INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Dime Community Bank 401(k) Plan:

Opinion on the 2021 Financial Statements

We have audited the accompanying financial statements of the Dime Community Bank 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2021, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2021, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

NawrockiSmith

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Auditor's Report on the 2020 Financial Statements

We performed an audit of the 2020 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, our audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. In our report dated September 17, 2021, we indicated that in our opinion (a) the amounts and disclosures in the 2020 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2020 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DIME COMMUNITY BANK 401(k) PLAN NOTES TO FINANCIAL STATEMENTS

(1) Plan Description:

The following description of the Dime Community Bank 401(k) Plan (the "Plan") is provided for general information purposes only. Participants of the Plan should refer to the Plan document for more detailed and complete information.

General -

BNB Bank established the BNB Bank 401(k) Plan (the "Plan") effective January 1, 1996. On February 1, 2021, BNB Bank merged with Dime Community Bancshares, Inc., with the resulting company operating under the name Dime Community Bancshares, Inc. (the "Company"). The Company serves as Plan Administrator. As a result of the merger, the Plan name was changed from the BNB Bank 401(k) Plan to the Dime Community Bank 401(k) Plan, effective February 1, 2021.

Under previous plan provisions, employees not part of an excluded class were eligible to participate for the purposes of salary deferrals and safe harbor contributions after attainment of age 21 and completion of two months of service. Effective February 1, 2021, employees are eligible to participate if they have completed 60 days of service. Participation in the Plan begins on the entry date as defined in the Plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions -

Participants may contribute pre-tax compensation, as defined in the Plan, subject to Internal Revenue Service ("IRS") limitations. Participants who have attained age fifty before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans and Roth elective deferrals. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 3% of eligible compensation. The automatic deferral percentage is increased each year not to exceed 6%.

As per the Plan document, the Company will make a safe harbor matching contribution equal to 100% of the employee salary deferrals that do not exceed 1% of their compensation plus 50% of the salary deferrals between 1% and 6% of compensation. The Company also may contribute a discretionary profit sharing contribution. No profit sharing contribution was made for the year ended December 31, 2021.

Participants direct the investment of the contributions into various investment options offered by the Plan.

Participant Accounts -

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions as well as Plan earnings. Each participant's account is charged with withdrawals and an allocation of Plan losses and administrative expenses. Allocations are based on participation earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

DIME COMMUNITY BANK 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Vesting -

Participants are immediately vested in their contributions plus actual earnings thereon. Company matching contributions are fully vested after two years of service. Company profit sharing contributions are fully vested after six years of service. Company matching and profit sharing contributions are fully vested upon termination due to normal retirement at age 65, early retirement at age 55, total and permanent disability or death.

Notes Receivable from Participants -

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000, reduced by the highest outstanding loan balance incurred by the participant during the one-year period ending on the day before the date of the new loan, or 50% of their vested account balance. A maximum of three loans may be outstanding at one time. Participants must wait thirty days after a loan is paid off before initiating a new loan. Loan terms may not exceed five years, unless it is for the purchase of a principal residence, in which case the loan term may not exceed 30 years. The loans are secured by the balance in the participant's account. The effective interest rate assumed is the prime rate plus 1% (4.24% to 7.24% at December 31, 2021). Principal and interest is paid through payroll deductions.

Payment of Benefits -

On termination of employment with the Company, participants may receive vested benefits in a single lump sum payment or have the payment paid as a direct rollover to an individual retirement account or to another employer's tax qualified plan. The payment may be made in cash or employer stock. If the value of the vested account balance is \$5,000 or less, the Company can cash the entire vested account balance out of the Plan. Participants are required to begin distributions when the age of 72 is attained. In the case of death of a participant, the beneficiary designated by the participant shall be paid the deceased employee's vested account balance. If the designated beneficiary is the participant's spouse, payment of benefits may be deferred until they reach the age of 72.

In-service withdrawals are permitted upon attainment of age 59 ½. Safe harbor hardship withdrawals are also permitted.

Forfeiture Credits -

The non-vested portion of employer contributions shall be forfeited upon an employee's separation from service. Forfeitures may be used to pay plan expenses or reduce employer contributions. At December 31, 2021 and 2020, the forfeiture account totaled \$7,283 and \$2,088, respectively. For the year ended December 31, 2021, forfeitures of \$50,761 were used to reduce employer contributions.

(2) Summary of Significant Accounting Policies:

Basis of Accounting -

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles.

DIME COMMUNITY BANK 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Use of Estimates -

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect reported amounts and disclosures. Accordingly, actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.

Investment Valuation and Income Recognition -

Investments are reported at fair value. Fair value is defined as the exchange price that would be received for an asset or paid for a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on a measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded when earned. Net appreciation and depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants -

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits -

Benefit payments to participants are recorded when paid.

Plan Expenses -

The Company assumed certain costs of the Plan's administration during the year ended December 31, 2021. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net investment income.

