Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of First Community Bank 401(k) and Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of First Community Bank 401(k) and Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities

for the Audit of the Financial Statements section of our report. We are required to be independent of First Community Bank 401(k) and Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about First Community Bank 401(k) and Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of First Community Bank 401(k) and Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about First Community Bank 401(k) and Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i-Schedules of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
First Community Bank 401(k) and Profit Sharing Plan
Batesville, Arkansas

We were engaged to audit the accompanying statement of net assets available for benefits of First Community Bank 401(k) and Profit Sharing Plan as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by John Hancock Life Insurance Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020 that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in

FIRST COMMUNITY BANK 401(k) AND PROFIT SHARING PLAN

Notes to Financial Statements

Note 1 – Description of Plan

The following description of First Community Bank 401(k) and Profit Sharing Plan (plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the plan's provisions. The plan was most recently amended December 30, 2020 to revise employee deferral limits.

- A) *General.* The plan is a defined contribution plan covering all employees of First Community Bank who are age twenty-one or older and who have completed 30 days of continuous service. It is subject to the provisions of the Employee Retirement Income Security Act (ERISA).
- B) *Contributions.* Each year, participants may contribute up to the IRS contribution limits, as defined in the Internal Revenue Code. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The maximum "catch-up contribution" that can be made for 2021 and 2020 was \$6,500 and \$6,500, respectively. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the plan. On behalf of each participant, for each plan year the employer may at its discretion make a contribution to the plan. Additionally, the employer will make a safe harbor non-elective contribution equal to 3% of each eligible participant's compensation whether or not the participant has made any elective deferrals. Contributions are subject to certain limitations.
- C) *Participant Accounts.* Each participant's account is credited with the participant's contribution and allocations of (a) the employer's contribution, and (b) plan earnings, and charged with an allocation of administrative expenses when applicable. Allocations are based on participant's earnings for contributions and forfeitures, and on account earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- D) *Vesting.* Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the employer's safe harbor non-elective contribution portion of their accounts plus any earnings they generate are fully and immediately vested. Vesting in any employer discretionary profit sharing contributions and earnings, thereon, is based on years of continuous service. A participant is 100% vested after six years of service.
- E) *Notes Receivable Participants.* Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1% not to exceed five points over the primary credit rate. Loan principal and interest must be repaid by payroll deductions. Participants may have only three loans outstanding at any time. Loans not used as a down payment on a principal residence are payable in five years. Loans used to purchase a principal residence are payable in 10 years.
- F) *Payment of Benefits.* On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or request a direct transfer to an eligible rollover account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

FIRST COMMUNITY BANK 401(k) AND PROFIT SHARING PLAN

Notes to Financial Statements

Note 1 – Description of Plan (Cont.)

- G) *Administrative Expenses.* Fees paid by the plan for investment management and recordkeeping services amounted to \$231,010 and \$61,059 for the years ended December 31, 2021 and 2020 respectively.
- H) *Forfeited Accounts.* Plan forfeitures must first be used to restore previous forfeitures of rehired participants pursuant to the terms of the plan. Any remaining forfeitures may be used to pay administrative expenses of the plan and trust. After payment of administrative expenses, if any forfeitures remain, they may be used to offset employer profit sharing contributions or employer matching contribution depending upon the nature of the forfeiture. At December 31, 2021 and 2020 forfeited non-vested accounts totaled \$-0- for both years.

Note 2 – Summary of Accounting Policies

Basis of Accounting

The financial statements of the plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. See Note 4 for further discussion of fair value measurements.

The fair values of pooled separate accounts (sub-accounts) under the group annuity contract are computed using closing prices; on nationally recognized stock exchanges or over-the-counter markets. Fair value of shares of the underlying fund equals the number of shares of the respective underlying fund multiplied by the closing net asset value per share quoted by that fund.

In accordance with FASB ASC 962 under Statement of Positions No. 94-4-1, issued by the American Institute of Certified Public Accountants, investment contracts that are not fully benefit responsive are required to be reported at fair value, however, contract value is the relevant measurement attribute for the portion of the net assets available for benefits attributable to fully-benefit responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. As a whole, the group annuity contract is not fully benefit responsive and the plan's investments in sub-accounts is presented at fair value on the statement of net assets available for benefits as of December 31, 2021 and 2020.

FIRST COMMUNITY BANK 401(k) AND PROFIT SHARING PLAN

Notes to Financial Statements

Note 2 – Summary of Accounting Policies (Cont.)

Investment Valuation and Income Recognition (cont.)

The plan allows, as one of the investment options under the group annuity contract, for participants to invest in the John Hancock Stable Value Fund sub-account. The stable value fund sub-account invests into the John Hancock Stable Value Fund Collective Investment Trust (CIT). The underlying CIT itself is considered fully benefit responsive and honors eligible redemptions at \$1.00 per unit. However, certain events limit the ability of the plan to transact at contract value with the issuer with regards to participant directed withdrawals within the sub-account. The sub-account therefore is not considered fully benefit responsive and is therefore reported at fair value in the statement of net assets available for benefits. See Note 4 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investment bought and sold as well as held during the year.

