Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

INDEPENDENT AUDITORS' REPORT

Audit Committee and Plan Participants
WaterStone Bank SSB 401(k) Plan
Wauwatosa, Wisconsin

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of WaterStone Bank SSB 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of WaterStone Bank SSB 401(k) Plan as of December 31, 2021 and 2020, and the changes in its net assets available for benefits for the year ended December 31, 2021, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of WaterStone Bank SSB 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about WaterStone Bank SSB 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of WaterStone Bank SSB 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about WaterStone Bank SSB 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at year end) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Audit Committee and Plan Participants
WaterStone Bank SSB 401(k) Plan

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

WATERSTONE BANK SSB 401(K) PLAN

Notes to the Financial Statements
December 31, 2021 and 2020

Note 1 - Description of the Plan

The following description of the WaterStone Bank SSB 401(k) Plan provides only general information. Participants should refer to the WaterStone Bank SSB 401(k) Plan summary plan description for a more complete description of the Plan's provisions.

General

The WaterStone Bank SSB 401(k) Plan (the "Plan") is a defined contribution plan covering all full-time and part-time employees of WaterStone Bank SSB (the "Company"), a wholly-owned subsidiary of Waterstone Financial, Inc. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). All employees hired before September 30, 2008 who have completed at least three months of service with the Company and all employees hired on or after September 30, 2008 who are age 18 or older are eligible to participate. Upon enrollment in the Plan, a participant may direct contributions to a variety of investment options.

The investments of the Plan are maintained in a trust (the "Trust") by Principal Trust Company (the "Trustee") and the recordkeeping functions are performed by Principal Financial Services, Inc. (the "Recordkeeper").

Contributions

Participants may contribute up to 90% of pretax annual compensation (salary reduction contributions), as defined in the plan document, not to exceed the annual limit of the lesser of 90% of eligible compensation or \$19,500 in a calendar year. The Plan includes an automatic salary deferral feature for Pre-Tax 401(k) deferral. Participants are automatically enrolled after meeting eligibility requirements at a contribution rate of 5%. Participants may opt out if they choose to do so. Participants can choose to enroll in either a Pre-Tax 401(k) or a Roth 401(k) deferral. The plan document also provides that eligible participants may make catch-up contributions up to the \$6,500 Internal Revenue Service ("IRS") limit. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions). Participant contributions are recorded in the period the Company makes the corresponding payroll deductions.

The Company makes a discretionary contribution at a rate of 20% of eligible participant contributions limited to the first 5% of eligible participant compensation, as defined in the plan document, up to the maximum deferrable amount allowed by the IRS.

Investment Alternatives

Participants in the Plan may elect to invest their account balances in several investment alternatives, in any percentage allocation determined appropriate by the participant. The investment alternatives under the Plan include Waterstone Financial, Inc. common stock as well as any fund, other than municipal and institutional funds, in the Principal Trust Company portfolio. Participants may exchange any portion of their account balances from one fund to another at any time during the year.

Participant Accounts

Each participant's account is credited with the participant's salary reduction contributions, rollover contributions and an allocation of the Company's discretionary contributions and Plan earnings. Allocations are based on the participant's eligible compensation or account balances, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

WATERSTONE BANK SSB 401(K) PLAN

Notes to the Financial Statements
December 31, 2021 and 2020

Note 1 - Description of the Plan (cont.)

Vesting

Participants are immediately vested in their salary reduction contributions.

Effective January 1, 2020, the Company discretionary contributions are allowed and the contributions and earnings thereon vest in accordance with provisions of the Plan as follows:

<u>Vesting Years of Service</u>	<u>Percentage Vested</u>
less than 2	0%
2	20%
3	100%

The participant is fully vested in the company discretionary contributions upon reaching normal retirement age, death, or permanent disability.

Forfeited Accounts

As of December 31, 2021 and 2020, there were balances of \$432 and \$897 for forfeited nonvested accounts, respectively. Of the total forfeited nonvested accounts, \$8,227 were used to reduce Company contributions for the year ended December 31, 2021 and any remaining balance will be used to reduce future company contributions.

Payment of Benefits

Benefits may be paid to the participant or beneficiary upon death, disability, retirement or termination of employment, as defined in the plan document. The total vested portion of a participant's account balance is distributed in the form of a lump-sum payment or a direct rollover distribution. Participants experiencing financial hardship may withdraw a portion of this account balance as defined in the plan document.

Generally, participants are allowed to take an in-service distribution upon reaching the age of 59 ½. A distribution will be made to the participant if the vested account balance is \$1,000 or less regardless of whether the participant consented to receive it.

