INDEPENDENT AUDITORS' REPORT

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Steel Grip Group Medical Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of benefit obligations and net assets available for benefits as of September 30, 2021 and 2020, and the related statements of changes in benefit obligations and net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the benefit obligations and net assets available for benefits of Steel Grip Group Medical Plan as of September 30, 2021 and 2020, and the changes in its benefit obligations and net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Steel Grip Group Medical Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Steel Grip Group Medical Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

CLA (CliftonLarsonAllen LLP) is an independent network member of CLA Global. See CLAglobal.com/disclaimer.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Steel Grip, Inc. Group Medical Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Steel Grip, Inc. Group Medical Plan's ability to continue as a going concern for a reasonable period of time.

Board of Trustees
Steel Grip, Inc. Group Medical Plan

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Steel Grip, Inc. Group Medical Plan (the Plan) was established October 1, 1989, for the purpose of providing health benefits for employees, and their dependents, of Steel Grip, Inc. (the Employer). Significant accounting policies followed by the Plan are as follows.

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates in Preparing Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Plan Benefit Obligations

Plan obligations include an estimate of Claims Incurred but Not Reported (IBNR) as of the end of the Plan year. This estimate is based on prior claims experience and a review of claims filed subsequent to year-end. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Expenses

Insurance premiums and certain administrative expenses directly related to Plan administration are initially paid by the Employer and subsequently billed to the Plan. As such, such costs are included in the Plan's financial statements. The Employer also pays directly certain expenses related to the Plan's operations for which it does not bill the Plan, and provides certain accounting and administrative services to the Plan for which it receives no compensation and assesses no charge to the Plan. Such amounts are excluded from the Plan's financial statements.

Payment of Benefits

Claim payments are recorded when paid. Premiums paid by the Employer are recorded as insurance premiums in the accompanying statements of changes in benefit obligations and net assets available for benefits.

Subsequent Events

The Plan has evaluated subsequent events through July 1, 2022, the date the financial statements were available to be issued.

Effective October 1, 2021, the Plan established an Individual Coverage Health Reimbursement Arrangement (ICHRA) to provide reimbursement to participants for various costs associated with obtaining outside health insurance and receiving benefits under such insurance. The Employer contributes a defined amount to each participant's ICHRA account which is then available to reimburse the participant for eligible costs of coverage and benefits.

NOTE 2 DESCRIPTION OF PLAN

The following description of the Steel Grip, Inc. Group Medical Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for more complete detail on the Plan's provisions.

General

The Plan provides health benefits covering substantially all full-time employees, and their dependents, of the Employer. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Benefits

The Plan provides for medical, hospital, surgical, prescription and major medical benefits to full-time participants (employees working at least 30 hours per week with 60 days full-time employment), and to their beneficiaries and covered dependents. The Plan does not cover retirees or their dependents and as such the benefits paid by the Plan and computation of benefit obligations are not impacted by the Medicare Prescription Drug Improvement and Modernization Act. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Contributions

Employer contributions to the Plan are based on actual claims filed, costs associated with the Plan, and all anticipated expenses and liabilities. Contributions are used to pay costs associated with claims administration in addition to all eligible claims. Participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections.

The Employer makes contributions to the Plan as needed to fund claims in excess of participants' contributions on a pay-as-you-go basis. Any deficiency of the Plan's net assets available for benefits over benefit obligations is funded by increasing Employer and employee contributions on a prospective basis.

Stop Loss Coverage

The Employer has entered into a stop-loss insurance arrangement in an effort to limit the Plan's exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

Self-Insured Benefits

All Plan benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements, but paid directly by the Plan. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

NOTE 2 DESCRIPTION OF PLAN (CONTINUED)

Administration

The administrator of the Plan is the Employer, which, through its human resources department, oversees the enrollment of eligible employees and maintains records of Plan participants. Routine administrative functions with respect to the Plan are provided by Allied Benefit Systems Inc., a corporation specializing in consulting for loss-control, risk management, and self-insurance.

NOTE 3 PARTY-IN-INTEREST TRANSACTIONS

Any entity providing service to the Plan is considered a party-in-interest. The following was a transaction with the Plan's parties-in-interest:

The Plan paid Allied Benefits, Inc. amounts totaling $43,819 and $51,053 for the years ended September 30, 2021 and 2020, respectively, for administrative services.

NOTE 4 REINSURANCE

To protect the financial integrity of the Plan, a policy of excess risk assurance has been obtained. The policy provides for both specific excess risk and aggregate excess risk insurance.

Under the specific excess risk coverage, policy benefits paid in excess of $40,000 in each Plan year with respect to any one Plan participant are funded from the general assets of the Plan, but are subject to reimbursement. The Plan has recorded reinsurance reimbursements totaling $712,053 and $88,013 for years ended September 30, 2021 and 2020, respectively, related to specific excess risk coverage. These amounts are recorded as reductions to health claims paid in the accompanying statements of changes in benefit obligations and net assets available for benefits.

Under the aggregate excess risk coverage, if the claims paid for years ended September 30, 2021 and 2020 had exceeded $960,339 and $858,450 respectively, the Plan would have been reimbursed for claims in excess of these amounts.

Any claims submitted under the specific or aggregate excess risk assurance policies are subject to audit by the insurance carrier.

NOTE 5 BENEFIT OBLIGATIONS

The Plan "self-funds" the majority of the benefits provided to participants. As of each September 30, there are self-funded claims that have been incurred on which benefit payments will be made subsequent to that date. The liability for estimated claims incurred but not reported (IBNR) at September 30, 2021 and 2020 was estimated by Plan Management using Plan provisions, the number of eligible participants, and the actual lag patterns of the Plan and is included in estimated claims incurred but not reported in the accompanying statements of benefit obligations and net assets available for benefits.

NOTE 6 INCOME TAX STATUS

The trust established under the Plan to hold the Plan's assets received an exemption letter from the Internal Revenue Service (IRS) dated December 4, 1989, stating that the trust is tax-exempt under the provisions of 501(a) of the Internal Revenue Code (IRC). Therefore, the Employer believes that the trust, as amended, continues to qualify and operate as a tax-exempt organization in accordance with applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 PLAN TERMINATION

Although it has not expressed any intention to do so, the Employer has the right under the Plan to modify the benefits provided to, and contributions required of participants, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits or for on account of the participants. No assets of the Plan may revert to the Employer or be used for purposes other than for the exclusive benefit of the Plan's participants.

NOTE 8 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of September 30:

	2021	2020
Net Assets Available for Benefits per Financial Statements	$ 331,378	$ 149,059
Estimated Claims Incurred but Not Reported, End of Year	(122,821)	(56,488)
Net Assets Available for Benefits per Form 5500	$ 208,557	$ 92,571

NOTE 8 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (CONTINUED)

The following is a reconciliation of the changes in net assets available for benefits per the Plan's financial statements to Form 5500 for the years ended September 30:

	2021	2020
Changes in Net Assets Available for Benefits per Financial Statements	$ 182,319	$ 114,084
Estimated Claims Incurred but Not Reported, Beginning of Year	56,488	36,569
Estimated Claims Incurred but Not Reported, End of Year	(122,821)	(56,488)
Changes in Net Assets Available for Benefits per Form 5500	$ 115,986	$ 94,165

Estimated claims incurred but not reported are not considered liabilities under accounting principles generally accepted in the United States of America and, therefore, are not presented as liabilities in the accompanying financial statements; they are recorded on Form 5500 as a liability.
