INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of
Amerex Corporation 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Amerex Corporation 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Amerex Corporation 401(k) Savings Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Amerex Corporation 401(k) Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Amerex Corporation 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Amerex Corporation 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Amerex Corporation 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) for the year ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Amerex Corporation 401(k) Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 27, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

AMEREX CORPORATION 401(k) SAVINGS PLAN

Notes to Financial Statements December 31, 2021 and 2020

1. Description of Plan

The following brief description of the Amerex Corporation 401(k) Savings Plan (the “Plan”) is provided for general information only. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan covers all eligible employees of Amerex Corporation (the “Employer”). The administrators have selected Fidelity Management Trust Company (the “Trustee”) to be the Plan’s investment trustee (Note 4).

In January 2020, Congress passed the Setting Every Community Up for Retirement Enhancement Act (“SECURE Act”) of 2020 that contained the largest package of retirement system reform in over a decade. Many of the provisions of the SECURE Act became effective on January 1, 2020 and may require significant changes to plan administration and recordkeeping.

The COVID-19 outbreak in the United States caused business disruption through mandated and voluntary closings of businesses in numerous industries. As of March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) that included numerous employee benefit plan provisions to assist plan sponsors and participants.

The Consolidated Appropriations Act of 2021 was signed into law on December 27, 2020 which includes a temporary rule that prevents partial plan terminations for qualified retirement plans in certain circumstances.

Eligibility

Effective July 15, 2020, an employee is eligible to participate in the Plan the first day of the month following the completion of 60 days of service with no minimum hours of service requirement. Prior to July 15, 2020, an employee was eligible to participate in the Plan following the completion of one year of service (defined as twelve consecutive months during which an employee has at least 1,000 hours of service) with entry dates being the first of each month.

Contributions

Contributions to the Plan may consist of employee elective contributions, employer matching contributions, and rollover contributions. The Plan allows for employee contributions from 1% to 60% of a participant's eligible compensation (as defined in the Plan document and subject to annual limitations established by the Internal Revenue Service). In 2021, the Employer contributed a match amount equal to 100% of the first 3% of the active participant's eligible compensation contributed and 50% of the next 2% of the active participant's eligible compensation contributed, which amounted to \$1,022,253.

Vesting

Participant contributions, rollover contributions, and employer matching contributions become fully vested upon receipt; therefore, there are no forfeited nonvested accounts.

Investments

Participants direct the investment of their contributions as well as Employer matching and discretionary contributions into various investment options offered by the Plan. The Plan offers a common/collective trust and a selection of mutual funds.

Participant Accounts

An account is maintained for each participant in the Plan. The accounts are credited with the participants' contributions, rollovers, and their allocated portion of the employer contributions and investment earnings. Distributions, withdrawals, and allocated expenses are subtracted from the account balances. Participants' vested account balances represent the benefits available to the participants upon retirement, disability, death, or termination of the Plan.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum amount generally equal to the lesser of \$50,000 or 50% of their vested account balance. The note receivable is treated as a transfer between the participant's fund balance and the loan fund. The note receivable must be repaid, through payroll deductions, within five years unless the note is for a primary residence, in which case the note is for a reasonable term as defined by the Plan. The interest rate charged on the notes is Prime Rate as of the date of the note plus 2%. Interest rates at December 31, 2021 ranged from 4.25% to 8.25%.

Plan Termination

It is the intention of the Employer to continue the Plan indefinitely. The Employer retains the right to amend or terminate the Plan at any time. No amendment may permit any plan assets to revert to the Employer or be used for any purpose other than to provide benefits to participants and their beneficiaries, reduce a participant's accrued benefit, or eliminate an optional form of benefit payment. Upon termination of the Plan, all participant accounts will become fully vested.

2. Summary of Significant Accounting Policies

The following is a summary of accounting policies utilized in the financial statements which were prepared in accordance with accounting principles generally accepted in the United States of America.

Basis of Financial Statements

The financial statements of the Plan are maintained on the accrual basis of accounting.

Contributions

Contributions from employees are recorded in the period in which the Employer makes the deductions from the participant's payroll. Matching contributions from the Employer are recorded in the same period. Discretionary contributions from the Employer are accrued as plan contributions in the period in which they are approved by the Board. Rollover contributions are recorded as plan contributions during the period in which funds are received by the Plan.

