1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

INDEPENDENT AUDITOR'S REPORT

To the Trustees,
Derr Flooring Company 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Derr Flooring Company 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America; and
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Derr Flooring Company 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Derr Flooring Company 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Derr Flooring Company 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Derr Flooring Company 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Information Required by ERISA

The supplemental schedule, schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA; and
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Derr Flooring Company 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient and appropriate audit evidence to provide a basis for an audit opinion, and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of Derr Flooring Company 401(k) Plan (the "Plan") have been prepared on the accrual basis. Under this method of accounting, contributions and investment income are recorded when earned, benefits are recorded when paid, and expenses are recorded when incurred.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options for the purchase of shares in registered investment companies and common collective trusts. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to the changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and changes in net assets available for benefits.

The 2019 novel coronavirus ("COVID-19") has adversely affected, and may continue to adversely affect, economic activity globally, nationally, and locally. Following the COVID-19 outbreak in March 2020, the values of investment securities have experienced significant volatility. These economic and market conditions and other effects of the COVID-19 outbreak may continue to cause volatility. The extent of the adverse impact of the COVID-19 outbreak on the Plan participants' account balances cannot be predicted at this time.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Shares of registered investment companies are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. The common/collective trust funds invest in investment contracts issued by insurance companies and other financial institutions and in fixed income funds. These investment contracts are valued at the net asset value units of a bank collective trust.

Investment transactions are recorded on a trade-date basis. Gains and losses on the sale of investments are based on the average cost method. The net appreciation (depreciation) in fair value of investments in the accompanying statement of changes in net assets available for benefits includes the Plan's gains and losses on investments bought and sold, as well as held during the year. Dividends and interest are recorded when earned.

Payment of Benefits

Benefits are recorded when paid.

2. PLAN DESCRIPTION

The following brief description of the Plan is provided for information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plan, originally adopted effective December 31, 1966, is a defined contribution plan covering substantially all eligible employees of Derr Flooring Company (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility Requirements

The Plan covers all full-time employees of the Company who have completed six months of service and are age 21 or older. Eligible employees may enter the Plan on the first day of the month once eligible. Employees who have completed one year of service and are age 21 or older are eligible to share in the allocation of employer-matching and profit-sharing contributions.

Contributions

Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may elect to contribute up to 100% of the eligible pretax compensation to the Plan. Federal law, however, does limit pretax contributions to an annual ceiling of \$19,500 for the year ended December 31, 2021. Participants who are at least 50 years old by the end of the year may make an additional catch-up contribution of up to \$6,500 for the year ended December 31, 2021. The Company is permitted to make discretionary matching contributions of 50% of the first 6% of base compensation. Base compensation does not include bonuses. Additional profit-sharing amounts may be contributed at the option of the Company's board of directors and are invested in a portfolio of investments as directed by participants. No profit-sharing contributions were made for 2021 and 2020.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions and (b) Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined.

Vesting

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Personal contributions of the participants and any allocated amounts of interest, dividends, and net capital gains or losses thereon are fully vested. Company contributions, plus any allocated interest, dividends, and net capital gains or losses thereon, vest in accordance with a five-year graded vesting schedule at 25% per year commencing with two years of service.

Payment of Benefits

The Plan permits service withdrawals of a participant's vested portion of his or her account at age 59½ and beyond without incurring a penalty. On termination of service due to death, disability, or retirement, a participant will be entitled to either a lump-sum amount equal to the value of the vested account balance or installments over a period of not more than the participant's assumed life expectancy (or the assumed life expectancies of the participant and his or her beneficiary). For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Derr Flooring Company 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 for up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. These notes receivable are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing primary rates at the time of loan disbursement. At December 31, 2021, the interest rates on the outstanding loans ranged from 4.25% to 6.50%. Principal and interest for the notes receivable are paid ratably through payroll deductions.

Forfeited Accounts

Forfeitures are used to offset the Plan's administrative costs and then to reduce future employer-matching contributions. As of December 31, 2021 and 2020, forfeited nonvested accounts were \$1,210 and \$6,360, respectively. In 2021, \$-0- and \$6,653 were utilized to fund employer contributions and offset Plan expenses, respectively.

Administrative Expenses

The Plan has an agreement with John Hancock Trust Company ("Trustee"), which provides for the payment of fees based on Plan assets in the Plan. In addition, certain fees payable to the Trustee by registered investment companies held in the Plan are refunded by the Trustee to the Plan and held in an administrative account. Funds in this account, together with funds in the forfeitures account, as noted above, are used to pay administrative expenses of the Plan. The administrative account balance for the year ended December 31, 2021 totaled \$-0-. Any Plan expenses in excess of funds in the administrative and forfeiture accounts are paid by either the Company or the Plan.

