Physicians Premier Management Services 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Physicians Premier Management Services 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued (or are available to be issued when applicable).

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are

considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions (the supplemental schedules) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other

than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by9 and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Physicians Premier Management Services 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated June 4, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
PHYSICIANS PREMIER MANAGEMENT SERVICES 401(k) PLAN

NOTE A – Description of Plan

The following description of Physicians Premier Management Services 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General - The Plan is a defined contribution plan established January 1, 2017, covering all employees of Physicians Premier Management Services, LLC (the Company) (except union employees, nonresident aliens, PRN nurses, PRN radiology testers and PRN patient service representatives) who are age eighteen or older and have completed ninety days of service. Eligible participants may enter the Plan on the first day of the month after meeting eligibility requirements. The Plan operates as a Safe Harbor 401(k) Plan in order to satisfy certain non-discrimination testing requirements and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and subsequent related amendments and revisions. The Plan's trustee is John Hancock Life Insurance Company (U.S.A.).

2. Contributions –

Employee contributions - Qualified participants may elect to defer a percent of their salary at each pay period. A participant's contribution may not exceed an amount determined by the Internal Revenue Service each calendar year. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Participants direct the investing of the contributions in any of the Plan's available investment options.

Employer contributions – The Company can provide contributions as safe harbor matching contributions, discretionary employer matching contributions, and/or discretionary profit-sharing contributions. For the year ending December 31, 2021 the Company made safe harbor matching contributions in an amount equal to the sum of (1) 100% of each eligible participant's 401(k) contributions (including "catch-up contributions") up to 3% of compensation for the plan year, plus (2) 50% of each eligible participant's 401(k) contributions (including "catch-up contributions") that exceed between 3% and 5% of compensation for the plan year. For the year ended December 31, 2021, the Company made \$258,904 in safe harbor matching contributions which were funded to the Plan during 2022. No employer matching or discretionary profit-sharing contributions were made.

3. Participant Accounts -Each participant's account is credited with the participant's contribution and Company's contribution, if any, and allocation of plan earnings and plan expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

4. Vesting - Participants are vested immediately in their voluntary contributions, including rollover contributions plus actual earnings thereon. Participants are vested immediately in the Company's safe harbor matching contributions.

NOTES TO FINANCIAL STATEMENTS - continued
PHYSICIANS PREMIER MANAGEMENT SERVICES 401(k) PLAN

NOTE A – Description of Plan - continued

5. Payment of Benefits - Subsequent to termination of service, a participant may request to receive payment either in a lump sum amount equal to the value of their vested account balance or to continue in the plan in such a manner as though the participant had not terminated their eligibility, if the participant's account balance is greater than \$5,000. If the participant's account balance is less than \$5,000, the participant will either receive payment in a lump sum amount or the funds will be placed in an Individual Retirement Account for the participant in an amount equal to the value of their vested account balance. In addition to benefit payments made due to termination of service, the Plan also allows for hardship distributions from the portion of the participant's account that includes their voluntary contributions. In-service distributions are permitted from all fully vested participant accounts for all participants who have attained age 59½.

6. Notes Receivable From Participants – The Plan does not allow for participant loans.

7. Forfeiture Accounts - The Plan stipulates that forfeitures may be used to reduce employer contributions or to reduce Plan expenses.

NOTE B – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements have been prepared under the accrual method of accounting in conformity with generally accepted accounting principles in the United States (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Forfeitures

Participants possess a completely vested interest in any contributions they make, and the earnings thereupon, to their personal benefit account, and build a vested interest in their safe harbor and any discretionary employer match and the related earnings through years of service. Employer profit sharing contributions vest 100% after two years of service. Upon withdrawal from the Plan, the participant receives only that portion of the benefit account in which they are vested and forfeit any unvested employer match portion. At December 31, 2021 and 2020 there were no forfeitures held by the Plan.

NOTES TO FINANCIAL STATEMENTS - continued
PHYSICIANS PREMIER MANAGEMENT SERVICES 401(k) PLAN

NOTE B – Summary of Significant Accounting Policies - continued

Investment Valuation and Income Recognition

The Plan offers investments in pooled separate accounts (PSA's). Pooled separate accounts are valued based on the daily Net Asset Value ("NAV") which approximates fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Benefit Payments

Benefits are recorded when paid.

Expenses

The Plan incurs expenses related to general administration and recordkeeping which are paid by each participant through an allocation to each individual's account. Other administrative expenses such as audit, legal and tax return preparation services are paid directly by the Company and are not part of Plan expenses.

NOTE C – Fair Value Measurements

Accounting Standards Codification 820 "Fair Value Measurements and Disclosures" (ASC 820) establishes a framework for measuring fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. As of December 31, 2021 and 2020 all of the Plans investments are measured using NAV as a practical expedient, therefore, leveling in accordance with ASC 820 does not apply.

NOTES TO FINANCIAL STATEMENTS - continued
PHYSICIANS PREMIER MANAGEMENT SERVICES 401(k) PLAN

The following is a description of the valuation methodologies used for investments measured at fair value.

