Independent Auditors' Report

Plan Administrator
LHP, INC. 401(K) PLAN
Columbus, Indiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of LHP, Inc. 401(K) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of LHP, Inc. 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from Fidelity Management Trust Company as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by Fidelity Management and Trust Company agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of LHP, Inc. 401(K) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about LHP, Inc. 401(K) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the LHP, Inc. 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about LHP, Inc. 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplementary schedule H, Part IV – question 4i schedule of assets (held at end of year) is presented for the purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by Fidelity Management and Trust Company agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LHP, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF PLAN

The following brief description of the LHP, Inc. 401(K) Plan (the Plan) provides only general information. Plan participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan sponsored by LHP, Inc. (Company) for the benefit of its employees who have met certain eligibility requirements. During the year ended December 31, 2020, the Plan was amended to include the following related employees of DAXEOS, LLC, LER TechForce, LLC, LHP Data Analytics Solutions, LLC, LHP Engineering Solutions, LLC, and LHP Technology Solutions, LLC who also participate in the Plan. The assets of the Plan are held by and recordkeeping services are provided by Fidelity Management Trust Company (Fidelity), the Trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

CONTRIBUTIONS

Participants may elect to make salary deferral contributions up to 90% of eligible compensation, in accordance with allowable annual maximums prescribed under the Internal Revenue Code (IRC). Participants over age 50 may make additional contributions as provided by the IRC. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Company's matching contributions and profit sharing contributions are discretionary as determined annually by the Company's Board of Directors.

No discretionary Company profit-sharing contributions were made for the year ended December 31, 2021.

PARTICIPANT INVESTMENT ACCOUNT OPTIONS

Investment account options available include various funds. Each participant has the option of directing his or her contributions into any of the separate investment accounts and may change the allocation daily.

PARTICIPANT ACCOUNTS

Each participant's account is credited or charged with the participant's contributions, an allocation of the Company's contribution, Plan earnings and an allocation of administrative expenses, if applicable. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested accounts.

VESTING

Participants are immediately 100% vested in their account balances arising from deferral contributions, Company matching contributions, any nonelective Company contributions, if applicable and earnings thereon.

LHP, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

BENEFITS

Benefits are payable to participants upon termination of employment, retirement, disability, or death, or upon the participant's ability to demonstrate an immediate and heavy financial need. Benefits are recorded when paid.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their accounts a minimum of \$1,000 and up to the lesser of \$50,000 or 50% of their vested account balance. The interest rate is based on similar notes from commercial lending institutions. Notes must be repaid ratably as to principal and interest over a period not to exceed five years (except for loans for the purchase of a principal residence) through payroll withholdings. The note is secured by the participant's account balances.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon terms of the Plan.

FORFEITED ACCOUNTS

Because participant account balances are always 100% vested, there are no forfeited accounts.

PLAN TERMINATION

While the Company hopes and expects to continue the Plan indefinitely, it reserves the right to terminate, discontinue making contributions to, amend or modify the Plan at any time, acting through written resolution of the Company's board of directors. In the event the Company terminates its participation in the Plan, the affected participants who are actively employed by the Company at the time of termination, shall be fully vested for amounts credited their accounts on the termination date. The Plan will arrange for distributions upon Plan termination as soon as administratively possible.

2. SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting whereby additions and deductions are recorded in the year in which they are incurred rather than in the year in which they are received or paid.

ESTIMATES

The Plan Administrator uses estimates and assumptions in preparing financial statements in conformity with accounting principles generally accepted in the United States of America. These estimates and assumptions affect the reported amounts of net assets available for benefits, the disclosure of contingencies and the reported additions to and deductions from net assets available for benefits. Accordingly, actual results could differ from those estimates.

LHP, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at their fair market values. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of mutual funds are valued at quoted market prices which represent the last reported sales price on the last business day of the Plan year end. Money market funds are stated at cost plus earnings, which approximates fair value. Net appreciation or depreciation of investments is reported in the statement of changes in net assets available for benefits and consists of the realized gains and losses and the unrealized appreciation or depreciation of these investments. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis.

EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan had no excess contributions during 2021 that were required to be distributed subsequent to December 31, 2021.

