Profit Sharing Plan for River Valley Bancorporation, Inc. and Related Employers
Wausau, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Profit Sharing Plan for River Valley Bancorporation, Inc. and Related Employers, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Profit Sharing Plan for River Valley Bancorporation, Inc. and Related Employers to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about River Valley Bancorporation, Inc. Profit Sharing Plan and Related Employers' ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Profit Sharing Plan for River Valley Bancorporation, Inc. and Related Employers' internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Profit Sharing Plan for River Valley Bancorporation, Inc. and Related Employers' ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Profit Sharing Plan for River Valley Bancorporation, Inc. and Related Employers. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - Description of Plan

The following description of the Profit Sharing Plan for River Valley Bancorporation, Inc. and Related Employers (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan, as adopted effective August 1, 1986 and restated January 1, 2021, covering all employees of River Valley Bancorporation, Inc., and its subsidiary, IncredibleBank, collectively referred to as the "Company", who are eligible to participate in the Plan after meeting eligibility requirements. Employees who have attained the age of 21 become eligible to participate in the Plan on the first entry date (the first day of the calendar month) following 60 days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and subsequent amendments.

During 2020, the Plan adopted provisions of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) which was enacted on March 27, 2020. The CARES Act waives required minimum distributions for a specified time period, permits additional distributions up to \$100,000 that meet certain criteria, permits an increase in available loan amounts to the lesser of \$100,000 (minus outstanding plan loans of the individual) or the individual's vested account balances, and permits a delay in loan repayments during a set time period for up to one year.

Contributions - Participants may elect to contribute a portion of their compensation to the Plan, not to exceed the amount allowed by the Internal Revenue Service ("IRS"). The Plan provides for both pre-tax and Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover) or transfers from traditional (pre-tax only) Individual Retirement Accounts. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan has automatic enrollment for employees who are not participating in the Plan, except for employees who have affirmatively elected in writing not to participate. The automatic enrollment feature provides that, unless elected otherwise by the employee, 6% of the employee's eligible compensation will be contributed to the Plan and their contributions are invested in a designated fund until changed by the participant.

The Company may contribute a discretionary matching contribution equal to 50% of the first 6% of salary reduction contributions for each participant. Additionally, the Company may make discretionary profit-sharing contributions. Participants who worked 1,000 hours and are employed on the last day of the Plan year will share in the discretionary profit-sharing contributions based on relative compensation. Discretionary profit-sharing contributions for the years ended December 31, 2021 and 2020 were \$0.

The Plan also allows for "special contributions" including Qualified Nonelective Employer Contributions (QNECs) and Qualified Matching Contributions (QMACs).

NOTE 1 - Description of Plan - Continued

Participant Accounts - Each participant's account is credited with the participant's contribution, the Company's discretionary matching contribution, if any, and an allocation of (a) the Company's profit sharing contribution, if any, and (b) Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting - Participants are immediately vested in their voluntary, rollover contributions, and special contributions plus actual earnings thereon. Vesting in the Company's matching and profit sharing contributions is based on years of continuous service. A participant is fully vested in these contributions after five years of service. Participants automatically become 100% vested in their entire account balance if they reach normal retirement age, die, or become disabled while they are employed by the Company.

Notes Receivable from Participants - Participants may take out loans against their accounts. The minimum loan amount is \$1,000 and the total loan outstanding cannot exceed the lesser of 50% of the participant's vested account balance or \$50,000 (unless following the CARES Act as noted above). Participants may have two loans outstanding at any given time. Loan terms range from one to five years. Loans for the purchase of a primary residence may exceed the five-year term; but may not exceed 10 years. The loans are secured by the balance in the participant's account and bear an interest rate equal to the prime rate plus 1%. Interest rates range from 4.25 percent to 6.50 percent. Principal and interest are paid ratably through payroll deductions.

Payments of Benefits - Aside from the CARES Act provisions, benefit payments may commence upon the termination of employment, death, disability, or attainment of normal retirement age. A participant may elect to receive either a lump-sum amount, equal to the value of the participant's vested interest in their account, or partial payments provided the request is for at least \$1,000. Participant account balances that do not exceed \$1,000 will be paid out in the form of a lump sum upon termination. Participant account balances that exceed \$1,000 but do not exceed \$5,000 will be rolled over into an individual retirement account. In addition, hardship distributions out of the participant's voluntary contributions are permitted if certain criteria are met.

