To the Plan Administrator of
Newbury Management Company 401(k) Plan

We have conducted an ERISA Section 103(a)(3)(C) audit of the financial statements of Newbury Management Company 401(k) Plan as of and for the year ended December 31, 2021 and have issued our report thereon dated July 14, 2022. Professional standards require that we advise you of the following information related to our audit.

Our Responsibilities in Relation to the Financial Statement Audit

As communicated in our engagement letter dated May 12, 2022 our responsibility, as described by professional standards, is to conduct our audit in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America (GAAP). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of Newbury Management Company 401(k) Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, and our firm have complied with all relevant ethical requirements regarding independence.

Qualitative Aspects of the Plan's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by Newbury Management Company 401(k) Plan is included in Note B to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2021. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

The most sensitive accounting estimates affecting the financial statements is the fair value determination of certain investments held by the Plan.

Management's estimate of the fair value determination of certain investments is based on the securities held by the Plan. We evaluated the key factors and assumptions used to develop the fair value determination of certain investments and determined that it is reasonable in relation to the basic financial statements taken as a whole.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the Plan's financial statements relate to investment disclosures, the ERISA Section 103(a)(3)(C) audit disclosures, and the nonexempt transaction disclosures.

Significant Unusual Transactions

For purposes of this communication, professional standards require us to communicate to you significant unusual transactions identified during our audit. No significant unusual transactions were identified as a result of our audit procedures.

Identified or Suspected Fraud

We have not identified or obtained information that indicates fraud may have occurred.

Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards also require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. The following material misstatements that we identified as a result of our audit procedures were brought to the attention of, and corrected by, management: adjustment of the due to broker account as funds were already received by the Custodian.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Plan's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

Circumstances that Affect the Form and Content of the Auditor's Report

For purposes of this letter, professional standards require that we communicate any circumstances that affect the form and content of our auditor's report. No circumstances affected the form and content of the auditor's report.

Representations Requested from Management

We have requested certain written representations from management, which are included in the management representation letter dated July 14, 2022.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with the Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, significant events or transactions that occurred during the year, business conditions affecting the Plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Plan's auditors.

Other Matters

The ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, was subjected to the audit procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

This report is intended solely for the information and use of the Plan Administrator and management of Newbury Management Company 401(k) Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Handwritten signature in cursive script, appearing to read "MHCS P.C."

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Newbury Management Company 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Newbury Management Company 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1971 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2021, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Newbury Management Company 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in the Note B to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Newbury Management Company 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Newbury Management Company 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefit due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatements, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatements of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Newbury Management Company 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Newbury Management Company 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA Schedule H, Line 4, - Schedule of Assets Held at End of Year

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), is presented for purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule relates to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 Financial Statements of Newbury Management Company 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 Financial Statements, and (b) the form and content of the information included in the 2020 Financial Statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NEWBURY MANAGEMENT COMPANY 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN

The following description of the Newbury Management Company 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering eligible employees of Newbury Development Company, 3801 Grand Associates, L.P., Newbury Management Company, and Newbury Senior Payroll, L.L.C. (the Company) all of which are businesses under common control. Employees are eligible to participate in the Plan upon the completion of one year of service or at least 1,000 hours and reaching the age of twenty-one. Newly eligible employees may enter the Plan on the first day of the month after they become eligible. Other eligible employees may change their participation in the Plan on the first day of January and July unless they reduce their deferral, which is allowed at any time during their employment. The Plan is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA). The Plan Administrator, Newbury Management Company, is responsible for oversight of the Plan. The Plan's Financial Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions - Each year, participants may contribute a portion of their pre-tax and post-tax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various mutual fund investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at five percent of eligible compensation and their contributions are invested 20 percent in stocks and 80 percent in bonds (Conservative 20/80 portfolio) until changed by the participant. The Company contributes 50 percent of the first 5 percent of base compensation that a participant contributes to the Plan. Effective January 1, 2022, the Company will contribute 50 percent of the first 6 percent of base compensation that a participant contributes to the Plan. Contributions are subject to certain IRS limitations.

Participant Accounts - Each participant's account is credited with the participant's contributions and Company matching contributions, as well as an allocation of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after six years of service.

Payment of Benefits - On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or annual installments. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. There are no unpaid distributions that have been requested as of December 31, 2021 and 2020.

