Independent Auditor's Report

To the Plan Administrator and Plan Participants
Universal Property & Casualty
401(k) Profit Sharing Plan

Opinion

We have audited the financial statements of Universal Property & Casualty 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020 and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2021 and 2020 and the changes in net assets available for benefits for the year ended December 31, 2021 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held at end of year as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1 - DESCRIPTION OF THE PLAN

The following description of Universal Property & Casualty 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General - The Plan is a defined contribution plan maintained on a 12-month plan year, which begins on January 1 and ends on December 31. The Plan was established by Universal Property & Casualty Insurance Company, the Plan’s sponsor, on January 1, 2009. Universal Property & Casualty Insurance Company is a wholly-owned subsidiary of Universal Insurance Holdings, Inc. (“UVE”). The Plan covers all employees of Universal Property & Casualty Insurance Company and participating affiliates of UVE (collectively, the “Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

In March 2020, the World Health Organization categorized Coronavirus Disease 2019 (“COVID-19”) as a pandemic. The COVID-19 pandemic has resulted in economic uncertainty and extreme volatility in financial markets, and has affected, and may continue to affect the market price of the Universal Insurance Holdings Common Stock and other Plan assets. The duration and ultimate impact of COVID-19 is uncertain and difficult to assess or predict.

In 2020, the Company elected to implement certain provisions of the Coronavirus Aid, Relief, and Economic Security (CARES) Act, including coronavirus-related distributions and delay of note receivable repayments which are covered in the respective sections below. Under the CARES Act, qualified individuals are those diagnosed with COVID-19 or have a spouse or dependent who have been diagnosed, or who experience "adverse financial consequences" as a result of a quarantine, furlough, lay-off, reduction in work hours, business closure, the lack of child care, or other factors due to the COVID-19 pandemic. In accordance with the CARES Act, the Company expects to formally amend the Plan before December 31, 2022.

Eligibility - Any employee of the Company who has attained 18 years of age and has completed three consecutive months of service is eligible to participate in the Plan. Eligible employees may enroll in the Plan on the first day of each month of the plan year.

Contributions - An eligible employee may elect to contribute an amount between 1 percent and 90 percent (in whole percentages) of the contributing participant’s before-tax compensation, not to exceed current Internal Revenue Service (IRS) regulations. Participants who have attained age 50 may make catch-up contributions in addition to their regular deferral contributions. Participants can elect whether to have their contributions subject to federal income tax each pay period or defer federal income tax until withdrawn. Eligible employees may also contribute, with the consent of the plan administrator, amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan, including the Universal Insurance Holdings Common Stock Fund, which holds common stock of UVE. The Plan restricts investment in Universal Insurance Holdings Company Stock Fund to a total of 30% of any contribution made by participants. The participants are able to change their investment options on a daily basis.

The employer matches participants’ contributions in an amount equal to 100 percent of each eligible participant’s contribution up to a maximum of 5 percent of the participant’s compensation for the contribution period.

The employer may also make a discretionary profit-sharing contribution to the Plan as determined by the Company. There was no such profit-sharing contribution during 2021.

Participant Accounts - Each participant’s account is credited with the participant’s contribution, the employer’s matching contribution, the employer’s profit-sharing contribution, and allocations of the plan earnings and is charged with an allocation of administrative expenses and plan losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which the participant is entitled is the benefit that can be provided from the participant’s vested account.

Universal Property & Casualty 401(k) Profit Sharing Plan

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

Payment of Benefits - Upon termination of service due to death, disability, or retirement, a participant (or the participant's spouse or designated beneficiary, in the case of death) may receive 100 percent of the value of the participant's account. Upon termination of service due to any other reason, a participant may receive the vested portion of the value of the participant's account. Distributions may be in the form of a lump-sum payment or installment payments. If the participant's vested account balance is less than \$5,000, distributions will be made in a single lump-sum payment. If the participant's vested account balance exceeds \$5,000, the distribution may be made in a single lump-sum payment, installments over a period of not more than the participant's assumed life expectancy (or the assumed life expectancies of the participant and their beneficiary), or partial withdrawals. In accordance with the CARES Act, qualified individuals are allowed to take up to \$100,000 in coronavirus-related distributions, with repayment terms of up to three years. The ability to request coronavirus-related distributions under the CARES Act was applicable from May 15, 2020 to December 31, 2020.

Forfeitures - Forfeitures can be used to reduce administrative expenses or future employer contributions. Forfeitures are generally used first to pay any administrative expenses and any remaining forfeitures are used to reduce employer contributions. For the year ended December 31, 2021, \$308 was used to reduce employer contributions. For each of the years ended December 31, 2021 and 2020, the forfeiture account balance was \$50.

