Independent Auditor's Report

To the Plan Administrator of
Henke Sass Wolf of America, Inc.
401(k) Retirement Plan
Dudley, Massachusetts

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed audits of the accompanying financial statements of Henke Sass Wolf of America, Inc. 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of Henke Sass Wolf of America, Inc. 401(k) Retirement Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from John Hancock Life Insurance Company for the period from January 1, 2021 to March 31, 2021, and Reliance Trust Company as of December 31, 2021, and for the period from April 1, 2021 to December 31, 2021, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all

Opinion (continued)

material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Henke Sass Wolf of America, Inc. 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Henke Sass Wolf of America, Inc. 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (continued)

material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Henke Sass Wolf of America, Inc. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Henke Sass Wolf of America, Inc. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such

2021 Supplemental Schedule Required by ERISA (continued)

information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Henke Sass Wolf of America 401(k) Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 21, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

HENKE SASS WOLF OF AMERICA, INC.
401(k) RETIREMENT PLAN

Notes to Financial Statements
December 31, 2021 and 2020

1. DESCRIPTION OF PLAN

The following brief description of Henke Sass Wolf of America, Inc. 401(k) Retirement Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan sponsored by Henke Sass Wolf of America, Inc. (the “Company”). All eligible employees of the Company, as well as the employees of Thermohausser of America, Inc. (participating employer), who have attained the age of 18 and completed 500 hours of service within any three consecutive months become eligible to participate in the Plan. In order to be eligible for the discretionary employer profit-sharing contribution, a participant must be employed by one of the participating employers on the last day of the plan year. However, a participant is deemed to have met this requirement for the discretionary employer profit-sharing contribution due to death, normal retirement, or disability during the plan year. The participating employer is related to the Company through common ownership (collectively, they are referred to as the “Sponsors”).

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan’s Board of Trustees is responsible for oversight of the Plan. The Plan’s investment committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance, and reports to the Plan’s board of trustees.

Amendments

In March 2020, the World Health Organization recognized the novel strain of Coronavirus, COVID-19, as a pandemic. On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was enacted and signed into law. Plan management approved a resolution to adopt certain provisions of the CARES Act during 2020, including the following:

- Allowing participants to take distributions of up to \$100,000 from the Plan through December 31, 2020,
- Increasing new notes receivable available borrowing of up to \$100,000 through September 22, 2020,
- Providing for the deferment of payments on existing notes receivable due during March 27, 2020 through December 31, 2020, and
- Deferred minimum required distributions.

1. DESCRIPTION OF PLAN (continued)

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the plan document, up to the maximum limits of the Internal Revenue Code (IRC). Participants may designate all or a portion of their deferral contributions as after-tax contributions into a Roth account. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

The Sponsors may make discretionary matching contributions of a percentage to be determined annually based on a percentage of participant deferral contribution. During the years ended December 31, 2021 and 2020, the Sponsors made a discretionary matching contribution to the Plan in the amount of \$135,309 and \$39,688, respectively. In addition, the Sponsors may contribute a profit-sharing amount at the option of the board of trustees of the Sponsors. During the years ended December 31, 2021 and 2020, the Sponsors did not make a discretionary profit-sharing contribution to the Plan. Participants direct the investment of all contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Sponsors' matching contribution, as well as allocations of the Sponsors' profit-sharing contribution and the Plan's earnings. Participants are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Vesting in the Sponsor's contribution portion of their accounts is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 or more years	100%

Participants are immediately vested in their contributions plus actual earnings thereon.

1. DESCRIPTION OF PLAN (continued)

Notes Receivable from Participants

Participants may borrow, from their fund accounts, a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25% to 6.50% at December 31, 2021, which are commensurate with local prevailing rates at inception of the loan as determined quarterly by the plan administrator. Principal and interest is paid ratably through payroll deductions. Terms range from one to five years or greater for the purchase of a primary residence.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant may receive a lump-sum distribution equal to the value of the participant's vested interest in their account. In addition, the Plan allows for hardship distributions if certain criteria are met.

Forfeitures

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$2,589 and \$1,610, respectively. These accounts will be used to reduce future Company contributions or plan expenses. During the years ended December 31, 2021 and 2020, the Plan used \$1,487 and \$0, respectively, to reduce company contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan prepares its financial statements in accordance with generally accepted accounting standards and principles established by the Financial Accounting Standards Board (FASB). References to generally accepted accounting principles (U.S. GAAP in these notes are to the FASB Accounting Standards Codification (ASC).

