To the Plan Administrator/Trustee(s)
Bryant Group, Inc. 401(k) Plan

We have audited the financial statements of Bryant Group, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2021 and we will issue our report thereon dated July 8, 2022. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by John Hancock Life Insurance Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter dated March 28, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

You are responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Bryant Group, Inc. 401(k) Plan are described in Note B to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during 2021. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements and are based on your knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in performing and completing our audit. We were not provided with the reconciliation between the gross wages on the census and payroll reports. We were able to perform additional testing to determine the employee deferrals on these reports did tie out.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. You have corrected all such misstatements.

Reportable Findings

For purposes of this letter, a reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention. We have not identified any reportable findings.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Other Matters

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

With respect to the supplementary information accompanying the financial statement, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with U.S. generally accounting principles, the methods of preparing it has not changed from prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of Bryant Group, Inc. 401(k) Plan Administrator and/or Trustee(s) and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Bryant Group, Inc. 401(k) Plan
Gaithersburg, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Bryant Group, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net asset available for benefits as of December 31, 2021, and the related statement of changes in net assets available or benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Bryant Group, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects,

the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Bryant Group, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bryant Group, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets at the end of the period under audit are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is

derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note F, which was certified by John Hancock Life Insurance Company the trustee of the Plan, except for comparing such information with the related information included in the financial statement. The plan administrator has obtained a certification from the trustee as of December 31, 2020 that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance with DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE A – DESCRIPTION OF PLAN

The following description of the Bryant Group, Inc. 401(k) Plan (the “Plan”) provides only general information. Specific inquiries regarding plan provisions should refer to the plan document language found in the plan’s adoption agreement, basic plan document, and supplemental amendments.

General

The Plan is a defined contribution plan (401(k)), effective October 1, 2009, as amended August 1, 2016, covering all eligible employees of Bryant Group, Inc. (the “Company”) who have been credited with two months of service and who have attained 18 years of age. Employees of the Company who are members of union, nonresident aliens, or leased employees are not eligible for participation. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

In January 2020, Congress passed the Setting Every Community Up for Retirement Enhancement (SECURE) Act of 2020 that contained the largest package of retirement system reform in over a decade. Many of the provisions of the SECURE Act became effective on January 1, 2020 and require significant changes to plan administration and recordkeeping.

The COVID-19 outbreak in the United States caused business disruption through mandated and voluntary closings of businesses in numerous industries. As of March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) that included numerous employee benefit plan provisions to assist plan sponsors and participants.

The Consolidated Appropriation Act of 2021 was signed into Law December 27, 2020 which includes a temporary rule that prevents partial plan termination for qualified retirement plan in certain circumstances.

Contributions

Each year, eligible participants may make salary deferrals up to the maximum amount allowed by the Internal Revenue Service under IRC Section 402(g). The Company may elect to make discretionary matching or profit-sharing contributions to all eligible participants. Matching was not elected for Plan year 2021. Matching was elected for Plan year 2020 and allocated to eligible participants. Participants who have attained age 50 by the last day of the plan year are eligible to make catch-up contributions. Participants may also make rollover contributions representing distributions from other qualified plans.

Participant Accounts

Each participant’s account is credited with (a) the participant’s salary deferral contribution and related employer matching contribution, (b) an allocation of the Company’s discretionary contribution, if any, and (c) plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant eligible compensation or account balances, as defined under the Plan. The participant eligible for a distribution of their account balance under the Plan is entitled to no more than their vested account balance.

**Bryant Group, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020**

NOTE A – DESCRIPTION OF PLAN (Continued)

Vesting

Participants are immediately vested in their salary deferral contributions plus earnings thereon. Vesting in the Company's non-elective profit-sharing contributions and discretionary matching contributions plus earnings thereon is based on a five-year graduated vesting schedule. A participant is fully vested after five years of credited service.

