INDEPENDENT AUDITOR'S REPORT

To the Plan Participants and Plan Administrator of
PGA TOUR Employees Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We were engaged to perform an audit of the financial statements of **PGA TOUR Employees Savings Plan** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the certified information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2021 Supplemental Schedules Required by ERISA

The 2021 supplemental schedule, Schedule H, line 4i – Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by other auditors whose report dated August 6, 2021 expressed an unmodified opinion on those financial statements.

Note A – Description of Plan

The following description of PGA TOUR Employees Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan with a 401(k) feature covering employees of PGA TOUR, Inc. (the "Employer") and its participating subsidiaries. The Plan was adopted and made effective on January 1, 1980 and most recently restated effective June 1, 2015. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective January 1, 2020, the Plan was amended to suspend required minimum distributions for 2020, and delay the required beginning date for required minimum distributions. The Plan was also amended to suspend matching contributions with respect to employee salary deferrals and Roth contributions for paydays in 2021. Effective January 1, 2022 the Employer match contributions were reinstated so the Employer makes a matching contribution equal to 50% of the participant's contribution, up to a maximum of 3% of eligible compensation.

Employees who are at least age 21 are eligible immediately to make before-tax or Roth contributions. Employees who have one year of credited service and are age 21 or older are eligible for matching contributions. A year of credited service is defined as at least 1,000 hours of service in a 12-month period.

This Plan is maintained subject to two collective bargaining agreements - one between the Employer and the Professional Golf Referees Association, and another between the Employer and the Professional Association of Golf Agronomists.

Administration of the Plan

The Administration Committee for Employee Benefit Plans of PGA TOUR, Inc. is responsible for oversight of the Plan. The Investment Committee for Employee Benefit Plans of PGA TOUR, Inc. ("Investment Committee") determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Employer's Board of Directors. The Plan's assets are held by Charles Schwab Trust Bank (the "Custodian"). State Street Bank & Trust Company is the Custodian's appointed sub-custodian of the Fayez Sarofim large cap growth assets in the unitized portfolio. Schwab Retirement Plan Services, Inc. is the recordkeeper.

Contributions

The Plan has an automatic deferral feature for all eligible employees at an automatic deferral of 4% of compensation, increasing by 1% each year up to a maximum of 7%. Participants may contribute up to 75% of eligible annual compensation, as defined in the Plan, subject to Internal Revenue Code ("IRC") limitations. The maximum participant deferral for December 31, 2021 and 2020 was $19,500. A participant who has attained the age of 50 may also make catch up contributions, subject to the IRC limitations of $6,500 for December 31, 2021 and 2020. The Plan also allows participants to contribute amounts representing distributions from other eligible retirement plans.

The Employer also makes Employer nonelective contributions for eligible Headquarters and Tournament Players Club ("TPC") Operations participants, as defined in the Plan, for employees hired after December 31, 2019 in an amount equal to 10% of each eligible Headquarters participant's compensation and 3% of each eligible TPC Operations participant's compensation. The eligibility requirements are the same as for the Employer's matching contribution.

Note A – Description of Plan (continued)

Participant Accounts

Each participant's account is credited with the participant's contributions and the Employer's matching contribution and nonelective contribution and Plan earnings/losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their employee contributions plus actual earnings thereon. Vesting in the Employer's contributions plus actual earnings thereon, is based on years of credited service. A participant is 100% vested after three years of credited service. Additionally, a participant who is an employee on the date he or she reaches normal retirement age of 65, dies or becomes disabled is 100% vested in all of the Employer's contributions plus actual earnings thereon.

Investment Options

Upon enrollment in the Plan, a participant may direct all contributions to any of the investment options as made available and determined by the Investment Committee. Participants may change their investment options daily.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 reduced by the highest outstanding loan balance during the 12-month period immediately preceding the date the loan is made or 50% of their vested account balance. A participant may only have a maximum of one loan outstanding at any given time. The notes are secured by no more than 50% of the participant's vested account balance, and bear interest at a rate commensurate with local prevailing rates as determined by the plan administrator. The maximum note repayment period is five years. Principal and interest payments with respect to the notes are credited solely to the account of the borrowing participant from which the note was made.

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. If a loan payment is past due for more than 90 days, the unpaid portion of the participant's loan will be treated as a taxable distribution.

Distribution of Benefits

In the event of termination of service, death, disability or retirement, a participant may elect to receive either a lump- sum amount equal to the value of the participant's vested interest in his or her account, as defined in the Plan agreement, or installment payments for a period up to 60 months, less any applicable tax withholding. If a participant's vested balance is $5,000 or less, the plan administrator will distribute the entire vested account balance to the participant without their consent. Participants may also request in-service distributions upon attaining age 59 ½, as a qualified reservist or for a qualified birth or adoption. Benefits may be received when a participant demonstrates a financial hardship as defined in the Plan.