Pooled separate accounts: Valued at net asset value as a practical expedient. The net asset value is based on the fair value of the underlying assets owned by the fund which are listed on national securities exchanges and are valued on the basis of year-end closing prices. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value.

Included in the pooled separate accounts is a stable value fund which represents participation units of a collective investment trust for which the net asset value is based on the market value of the underlying investments. The stable value fund is composed primarily of fully benefit responsive investment contracts that are valued at the net asset value of units of the collective trust.

The underlying securities in other pooled separate accounts are listed on national securities exchanges and valued on the basis of year-end closing prices. The Plan has concluded that the net asset value as adjusted (for mutual fund dividends, mutual fund splits and administrative maintenance charges and other items) and reported by the insurance company approximates fair value of the investments. The investments are redeemable at the adjusted net asset value under agreements with the insurance company.

It is possible that the redemption rights may be restricted or eliminated in the future. Due to the nature of the investments, changes in market conditions, liquidity requirements, and the economic environment may significantly affect the net asset value of the pooled separate accounts and, consequently, the fair value of the Plan's investments.

The preceding methods described may produce a value that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

 PHYSICIANS PREMIER MANAGEMENT SERVICES 401(k) PLAN

NOTE C – Fair Value Measurements and Investments - continued

The following table summarizes investments for which fair value is measured using net asset value per share as a practical expedient as of December 31, 2021 and 2020.

<u>December 31, 2021</u>				
<u>Description</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (a)</u>	<u>Redemption Notice Period</u>

Other pooled separate accounts	2,522,778	n/a	Daily	None
Total	<u>\$ 2,535,938</u>			

(a) Participant transactions (purchases and sales) may occur daily subject to any short-term trading policies of the Plan Sponsor. Additional restrictions may be imposed at the request of the fund company of an underlying fund as outlined in their prospectus.

(b) Participant transactions (purchases and sales) may occur daily. However, participant withdrawals may be subject to a delay of up to 7 or 30 additional calendar days if it is determined, respectively, that such delay is necessary to maintain adequate liquidity for, or to avoid an adverse impact on, the underlying trust or investment vehicle. In addition, the fund's declaration of trust provides that withdrawals for purposes other than normal benefit payments or plan permitted investment option transfers are subject to either a market value adjustment or without a market value adjustment and effected no later than 12 months. These events may include, but are not limited to, the following: mergers, layoffs, plan termination, implementation of early retirement incentive programs, additional investment options are established that constitute a competing fund, or other events within the control of the Plan Sponsor resulting in a material and adverse financial impact on the issuer's obligations under the contract.

NOTE D – Investment Certification

The investments presented as of December 31, 2021 were certified as complete and accurate by John Hancock Life Insurance Company (U.S.A.). John Hancock Life Insurance Company (U.S.A.) also certified to the completeness and accuracy (including gains and losses on investments bought and sold, as well as held during the year) of \$433,864 of net appreciation of investments for the year ended December 31, 2021.

NOTE E – Transactions with Parties-In-Interest

Certain plan investments are units of pooled separate accounts managed by John Hancock Life Insurance Company. John Hancock Life Insurance Company is the trustee as defined by the plan and, therefore, these transactions qualify as party-in-interest transactions.

Certain administrative expenses and all audit and tax return preparation fees of the Plan are paid by the Company. The Plan is not responsible for reimbursing the Company for any fees paid by the Company. Participants may choose to have their contributions (employee and employer) directed to various pooled separate accounts provided by John Hancock Life Insurance Company (U.S.A.), trustee of the Plan.

NOTE F – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE G – Tax Status

The Plan has adopted the John Hancock 401(k) Volume Submitter Plan. John Hancock has received a favorable opinion letter in which the Internal Revenue Service ("IRS") stated that the form of such plan was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that the related trust is therefore tax-exempt. Accordingly, no provision for income taxes has been included in the financial statements.

NOTE G – Tax Status (continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the internal revenue service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

NOTE H – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits and the net increase in net assets available for benefits per the financial statements to Form 5500 as of and for the year ended December 31, 2021 and 2020.

	2021	2020

Plus participant contributions receivable, beginning of year	140	-
As reported in Form 5500	<u>\$ 950,985</u>	<u>\$ 791,286</u>

NOTE I – Plan Termination

Although the Company has not expressed any intent to do so, it has the right under the Plan to terminate the Plan, subject to provisions of ERISA. In the event of plan termination, participants would become 100% vested in their accounts.

NOTE J – Prohibited Transactions

During the year ended December 31, 2021, the Company inadvertently failed to deposit \$1,802 of participant contributions within the required timeframe stated by the Department of Labor. In 2022, the Company remitted lost earnings to plan participants totaling \$29 due to the late remittances. The lost earnings were made from the Company's assets and not from Plan assets. The related excise tax due which would accompany a Form 5330 filing was less than \$10, and as such, management considered it to be de minimus and no further action was taken.

NOTE K – Subsequent Events

The Plan did not have any recognized or non-recognized subsequent events occurring after December 31, 2021. Subsequent events have been evaluated through June 30, 2022, the date the financial statements were available to be issued.
