INDEPENDENT AUDITOR'S REPORT

To Trustee of
Peterson Contractors, Inc.
Profit Sharing Plan

Opinion

I have audited the accompanying statements of Peterson Contractors, Inc Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021, and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to financial statements.

In my opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Peterson Contractors, Inc Profit Sharing Plan, as of December 31, 2021, and 2020, and the changes in its financial status for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

I conducted my audits in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements of my report. I am required to be independent of Peterson Contractors, Inc Profit Sharing Plan and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Peterson Contractors, Inc Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the balance sheet, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the balance sheet.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Peterson Contractors, Inc. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt Peterson Contractors, Inc Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that I identified during the audit.

Supplemental Schedules Required by ERISA

My audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule of Assets (held at end of year) are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements

and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

Informing my opinion on the supplemental schedules, I evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion, the information in the accompanying schedules is fairly stated in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Departments of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

A. Plan Description and Basis of Presentation

Peterson Contractors, Inc. ("Company") established the Peterson Contractors, Inc. Employee Stock Ownership Plan effective as of January 1, 1990. A January 1, 1994 amendment changed the identification name to Peterson Contractors, Inc. Profit Sharing Plan ("Plan"). The following description of the Plan provides general information only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General. The Plan is a defined contribution plan covering all employees of the Company who have completed one year of service and attained age 21, in addition, employees covered by Davis-Bacon Act are immediately eligible. It is subject to the provision of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan was amended and updated May 1, 2020.

In January 2020, Congress passed the Setting Every Community Up for Retirement Enhancement Act of 2020 that contained the largest package of retirement system reform in over a decade. Many of the provisions of the SECURE Act became effective on January 1, 2020, and require significant changes to plan administration and recordkeeping.

The COVID-19 outbreak in the United States caused business disruption through mandated and voluntary closing of businesses in numerous industries. As of March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") that included numerous employee benefit plan provisions to assist plan sponsors and participants.

The Consolidated Appropriations Act of 2021 was signed into law on December 27, 2020, which includes a temporary rule that prevents partial plan terminations for qualified retirement plans in certain circumstances.

2. Participant Contributions. The Plan does not permit nor require employees to make contributions to the Plan. Participants are allowed as of January 1, 2014, to rollover contributions from other plans and certain IRA's.
3. Payment of Benefits. A participant may withdraw all or any portion of their vested account balance upon completion of 6 years of service with the Employer in event of undue hardship or seasonal layoff. Upon termination, if the participant's vested account balance has not exceeded \$5,000 it is disbursed as soon as possible in a single payment. If the participant's account balance exceeds \$5,000, the Plan will disburse the fund to the participant when they make the election. If the participant attains age 70 ½ or age 72, if born after June 30, 1949, while employed, benefits must commence no later than April 1, following the calendar year in which the participant attains age 70 ½ or age 72, if born after June 30, 1949.
4. Vesting. Participants with an account in the Plan on March 31, 1994, are 100% vested in Employer Contributions. Participants are immediately fully vested in the Davis-Bacon Contributions. For those participants earning an account after March 31, 1994, vesting in the discretionary contribution is 20% per year after completing two years of service until becoming 100% vested after six years of service in accordance with the Plan document.
5. Contributions. The Company makes Prevailing Wage Employer Contributions. This is determined by coverage required by the Davis-Bacon Act. The Company can also make an Discretionary Integrated Employer Contribution. This contribution is optional for each Plan year. The Employer may not make a contribution to the trust for any Plan year that would exceed the participant's dollar limitations under Code Section 415.
6. Forfeited Accounts. At December 31, 2021 and 2020, forfeited accounts totaled \$-0-. In 2020, employer contributions were reduced \$11,336 from forfeited nonvested accounts.

7. Participant Accounts. Each participant's account is credited with the Company contributions, Davis-Bacon and discretionary contributions, plan earnings, forfeitures of terminated participant's nonvested accounts and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may not borrow from their accounts.

B. Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

1. Date of Management Review. Subsequent events were evaluated through June 29, 2022, which is the date the financial statements were available to be issued.
2. Basis of Accounting. The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America, except those benefits paid to Plan participants are recorded on a cash basis.
3. Payment of Benefits. Benefits are recorded when paid.
4. Use of Estimates. The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.
5. Investment Valuations and Income Recognition. The Plan's investments are stated at fair value. If available, quoted market prices are used to value investments. The amounts in Note E indicating securities with no quoted market price represent estimated fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The Plan considers all highly liquid short-term investments with maturity of three months or less to be cash and cash equivalents.
6. Expenses. Investment-related expenses are included in net appreciation in fair value of investments. Administrative expenses of the plan are allocated to participant accounts.

C. Tax Status

The Plan obtained its latest determination letter on August 17, 2015, at which time the Internal Revenue Service stated that the Plan, as then designed, complied with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan Administrator believes the plan is no longer subject to income tax examination for the years prior to 2018.

D. Administration of Plan Assets

Officers or employees of the Company perform certain administrative functions for the Plan. No such officer or employee receives compensation from the Plan. Administrative expenses for the Trustee's fees are allocated among the participant's accounts as a percentage based on participant's balance and a portion is absorbed by Company.

E. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits.

Fair Value Measurements at Reporting Date Using:				
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
<u>December 31, 2021</u>				
Mutual Funds	\$ 63,397,105	\$ 63,397,105		
Common/Collective Trust	984,720		\$ 984,720	
	\$ 64,381,825	\$ 63,397,105	\$ 984,720	
<u>December 31, 2020</u>				
Mutual Funds	\$ 54,034,031	\$ 54,034,031		
Common/Collective Trust	1,186,700		\$ 1,186,700	
	\$ 55,220,731	\$ 54,034,031	\$ 1,186,700	

The fair value measurements authoritative literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

Level 2 Fair Value Measurements

The fair value of the Plan's interest in the common/collective trust funds is based on significant observable inputs (including quoted prices for similar securities, interest rates, prepayment speed, credit risk, etc.).

F. Plan Termination

Although it has not expressed intent to do so, the Company reserves the right to terminate the Plan at any time, subject to provisions of ERISA. Upon such termination of the Plan, the interest of each participant in the trust fund will be distributed to such participant or his or her beneficiary at the time prescribed by the Plan terms and the Code. Upon termination of the Plan, the Advisory Committee shall direct the Trustee to pay all liabilities and expenses of the trust fund. In the event of Plan termination, participants will become 100% vested in their

PETERSON CONTRACTORS, INC

accounts.

G. Party-In-Interest

Certain Plan investments are shares of mutual funds managed by Vanguard. Vanguard is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

H. Risks and Uncertainties

The Plan invests in various investments securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments securities, it is at least reasonably possible that changes in the values of investments securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

I. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per financial statements at December 31, 2021 and 2020 to Form 5500:

INDEPENDENT AUDITOR'S REPORT

To Trustee of
Peterson Contractors, Inc.
Profit Sharing Plan

Opinion

I have audited the accompanying statements of Peterson Contractors, Inc Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021, and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to financial statements.

In my opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Peterson Contractors, Inc Profit Sharing Plan, as of December 31, 2021, and 2020, and the changes in its financial status for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

I conducted my audits in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements of my report. I am required to be independent of Peterson Contractors, Inc Profit Sharing Plan and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Peterson Contractors, Inc Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the balance sheet, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the balance sheet.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Peterson Contractors, Inc. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt Peterson Contractors, Inc Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that I identified during the audit.

Supplemental Schedules Required by ERISA

My audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule of Assets (held at end of year) are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements

and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

Informing my opinion on the supplemental schedules, I evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion, the information in the accompanying schedules is fairly stated in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Departments of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The fair value measurements authoritative literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

Level 2 Fair Value Measurements

The fair value of the Plan's interest in the common/collective trust funds is based on significant observable inputs (including quoted prices for similar securities, interest rates, prepayment speed, credit risk, etc.).

F. Plan Termination

Although it has not expressed intent to do so, the Company reserves the right to terminate the Plan at any time, subject to provisions of ERISA. Upon such termination of the Plan, the interest of each participant in the trust fund will be distributed to such participant or his or her beneficiary at the time prescribed by the Plan terms and the Code. Upon termination of the Plan, the Advisory Committee shall direct the Trustee to pay all liabilities and expenses of the trust fund. In the event of Plan termination, participants will become 100% vested in their

accounts.

G. Party-In-Interest

Certain Plan investments are shares of mutual funds managed by Vanguard. Vanguard is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

H. Risks and Uncertainties

The Plan invests in various investments securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments securities, it is at least reasonably possible that changes in the values of investments securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

INDEPENDENT AUDITOR'S REPORT

To Trustee of
Peterson Contractors, Inc.
Profit Sharing Plan

Opinion

I have audited the accompanying statements of Peterson Contractors, Inc Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021, and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to financial statements.

In my opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Peterson Contractors, Inc Profit Sharing Plan, as of December 31, 2021, and 2020, and the changes in its financial status for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

I conducted my audits in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements of my report. I am required to be independent of Peterson Contractors, Inc Profit Sharing Plan and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Peterson Contractors, Inc Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the balance sheet, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the balance sheet.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Peterson Contractors, Inc. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt Peterson Contractors, Inc Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that I identified during the audit.

Supplemental Schedules Required by ERISA

My audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule of Assets (held at end of year) are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements

and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

Informing my opinion on the supplemental schedules, I evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion, the information in the accompanying schedules is fairly stated in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Departments of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PETERSON CONTRACTORS, INC
PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

A. Plan Description and Basis of Presentation

Peterson Contractors, Inc. ("Company") established the Peterson Contractors, Inc. Employee Stock Ownership Plan effective as of January 1, 1990. A January 1, 1994 amendment changed the identification name to Peterson Contractors, Inc. Profit Sharing Plan ("Plan"). The following description of the Plan provides general information only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General. The Plan is a defined contribution plan covering all employees of the Company who have completed one year of service and attained age 21, in addition, employees covered by Davis-Bacon Act are immediately eligible. It is subject to the provision of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan was amended and updated May 1, 2020.

