Plan Administrator
Frank Miller Lumber Co., Inc.
Employees' Retirement Plan
Union City, Indiana

Scope and Nature of the ERISA 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Frank Miller Lumber Co., Inc. Employees' Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Frank Miller Lumber Co., Inc. Employees' Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT 2021 (CONTINUED)

Basis for Disclaimer of Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Frank Miller Lumber Co., Inc. Employees' Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibility of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Frank Miller Lumber Co., Inc. Employees' Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT 2021 (CONTINUED)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Frank Miller Lumber Co., Inc. Employees' Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Frank Miller Lumber Co., Inc. Employees' Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITOR'S REPORT 2021 (CONTINUED)

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FRANK MILLER LUMBER CO., INC. EMPLOYEES' RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Frank Miller Lumber Co., Inc. Employees' Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan established by Frank Miller Lumber Co., Inc. (the "Sponsor" or the "Company"). All employees who have attained the age of 18 years and have six months of service are eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Administrative Committee is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions: The Plan provides for employee salary deferrals from 1% to 100% of their compensation up to statutory limits. Participants may also contribute amounts representing distributions from other qualified retirement plans. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Company offers a safe-harbor match of 100% of the first 3% of employee salary deferrals and 50% of salary deferrals above 3% up to 5%. The Sponsor made matching contributions of \$241,957 for the year ended December 31, 2021. The Plan also provides for discretionary profit-sharing contributions to be determined annually by the Board of Directors of Frank Miller Lumber Co., Inc. No profit-sharing contributions were made for the year ended December 31, 2021.

Participant Accounts: Each participant's account is credited with the participant's contributions and an allocation of (a) the Company's contributions, (b) Plan earnings, and (c) forfeitures. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options: Each participant may direct their contributions into any investment options available under the Plan, in one percent increments. Participants may change their investment options at any time.

Vesting: Participant contributions and the Company's safe harbor contributions plus actual earnings thereon are 100% vested at all times and are non-forfeitable. Participants are fully vested in the Company's other contributions after five years of service.

Benefits: On termination of service due to death, permanent disability, retirement, or other reasons, participants or designated beneficiaries will receive their vested balance either in a lump-sum payment or in a form agreeable to the Plan administrator. Participants may elect to remain in the Plan following termination if the vested portion of their account is greater than \$5,000.

Hardship Withdrawals: The Plan allows withdrawals for purchasing of a primary personal residence, post-secondary education, non-covered medical expenses, and for the prevention of eviction or foreclosure from a principal residence. Withdrawals are limited to the extent vested.

FRANK MILLER LUMBER CO., INC. EMPLOYEES' RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Benefits Allocable to Withdrawn Participants: At December 31, 2021 and 2020, there were no amounts due to participants who have withdrawn from the Plan and requested benefit payment prior to year-end.

Forfeitures: Forfeitures are to be used to pay Plan expenses or are to be allocated to participants who are employed on the last day of the Plan year. No forfeitures were used during the year ended December 31, 2021, and there were \$205 and \$200 of unallocated forfeitures at December 31, 2021 and 2020.

Plan Amendment: Effective December 14, 2021, the Plan amended provisions for contribution sources available for hardship distributions. All vested amounts including qualified non-elective contributions (QNECs) and qualified matching contributions (QMACs) are now available for this type of withdrawal.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared using the accrual method of accounting.

Financial Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties: The Plan invests in various investment securities. The underlying investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is defined as the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date. The Plan's administrative committee determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

(Continued)

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Expenses: Certain expenses for the administration of the Plan are paid by the Sponsor and are not reflected in these financial statements. Fees for distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Payment of Benefits: Benefits are recorded when paid.

Concentration of Credit Risk: Financial instruments that potentially subject the Plan to concentrations of credit risk are part of the holdings on the Plan's investments. Management believes that the custodians maintain the Plan's investments with high credit quality institutions and attempt to limit the credit exposure to any particular investment.

NOTE 3 – INVESTMENTS (UNAUDITED INFORMATION)

At December 31, 2021 and 2020, Reliance Trust Company ("Reliance"), Standard Insurance Company ("Standard"), and Transamerica Life Insurance Company ("Transamerica"), the custodians of the Plan, held the Plan's investments. Substantially all information pertaining to investments included in the financial statements have been certified by the custodians as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the ERISA. This information has not been audited by independent accountants.

The investment income reported in the statement of changes in net assets available for benefits for the year ended December 31, 2021 was also certified by the custodians.

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (level 1) and gives the lowest priority to unobservable inputs (level 3). The three levels of input within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data. If the asset or liability has a specified (contractual) term, the level 2 must be observable for substantially the full term of the asset or liability.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the methodology that market participants would use in pricing an asset or liability.