Investment Valuation and Income Recognition

Investments are presented at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The reported value of the common/collective trust fund is at the Net Asset Value ("NAV"), which is calculated by the fund based on net assets, which includes fully benefit responsive contracts at contract value. This NAV represents the Plan's fair value since this is the amount at which the Plan transacts with the fund. Shares of mutual funds are valued at the net asset value of shares held by the Plan based on quoted prices at year end. Shares of employer securities are valued based on quoted prices at year end. Purchases and sales of securities are reflected as of the trade date. Dividend income is recorded on the ex-dividend date. Interest income is recorded when earned.

In all cases, valuations are based on the judgment of management after consideration of the above and other factors, including, but not limited to, original cost, operating results, and financial condition of the portfolio investments. The valuations do not necessarily represent amounts which might ultimately be realized from the disposition of the investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Defaulted notes are treated as distributions based on the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Realized and Unrealized Gains and Losses

The Plan presents in the statement of changes in net assets available for benefits the net appreciation or depreciation in the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments. Realized gains or losses on investments represent the difference between the original cost and the related market price of the investments at the time of disposition. Prior to disposition, differences between the original cost and the estimated fair value of the investments at the end of a period represent unrealized appreciation or depreciation. The Plan's investments (including investments bought and sold, as well as held during the year) appreciated in value by \$2,575,335 during the year ended December 31, 2021.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. In addition, certain investment advisory related expenses are included in administrative expenses. Certain investment related expenses are netted in the fair value of investments.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures of contingent assets and liabilities at the dates of the financial statements, and the reported amounts of additions and deductions during the reporting periods. Actual results could differ from these estimates.

Risks and Uncertainties

The Plan provides for various investment options including mutual funds and other investment securities. Generally, all investments are exposed to various risks, such as interest rate, credit, and overall market volatility. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Recently Issued Accounting Standards

In July 2019, the AICPA Auditing Standards Board ("ASB") issued Statement on Auditing Standards ("SAS") No. 136, *Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA* ("EBP SAS"). The SAS prescribes certain new performance requirements for an audit of financial statements of employee benefit plans subject to the Employee Retirement Income Security Act of 1974 ("ERISA") and changes the form and content of the related auditors report.

The SAS expands the audit requirements in all phases of an audit, including:

- engagement acceptance and obtaining additional management representations,
- performing risk assessment procedures related to the plan instrument, plan tax status and prohibited transactions, and responding to identified risks,
- communicating additional matters (reportable findings) with those charged with plan governance,
- performing certain additional procedures unique to auditing ERISA plans, and
- issuing a new form of the auditor's report.

“Limited-Scope Audits” are now referred to as “ERISA section 103(a)(3)(C) audits.” There are significant changes to the audit report when management elects to instruct the auditor not to perform any additional procedures with respect to investment information certified by a qualified institution pursuant to ERISA Section 103(a)(3)(C). These audits will no longer be considered as having a scope limitation, and the auditor will follow new performance and reporting requirements.

Accordingly, the auditor will no longer issue a disclaimer of opinion, but instead will issue an auditor's report in accordance with the EBP SAS that contains a two-pronged opinion that is based on the audit and on the procedures performed relating to the certified investment information. It provides an opinion on whether the amounts and disclosures in the financial statements not covered by the certification are presented fairly, in all material respects, in accordance with the applicable financial reporting framework, and an opinion on whether the certified investment information in the financial statements agrees to or is derived from, in all material respects, the certification.

The EBP SAS was originally effective for audits of financial statements for periods ending on or after December 15, 2020, and early application was not permitted. The EBP SAS was recently amended to delay the effective date by one year, and to allow early implementation. This standard was adopted by the Plan in 2021 and had no impact on the Statements of Net Assets Available for Benefits or Statement of Changes in Net Assets Available for Benefits.

3. Fair Value Measurement

ASC Topic 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The hierarchy consists of three broad levels, described as follows:

Level 1 – Inputs consist of unadjusted quoted prices for identical assets in active markets that the plan has the ability to access.

Level 2 – Inputs consist of 1) quoted prices for similar assets in active markets, 2) quoted prices for identical or similar assets in inactive markets, 3) inputs other than quoted prices that are observable, and 4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term.

Level 3 – Inputs consist of unobservable inputs where there is little or no market activity, and the reporting entity makes estimates and assumptions related to the pricing of the asset including assumptions regarding risk.