EXPENSES OF THE PLAN

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

3. INCOME TAXES

The Plan operates under an adoption agreement in connection with a volume submitter defined contribution plan document sponsored by Fidelity Management and Research Company. The Plan has not been submitted to the Internal Revenue Service (IRS) for an individual determination letter as the volume submitter plan has a favorable opinion letter from the IRS. However, the Plan Administrator believes that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

The Plan evaluates all significant tax positions. As of December 31, 2021, the Plan does not believe that it has taken any tax positions that would require the recording of any additional tax liability, nor does it believe that there are any unrealized tax benefits that would either increase or decrease within the next 12 months. The Plan's income tax returns are subject to examination by the appropriate regulatory authorities; there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to tax examinations for years prior to 2018.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

4. PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such a person.

Certain Plan investments are managed by the Trustee of the Plan. Transactions with these parties qualify as exempt party-in-interest transactions. The Company provides certain accounting, administrative and investment management services to the Plan, for which they receive no compensation. Fees paid by the Plan for investment advisory, management fees and administrative services totaled \$9,174 for the year ended December 31, 2021.

5. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate risk, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to the changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect the amounts reported in the Plan's financial statements and could affect participants' account balances.

6. INVESTMENTS

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits and the schedule of assets (held at end of year) as of December 31, 2021 and 2020, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2021.

The Plan's investments are held by Fidelity. The fair value of the Plan's investments as of December 31, 2021 and 2020 are as follows:

	<u>2021</u>	<u>2020</u>
Mutual funds	\$ 20,945,087	\$ 16,913,902
Money market fund	<u>637,061</u>	<u>687,918</u>
Total investments at fair value	<u>\$ 21,582,148</u>	<u>\$ 17,601,820</u>

Interest and dividends related to the Plan's investments for the year ended December 31, 2021 were \$1,805,830.

DECEMBER 31, 2021 AND 2020

7. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in accordance with ASC 820, *Fair Value Measurement and Disclosures*, in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

ASC 820 defines fair value, establishes a framework for measuring fair value under GAAP and expands disclosures about fair value measurements. ASC 820 also establishes a three-level fair value hierarchy that prioritizes the inputs used to measure fair value. This hierarchy requires that the Plan maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of inputs used to measure fair value are as follows:

- Level 1 – Quoted prices in active markets for identical assets or liabilities. The fair value of mutual funds is based on quoted market prices which represent the last sales price on the last business day of the Plan at year end.
- Level 2 – Observable inputs other than quoted prices in Level 1, such as quoted prices for similar assets and liabilities in active markets, similar assets and liabilities in markets that are not active or can be corroborated by observable market data.
- Level 3 – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets and liabilities. This includes certain pricing models, discounted cash flow methodologies and similar techniques that use significant unobservable inputs.

LHP, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

The following table sets forth by level, within the fair value hierarchy, the Plan investment assets and investment liabilities at fair value, as of December 31, 2021 and 2020. As required by ASC 820, assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

Description	2021	Quoted Market Price in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	\$ 20,945,087	\$ 20,945,087	\$ -0-	\$ -0-
Money market fund	637,061	637,061	-0-	-0-
	<u>\$ 21,582,148</u>	<u>\$ 21,582,148</u>	<u>\$ -0-</u>	<u>\$ -0-</u>
	2020	Quoted Market Price in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	\$ 16,913,902	\$ 16,913,902	\$ -0-	\$ -0-
Money market fund	687,918	687,918	-0-	-0-
	<u>\$ 17,601,820</u>	<u>\$ 17,601,820</u>	<u>\$ -0-</u>	<u>\$ -0-</u>

8. OTHER DISCLOSURES

During the Plan year ended December 31, 2021, there were no leases, party-in-interest transactions, or obligations in default which would require disclosure under the Department of Labor Rules and Regulations for Reporting and Disclosures.

9. CORONAVIRUS PANDEMIC

In December 2019, an outbreak of a novel strain of coronavirus (COVID-19) originated in Wuhan, China and has since spread to other countries, including the U.S. On March 11, 2020, the World Health Organization characterized COVID-19 as a pandemic. In addition, multiple jurisdictions in the U.S. have declared a state of emergency. It is anticipated that these impacts will continue for some time. The extent to which the coronavirus (or any other disease or epidemic) may impact the Plan and Sponsor will depend on future developments. These future developments are highly uncertain and cannot be predicted, including new information which may emerge concerning the severity of the coronavirus and the actions required to contain the coronavirus or treat its impact, among others.

10. SUBSEQUENT EVENTS
