INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Community Options, Inc. Savings and Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Community Options, Inc. Savings and Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Community Options, Inc. Savings and Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Community Options, Inc. Savings and Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Options, Inc. Savings and Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Community Options, Inc. Savings and Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Options, Inc. Savings and Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, line 4(i) - Schedule of Assets (Held at End of Year) and Schedule H, line 4(a) - Schedule of Delinquent Contributions as of and for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 29, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion, and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

COMMUNITY OPTIONS, INC. SAVINGS AND RETIREMENT PLAN

Notes to Financial Statements

December 31, 2021 and 2020

NOTE 1 – DESCRIPTION OF PLAN

The following description of Community Options, Inc. Savings and Retirement Plan (Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a 401(k) defined contribution plan covering all employees of the Company, except for certain ineligible classes of employees (as defined under the Plan), who have completed one year of eligible service, including 1,000 hours, and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Directors is responsible for oversight of the Plan.

Plan administrators determine the appropriateness of the Plan's offerings, monitor investment performance and report to the Plan's Board of Directors.

Contributions

Each year participants may contribute between 1% and 80% of pre-tax annual compensation, as defined in the Plan and as limited to the maximum contribution limits under Internal Revenue Code (IRC) regulations.

Plan participants may also make salary deferral contributions to the Plan on an after-tax "Roth" basis. Participants may contribute any combination of pre-tax elective deferrals and Roth elective deferrals from 1% to 80% (in whole percentages) of their eligible earnings, subject to contribution limits under the Internal Revenue Code. Participants may also make Roth rollover contributions to the Plan from other eligible retirement plans in which they have participated.

Participants may also contribute amounts representing distributions from certain other eligible retirement plans as defined in the Plan.

The plan trustee has elected to make contributions under safe-harbor provisions of the Internal Revenue Code to all eligible participants for the 2021 Plan year. These contributions match the participants' own deferral contributions up to 4% of their compensation.

The Company may also elect to make non-elective contributions for any Plan year for the benefit of all plan participants. These contributions are totally discretionary and are determined by the Board on an annual basis.

Participant accounts

Participants direct the investment of all contributions into various investment options consisting of various mutual funds offered by the Plan. Each participant's account is credited with their own salary deferral contributions, their rollover contributions from other plans and the Company's matching and non-elective contributions as well as investment earnings (losses) within the participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their salary deferral contributions, rollover contributions and any employer contributions to their accounts that were made to satisfy non-discrimination requirements of the IRC, which include the Plan's safe-harbor contributions, plus actual earnings on the foregoing balances. Vesting in the Company's discretionary contributions and net earnings thereon is based on years of continuous service. A participant is 100% vested in the Company's discretionary contributions after six years of credited service.

COMMUNITY OPTIONS, INC. SAVINGS AND RETIREMENT PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Participant loans

Participants may receive loans of up to 50% of their vested account balances. Amounts may be borrowed between \$500 and \$50,000, utilizing the participant's remaining account balance as security for the loan.

Loans must be repaid under time periods as specified by the Plan. Participants who do not repay their loans under certain circumstances, as defined in the Plan, will be deemed to have received a distribution for federal income taxes under the Plan.

Interest on loans is recognized over the term of each respective participant's loan based on the prime rate as published in the Wall Street Journal on the 14th day of the month of the loan plus two percentage points (subject to the loan closing on the 16th day of the month).

See Note 7 for Coronavirus related loans allowed and loan repayment provisions under the Plan's amendment under the CARES Act for Coronavirus impacted participants.

Hardship withdrawals

In the event of financial hardship, as defined under the Plan and under current Internal Revenue Service regulations, participants are permitted to receive hardship withdrawals of their own elective deferrals (excluding earnings thereon). Participants may not make any elective deferrals for six months after receiving a hardship withdrawal.

See Note 7 for changes to hardship withdrawals, which were implemented during the prior fiscal year as a result of the Bipartisan Budget Act of 2018.

Payment of benefits

Participants may receive the vested portion of their accounts after termination of employment. A designated beneficiary will be paid the vested interest in a deceased participant's account.

In-service withdrawals, other than hardship withdrawals are permitted under the Plan for participants who attain age 59½.

See Note 7 for Coronavirus related distributions allowed under the Plan's amendment under the CARES Act for Coronavirus impacted participants.