Vesting - Participants are immediately vested in both participant and employer matching contributions. Participants vest in employer discretionary contributions as follows:

Years of Service	Vested Percentage
2	20%
3	40%
4	60%
5	80%
6	100%

Notes Receivable from Participants - Participants may borrow from their accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. Loan terms, excluding those for the purchase of a principal residence, range from 1 to 5 years (60 months). Loans for the purchase of a principal residence can be paid over a reasonable period of time, not to exceed 30 years. The loans are secured by the balance in the participant's account and bear interest at rates equal to the prime rate on the date of the loan request plus 1 percent. Principal and interest are paid ratably through biweekly payroll deductions. Under the CARES Act, qualified individuals may request a delay of note receivable repayments for repayments that occurred between May 15, 2020 and December 31, 2020. If a delay was granted, the participant's note was reamortized and included any interest accrued during the period of delay.

Termination - While it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the plan agreement and ERISA. Upon termination of the Plan, participants become 100 percent vested in their account balances.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. Mutual funds are valued based on quoted market values. The Universal Insurance Holdings Common Stock Fund ("Common Stock Fund") is tracked on a unitized basis. The value of the Common Stock Fund is the combined value of the year-end market value of Universal Insurance Holdings Common Stock ("UVE Common Stock") plus uninvested cash, if any, held in the Common Stock Fund. As of December 31, 2021, the Common Stock Fund held 63,674 shares of UVE Common Stock with an aggregate value of \$1,082,458, and uninvested cash of \$21,890. As of December 31, 2020, the Common Stock Fund held 32,880 shares of UVE Common Stock with an aggregate value of \$496,817, and uninvested cash of \$7,080.

Additionally, the Plan allows participants to invest in self-directed brokerage accounts. The self-directed brokerage accounts include various investments in publicly traded securities, which are valued based on quoted market values. See Note 3 for additional information.

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants - Participant notes receivable are recorded at their unpaid principal balances plus any accrued interest. Delinquent loans are reclassified as distributions based on the terms of the plan document.

Benefit Payments - Benefits are recorded when paid.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties - The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Administrative Expenses - Certain administrative costs are paid by the Company, if any, which qualify as party-in-interest transactions.

Note 3 - FAIR VALUE MEASUREMENTS

Accounting standards require certain assets and liabilities be reported at fair value in the financial statements and provide a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the inputs and valuation techniques used to measure fair value.

Level 1 - Fair values determined by Level 1 inputs use quoted prices in active markets for identical assets that the Plan has the ability to access.

Level 2 - Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets in active markets and other inputs such as interest rates and yield curves that are observable at commonly quoted intervals.

Level 3 - Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset.

In instances whereby, inputs used to measure fair value fall into different levels in the above fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Plan's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset.

- (2) Self-directed brokerage accounts consist of non interest-bearing cash of \$34,222, interest-bearing cash of \$32,755, corporate common stock of \$981,813 of which includes \$237,742 of UVE Common Stock and warrants of \$1,696 at December 31, 2020.

The Plan's policy is to recognize transfers between levels of the fair value hierarchy as of the actual date of the event of change in circumstances that caused the transfer. There have not been any transfers between levels of the fair value hierarchy during 2021 and 2020.

Note 4 - TAX STATUS

The Plan is a prototype plan. The prototype plan has received a favorable opinion letter from the Internal Revenue Service (IRS) indicating that the Plan, as designed, is qualified for federal income tax-exempt status. The Plan has not individually sought out its own determination letter from the IRS.

Net income per Form 5500	<u>\$ 12,786,696</u>

Note 6 - RELATED PARTIES

The Company is a party-in-interest as defined by ERISA as a result of being the Plan Sponsor. The Plan engages in transactions involving the acquisition or disposition of UVE Common Stock in the Common Stock Fund. All of these transactions are exempt from the “prohibited transactions” provisions of ERISA. The Plan held shares of UVE Common Stock in the Common Stock Fund and the self-directed brokerage account with a combined estimated fair value of \$1,350,854 and \$734,559 as of December 31, 2021 and 2020, respectively.

UVE Common Stock Activity in the Common Stock Fund

	2021	2020
Shares owned	63,674	32,880
Shares purchased	31,755	17,457
Shares sold	961	3,105

The Plan received \$37,941 and \$19,157 in dividend income on the UVE Common Stock during the years ended December 31, 2021 and 2020, respectively.

The Company paid certain Plan’s administrative expenses during the year ended December 31, 2021, which is not reflected in the Plan’s financial statements. All the transactions discussed in this paragraph qualify as party-in-interest transactions.
