401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description

The following description of Buckingham Property Management 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering all employees of Buckingham Property Management (the Company) who have at least three months of service and are age twenty one years or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

CARES Act:

On March 27, 2020 the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was signed into law. Beginning in April 2020, as permitted by the CARES Act, the Plan opted in to implement the following provisions:

- Through December 31, 2020, qualified individuals are permitted to take a distribution in an amount up to $100,000 from the Plan. Any such distribution is not subject to the 10% early distribution penalty or the mandatory 20% federal income tax withholding rate. Participants who take a qualified distribution have the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distribution within three years and not be subject to federal income tax as a result.

- Required minimum distributions for calendar year 2020 are waived for retired and retirement-age individuals.

The Plan intends to retroactively include these provisions as an amendment to the Plan and currently has until the last day of the 2022 plan year to do so.

Contributions and Vesting:

The Plan is a safe harbor enhanced matching contribution 401(k) plan. Effective October 1, 2018 the Plan was amended where the safe harbor matching contribution became 100% of the participant's elective deferrals that do not exceed 6% of the participant's compensation.

Participants are immediately vested in their contributions and employer matching and discretionary contributions plus actual earnings thereon.

BUCKINGHAM PROPERTY MANAGEMENT
401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description (Cont.)

Participant Accounts:

The custodians of the plan maintain an account for each participant. Each participant account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses, if any. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits:

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or various options as defined in the Plan. Similar options are available upon termination of employment. For participants who incur termination from employment and who have a vested account balance of less than $5,000, the Plan provides a mandatory cash-out in a single lump-sum payment. The Plan permits a hardship distribution to a participant prior to and after separation from service in accordance with the Plan's hardship policies.

Administrative Expenses:

All Plan investment and trust management fees paid are charged against the Plan's assets. These fees are allocated to the participants' accounts in the same manner as the allocation of income and loss. Expenses related to specific participant transactions are charged to the respective participant's account. The annual audit and tax fees are paid by the Company.

Forfeited Account:

Forfeited non-vested accounts will be reallocated to participants as additional discretionary matching contributions. At September 30, 2021 and 2020 there were no such accounts forfeited.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting:

The financial statements of the Plan are prepared under the accrual basis of accounting.

NOTES TO FINANCIAL STATEMENTS

Note 2. Summary of Significant Accounting Policies (Cont.)

Investment Valuation and Income Recognition:

The Plan's investments are stated at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended September 30, 2021 are reported in net appreciation in fair value of investments.

Benefits:

Benefits are recorded when paid.

Use of Estimates:

The preparation of financial statements is in conformity with accounting principles generally accepted in the United States of America. Those standards require management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

Date of Management's Review of Subsequent Events:

The Plan has evaluated subsequent events through July 15, 2022, the date on which the financial statements were available to be issued.

BUCKINGHAM PROPERTY MANAGEMENT
401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 3. Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 measurements consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1), and Level 3 measurements are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

Level 1 Fair Value Measurements:

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of September 30, 2021 and 2020.

	Total	Fair Value Measurement Using Quoted Prices in Active Markets for Identical Assets (Level 1)
September 30, 2021		
Registered investment companies - mutual funds	$ 6,397,022	$ 6,397,022
Total investments in the fair value hierarchy	6,397,022	$ 6,397,022
Investments measured at net asset value [(a)]	303,230	
Investments at fair value	$ 6,700,252

Registered investment companies - mutual funds	$ 4,731,724	$ 4,731,724
Total investments in the fair value hierarchy	4,731,724	$ 4,731,724
Investments measured at net asset value [(a)]	43,259	
Investments at fair value	$ 4,774,983	

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliations of the fair value hierarchy to the line items presented in the statement of net assets available for benefit.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of September 30, 2021 and 2020. There are no restrictions on participant redemptions for these investments; the redemption notice period is applicable only to the Plan.

401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 4. Summary of Information Certified by Custodians (Unaudited)

The Plan's investments are held and administered by Standard Insurance Company and Charles Schwab Trust Bank, as custodians. The Custodians of the Plan have provided certifications that the following information, which is contained in or used to develop the accompanying financial statements, is complete and accurate:

Investments as of September 30, 2021 and 2020.

Investment income for the year ended September 30, 2021.

Schedule of Assets Held for Investment Purposes as of September 30, 2021.

Note 5. Investment in the Standard Insurance Company Investment Contract

The Plan is in a group annuity contract with Standard Insurance Company ("Standard"). Standard maintains the contributions in a general account ("Stable Asset Fund") at the participant's direction. The Stable Asset Fund account is fully benefit-responsive and is recorded at contract value at September 30, 2021 and 2020. Contract value represents contributions made under the contract, plus interest at the contract rates, less withdrawals or transfers by participants and administrative expenses. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events limit the Plan's ability to transact at contract value with Standard. Such events included the following: (a) amendments to the plan documents (including complete or partial termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that would cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Example of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

NOTES TO FINANCIAL STATEMENTS

Note 5. Investment in the Standard Insurance Company Investment Contract (Cont.)

Standard may terminate the contract with 30 days advance written notice to the contract owner for reasonable cause, which includes the contract owner's failure to abide by state or federal law, failure to render performance necessary to comply with the terms of the contract, failure to maintain assets of at least $25,000, plan disqualification, and failure to adopt the plan in a reasonable period of time. The crediting interest rates were 2.25% and 2.49% for the plan years ending September 30, 2021 and 2020, respectively. The crediting interest rate is fixed based in the quarter the contribution was received, and is reset upon various renewal periods of each quarter or annual group as defined in the contract.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan at any time subject to the provisions set forth in ERISA and the Internal Revenue Code. Upon termination of the Plan, the total net assets of the Plan are to be distributed to the participants in proportion to their account balances.

Note 7. Related Party Transactions

During the September 30, 2021 and 2020 plan years, the custodians of the plan provided participant-level services as defined by the Plan and, therefore, these transactions qualify as party-in-interest. There were no separate fees paid by the Plan for the investment services.

Note 8. Income Tax Status and Plan Amendments

The Plan obtained its latest advisory letter in which the Internal Revenue Service has determined and informed the sponsor of the volume submitter plan by a letter dated March 31, 2014, that the Plan and related trusts are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the advisory letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however; there are currently no audits for any tax periods in progress. Generally, the Plan's tax returns remain open for three to four years for income tax examination.

BUCKINGHAM PROPERTY MANAGEMENT
401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 10. Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for benefits per the accompanying financial statements to the Schedule H of Form 5500:
