INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Administrator
403(b) Thrift Plan for Employees of
Northwest New Jersey Community Action Program, Inc.
Phillipsburg, New Jersey

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of 403(b) Thrift Plan for Employees of Northwest New Jersey Community Action Program, Inc. ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to, or derived from, the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP"); and
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due, to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to, or derived from, the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to, or derived from, the certified investment information, including their form and content, are presented in conformity with the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to, or is derived from, the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA.
- The information in the supplemental schedule related to assets held by, and certified to, by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 31, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 1 - DESCRIPTION OF PLAN:

403(b) Thrift Plan for Employees of Northwest New Jersey Community Action Program, Inc. ("Plan") is administered by Northwest New Jersey Community Action Program, Inc. ("Sponsor," "Administrator" or "Organization"). The following brief description of the Plan is provided for general information purposes only. More complete information is provided in the Summary Plan Description and Plan Document, which are available from the Sponsor.

General:

The Plan is a voluntary, participant-directed, defined contribution plan that became effective October 1, 1996, for the benefit of all eligible employees of the Organization. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility:

Employees who have attained age 21, excluding nonresident aliens and certain independent contractors, are eligible to receive employer contributions upon completing two years and 1,000 hours of service. Employees can enter the Plan on the first day of the pay period after meeting eligibility requirements. Effective May 1, 2019, eligible employees will be automatically enrolled into the Plan effective the first pay period beginning on or after the latest of May 1, 2019, or the entry date that the employee begins participation in the Plan at a deferral rate of 3%, unless the employee elects to opt out of the Plan. Effective July 1, 2021, the Plan was amended to add an automatic contribution arrangement where employee contributions of participants who are auto enrolled will automatically increase by 1% each year up to 10% of compensation, beginning on January 1, 2022.

Employee Contributions:

Each Plan year, participants may elect to make voluntary salary reduction contributions up to 100% of eligible compensation to their tax-deferred account or after-tax account subject to certain statutory Internal Revenue Service ("IRS") limitations. Participants who are age 50 or older at the end of the calendar year may make an additional pretax or after-tax contribution subject to IRS limitations. The participant may elect to roll over contributions that were received from another qualified plan. Participants may change their deferral rate at any time, and the change will take effect on the first day of the following pay period.

NORTHWEST NEW JERSEY COMMUNITY ACTION PROGRAM, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 1 - DESCRIPTION OF PLAN: (Continued)

Employer Contributions:

The Organization makes contributions based on longevity of service, equal to a percentage of the participant's eligible compensation for the Plan year. Employer contributions are made to all eligible employees, regardless of whether the employee is making contributions. Employer contributions are equal to the percentage determined under the following table:

Longevity of Service	Percentage of Compensation
At least 2 years, but less than 5 years	2.57%
At least 5 years, but less than 10 years	3.00%
At least 10 years, but less than 15 years	4.00%
At least 15 years, but less than 20 years	5.00%
At least 20 years, but less than 25 years	6.00%
25 years or more	7.71%

Participant Accounts:

Each participant's account is credited with the participant's salary reduction contributions, employer contributions, and an allocation of Plan earnings or losses and administrative expenses incurred by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Investment Options:

Upon enrollment in the Plan, a participant may direct their contributions in 38 investment options with Mutual of America Life Insurance Company, the Custodian of the Plan. A separate account is maintained for each participant, and interest and dividends earned by each fund are reinvested in that fund. Investments are participant directed. Participants may change their investment options daily using a telephone or web network.

Vesting:

Participants are immediately 100% vested in their account balance. Accordingly, there are no account forfeitures.

Notes Receivable from Participants:

Loans are not permitted under the Plan.