Forfeited accounts

No forfeited non-vested account balances were used to pay Plan expenses or reduce employer contributions during 2021. There was no forfeited non-vested account balance as of December 31, 2021 and 2020.

Investment options

Participants direct the investment of all contributions within their own accounts into various investment options consisting of various mutual funds offered by the Plan. The following investment options are available for the investment of the participants' rollover, elective, and employer matching and discretionary contributions: equity funds, foreign equity funds, fixed income funds, target date funds and money market funds.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

COMMUNITY OPTIONS, INC. SAVINGS AND RETIREMENT PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

Mutual funds are reported at fair value as reported by Mid Atlantic Trust Company. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's plan administrators determine the Plan's valuation policies utilizing information provided by investment advisers and the custodian. See Note 9 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefits are recorded when paid.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. In the event a participant terminates employment while any loan is outstanding, the unpaid balance and any interest due thereon shall become due and payable within thirty days of such termination of employment.

Expenses

Administrative costs of the Plan include third party administrator, record keeping by the investment custodian and the Plan audit fees. A portion of these fees are paid by the plan sponsor with the remainder paid by the Plan. In addition, the participants of the Plan are charged a processing fee by the third party administrator for the processing of distributions to the participants. These fees are deducted from the participants' self-directed accounts. The third party administrator also receives fees directly from the investment funds offered by the Plan as investment options to Plan participants.

Certain investment advisory fees are paid by the Plan.

Recently issued pronouncements

In July 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2018-09, *Codification Improvements*. ASU 2018-09 notes a plan should evaluate whether a readily determinable fair value exists. The guidance is effective for fiscal years beginning after December 15, 2019. The adoption of this ASU had no effect on the Plan for the years ended December 31, 2021 and 2020.

In August 2018, the FASB issued ASU 2018-13, *Fair Value Measurement (Topic 820), Disclosure Framework - Changes to the Disclosure Requirements for Fair Value Measurement*. ASU 2018-13 was issued as part of a disclosure framework project to improve the effectiveness of disclosure requirements from Topic 820. ASU 2018-13 is effective for all entities for fiscal years beginning after December 15, 2019. The adoption of this ASU had no effect on the Plan for the years ended December 31, 2021 and 2020.

Recently issued pronouncements, continued

In July 2019, the American Institute of Certified Public Accountants (AICPA) issued Statement on Auditing Standards (SAS) No. 136, *Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA*. This auditing standard is effective for periods ending on or after December 15, 2021. These standards were implemented for the Plan year ended December 31, 2021.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by Mid Atlantic Trust Company, the trustee of the Plan.

	<u>2021</u>	<u>2020</u>
Investments, at fair value as of December 31:		
Equity funds	\$4,333,708	\$3,564,663
Foreign equity funds	1,319,699	1,250,992
Fixed income funds	207,379	231,539
Target date funds	245,570	349,731
Money market funds	<u>694,547</u>	<u>694,307</u>
	<u>\$6,800,903</u>	<u>\$6,091,232</u>

The net investment income of the Plan for the year ended December 31, 2021 is as follows:

	<u>2021</u>
Net appreciation in fair value of investments	\$422,092
Dividend income	491,738
Interest income on participant loans	<u>4,275</u>
	<u>\$918,105</u>

At the request of the Plan trustee, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements.

NOTE 4 – RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Mid Atlantic Trust Company holds the Plan assets and provides record keeping services for the Plan. The Retirement Plan Company provides contracted services to the Plan for third party administration, census, compliance testing and annual report preparation for the Plan.

LPL Financial, a financial advisor, provides investment management and consultation services to the Plan.

All of these related party transactions and party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their total account balances.

NOTE 6 – TAX STATUS

Effective October 1, 2014, the plan sponsor had changed the Plan's third party administrator to The Retirement Plan Company (TRPC) and its investment custodian to Mid Atlantic Trust Company and adopted The Retirement Plan Company Defined Contribution Volume Submitter Plan and Trust as a restatement of the Plan. The Volume Submitter Plan sponsor has obtained from the IRS, an advisory letter, dated March 31, 2014, specifying that the form of the Plan's adoption agreement and the basic Plan document satisfy Code Section 401 as of the date of the advisory letter, however, the Volume Submitter Plan sponsor has advised that adopting employers may rely on the advisory letter in certain circumstances as specified in IRS Rev. Proc. 2011-49. The Volume Submitter Plan has not been amended since receiving their advisory letter. Management and the plan administrator believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC based on the advice of the Plan's third party administrator and plan technical advisor, The Retirement Plan Company.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 – PLAN AMENDMENTS

As discussed above, effective October 1, 2014, the plan sponsor has adopted the Defined Contribution Volume Submitter Plan of its third party administrator, The Retirement Plan Company. The adoption of this plan included an amendment and restatement to bring the Plan into compliance with the Pension Protection Act of 2006 (PPA) and other legislative and regulatory changes.