FRANK MILLER LUMBER CO., INC. EMPLOYEES' RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments apply to investments held directly by the Plan.

Mutual funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (level 1 inputs). The mutual funds held by the Plan are deemed to be actively traded.

Assets measured at fair value on a recurring basis are summarized below:

	Fair Value Measurements At December 31, 2021 Using			
	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	\$ 13,889,211	\$ 13,889,211	\$ -	\$ -
Investments at fair value	<u>\$ 13,889,211</u>	<u>\$ 13,889,211</u>	<u>\$ -</u>	<u>\$ -</u>
	Fair Value Measurements At December 31, 2020 Using			
	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	\$ 12,994,457	\$ 12,994,457	\$ -	\$ -
Investments at fair value	<u>\$ 12,994,457</u>	<u>\$ 12,994,457</u>	<u>\$ -</u>	<u>\$ -</u>

(Continued)

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan holds traditional, fully benefit-responsive guaranteed investment contracts with Standard Insurance Company ("Standard"). This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals and administrative expenses. The contract value of the investment contract at December 31, 2021 and 2020 was \$870,857 and \$741,508.

With traditional investment contracts, the Plan owns only the contract itself. Traditional investment contracts are designed to accrue interest based on crediting rates established by the contract issuers.

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to pay interest on deposits at a specified rate that is guaranteed to the Plan. The crediting rate is known as the "SAF Interest Rate" and is expressed as an annual rate that is determined and declared quarterly and may not be less than the stated minimum guaranteed interest rate of 1 percent per annum in all years. The contract can be terminated at any time when written notice is delivered to the issuer.

The Plan's ability to receive amounts due in accordance with the fully benefit-responsive investment contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), or (2) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary, or retirement incentive programs) that cause a significant withdrawal from the Plan.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events permit the issuer to terminate the agreement at any time after sending written notice. Such events include (1) Standard believes the Plan is not abiding by state and federal law, (2) the Plan has not rendered the performance necessary to comply with the terms of this contract, (3) balances in the Plan's fund falls below \$25,000, (4) the IRS disqualifies the Plan, or (5) the Plan has not been adopted within a reasonable period of time.

NOTE 6 – PARTIES IN INTEREST

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer, and certain others. At December 31, 2021, the Plan held investments in mutual funds with Reliance Trust Company, a custodian of the plan, which qualifies as a party in-interest transaction. The Plan also held funds in unallocated accounts with Transamerica Life Insurance Company, a custodian of the Plan, which also qualifies as a party-in-interest transaction. In addition, the Plan holds a guaranteed investment contracts with Standard Insurance Company, a custodian of the Plan, which qualifies as a party-in-interest transaction. The Plan made direct payments to Transamerica Retirement Solutions and Everhart Advisors of \$34,524 and \$31,790, respectively, for record keeping and investment advisory. The Company pays directly other fees related to the Plan's operations.

Members of the administrative committee are currently participants in the Plan and an officer of the Company serves as the administrator of the Plan.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 8 – TAX STATUS

The Company adopted Transamerica Retirement Solutions Volume Submitter Profit Sharing Plan with CODA which received a favorable opinion letter from the Internal Revenue Service (IRS) on June 30, 2020, which stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the opinion letter; however, the Plan sponsor believes the Plan, as currently designed, is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 9 – CARES ACT AND CORONAVIRUS RELATED PLAN PROVISIONS

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus ("COVID-19") and the risks to the international community as the virus spreads globally. On March 11, 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

NOTE 9 – CARES ACT AND CORONAVIRUS RELATED PLAN PROVISIONS (Continued)

On March 27, 2020, the “Coronavirus Aid, Relief, and Economic Security (CARES) Act” was signed into law including relief provisions surrounding the administration of employee retirement plans. Under the CARES Act, eligible plan participants are afforded to take a distribution up to \$100,000 if having experienced an adverse situation as result of the Coronavirus (COVID-19). The Coronavirus related distribution provisions were in effect for the period from April 20, 2020 through December 30, 2020. One distribution was taken from the Plan pursuant to the CARES Act for \$4,363. In addition, effective April 20, 2020 through September 22, 2020, the Plan adopted the temporary loan provisions of the CARES Act. The provision adopted by the Plan allows qualified Plan participants to take loans up to the lesser of \$100,000 or 100% of their vested account balance. No loans pursuant to the CARES Act were taken during this period.

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. Due to the rapid development and the fluidity of this situation, the Plan cannot determine the ultimate impact that the COVID-19 pandemic will have on the Plan.

NOTE 10 – SUBSEQUENT EVENTS

Subsequent events have been evaluated through July 19, 2022, which is the date the financial statements were available to be issued.
