, the American Institute of Certified Public Accountants (AICPA) Auditing Standards Board (ASB) issued the Statement on Auditing Standards (SAS) No. 136, Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA (SAS 136). The new standard prescribes certain new audit performance requirements and includes *ERISA Section 103(a)(3)(C)*. SAS 136 is effective for audits of financial statements for periods ending on or after December 15, 2021. Early implementation is permitted.

New Requirements for the Auditor

SAS 136 addresses specific performance requirements in the following areas:

- Engagement acceptance
- Audit risk assessment and response, including the auditors' consideration of relevant plan provisions
- Communication of reportable findings with those charged with governance
- The auditors' responsibilities relating to the ERISA-required supplemental schedules and the Form 5500
- The form and content of the related auditors' report

GOLDING BARGE LINE, INC. 401(K) PLAN
Notes to Financial Statements
December 31, 2021 and 2020

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

New Requirements for the Plan

SAS 136 requires plan management to provide the auditor with the following:

- Acknowledgment from plan management that the certifying entity (typically the trustee or custodian) is qualified to provide a certification for investments and related investment income
- Plan management will be required to provide a substantially complete draft of the Form 5500 before the release of the financial statements.

ERISA Section 103(a)(3)(C) Audits

ERISA Section 103(a)(3)(C) allows plan management to elect to exclude from the audit certain investment information held and certified by a qualified institution. This type of audit, previously known and referred to as a “limited-scope audit”, is now referred to an “ERISA Section 103(a)(3)(C) audit” in the new standard.

SAS 136 clarifies what is expected of the auditor, including specific procedures when performing an ERISA Section 103(a)(3)(C) audit. It also establishes a new form of report that provides greater transparency about the scope and nature of the audit and describes the procedures performed on the certified investment information.

SECURE Act

On December 20, 2019, Congress enacted the Setting Every Community Up for Retirement Enhancement (SECURE) Act. During 2020 the Plan adopted the following provisions of the SECURE Act.

- Required starting age for Required Minimum Distributions (RMD’s) was increased from 70½ to 72 years of age.
- Relief for in-service withdrawals for birth or adoption expenses. Withdrawals of up to \$5,000 are permissible within one year following the birth or legal adoption of a child, and not subject to the 10% early withdrawal tax.

CARES Act

On March 27, 2020, Congress enacted the Coronavirus Aid, Relief, and Economic Security (CARES) Act. During 2020 the Plan adopted the following provisions of the CARES Act.

- Allowing participants to take a Coronavirus related distribution of up to \$100,000 (not to exceed the participant’s account balance) from their retirement plan without a 10% early withdrawal penalty. Eligible distributions can be taken up to December 31, 2020. Coronavirus-related distributions may be repaid within three years.
- Allowing Plan participants to suspend required minimum distributions during 2020.

Tax Status

The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

GOLDING BARGE LINE, INC. 401(K) PLAN
Notes to Financial Statements
December 31, 2021 and 2020

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Tax Status (Continued)

Accounting principles generally accepted in the United States of America (GAAP), require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Participant Contributions

Eligible employees can defer up to 100% of their eligible compensation into the Plan up to the maximum allowed by the IRC. Participants are allowed to make deferrals to either pre-tax non-Roth accounts or post-tax Roth accounts. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Additionally, participants are permitted to make rollover contributions to the Plan from other eligible plans.

Employer Contributions

The Employer may, at its sole discretion, make matching or profit sharing contributions for all eligible participants. The Employer elected not to make employer or profit-sharing contributions for 2021. Employees who have over nine-months of full-time consecutive service, or 1,000 hours of service in a twelve-month period from the date of hire, are eligible for matching contributions. All participants are immediately 100% vested in employer matching contributions.

Participant Accounts

Each participant's account is credited with the participant's contributions, Employer matching contributions and an allocation of net investment income of each fund in which the participant is invested. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately fully vested in their salary deferral contributions plus actual earnings thereon. Participants are also fully vested in Employer safe harbor and matching contributions and the earnings thereon. A participant will become fully vested after six years of credited service on any discretionary Employer contributions.

Investments and Investment Options

Contributions to the Plan are invested as directed by each participant. Participants may change their individual investment options at any time. The Plan offers various investments in the pooled separate account and a group annuity account as investment options for participants.

December 31, 2021 and 2020

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the vested value of his or her account balance. A participant who terminates employment with the Employer and who has a vested balance that is less than \$5,000 may either elect to receive a distribution in cash or to roll over the distribution to an individual retirement account (IRA) or the qualified plan of his/her new employer. If the participant does not timely return the election forms, the Plan Administrator will transfer the participant's vested Account balance to an IRA established in the participant's name. Benefits are recorded when paid.

In-Service Distributions

The plan allows in-service distributions for birth or adoption expenses. Withdrawals of up to \$5,000 are permissible within one year following the birth or legal adoption of a child, and not subject to the 10% early withdrawal tax.