Effective January 1, 2019, the Plan elected to operate under an interim good faith amendment encompassing new regulations enacted by the Tax Cuts and Jobs Act of 2017 and the Bipartisan Budget Act of 2018, which will require a formal amendment. This amendment permits participants to receive hardship distributions based on all sources of funds within their accounts, including participant and employer contributions and earnings on each. The amendment also removes the requirements that participants first obtain a plan loan before obtaining a hardship distribution and that participants not be allowed to make salary deferral contributions to their Plan for six months after receiving a hardship distribution.

The Plan's administrators have adopted the provisions pertaining to Coronavirus related distributions and loans which were enacted into law under the Coronavirus Aid, Relief, and Economic Security Act, (CARES Act) in response to the outbreak of the novel Coronavirus pandemic. These Plan changes are permitted as operational relief items for impacted Plan participants, as defined by the Act, which will require a formal amendment on or before June 30, 2022. The changes to the Plan under the CARES Act include the following:

Coronavirus related distributions

- Impacted individuals may receive up to \$100,000 of distributions through December 31, 2021 with no 10% penalty tax for early withdrawal imposed.
- The above participants' withdrawal(s) will be included in their taxable income over a three year period.
- Repayment of the withdrawal amount(s) will be permitted if repayment occurs within three years of the distribution.

Coronavirus related loans

- Impacted participants may borrow up to the lesser of \$100,000 or 100% of their vested account balance.
- Loan payments which were due through December 31, 2021 were allowed to be delayed for one year. Loans will be subsequently adjusted for the accrued interest and revised loan term.

Required minimum distributions

- Rules for required minimum distributions were waived for the calendar year 2020.

Plan amendments, continued

The Plan has been formally amended for the changes for the Bipartisan Budget Act of 2018 and the CARES Act as described above. See subsequent event footnote (Note 10).

NOTE 8 – RISKS AND UNCERTAINTIES

Coronavirus pandemic

The outbreak of the novel Coronavirus has impacted global commercial activity and contributed to significant volatility in financial markets. The Plan is invested in registered investment companies (mutual funds) through its investment custodian and trustee, Mid Atlantic Trust Company (as described in Note 9). Depending on the severity and length of the outbreak, the novel Coronavirus could present material uncertainty and risk with respect to the Plan, the market, its performance and its financial results.

Investments

The Plan invests in various investment securities. Investment securities are exposed to various risks such as investment, market and credit risks. Due to the level of risk associated with certain securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' accounts and the amounts reported in the statements of net assets available for benefits.

Concentrations of credit risk

The Plan's financial instruments that are exposed to concentrations of credit risk are investments and the Plan's notes receivable from participants. The Plan holds its investments with registered investment companies (mutual funds) through its investment custodian and trustee, Mid Atlantic Trust Company. The Plan has not experienced any losses, other than those losses through investment activity, and management believes its investments and its notes receivable from the participants are not subject to significant credit risk.

Investments within the Plan are exposed to various risks, such as market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that changes could materially affect the amounts reported in the financial statements. See Note 3.

NOTE 9 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access;
- Level 2 Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

COMMUNITY OPTIONS, INC. SAVINGS AND RETIREMENT PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Fair value measurements, continued

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 or 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Target date funds, fixed income funds, foreign equity funds, equity funds and money market funds are contained in the mutual funds.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2021 and 2020.

NOTE 10 – SUBSEQUENT EVENTS

Effective January 1, 2022 Community Options, Inc. Savings and Retirement Plan formally amended the Plan to adopt the Bipartisan Budget Act of 2018 provisions, which were effective January 1, 2019 and the CARES Act provisions, which were effective December 1, 2020.

Since December 31, 2021, the general markets have decreased more than 10%. Because the values of the Plan's investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, and related impact on the Plan's liquidity cannot be determined at this time.
