INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
Karsten Interior Services, L.P.
401(K) Retirement Plan
Houston, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Karsten Interior Services, L.P. 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statement

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Benton, Duroy & Ivey, P.C.

Certified Public Accountants

Basis for Opinion on the 2021 Financial Statement

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statement

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.

Benton, Duroy & Ivey, P.C.

Certified Public Accountants

Auditor's Responsibilities for the Audit of the 2021 Financial Statement (Continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter-2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held at End of Year and Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Benton, Duroy & Ivey, P.C.

Certified Public Accountants

Other Matter-2021 Supplemental Schedules Required by ERISA (Continued)

For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter-Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Karsten Interior Services, L.P. 401(k) Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA, the plan administrator instructed us not to perform and we did not perform auditing procedures with respect to the information certified by a qualified institution. In our report dated July 26, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
Karsten Interior Services, L.P. 401(K) Retirement Plan
December 31, 2021 and 2020

1. Summary of Significant Accounting Policies

A summary of the major accounting policies followed by the Karsten Interior Services, L.P. ("Company") 401(k) Retirement Plan ("Plan") in the preparation of the accompanying financial statements is presented below:

The Plan was initiated on January 1, 1999. The financial statements of the Plan are prepared under the accrual method of accounting.

The 401(k) Plan is qualified under Section 401(a) of the Internal Revenue Code and is exempt from Federal Income Taxes under 501(a) of the Internal Revenue Code.

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated June 30, 2020, that the prototype Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC).

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. For federal income tax purposes the tax returns essentially remain open for possible examination for a period of three years after the date on which those returns are filed.

The Plan's investments in mutual funds and pooled separate accounts are reported at fair value as determined by Principal Financial Group, the Issuer, based on quoted market values of underlying assets. Purchases and securities are recorded on a trade-date basis.

Investment contracts held by a defined contribution plan are required to be reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

The participant loans are classified as notes receivable and measured at their unpaid balance plus any accrued but unpaid interest.

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS
Karsten Interior Services, L.P. 401(K) Retirement Plan
December 31, 2021 and 2020

2. Investments

The Plan's investments are held by a retirement plan insurance company and are composed of general and pooled funds. Pooled separate accounts are comprised of stocks, bonds, mutual funds, and real estate investments.

The general fund is composed of a Guaranteed Interest Account stated at contract value which provides a guaranteed interest rate for a period of time as determined by the Plan.

3. Guaranteed Investment Contracts With Principal Financial Group

On January 1, 2021 and 2020, the Plan entered into a fully benefit-responsive guaranteed investment contract with Principal Financial Group (Principal). Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion off their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

4. Plan Participants' Equity

The net assets available for Plan benefits are composed of the trust fund established by the Plan's Trustee for the benefit of the plan participants.

5. Description of Plan

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

5. Description of Plan (Continued)

General

The Plan is a defined contribution plan covering all full-time employees of the company who are at least twenty-one years of age and have more than one year (1,000 hours within 12 months) of service. It is subject to the provisions of the Employee Retirement Security Act (ERISA).

The trustee of the Plan is the plan administrator, who is the managing partner of the plan sponsor/Company. Among other duties, the trustee is responsible for overseeing the Plan and evaluating plan management and service providers. Principal Financial Group serves as the custodian of the Plan's assets. The custodian's duties include receiving contributions, holding and investing fund assets in accordance with the directions of the participants, making distributions as directed by the plan administrator, recordkeeping, and transaction processing, including maintaining complete and accurate account records for all plan participants, allocating contributions and earnings, posting distributions and forfeitures to participant accounts, and preparing participant statements and reports. Nova Associates, Inc., serves as the third party administrator responsible for plan administration, compliance, and preparing the Plan's annual form 5500.

Contributions

For 2021 and 2020 participants may contribute a percentage of their annual wages up to the federal mandated limit of \$19,500, with an additional \$6,500 catch-up contribution for employees at age 50 by the end of the year.

The Plan also allows for discretionary employer matching and/or profit sharing contributions that are determined and funded on an annual basis. In the year ended December 31, 2021, the Company made a matching contribution of 100% up to 6% of participant contributions. In the year ended December 31, 2020, the Company made a matching contribution of 50% up to 6%. For the period of April 24, 2020 to June 12, 2020, the Company made a matching contribution of 100% up to 6%.

Participant Loans

Loans are treated as participant directed investments. Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. The maximum cannot exceed limits specified by the Internal Revenue Service (IRS) for the outstanding balance of all other loans made to the participant by any other plan maintained by the Employer or a related company. Interest rates on outstanding loans range from 3.25% to 5.25%.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

December 31, 2021 and 2020

5. Description of Plan (Continued)

Forfeitures

Forfeitures result from nonvested benefit payments remaining in the Plan for all terminated employees. Upon reaching the break-in service requirement as defined by the Plan agreement, forfeitures generated are added to the forfeiture reserve balance and shall be used to reduce future employer contributions. At December 31, 2021 and 2020, the total forfeited non-vested accounts that have been applied totaled \$29,815 and \$15,045.