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit responsive investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan sponsor determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 3 for a discussion of fair value measurements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Administrative Expenses

Certain expenses of maintaining the plan are paid by the Plan, unless otherwise paid by the Sponsors. Expenses that are paid by the Sponsors are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan has evaluated subsequent events through June 7, 2022, which is the date the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under authoritative guidance are described as follows:

<i>Level 1</i>	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
-----------------------	---

3. FAIR VALUE MEASUREMENTS (continued)

Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the assets or liability;
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observables and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020. There were no significant transfers among Levels 1, 2, and 3 during the year ended December 31, 2021 and 2020.

Pooled Separate Accounts: The fair value of accumulation units held by the Plan in variable annuity accounts are based on each account's daily net asset value (NAV), which is considered by management to be the best approximation of fair value. Pooled separate accounts are not exchange traded. These investments reflect a structure similar to mutual funds and have a readily determinable fair value (RDFV) as reported by John Hancock Life Insurance Company each day that current transactions are recorded. Data for NAVs are available daily to plan administrators and client investors via the John Hancock Life Insurance Company website and provide sufficient corroborative evidence to ascertain the relationship between each fund's NAV and the values of individual underlying holdings and, accordingly, these investments are valued using observable inputs (Level 1). There are no unfunded commitments from participants in the Plan who invest in these accounts.

3. FAIR VALUE MEASUREMENTS (continued)

Mutual Funds: valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and measured using Level 1 inputs.

The following tables present, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

<u>Assets at Fair Value as of December 31, 2021</u>				
	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	\$ 4,651,916	\$ 4,651,916	\$ -	\$ -
Total investments at fair value	<u>\$ 4,651,916</u>	<u>\$ 4,651,916</u>	<u>\$ -</u>	<u>\$ -</u>

<u>Assets at Fair Value as of December 31, 2020</u>				
	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Pooled separate accounts	\$ 4,649,618	\$4,649,618	\$ -	\$ -
Total investments at fair value	<u>\$ 4,649,618</u>	<u>\$4,649,618</u>	<u>\$ -</u>	<u>\$ -</u>

For the years ended December 31, 2021 and 2020, there were no transfers between Levels 1 or 2 and no transfers in or out of Level 3.

4. ADMINISTRATION OF PLAN ASSETS

The Plan's assets are administered under a contract with Reliance Trust Company, the trustee of the Plan. The trustee invests funds received from contributions, investment sales, and interest and dividend income and makes distribution payments to participants.

5. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain of the Plan's investments are managed by the trustee and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment manager services are included in net appreciation in the fair value of the investment, as they are paid through revenue sharing rather than a direct payment. Additionally, the Plan issues loans to participants that are secured by the participant's account balances. These transactions qualify as party-in-interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their Sponsor contributions.

7. TAX STATUS

The Plan adopted a Prototype Non-standardized Profit-Sharing Plan with CODA Plan document, which received an opinion letter from the IRS dated October 6, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

9. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2021 and 2020. Accordingly, John Hancock Life Insurance Company and Reliance Trust Company, the trustees of the Plan, have certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020, and the supplemental Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2021, and the related investment activity and interest income on notes receivable from participants reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021.

The Plan's independent certified public accountants did not perform auditing procedures with respect to this information as of December 31, 2021 and 2020, and for the years then ended, except for comparing such information with the related information included in the accompanying financial statements and accompanying supplemental schedule of assets held at end of year.

10. GUARANTEED INVESTMENT CONTRACTS

Because the guaranteed investment contracts are fully benefit-responsive, contract value is the relevant measure attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contracts. Contract value, as reported by John Hancock Life Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal of all or a portion of their investment at contract value. The contract limits the percentage of the investment for periodic elective transfers to variable investments within the Plan during any twelve-month period.

The contracts are guaranteed against loss of principal, minus all withdrawals, including charges and adjustments. The guarantee is based on the ability of John Hancock Life Insurance Company to meet its financial obligations from the general assets of John Hancock Life Insurance Company. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rates are based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting. The contracts cannot be terminated before the scheduled maturity date.

Certain events limit the ability of the Plan to transact at contract value with the issuers. Such events include: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (i.e., divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the Plan to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants. In addition, there is no provision in the contract that provides the issuer ability to terminate the contract with the Plan and settle at an amount different from contract value.