The Company entered into an expense budget account agreement with Transamerica Financial Life Insurance Company, the Trustee of the Plan. The account is credited with a share of investment earnings on eligible Plan assets. The expense budget account may be used to pay administrative expenses of the Plan. Unused amounts may be allocated to participants. Earnings credited to the Plan amounted to \$332,111 for the year ended December 31, 2021. Expenses of \$71,104 were paid from the expense budget account and \$260,000 was reallocated to participants during the year ended December 31, 2021. At December 31, 2021 and 2020 the expense budget account amounted to \$5,000 and \$3,989, respectively.

DIME COMMUNITY BANK 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)

(3) Fair Value Measurements and Investments

Financial Accounting Standards Board (“FASB”) guidelines on fair value measurements establish a fair value hierarchy, which require an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reported entity has the ability to access at the measurement date.
- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 inputs are unobservable inputs for the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2021:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission (“SEC”). These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Employer stock: Valued at the closing price reported on the New York Stock Exchange at December 31, 2021. At December 31, 2021, the Plan held 277,014 shares of employer common stock valued at \$35.16 per share.

Collective trust: Valued on a daily basis at the NAV of units of a collective trust. The NAV, as provided by the issuer, is used as a practical expedient to estimate fair value. The daily value is determined by dividing the fund’s net assets by the number of participating units on the valuation date. The NAV is based on the underlying investments held by the fund less liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Were the Plan to initiate a full redemption of the collective trust, the issuer reserves the right to temporarily delay the withdrawal in order to ensure that securities liquidations will be carried out in an orderly business manner. The underlying investments include investment contracts, cash equivalents, and stable value funds. Participant transactions (purchases and sales) may occur daily.

The following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2020:

Collective trust: Valued at the total unit value determined by the number of units held by the Plan. The unit value is determined by dividing the fund’s net assets by total units outstanding. The underlying investments of the fund are guaranteed investment contracts or similar contracts issued by insurance companies, banks or other financial institutions. These investments are reported at contract value by the issuer.

DIME COMMUNITY BANK 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Insurance company general account: Valued at the sum of all credits to the expense budget account plus any earned interest, less any amounts withdrawn to pay plan related expenses. The expense budget account is a holding account established for the purpose of paying plan expenses and is not an investment option available to participants.

The following table represents the Plan's fair value hierarchy for investments at fair value as of December 31, 2021:

		Assets Measured at Net Asset Value		
	Fair Value	(a)	Level 1	Level 2
Mutual funds	\$ 71,087,457	\$ -	\$ 71,087,457	\$ -

The following table represents the Plan's fair value hierarchy for investments at fair value as of December 31, 2020:

		Assets Measured at Net Asset Value		
	Fair Value	(a)	Level 1	Level 2
Mutual funds	\$ 46,994,911	\$ -	\$ 46,994,911	\$ -
Collective trust	3,441,332	3,441,332	-	-

Total	<u>\$ 50,440,232</u>	<u>\$ 3,441,332</u>	<u>\$ 46,994,911</u>	<u>\$ 3,989</u>

(a) Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient, which is a reasonable estimate of fair value, have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

The following is information regarding the investments that calculate NAV per share or its equivalent:

(4) Company Merger

As a result of the merger (see Note 1), the Company approved an amendment to terminate the the Dime Community Bank KSOP, effective January 31, 2021. Participants in the Dime Community Bank KSOP were provided the option to have their account balance rolled over into any qualified plan, including this Plan, or receive a lump sum distribution. The Plan document was also amended and restated as of February 1, 2021 to allow investment holdings in employer stock. For the year ended December 31, 2021, employer stock totaling \$11,414,841 was rolled over to this Plan. The Plan document was also amended to allow an exception for loan rollovers from participants of the Dime Community Bank KSOP. For the year ended December 31, 2021, loans totaling \$685,584 were rolled over to this Plan.

(5) Company Stock

The Company stock fund was frozen effective March 1, 2021. The Plan does not allow for contributions to purchase additional shares of company stock. In-kind rollovers from the terminated plan are permitted. Participants may transfer funds out of the stock fund or take an in-service withdrawal, however, the stock fund cannot be used for loans. Dividends earned on the shares are paid in cash directly to participants who hold shares.

(6) Related Party Transactions

Certain Plan investments are shares of mutual funds managed by Transamerica Financial Life Insurance Company. Transamerica Financial Life Insurance Company is the Trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$89,471 for the year ended December 31, 2021.

Plan investments include shares of the Company's common stock. No dividends were received by the Plan for the year ended December 31, 2021. Net appreciation of investments includes \$895,537 of unrealized gains from employer stock.

(7) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their total account balances.

(8) Income Tax Status

The Internal Revenue Service ("IRS") has determined and informed the Company by a letter dated June 30, 2020 that the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore, believe the Plan is qualified and tax exempt.

DIME COMMUNITY BANK 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)

U.S. generally accepted accounting principles require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator believes there are no such positions, and therefore, no provision for income tax has been included in the Plan's financial statements. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

(9) Risks and Uncertainties

The Plan invests in a range of investment securities that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Statements of Net Assets Available For Benefits.

(10) Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits from the financial statements to Schedule H of Form 5500:

	December 31,	
	<u>2021</u>	<u>2020</u>
