INDEPENDENT AUDITOR'S REPORT

To the Audit Committee of
AAA Northway, Inc. Profit Sharing 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of AAA Northway, Inc. Profit Sharing 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of AAA Northway, Inc. Profit Sharing 401(k) Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in the notes to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of AAA Northway, Inc. Profit Sharing 401(k) Plan and to meet our other ethical

responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about AAA Northway, Inc. Profit Sharing 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of AAA Northway, Inc. Profit Sharing 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about AAA Northway, Inc. Profit Sharing 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of AAA Northway, Inc. Profit Sharing 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated June 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

AAA NORTHWAY, INC.
PROFIT SHARING 401(k) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Description of the Plan

The following description of the AAA Northway, Inc. Profit Sharing 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a profit sharing 401(k) plan and covers substantially all of the non-union employees of AAA Northway, Inc. (the Company) who meet certain eligibility criteria. Employees are eligible to participate in the Plan upon attaining age 21, working a minimum of 1,000 hours, and completing one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

The Plan permits employees to contribute to the Plan at their own discretion. In addition, the participant is able to receive an employer discretionary match (\$0.75 on each \$1.00 up to 5% of the employee's salary for 2021 and 2020). At the end of every year, the Board of Directors elects an amount, if any, to remit to the Plan based on annual profit. The profit-sharing allocation is calculated based on each participant's total salary for the year as a percentage of total salaries. For profit sharing contributions and forfeitures, each participant's salary is increased by the amount of their salary which exceeds the integration level of \$25,000.

Participant Accounts

Each participant's account is credited with the participant's voluntary contribution, discretionary employer matching contribution, an allocation of the employer's discretionary profit-sharing contribution, forfeitures and plan earnings. Participants are immediately vested in their voluntary contributions plus net earnings thereon. Each participant chooses the fund or funds in which contributions are to be invested. A participant may change the fund or funds into which their contributions are invested or transfer all, or a portion of, their account balance between funds upon proper notification by initiating the change/transfer on their own using the Glens Falls National Bank and Trust website or by calling the Glens Falls National Bank and Trust voice response unit. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in AAA Northway, Inc.'s contributions portion of participant accounts is based on years of continuous service and is the earlier of the vesting schedule below or plan termination, the occurrence of normal retirement age (65), or death or disability.

<u>Years of Service</u>	<u>Percent Vested</u>
Less than two years	0%
Two years	20%
Three years	40%
Four years	60%
Five years	80%
Six years	100%

Payment of Benefits

Participants receive their benefits in a single lump sum amount if their balance does not exceed \$5,000. If the balance exceeds \$5,000, participants can receive benefits in a single lump-sum payment or a partial withdrawal.

Forfeited Accounts

Any balance in forfeited accounts will be used to reduce the employer matching and profit-sharing contributions or used to pay administrative expenses. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$-. For 2021 and 2020, \$1,368 and \$1,234, respectively, of forfeitures from partially vested accounts were used to reduce employer contributions. Forfeitures are allocated to each participant's account based upon the relation of the participant's eligible compensation to total eligible compensation.

Summary of Significant Accounting Policies

The following is a summary of significant accounting policies, which are in conformity with generally accepted accounting principles and the trust for the Plan:

Estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Participant Loans Receivable

Loans receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans from participants are recorded as distributions based upon the terms of the Plan Document.

Benefits

Benefit payments to participants are recorded when paid.

Plan Expenses

All costs and expenses incurred in connection with the operation of the Plan, other than quarterly statement, loan maintenance and distribution fees, are paid by AAA Northway, Inc. and are not included in the financial statements. The Plan is not responsible for reimbursement to AAA Northway, Inc.

COVID-19 Financial Statement Impacts

The COVID-19 pandemic, whose effects first became known in January 2020, is having a broad and negative impact on commerce and financial markets around the world. The United States and global markets experienced significant declines in value resulting from uncertainty caused by the pandemic. The Plan is closely monitoring its investment portfolio and its liquidity and is actively working to minimize the impact of these declines. The extent of the impact of COVID-19 on the Plan's operational and financial performance will depend on certain developments, including the duration and spread of the outbreak and its impacts on the Plan's participants, all of which at present, cannot be determined. Accordingly, the extent to which COVID-19 may impact the Plan's future net assets is uncertain and the accompanying financial statements include no adjustments relating to the effects of this pandemic.