The assets fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds – Valued at the closing price reported on the active market on which the individual securities are traded.

Common/collective trust – Valued at the net asset value (NAV), as provided by the administrator, used as a practical expedient to estimate fair value. The NAV is based on the value of the underlying assets (i.e., common stock, mutual funds, short term securities) owned by the fund, less its liabilities, and then divided by the number of shares outstanding.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's investments are reported at fair value as follows:

	Fair Value Measurements Using:			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
December 31, 2021:				
Mutual funds	\$ <u>45,934,446</u>	\$ _____ -	\$ _____ -	\$ <u>45,934,446</u>
Total investments in the fair value hierarchy	\$ <u>45,934,446</u>	\$ _____ -	\$ _____ -	\$ <u>45,934,446</u>
Investments measured at NAV:				
Common/collective trusts (a)				<u>5,464,430</u>
Total investments at fair value				\$ <u>51,398,876</u>

	Fair Value Measurements Using:			<u>Fair Value</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	
December 31, 2020:				
Mutual funds	\$ <u>39,275,465</u>	\$ _____ -	\$ _____ -	\$ <u>39,275,465</u>
Total investments in the fair value hierarchy	\$ <u>39,275,465</u>	\$ _____ -	\$ _____ -	\$ <u>39,275,465</u>
Investments measured at NAV:				
Common/collective trusts (a)				<u>6,325,800</u>
Total investments at fair value				\$ <u>45,601,265</u>

(a) Certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits. There are no unfunded commitments for these investments, they are valued daily, and there are no redemption restrictions.

4. **Information Certified by the Trustee (Unaudited)**

The Trustee holds investment assets of the Plan and executes transactions therein. Financial information relating to these assets and changes in plan assets are included in the accompanying financial statements based upon information certified as accurate and complete by the Trustee. That information, which has not been audited by independent accountants as of December 31, 2021 and 2020 and for the year ended December 31, 2021, is summarized below.

- Investments, at fair value
- Net appreciation/depreciation in fair value of investments
- Dividend and interest income
- Schedule of Assets (Held at End of Year)

5. **Income Tax Status**

The Plan uses a volume submitter plan document provided by the Trustee. The IRS has approved, by a letter dated March 31, 2014, that the volume submitter document is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the advisory opinion, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Company has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no IRS audits for any tax periods in progress.

6. Exempt Party-in-Interest Transactions

Certain Plan assets are shares of a common collective trust fund, mutual funds, and notes receivable from participants managed by Fidelity Management Trust Company (Fidelity). Fidelity is the trustee of the Plan and therefore, these transactions qualify as party-in-interest.

The Plan uses Merrill Lynch, Pierce, Fenner & Smith, Incorporated as the investment advisor and therefore, investment advisory fees related to these transactions qualify as party-in-interest.

7. Administrative Expenses

The following is a summary of expenses paid by the Plan for the year ended December 31, 2021:

Investment advisory fees	\$ 35,676
Recordkeeper fees	<u>6,918</u>
	<u>\$ 42,594</u>

8. CARES Act

Effective March 27, 2020, the Plan adopted certain elements of the CARES Act which allowed qualifying participants to withdraw up to \$100,000 without penalty, delayed repayments of any new or outstanding loans for up to one year and suspended required minimum distributions for 2020. As of December 31, 2020, qualified participants withdrew \$3,489,811 under the Cares Act provisions.

9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, to the Form 5500:

	2021	2020
Net assets available for benefits per the financial statements	\$ 52,171,111	\$ 46,594,628
Adjustment from contract value to fair value for the common/collective trust	<u>48,631</u>	<u>221,557</u>
Net assets available for benefits per the Form 5500	\$ <u>52,219,742</u>	\$ <u>46,816,185</u>

The following is a reconciliation of the increase in net assets for benefits per the financial statements to the net income per the Form 5500 for the year ended December 31, 2021:

Increase in net assets available for benefits per the financial statements	\$ 5,649,168
Adjustment from contract value to fair value for the common/collective trust-current year	48,631
Adjustment from contract value to fair value for the common/collective trust-prior year	<u>(221,557)</u>
Net income per Form 5500	\$ <u>5,476,242</u>

11. Evaluation of Subsequent Events

The Plan Sponsor has evaluated subsequent events through the date of the Independent Auditors' Report, which is the date the financial statements were available to be issued and concluded no events or transactions occurred during that period requiring recognition or disclosure.