In January 2020, Congress passed the Setting Every Community Up for Retirement Enhancement Act of 2020 that contained the largest package of retirement system reform in over a decade. Many of the provisions of the SECURE Act became effective on January 1, 2020, and require significant changes to plan administration and recordkeeping.

The COVID-19 outbreak in the United States caused business disruption through mandated and voluntary closing of businesses in numerous industries. As of March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") that included numerous employee benefit plan provisions to assist plan sponsors and participants.

The Consolidated Appropriations Act of 2021 was signed into law on December 27, 2020, which includes a temporary rule that prevents partial plan terminations for qualified retirement plans in certain circumstances.

2. Participant Contributions. The Plan does not permit nor require employees to make contributions to the Plan. Participants are allowed as of January 1, 2014, to rollover contributions from other plans and certain IRA's.
3. Payment of Benefits. A participant may withdraw all or any portion of their vested account balance upon completion of 6 years of service with the Employer in event of undue hardship or seasonal layoff. Upon termination, if the participant's vested account balance has not exceeded \$5,000 it is disbursed as soon as possible in a single payment. If the participant's account balance exceeds \$5,000, the Plan will disburse the fund to the participant when they make the election. If the participant attains age 70 ½ or age 72, if born after June 30, 1949, while employed, benefits must commence no later than April 1, following the calendar year in which the participant attains age 70 ½ or age 72, if born after June 30, 1949.
4. Vesting. Participants with an account in the Plan on March 31, 1994, are 100% vested in Employer Contributions. Participants are immediately fully vested in the Davis-Bacon Contributions. For those participants earning an account after March 31, 1994, vesting in the discretionary contribution is 20% per year after completing two years of service until becoming 100% vested after six years of service in accordance with the Plan document.
5. Contributions. The Company makes Prevailing Wage Employer Contributions. This is determined by coverage required by the Davis-Bacon Act. The Company can also make an Discretionary Integrated Employer Contribution. This contribution is optional for each Plan year. The Employer may not make a contribution to the trust for any Plan year that would exceed the participant's dollar limitations under Code Section 415.
6. Forfeited Accounts. At December 31, 2021 and 2020, forfeited accounts totaled \$-0-. In 2020, employer contributions were reduced \$11,336 from forfeited nonvested accounts.

PETERSON CONTRACTORS, INC
PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

A. Plan Description and Basis of Presentation – continued

7. Participant Accounts. Each participant's account is credited with the Company contributions, Davis-Bacon and discretionary contributions, plan earnings, forfeitures of terminated participant's nonvested accounts and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may not borrow from their accounts.

B. Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

1. Date of Management Review. Subsequent events were evaluated through June 29, 2022, which is the date the financial statements were available to be issued.
2. Basis of Accounting. The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America, except those benefits paid to Plan participants are recorded on a cash basis.
3. Payment of Benefits. Benefits are recorded when paid.
4. Use of Estimates. The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.
5. Investment Valuations and Income Recognition. The Plan's investments are stated at fair value. If available, quoted market prices are used to value investments. The amounts in Note E indicating securities with no quoted market price represent estimated fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The Plan considers all highly liquid short-term investments with maturity of three months or less to be cash and cash equivalents.
6. Expenses. Investment-related expenses are included in net appreciation in fair value of investments. Administrative expenses of the plan are allocated to participant accounts.

C. Tax Status

The Plan obtained its latest determination letter on August 17, 2015, at which time the Internal Revenue Service stated that the Plan, as then designed, complied with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan Administrator believes the plan is no longer subject to income tax examination for the years prior to 2018.

D. Administration of Plan Assets

Officers or employees of the Company perform certain administrative functions for the Plan. No such officer or employee receives compensation from the Plan. Administrative expenses for the Trustee's fees are allocated among the participant's accounts as a percentage based on participant's balance and a portion is absorbed by Company.

E. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits.

Fair Value Measurements at Reporting Date Using:				
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
<u>December 31, 2021</u>				
Mutual Funds	\$ 63,397,105	\$ 63,397,105		
Common/Collective Trust	984,720		\$ 984,720	
	\$ 64,381,825	\$ 63,397,105	\$ 984,720

	\$ 55,220,731	\$ 54,034,031	\$ 1,186,700	

The fair value measurements authoritative literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

Level 2 Fair Value Measurements

The fair value of the Plan's interest in the common/collective trust funds is based on significant observable inputs (including quoted prices for similar securities, interest rates, prepayment speed, credit risk, etc.).

F. Plan Termination

Although it has not expressed intent to do so, the Company reserves the right to terminate the Plan at any time, subject to provisions of ERISA. Upon such termination of the Plan, the interest of each participant in the trust fund will be distributed to such participant or his or her beneficiary at the time prescribed by the Plan terms and the Code. Upon termination of the Plan, the Advisory Committee shall direct the Trustee to pay all liabilities and expenses of the trust fund. In the event of Plan termination, participants will become 100% vested in their

accounts.

G. Party-In-Interest

Certain Plan investments are shares of mutual funds managed by Vanguard. Vanguard is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

H. Risks and Uncertainties

The Plan invests in various investments securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments securities, it is at least reasonably possible that changes in the values of investments securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