NEWBURY MANAGEMENT COMPANY 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN - Continued

Payment of Benefits - Continued - Pursuant to the CARES Act, the Plan made special in-service, COVID-19-related distributions of up to \$100,000 available between March 27, 2020 and December 31, 2020 to qualifying participants impacted by the COVID-19. Also pursuant to the CARES Act, required minimum distributions were waived for 2020, this included suspending, by default, any pending required minimum distributions between March 27, 2020 and December 31, 2020 and a limited time opportunity to rollover, to an IRA or qualified retirement plans, required minimum distributions processed in 2020 before the suspension could be applied.

Forfeited Accounts - At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$-0-. During 2021 and 2020, employer contributions were reduced by \$6,201 and \$9,993, respectively, from forfeited nonvested accounts.

NOTE B - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Certified Investments - Certain information related to investments disclosed in the accompanying financial statements and ERISA required supplemental schedule, including investments held at December 31, 2021 and 2020, net appreciation in fair value of investments, and dividends for the years ended December 31, 2021 and 2020, was obtained by management and agreed to or derived from information certified as complete and accurate by Alerus Financial, N.A.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Financial Committee determines the Plan's valuation policies utilizing information provided by the investment advisor and custodian. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events - The Plan has evaluated subsequent events through July 14, 2022, the date the financial statements were available to be issued.

NEWBURY MANAGEMENT COMPANY 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE C - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). All investments held by the Plan are valued using unadjusted quoted prices in active markets for identical assets or liabilities in active markets that the Plan has ability to access (Level 1).

Mutual fund investments are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. There have been no changes in the methodologies used at December 31, 2021 and 2020.

The following table sets forth the Plan's investments measured at fair value as of December 31:

	<u>2021</u>	<u>2020</u>
Mutual funds	\$ 4,893,420	\$ 4,142,367
Investments at fair value	<u>\$ 4,893,420</u>	<u>\$ 4,142,367</u>

NOTE D - RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Alerus Financial, N.A., custodian of the Plan, and VW Advisors, investment advisors of the Plan, charge certain administrative, custodial and advisory fees to the Plan. These transactions qualify as party in interest transactions. Fees incurred and paid directly by the Plan for these services were \$50,758 and \$45,041 at December 31, 2021 and 2020, respectively.

NOTE E - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE F - TAX STATUS

The Plan has adopted a non-standardized form of a prototype plan sponsored by Alerus Financial, N.A. in 2019. The Alerus prototype plan has received an opinion letter from the Internal Revenue Service dated March 31, 2014, as to the prototype plan's qualified status under the applicable sections of the Internal Revenue Code. Although the Plan had been amended since receiving the opinion letter, the Plan Administrator and management believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified and that the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits. As of July 13, 2022, total plan assets decreased approximately \$897,000.

NOTE H - AMOUNTS OWED TO FORMER PARTICIPANTS

At December 31, 2021 and 2020, \$649 and \$-0-, respectively, was due to participants who had withdrawn from the Plan.

NOTE I - PLAN AMENDMENTS

On January 1, 2020, the Plan was amended to implement the new hardship distribution provisions as part of the Bipartisan Budget Act of 2018.

On March 27, 2020, the Plan enacted portions of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) as a result of the COVID-19 pandemic. The CARES Act allows retirement plans to provide participants who are impacted by COVID-19 (as defined in the CARES Act) with greater access to their savings. The Plan adopted the waiving of all required minimum distributions for calendar year 2020 for retired and retirement-aged individuals and adopted the special distribution options available to qualified individuals. The Plan will formally amend the plan documents for the CARES Act on or before December 31, 2022.

The Plan has been operationally amended for the Setting Every Community Up for Retirement Enhancement Act (SECURE Act). The formal amendments will be completed by the end of the 2022 Plan year. The SECURE Act allows employees who work at least 500 hours in three consecutive years eligibility status to participate in the Plan; however, employer contributions for such employees are not required. These employees may be eligible to enter in Plan year 2024. In addition, effective January 1, 2021 the SECURE Act increases the required minimum distribution age to 72 and will allow qualified birth and adoption withdrawals.

The Plan was amended, on January 1, 2022, to change to the employer contribution from 50 percent of the first 5 percent base compensation that a participant contributes to the Plan to 50 percent of the first 6 percent base compensation that a participant contributes and to add a trustee to the Plan.