Vesting

Participants are always 100% vested in amounts contributed from their salary deferrals. Participants will always be vested if they are employed on or after their normal retirement age. The vesting percentage in the participant's account generated from discretionary profit sharing and matching contributions is determined as follows:

<u>Years of Service</u>	<u>Vested Percent</u>
Less than 1	0%
1-2	20%
2-3	40%
3-4	60%
4-5	80%
5 or more	100%

Administrative Charges

All administrative expenses of the Plan, except amounts paid for certain investments, advisory services and bank charges, are paid by the Company.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant will be entitled to receive 100% of their account balance in either a lump sum amount or in annual installments over a specified period of time. On termination of service for reasons other than death, disability or retirement, a participant will be entitled to receive only the vested percentage of their account balance and the remainder of their account will be forfeited.

6. Continuation of the Plan

The Company plans to continue the Plan indefinitely, but has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

7. Participant Directed Investments

Investments held by the Plan represent participant-directed accounts where individual participants decide how funds held in trust for them are allocated among various investments. Participants should see the Principal Financial Group Retirement Plan website for the available investment choices.

8. Certification Information

As permitted by 29 CFR2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, information prepared and certified by a bank or insurance company, which is regulated, supervised and subject to periodic examination by a state or federal agency, need not be audited. The plan administrator has obtained certifications from the Principal Financial Group (custodian) that all information provided by them is complete and accurate. Information included in the accompanying financial statements and notes to financial statements as to investments, net appreciation (depreciation) in fair value of investments, interest income and all information in the Supplemental Schedule H, line 4i, Schedule of Assets (held at year end), is presented solely upon reliance on those certifications. The independent auditors did not perform auditing procedures with respect to this information except for comparing such information to the related information in the financial statements, notes to financial statements, and supplemental schedules.

9. Party-in-Interest Transactions

Plan investments are in funds managed by Principal Financial Group, an entity that is a party-in-interest with respect to the Plan. These transactions are exempt and covered by the Prohibited Transaction Exemption provisions of ERISA and the Code.

The Company provides certain accounting, administrative, and investment management services to the Plan for which no fees are charged. Auditing fees paid by the Company on behalf of the Plan were \$11,683 and \$9,890 for the years ended December 31, 2021 and 2020.

10. Prohibited Transaction

For the year ended December 31, 2020, the Company identified late remittances of participant contributions in the aggregate amount of \$51,178, which included participant contributions, employer match contributions, and participant loan repayments. The late remittances were funded to the Plan in January, April and May of 2020. The lost earnings of \$84 pertaining to the contributions were deposited into the Plan in July 2021.

11. Fair Value Measurements

In July 2015, the FASB issued ASU 2015-12, Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), and Health and Welfare Benefit Plans (Topic 965): Part (I) Fully Benefit-Responsive Investment Contracts, Part (II) Plan Investment Disclosures, Part (III) Measurement Date Practical Expedient. This three-part standard simplifies employee benefit plan reporting with respect to fully benefit-responsive investment contracts and plan investment disclosures, and provides for a measurement-date practical expedient.

11. Fair Value Measurements (Continued)

Parts I and II are effective for fiscal years beginning after December 15, 2015 and should be applied retrospectively, with early application permitted. Part III is effective for fiscal years beginning after December 15, 2015 and should be applied prospectively, with early application permitted. Accordingly, the standard requires fully benefit-responsive investment contracts to be reported at contract value instead of fair value on the Statement of Net Assets Available for Plan Benefits retrospectively applied.

The Plan's investments, except for guaranteed investment contracts, are reported at fair value in the accompanying statement of net assets available for benefit. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

<u>Fair Value Measurements Using:</u>			
<u>For the Year Ending December 31, 2021</u>	<u>(Level 1)</u>	<u>(Level 2)</u>	<u>Total</u>
Pooled Separate Accounts	\$ -0-	\$ 1,776,710	\$ 1,776,710
Mutual Funds	<u>5,209,822</u>	<u>-0-</u>	<u>5,209,822</u>
	<u>\$ 5,209,822</u>	<u>\$ 1,776,710</u>	<u>\$ 6,986,532</u>
 <u>For the Year Ending December 31, 2020</u>			
	<u>(Level 1)</u>	<u>(Level 2)</u>	<u>Total</u>
Pooled Separate Accounts	\$ -0-	\$ 1,353,476	\$ 1,353,476
Mutual Funds	<u>4,882,492</u>	<u>-0-</u>	<u>4,882,492</u>
	<u>\$ 4,882,492</u>	<u>\$ 1,353,476</u>	<u>\$ 6,235,968</u>

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs are other than quoted prices that are observable; and Level 3 inputs are unobservable inputs used for valuing the asset and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

11. Fair Value Measurements (Continued)

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

Level 2 Fair Value Measurements

The fair value of pooled separate funds is based on quoted net asset values of the underlying assets held by the Plan at year-end, but is not publicly quoted in an active market.

12. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, credit and overall volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

13. Subsequent Events

Subsequent events were evaluated by management through July 18, 2022, which is the date the financial statements were available to be issued. No additional disclosures were considered necessary.