Termination of Plan

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000. These loans are secured by the balance in the participant's account. The loans bear a reasonable rate of interest as managed by Principal based on the interest rates charged for similar types of loans. Principal and interest is paid ratably through bi-weekly payroll deductions. The interest rates on outstanding loans range from 5.25% to 7.25% as of December 31, 2021 and 2020.

WATERSTONE BANK SSB 401(K) PLAN

Notes to the Financial Statements
December 31, 2021 and 2020

Note 1 - Description of the Plan (cont.)

Administrative Expenses

Plan administrative fees, investment advisor fees, loan and distribution fees and record keeping and audit fees are to be paid from the respective participants' account.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The financial statements of the Plan are prepared on the accrual basis of accounting. The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires the Plan's management to make estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

See Note 3 for discussion of fair value measurements.

Net appreciation and depreciation in fair value of investments included in the accompanying statement of changes in net assets available for benefits includes realized gains or losses from the sale of investments and unrealized appreciation or depreciation in fair value of investments. Net unrealized appreciation or depreciation in the fair value of investments represents the net change in the fair value of the investments held during the period. The net realized gains or losses on the sale of investments represents the difference between the sale proceeds and the fair value of the investment as of the beginning of the period or the cost of the investment if purchased during the year.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Participant loans are classified as notes receivable from participants, which are segregated from plan investments and measured at their unpaid principal balance plus any accrued but unpaid interest.

Payment of Benefits

Benefits are recorded when paid. There were no benefit payments for participants who have elected to withdraw from the Plan but had not been paid as of December 31, 2021 and 2020.

Subsequent Events

The Plan has evaluated subsequent events through June 9, 2022, the date the financial statements were available to be issued and there were no subsequent events, other than disclosed below, requiring adjustments to the financial statements or disclosures.

WATERSTONE BANK SSB 401(K) PLAN

Notes to the Financial Statements
December 31, 2021 and 2020

Note 3 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2021 and 2020.

Waterstone Financial, Inc. Common Stock: Valued at fair value based upon the closing price reported in an active market where such shares are traded.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the plan are deemed to be actively traded.

Collective trust funds: Valued at the NAV of units of a collective trust. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly manner.

WATERSTONE BANK SSB 401(K) PLAN

Notes to the Financial Statements
December 31, 2021 and 2020

Note 3 – Fair Value Measurements (cont.)

The tables below present the balances of assets measured at fair value on a recurring basis by level within the hierarchy.

	December 31, 2021			
	Total	Level 1	Level 2	Level 3
Waterstone Financial, Inc. Common Stock	\$ 1,400,007	\$ 1,400,007	\$ -	\$ -
Collective Trust Funds	255,245	-	255,245	-
Mutual Funds	12,739,183	12,739,183	-	-
Total Investments	<u>\$ 14,394,435</u>	<u>\$ 14,139,190</u>	<u>\$ 255,245</u>	<u>\$ -</u>

	December 31, 2020			
	Total	Level 1	Level 2	Level 3
Waterstone Financial, Inc. Common Stock	\$ 1,301,868	\$ 1,301,868	\$ -	\$ -
Mutual Funds	10,998,765	10,998,765	-	-
Total Investments	<u>\$ 12,300,633</u>	<u>\$ 12,300,633</u>	<u>\$ -</u>	<u>\$ -</u>

There were no transfers of investments between levels during the year ended December 31, 2021.

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 4 – Investments – Guaranteed Investment Contract

In 2013, the Plan entered into a fully benefit-responsive guaranteed investment contract with Principal Life Insurance Company. Principal Life Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Principal Life Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2021 and 2020, was \$153,215 and \$163,824, respectively.

The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than two percent. Such interest rates are reviewed on a quarterly basis for resetting.

Notes to the Financial Statements
December 31, 2021 and 2020

Note 4 – Investments – Guaranteed Investment Contract (cont.)

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Note 5 - Parties-In-Interest

Certain Plan investments are managed by the investment trustee as defined by the Plan and, therefore, these transactions qualify as parties-in-interest. These transactions are not considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.

The investment of the Plan in the Company's common stock is considered a party-in-interest transaction. During the year ended December 31, 2021, the Plan purchased 4,637 shares for a total of \$93,115 and sold 9,767 shares for a total of \$199,583.

Note 6 - Tax Status

The Plan is placing reliance on an opinion letter dated June 30, 2020 received from the IRS on the prototype plan indicating that the Plan is qualified under Section 401 of the IRC and is therefore not subject to tax under current income tax law. The prototype Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