Forfeited Accounts - Nonvested portions of participants' accounts will be forfeited upon termination of employment. Upon rehire, a participant's account balance may be reinstated under certain circumstances. Dollars forfeited due to terminations of employment will be used to pay administrative expenses of the Plan or used to reduce future employer discretionary matching contributions. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$48,862 and \$13,076, respectively. During the years ended December 31, 2021 and 2020, administrative expenses or discretionary matching contributions were reduced by \$19,583 and \$36,140 from forfeited nonvested accounts, respectively.

Administrative Expenses - All administrative expenses may be paid out of the Plan unless paid by the Company, at its discretion. During 2021 and 2020, expenses were paid by both the Plan and the Company.

NOTE 2 - Summary of Significant Accounting Policies

A summary of the significant accounting policies applied in the preparation of the accompanying financial statements and supplemental schedule is as follows:

Basis of Accounting and Presentation - The financial statements of the Plan are prepared using the accrual method of accounting and are presented in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) as codified by the Financial Accounting Standards Board.

Notes Receivable From Participants - Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Investment Valuation and Income Recognition - The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits - Benefits are recorded when paid.

Subsequent Events - The Plan has evaluated subsequent events through July 14, 2022, the date which the financial statements were available to be issued.

NOTE 3 - Concentrations

The Plan's investments that represented 10 percent or more of the Plan's net assets available for benefits as of December 31, 2021 and 2020 are as follows:

	DECEMBER 31,	
	2021	2020
Fidelity 500 Index Fund	\$ 3,054,143	\$ *
T Rowe Price LC Core Growth Fund	4,635,322	4,050,310

* Investment is less than 10 percent of Plan's net assets available for benefits

NOTE 4 - Fair Value Measurements

The Plan has determined the fair value of certain assets in accordance with the provisions of U.S. GAAP, which provides a framework for measuring fair value under generally accepted accounting principles.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under U.S. GAAP are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
----------------	---

Level 2	Inputs to the valuation methodology include: • quoted prices for similar assets or liabilities in markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
----------------	---

Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.
----------------	---

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 4 - Fair Value Measurements - Continued

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

- Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

	DECEMBER 31, 2021	QUOTED PRICES IN ACTIVE MARKETS FOR IDENTICAL ASSETS (LEVEL 1)	SIGNIFICANT OTHER OBSERVABLE INPUTS (LEVEL 2)	SIGNIFICANT UNOBSERVABLE INPUTS (LEVEL 3)

NOTE 5 - Information Certified by the Plan Trustee

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation (depreciation) in fair value of investments, interest, and dividends for the years ended December 31, 2021 and 2020, was obtained or derived from the information furnished to the Plan administrator and certified as complete and accurate by WoodTrust Bank, N.A, the trustee of the Plan.

NOTE 6 - Tax Status

The IRS has determined and informed the Plan sponsor by a letter dated April 2, 2018, that the Plan and related trust are designed and in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

NOTE 7 - Transactions with Parties-in-Interest

Fees for legal and professional services rendered to the Plan may be paid for by the Company at its discretion. The Plan allows participants to take out loans against their account balances and those activities are deemed to be party-in-interest transactions. These transactions are not, however, considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.

NOTE 8 - Amounts Owed to Participants Withdrawing from the Plan

Amounts owed to participants who had elected to withdraw from the Plan, but had not been paid as of December 31, 2021 and 2020, were \$0 and \$5,200, respectively.

NOTE 9 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would be 100 percent vested in their accounts.

NOTE 11 - Participating Employers

Effective December 11, 2020, the Plan Sponsor removed IB Insurance Agency, Inc. as a participating employer in the Plan. Participants from IB Insurance Agency, Inc. were terminated as of the effective date.

NOTE 12 - Subsequent Event

On March 1, 2022 the Plan added Fidelity Investments Institutional Operations Company, Inc. as its custodian and record-keeper. The Plan's assets were transferred from WoodTrust Bank to Fidelity Investments Institutional Operations Company, Inc. on this date.