Forfeitures

Forfeitures will be used to reduce future Employer contributions or pay Plan expenses. Forfeited nonvested accounts totaled $1,039 and $14,199 as of December 31, 2021 and 2020, respectively. During 2021, $31,269 in forfeited nonvested accounts was used to pay Plan expenses and the remainder of $5,411 was used to reduce Employer nonelective contributions.

Note A – Description of Plan (continued)

Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue contributions to the Plan at any time and to terminate the Plan subject to the provisions of ERISA and the IRC. If the Plan terminates, affected participants and beneficiaries will become 100% vested in their accounts.

Note B – Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and the changes in net assets available for benefits and disclosure of contingent assets and liabilities during the reporting period. Actual results could differ from these estimates.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Administrative expenses include fees related to the administration of notes receivable from participants and managed account advisory services that are charged directly to the participant's account, as well as recordkeeping and audit fees paid by the Plan. Some investment related expenses are included in net appreciation of fair value of investments.

Fair Value Measurements

The Financial Accounting Standards Board has established a framework for measuring fair value in ASC 820, *Fair Value Measurements*. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy are described below:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: Quoted prices for similar assets or liabilities in active markets; Quoted prices for identical or similar assets or liabilities in inactive markets; Inputs other than quoted prices that are observable for the asset or liability; Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Note B – Summary of Significant Accounting Policies (continued)

Fair Value Measurements (continued)

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used during the Plan year ending December 31, 2021 and 2020.

Money market funds: Money market funds are interest-bearing investment funds, comprised of short-term securities, with original maturities of one year or less. The funds are stated at fair value based on quoted market prices.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trusts: Valued at NAV provided by the Custodian. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying assets owned by the trust, minus its liabilities, divided by the number of units outstanding. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different that the reported NAV. There were no unfunded commitments to purchase investments at December 31, 2021 and 2020. Participant-directed redemptions have no restrictions and are recorded at the end of every business day.

Equity securities: Common stock in large capitalization growth companies and stated at fair value based on quoted market prices of the underlying investments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	Fair Value Measurements at Reporting Date Using:	
	Assets Measured at Fair Value at 12/31/2021	Quoted Prices in Active Markets (Level 1)
Money market funds	$ 9,355,278	$ 9,355,278
Equity securities	9,225,270	9,225,270

Investments measured at net asset value	78,826,154	
Investments at fair value	$ 236,425,688	

Note B – Summary of Significant Accounting Policies (continued)

Fair Value Measurements (continued)

	Fair Value Measurements at Reporting Date Using:	
	Assets Measured at Fair Value at 12/31/2020	Quoted Prices in Active Markets (Level 1)
Money market funds	$ 8,281,785	$ 8,281,785
Equity securities	8,264,859	8,264,859

Total assets in the fair value hierarchy	145,648,157	145,648,157
Investments measured at net asset value	64,747,163	
Investments at fair value	$ 210,395,320	

Note C – Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by the Custodian and State Street Bank & Trust Company, a qualified institution. As of December 31, 2021, and for the year ended December 31, 2021, the Plan Administrator instructed the auditor not to perform any auditing procedures with respect to the information certified by the Custodian and State Street Bank & Trust Company, except for comparing such information to the related information included in the financial statements, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Note D – Income Tax Status

The Plan has received a determination letter from the IRS dated September 22, 2017 stating that the Plan is qualified under Section 401(k) of the Code, and therefore, the related trust is exempt from taxation. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes the Plan is designed, and is currently being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan, as amended, is qualified and the related trust is tax exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan, and recognize a tax liability (or asset) if the Plan has taken any uncertain tax positions that more likely than not would be sustained upon examination. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note E – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note F – Party-In-Interest Transactions

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or participants of the Plan, any person who provides services to the Plan, or an employer whose employees are covered by the Plan. Charles Schwab Trust Bank and Schwab Retirement Plan Services, Inc. are parties-in-interest. Transactions with these parties-in-interest qualify as party-in-interest transactions. Notes receivable from participants are also considered to be party-in-interest transactions because they are transacted with Plan participants. Direct payments to parties-in-interest from the Plan for services amounted to $30,549 during the year ended December 31, 2021.

Note G – Subsequent Events

Subsequent events have been evaluated through July 8, 2022, which is the date the financial statements were available to be issued.