NOTE 1 - DESCRIPTION OF PLAN: (Continued)

Benefit Payments:

A participant may receive distributions from their vested interest upon termination, attainment of age 59½ ("normal retirement age"), reaching the normal retirement age while still employed, or the participant's death. Participants may elect to receive their distributions in a lump-sum cash payment or installment payments. If a participant is terminated prior to retirement, they may roll over their account balance into another qualified retirement plan or request a lump-sum distribution from the Plan. Upon death, benefit payments will be paid to the surviving spouse or other designated beneficiary. The participant's vested interest in their balance from employee and employer contributions are always fully vested. Participants may leave all or part of their vested account balance in the Plan and may defer the receipt of the benefit payment. The Plan Document contains special rules for cash-out balances under a certain limit to be directly rolled over to an individual retirement account ("IRA") chosen by the Plan Administrator. If a participant's vested account balance is \$1,000 or less, a single lump-sum payment will be made at termination of employment. As defined by the Plan and the Internal Revenue Code, minimum distributions are required to be made starting April 1 of the calendar year following the year in which a participant reaches 72 years of age, unless still employed. If a participant reaches age 72 and remains actively employed, that participant may postpone payments until April 1 of the calendar year following the year in which the participant terminates their employment.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting:

The financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition:

The Plan's investments are stated at fair value. Quoted market prices are used to value investments, if readily available. Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded as earned on the accrual basis.

Payment of Benefits:

Benefits are recorded when paid.

Plan Expenses:

Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investments.

NORTHWEST NEW JERSEY COMMUNITY ACTION PROGRAM, INC.**
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Subsequent Events:

The Organization has evaluated its subsequent events and transactions occurring after December 31, 2021 through July 12, 2022, the date that the financial statements were available to be issued.

NOTE 3 - INFORMATION CERTIFIED BY THE CUSTODIAN:

Certain information related to investments from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest, and dividends for the years ended December 31, 2021 and 2020, was obtained by management and agreed to, or derived from, information certified as complete and accurate by Mutual of America Life Insurance Company, the Custodian of the Plan.

NOTE 4 - FAIR VALUE MEASUREMENTS:

Fair value measurements establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**403(b) THRIFT PLAN FOR EMPLOYEES OF
NORTHWEST NEW JERSEY COMMUNITY ACTION PROGRAM, INC.**
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 4 - FAIR VALUE MEASUREMENTS: (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021.

Pooled Separate Accounts: Valued at the net asset value ("NAV") of units of a pooled separate account or collective trust. The NAV, as provided by the Custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily (Other input).

Unallocated Contracts: The Plan invests in unallocated contracts. The contract provides a guarantee for participant-initiated transactions of both principal and interest. The objective is to seek to protect principal and offer fixed returns that exceed returns of money market funds over a full market cycle. The investments are recorded at fair value. Funds are withdrawn from the investment contract by the respective insurance companies to pay for Plan benefits and to make participant-directed transfers to other funds pursuant to the terms of the Plan.

Fair value for fixed-rate contracts is calculated by projecting the future cash flows for the contract at the contractual crediting rate, and then discounting it by a rate that approximates the current market rates for a contract of equal credit quality and duration. The fair value in the contract approximates contract value. All contracts reset crediting interest rates at least quarterly during the term of the contract. Interest rates are reset quarterly based upon prevailing market rates of interest as determined by the insurance companies. The crediting interest rate is 1% during the years ended December 31, 2021 and 2020.

There may be a termination charge to either the Plan Sponsor and/or the participants of the Plan if the unallocated contract is terminated (Level 2 input).

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 - TAX STATUS:

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code ("IRC"). The Plan Sponsor obtained an opinion letter from the IRS dated July 7, 2010, in which the IRS stated that the volume submitter Plan Document was in compliance with applicable requirements of the IRC. There have been no amendments since receiving this letter and, therefore no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2021 and 2020, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan has recognized no interest or penalties related to uncertain tax positions for the years ended December 31, 2021 and 2020. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 6 - PLAN TERMINATION:

Although it has not expressed any intent to do so, the Organization has the right under the Plan to terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan, participants are entitled to their full account balance as of the termination date. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Plan Document describes.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS:

The Plan's investments include investments managed by Mutual of America Life Insurance Company, the Custodian, as defined by the Plan and, therefore, those transactions are considered party-in-interest transactions.

NOTE 8 - CONCENTRATIONS OF RISK:

Approximately 41% and 42% of net assets available for benefits were held in 3 investments at December 31, 2021 and 2020, respectively.

NOTE 9 - RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. To the extent that a participant directs that their contributions be invested through the self-directed brokerage account option, the participant solely determines the extent to which such amounts will be diversified, if at all.

During 2022, the Plan's investments have depreciated in value by approximately 1% due to current market conditions.