Investment Options

Upon enrollment in the Plan, a participant may direct their entire account balance among any of the pre-selected investment options offered by the Plan.

Distribution of Benefits

The benefit to which a participant is entitled is equal to the value of the participant's vested interest in their account. Benefits may be distributed to participants upon termination of service by reason of retirement, disability, death or other separation from service. Upon reaching 59½ Years of age, participants may elect to receive in-service withdrawals. The Plan also maintains a provision for hardship withdrawals.

Forfeited Accounts

Forfeitures of terminated participants' non-vested accounts are used to reduce employer contributions or administrative fees. Forfeitures totaled \$ -0- and \$506 for the plan year ended December 31, 2021 and 2020, respectively.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The participant can only have one loan outstanding at any time. The participant loans are secured by the vested balance in the participant's account and bear interest rates equal to the prime lending rate plus one percent at the time the loan is applied. Principal and interest payments are made through payroll deductions.

Notes receivable from participants are measured at the participant loans' unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the plan document.

NOTE B – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Reclassifications

Certain items in the prior year financial statements have been reclassified to conform to current year presentation. These reclassifications had no effect on the Statement of Changes in Net Assets Available for Benefits or State of Net Assets of the Plan.

**Bryant Group, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020**

NOTE B – SUMMARY OF ACCOUNTING POLICIES (Continued)

Investment Valuation

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Fair Value of Plan Assets and Liabilities.

Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are not reflected within the financial statements. Fees related to the administration of a Plan service for a participant are assessed directly to that participant's account. Investment related expenses are included in net appreciation/(depreciation) of the fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

NOTE C – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE D – TAX STATUS

The Plan adopted a standardized form of prototype plan sponsored by The Rose Financial Group, LLC. The prototype plan has received an opinion letter from the Internal Revenue Service dated December 1, 2014, as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress. Plan tax filings are subject to examination for three years.

NOTE E – FAIR VALUE OF PLAN ASSETS AND LIABILITIES

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Topic 820 also specifies a fair value hierarchy which requires a plan to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

- Level 1 – Quoted prices in active markets for identical assets or liabilities
- Level 2 – Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3 – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Non-register accounts: Participant loans are valued at their outstanding balances, which approximates fair value.

Pooled separate accounts: Are valued at the net asset value (NAV) based on units of the pooled separate accounts. The NAV is provided by the trustee and is used a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the pooled separate account less its liabilities. This practical expedient is not used when it is determined to be probable that the pooled separate account will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Redemptions are permitted daily with no restrictions or notice periods. There are no unfunded commitments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE F – INFORMATION PREPARED AND CERTIFIED BY JOHN HANCOCK LIFE INSURANCE COMPANY

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by John Hancock Life Insurance Company, the trustee of the Plan, except for comparing such information certified by the trustee to information included in the Plan's financial statements and supplemental schedule of assets (held at the end of year).

The trustee has supplied the plan administrator with a certification as to the completeness and accuracy of certain investment information presented in the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, and the statement of changes in net assets available for benefits for the years ended December 31, 2021 and 2020 and the supplemental schedule of assets held at end of year as of December 31, 2021 and 2020.

NOTE G – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

December 31, 2021 and 2020**

NOTE H – PARTY-IN-INTEREST

Party-in-interest transactions include those with fiduciaries or employees of the Plan, and person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose employees are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association, or relatives of such persons. Accordingly, loans to participants and the management of investments held by the trustee are considered party-in-interest transactions.

The Plan invests in certain funds of John Hancock Life Insurance Company who serves as the plan trustee.

NOTE I – SUBSEQUENT EVENTS

Subsequent events have been evaluated through July 8, 2022, the date these financial statements were issued. As a result of the spread of the COVID-19 coronavirus pandemic, economic uncertainties have arisen which are likely to impact investment income and other plan transactions. It is not possible to reliably estimate the duration and severity of the economic uncertainties, as well as the impact on the Plan.