Notes Receivable Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expense and are expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan payments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

Expenses of maintaining the plan can be paid by the plan or by the plan sponsor at its discretion.

New Accounting Pronouncements

In July 2019, the Auditing Standards Board of the American Institute of Certified Public Accountants (AICPA) issued Statement of Auditing Standards 136, Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA. The statement addresses the auditor's responsibility to form an opinion on the financial statements of employee benefit plans (EBPs) subject to the Employee Retirement Income Security Act of 1974 (ERISA), hereinafter referred to as *ERISA plans*. It also addresses the form and content of the auditor's report issued as a result of an audit of ERISA plan financial statements. SAS 136 is effective for fiscal years ending after December 15, 2021, including interim periods within those fiscal years. This standard had no material impact on the financial statements.

Subsequent Events

The plan has evaluated subsequent events through July 1, 2022, the date the financial statements were available to be issued. No events were noted that would require recognition or disclosure in the financial statements.

FIRST COMMUNITY BANK 401(k) AND PROFIT SHARING PLAN

Notes to Financial Statements

Note 3 – Investments

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA and certified that the plan qualifies for a Section 103(a)(3)(c) audit. Accordingly, as permitted under such election, the following investment information was certified by John Hancock Life Insurance Company, the custodian, and was not subjected to any auditing procedures performed by the independent public accountants:

- A) Total investments as shown in the accompanying statements of net assets available for benefits of \$21,450,862 as of December 31, 2021, and \$17,608,550 as of December 31, 2020.
- B) Net investment income as shown in the accompanying statement of changes in net assets available for benefits of \$2,468,680 and interest income on notes receivable of \$58,143 for the year ended December 31, 2021.
- C) All investment-related information in the accompanying supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021.
- D) Participant loans receivable as shown in the accompanying statement of net assets available for benefits of \$1,228,818 and \$1,101,535 as of December 31, 2021 and 2020, respectively.

Participants direct the custodian regarding the investment of amounts held in their accounts.

Note 4 – Fair Value Measurements

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 – Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

FIRST COMMUNITY BANK 401(k) AND PROFIT SHARING PLAN

Notes to Financial Statements

Note 4 – Fair Value Measurements (Cont.)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds held in pooled separate accounts: Valued at the daily closing price as reported by the fund. The fund publishes its daily net asset value (NAV) and transacts at that price. Fair values of mutual funds held by the plan are based on reported net asset values which represents the value at which sub-account can deem its investment.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2021 and 2020:

	Assets at Fair Value as of December 31, 2021

Note 5 – Contract With Insurance Company

The plan entered into a group annuity contract with John Hancock Life Insurance Company effective June 30, 2005. The contract was most recently amended effective December 30, 2020. The contract is an unallocated non-participating group annuity contract under which the insurance company provides individual record keeping services for each participant. The contract does not provide guaranteed plan benefit payments to participants. The John Hancock Group Annuity Contract as a whole is not considered to be fully benefit responsive due to the fact that not all permitted transactions under the contract occur at contract value. According to the group annuity contract provisions, not all disbursements under the contract are made at contract (book) value.

Note 6 – Plan Termination

Although it has not expressed any intent to do so, the plan sponsor has the right under the plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants will become fully vested in their accounts. Any unallocated assets of the plan shall be allocated to participant accounts and distributed in such a manner as the plan sponsor may determine.

Note 7 – Tax Status

The plan sponsor has adopted a volume submitter profit sharing plan offered by Friday, Eldredge & Clark. The plan was restated effective December 30, 2020. The plan has received an opinion letter dated June 30, 2020 stating that the plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the plan has been amended and restated subsequent to the date of the opinion letter, the plan sponsor believes the plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the plan is qualified.

FIRST COMMUNITY BANK 401(k) AND PROFIT SHARING PLAN

Notes to Financial Statements

Note 7 – Tax Status (Cont.)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by applicable taxing authorities. As of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statement. The plan's federal Form 5500 is generally open to examination by the federal taxing authority for a period of three years from the date filed or the return due date including all approved extensions.

Note 8 – Risks and Uncertainties

The plan invests in various investments. Investments are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 9 – Party-In-Interest

Certain plan investments are managed by John Hancock Life Insurance Company. John Hancock is the custodian and recordkeeper as defined by the plan; these transactions qualify as party-in interest transactions. Fees paid by the plan less applicable credits for the custodial and contract administration services amounted to \$4,982 for the year ended December 31, 2021. Additionally, First Community Bank's Trust Department provides trust services to the plan. Amounts disclosed as paid on behalf of the plan by the plan sponsor to First Community Bank Trust Department was \$69,267 for plan year ended December 31, 2021. Plan fees paid to Frost, PLLC, the plans' third-party administrator for plan services amounts to \$9,690. The plan also allows for loans to participants which are secured by the participant's vested balance. Investment management fees and commissions of \$69,817 were paid to LPL Financial Corporation.