Adoption of New Accounting Pronouncement

During 2020, the Plan adopted the provisions of FASB ASU No. 2018-13, *Fair Value Measurement (Topic 820): Disclosure Framework-Changes to the Disclosure Requirements for Fair Measurement*, which is effective for fiscal years beginning after December 15, 2019. This standard provides the financial statement users with information about assets and liabilities measured at fair value in the financial statements. No changes to the previously issued audited financial statements were required.

Fair Value Measurement

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables present fair value measurement information for certain financial instruments. The carrying values of receivables and cash equivalents included in the accompanying statements of net assets available for benefits approximated fair value at December 31, 2021 and 2020, and are thus not included in the following table.

Fair Value Measurements at Reporting Date Using:		
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)
December 31, 2021		
Mutual Funds:		
Fixed income	\$ 2,121,117	\$ 2,121,117
Equities	10,090,006	10,090,006
Total	<u>\$ 12,211,123</u>	<u>\$ 12,211,123</u>

Fair Value Measurements at Reporting Date Using:		
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)

Mutual Funds:		
Fixed income	\$ 2,489,541	\$ 2,489,541
Equities	8,320,490	8,320,490
Total	<u>\$ 10,810,031</u>	<u>\$ 10,810,031</u>

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

AAA NORTHWAY, INC.
PROFIT SHARING 401(k) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Fair Value Measurement – Continued

Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When applicable, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end.

Participant Loans Receivable

Under the terms of the Plan agreement, participants may be approved to borrow up to 50% of their account balances. The minimum loan amount is \$1,000 and the maximum loan cannot exceed the lesser of 50% of the account balance or \$50,000. The loans are secured by the participant's account (subject to the terms of the Plan and in accordance with applicable legal requirements). Participant loans are payable over a period, no longer than five years, together with interest at market rates. However, loans made for the purchase of a primary residence may not exceed 30 years. Participant loans were \$132,840 and \$92,686 at December 31, 2021 and 2020, respectively, with stated interest rates of 6.50% to 4.25%.

Plan Termination

Although it has not expressed any intent to do so, AAA Northway, Inc. has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their account balance.

Income Tax Status

The underlying non-standardized prototype plan has received an opinion from the Internal Revenue Service (IRS) dated March 31, 2014, stating that the form of the Plan is qualified under Section 401(a) of the Internal Revenue Code (the Code) and, therefore, the related trust is tax exempt. In accordance with Revenue Procedures 2011-49 and 2011-44 I.R.B 608, the plan administrator has determined that it is eligible to, and has chosen to, rely on the current IRS prototype plan opinion letter. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The prototype plan has been amended to comply with recent legislation. The Plan has not filed for its own determination letter. However, the plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

Parties-in-Interest

The Plan utilizes vendors to provide services to the Plan including, but not limited to its annual audit, participant record keeping, trustee and custodian of assets and insurance coverage. Such service providers are parties-in-interest under ERISA.

For the years ended December 31, 2021 and 2020, there were no prohibited transactions between the Plan and the parties-in-interest.

Plan Amendments

During 2016, there was one amendment to the AAA Northway, Inc. Profit Sharing 401(k) Plan for the addition of two employers into the Plan. Effective as of July 1, 2016, employees of Club Insurance Services and Southern NY Auto Club, Inc. who meet the eligibility criteria of the Plan, can fully participate in the AAA Northway, Inc. Profit Sharing 401(k) Plan.

During 2019, there was an amendment limiting the number of loans a participant may have outstanding at one time to two. In addition, the minimum loan amount will be \$1,000.

During 2020, the Plan implemented the relief provisions of the CARES Act. The provision allowed distributions to the Plan participant without penalty, additional loans and loan payment extensions for qualified individuals. A qualified individual or spouse would have to be affected by COVID-19, either by a diagnosis by an approved test or adverse financial consequences. The formal amendment should be signed on December 31, 2022, as required by law.

Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Reconciliation of Financial Statement Investments to Form 5500

The following is a reconciliation of investments per the financial statements to investments as reported on Form 5500.

	<u>2021</u>	<u>2020</u>