Life Insurance Proceeds

Upon participant request, the Plan may invest a portion of a participant account in insurance on his or her life. The Trustee then applies for and becomes the owner of any insurance contract purchased under the terms defined in the Plan document. During the year ended December 31, 2021, there were no proceeds received from life insurance contracts.

3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE (UNAUDITED)

No auditing procedures were performed by the independent auditor as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by John Hancock Trust Company, the Trustee, except for comparing such information with information reported in the financial statements and supplementary schedule. Based on information provided and certified by the Trustee, there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectible, as defined by ERISA, as of December 31, 2021 and 2020. The Trustee has certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, the supplemental schedule, schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2021, the interest income on notes receivable from participants, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2021.

4. FAIR VALUE ACCOUNTING

The Financial Accounting Standards Board established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. Such inputs include quoted prices in active markets for identical assets or liabilities.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for periods presented in these financial statements.

Common/Collective Trusts: Common/Collective trust funds are valued at the net asset value ("NAV") of units of a bank collective trust. NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. NAV is based on the fair value of the underlying investments held in its fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan were to initiate a full redemption of the common/collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the Plan in order to ensure that securities liquidations will be carried out in an orderly business manner.

Registered Investment Companies: Shares of registered investment companies are valued at quoted market prices which represent NAV of shares held by the Plan at year-end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

December 31, 2021 and 2020

The following tables represent the Plan's fair value hierarchy for its financial assets measured at fair value on a recurring basis as of December 31, 2021 and 2020:

	2021			Total
	Level 1	Level 2	Level 3	
Registered investment companies	<u>\$ 12,830,450</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 12,830,450

				<u>\$ 23,695,385</u>

	2020			Total
	Level 1	Level 2	Level 3	
Registered investment companies	<u>\$ 12,307,726</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 12,307,726
Investments measured using NAV*				<u>10,283,977</u>
				<u>\$ 22,591,703</u>

*In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits. The following is a summary of the Plan's investments for which fair value is estimated using NAV per share as of December 31, 2021 and 2020.

	Fair Value at December 31,		Unfunded Commitment	Redemption Frequency	Redemption Notice Period
	2021	2020			
Common/collective trusts	\$ 10,864,935	\$ 10,283,977	\$ -	Daily	None

5. RELATED PARTY TRANSACTIONS

The Plan utilizes the services of an investment advisor, Wharton Hill Advisors ("Wharton Hill"). During the year ended December 31, 2021, Wharton Hill's broker dealer, Hub International, acquired Global Retirement Partners LLC which now receives expense payments from the Plan and facilitates payment to Wharton Hill. Transactions with Global Retirement Partners LLC and Wharton Hill qualify as party-in-interest transactions. Administrative expenses include \$30,529 paid to Wharton Hill for the year ended December 31, 2021.

The Plan utilizes the services of the Trustee. Transactions with the Trustee qualify as party-in-interest transactions. Administrative expenses include a provision for amounts due to the Trustee of \$14,215 for the year ended December 31, 2021. In addition, other income (see Note 8) includes fees refunded to the Plan by the Trustee.

Notes receivable from participants are granted and administered by the Trustee, and therefore, these loan transactions qualify as exempt party-in-interest transactions.

6. RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets available for benefits from the statements of net assets available for benefits and the filed Form 5500 as of December 31, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 24,013,789	\$ 22,888,037
Accrued expenses	17,655	16,188
Net assets available for benefits per Form 5500	<u>\$ 24,031,444</u>	<u>\$ 22,904,225</u>

The following is a reconciliation of the net changes in net assets available for benefits from the statement of changes in net assets available for benefits and the filed Form 5500 for the year ended December 31, 2021:

Net changes in net assets available for benefits per the financial statements	\$ 1,125,752
Add: Current-year accrued expenses	17,655
Less: Prior-year accrued expenses	<u>(16,188)</u>
Net change in net assets available for benefits per Form 5500	<u>\$ 1,127,219</u>

7. INCOME TAX STATUS

The Plan uses a prototype plan document sponsored by John Hancock Retirement Plan Services. John Hancock Retirement Plan Services received an opinion letter from the Internal Revenue Service ("IRS"), dated June 30, 2020, which states that the prototype document satisfied the applicable provisions of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the opinion letter regarding the previous trustee's prototype plan; however, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. In addition, there has been no tax-related interest or penalties for the periods presented in these financial statements.

8. OTHER INCOME

Other income consists of certain registered investment companies' fees refunded to the Plan during the year in accordance with the Plan's agreement with the Trustee.

9. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

10. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through July 11, 2022, the date the financial statements were available to be issued. Based on that evaluation, the Plan has determined that no subsequent events have occurred that require adjustment to or disclosure in the financial statements.