Hardship Withdrawals

Under certain conditions, participants, while still employed by the Employer, are permitted to take a hardship withdrawal, from the employee contribution portion of their account balance. These conditions include unreimbursed medical expenses, the purchase of the participant's principal residence, the payment of postsecondary education tuition, the payment of burial or funeral costs of immediate family members, the payment of expenses for the repair of damage to the participant's principal residence that would qualify for the casualty deduction under the IRC, or to prevent eviction or foreclosure from the participant's principal residence. Effective for the fiscal year beginning January 1, 2019, the Plan was amended to incorporate final regulations governing hardship distributions from 401(k) plans pursuant to changes contained in the Bipartisan Budget Act of 2018, including removing the six-month suspension on elective deferrals after a hardship withdrawal.

During 2020, the Plan adopted the CARES Act provision allowing Coronavirus related distributions. During 2020, two Coronavirus related withdrawals totaling \$117,000 were distributed. There were no Coronavirus related withdrawals in 2021.

Notes Receivable from Participants

Participants may borrow from their account up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at Wall Street Journal prime rate plus 1.0 percent. Principal and interest is paid ratably through payroll deductions. Participant loans are measured at their unpaid principal balance plus any accrued interest. During 2021 and 2020, deemed distributions of participant loans totaled \$110,089 and \$68,735, respectively.

Forfeitures

Upon termination of employment, participants forfeit their non-vested balances. Forfeited balances may be used to pay Plan expenses or reduce Employer contributions. The balance in the forfeiture account was \$-0- for both the years ended December 31, 2021 and 2020.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Terminated Participants

For the years ended December 31, 2021 and 2020, Plan participants included 15 terminated employees with vested balances totaling \$871,832 and 17 terminated employees with vested balances totaling \$741,762, respectively.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Certain investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investments, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020, are reported in net appreciation (depreciation) in fair value of investments. See Note 3 for a discussion of fair value measurements and Note 4 for a discussion on fully benefit-responsive investment contracts.

Estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to use estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from these estimates.

Risks and Uncertainties

The Plan invests in a variety of investment funds. Investments, in general, are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their account balances.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events

The Employer has evaluated, for consideration of recognition or disclosure, subsequent events through June 21, 2022, the date the financial statements were available to be issued.

NOTE 3 FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value or contract value in the accompanying statement of net assets available for benefits. GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels as follows:

Level 1 - inputs used to measure fair value consist of prices quoted in active markets for identical assets or liabilities.

Level 2 - inputs used to measure fair value consist of significant observable inputs other than the prices quoted in active markets for identical assets or liabilities, such as quoted prices in active markets for similar assets or liabilities.

Level 3 - fair value measurements are based upon significant unobservable inputs.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. There have been no changes in the methodologies used at December 31, 2021 and 2020.

The following tables present assets that are measured at fair value on a recurring basis at December 31, 2021 and 2020:

	<u>Fair Value</u>	<u>(Level 1)</u>	<u>(Level 2)</u>	<u>(Level 3)</u>
<u>2021</u>				
Pooled Separate Accounts	<u>\$12,766,914</u>	<u>\$ -</u>	<u>\$12,766,914</u>	<u>\$ -</u>
	<u>Fair Value</u>	<u>(Level 1)</u>	<u>(Level 2)</u>	<u>(Level 3)</u>
<u>2020</u>				
Pooled Separate Accounts	<u>\$11,582,413</u>	<u>\$ -</u>	<u>\$11,582,413</u>	<u>\$ -</u>

In accordance with Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2015-12, fully benefit responsive investments are reported at contract value and are not included in the fair value hierarchy. (See Note 4)

Level 2 – Pooled Separate Accounts

The fair value of level 2 investments is based on the Net Asset Value (NAV) of the underlying investments which all have readily determined fair values. In accordance with ASU Update 2018-09, investments with readily determined fair values are not considered to be valued using the NAV practical expedient.

NOTE 4 INVESTMENT CONTRACTS

During 2019 and 2020 the Plan transferred investments in the prior custodian's investment contract to the American United Life (AUL) Stable Value Account (Stable Value Account), a fully benefit-responsive investment contract. The Stable Value Account is an interest-earning investment option, backed by AUL's general account assets. An interest rate is declared prior to the beginning of a calendar year and is guaranteed for that year until the new rate is set for the next year.

The average interest rate during 2021 and 2020 was 0.75% and 1.50%, respectively. Contract value totaled \$807,651 and \$715,760 at December 31, 2021 and 2020, respectively.

The Stable Value Account investments primarily consist of a diversified mix of high quality corporate and agency securities. The objective of the investment policy is to maximize long-term, risk-adjusted returns.

The Stable Value Account is a fully benefit-responsive investment contract and stated at contract value. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees. Participants invested in the Stable Value Account can transfer money into and out of the account without restrictions. Plan management believes the occurrence of events that would cause the Stable Value Account to transact at less than contract value are not probable.

NOTE 8 OTHER UNCERTAINTIES

On March 11, 2020 the World Health Organization declared the novel strain of coronavirus (COVID-19) a global pandemic and recommended containment and mitigation measures worldwide. The extent of the impact of COVID-19 on the Plan's operational and financial performance will depend on certain developments, including the duration and spread of the outbreak and its impact on the Plan investment performance, all of which are uncertain and cannot be predicted. At this point, the extent to which COVID-19 may impact the Plan's financial condition or results of operations are uncertain.
