Independent Auditors' Report

To the Participants and Administrator of
Tak Shing Hong, Inc. 401(K) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Tak Shing Hong, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Tak Shing Hong, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements Section –

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or its derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Tak Shing Hong, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Tak Shing Hong, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that included our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of

expressing an opinion on the effectiveness of Tak Shing Hong, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Tak Shing Hong, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes as of or for the year ended December 31, 2021, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the

information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Tak Shing Hong, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Tak Shing Hong, Inc. 401(K) Plan

Notes to Financial Statements

1. Description of the Plan

The following description of the Tak Shing Hong, Inc. 401(K) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The sponsor of the Plan is Tak Shing Hong, Inc. (the "Company").

General

The Plan is a defined contribution plan and effective on January 1, 2002, the Company established the Plan (Plan 001) for all eligible full-time employees of the Company. The last amendment was adopted on May 2, 2016. Employees of the Company are eligible to participate in the Plan on either January 1 or July 1, immediately following the date the employee completes 12 months of service with 1000 hours worked and reaches age 21. The Plan is subject to the provisions of the Employee retirement Income security Act of 1974 ("ERISA").

The retirement service provider for the Plan is ADP while Merrill Lynch is its financial advisor. At the direction of the Plan Committee, the Custodian had the responsibility to invest, hold, and distribute the assets held by the Custodian for the benefit of the participants and their beneficiaries.

The Custodian maintains the Plan's assets in various fund accounts, which are credited with actual earnings on the underlying investments and charged for Plan withdrawals.

Contributions

Participants may make voluntary contributions in the form of salary deferrals up to 90% at participant's discretion subject to the annual maximum amount imposed by the Internal Revenue Service. The Company matches 15% of the participants' deferrals up to \$700 per year.

Participant Accounts

Each Participant's account is credited with the participant's and Company contributions and related earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Tak Shing Hong, Inc. 401(K) Plan

Notes to Financial Statements

1. Description of the Plan, continued

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's contributions plus actual earnings thereon is based on years of continuous service as follows:

Vesting Schedule Matching Contributions	
Years of Service	Vesting Percentage
1	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Deceased and disable participants are immediately 100% vested in all sources.

Payment of Benefits

On termination of service, participants are to receive amounts equal to the value of their accounts if the account balances are less than \$5,000. For participants with accounts balances between \$1,000 and \$5,000, if the participant does not choose a distribution option, the plan sponsor will roll over the balances to a special safe harbor IRA. For participants with accounts balances of \$5,000 or more, they may elect to remain in the Plan or to receive the value of their vested interest in the form of lump-sum distribution.

Forfeited Accounts

In the event that a participant terminates employment prior to 100% vesting, the portion of Company's contributions which is not vested is forfeited at that time. Any forfeiture will be used to reduce the Company's matching contribution and the administrative expenses in future years. In 2021, forfeited unvested amounts totaled \$0 and the Plan has applied \$1 to reduce its employer matching. The balances of the forfeited non-vested participant accounts as of December 31, 2021 and 2020 were \$10 and \$11 respectively.

2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Benefits are recorded when paid.

Tak Shing Hong, Inc. 401(K) Plan

Notes to Financial Statements

2. Summary of Significant Accounting Policies, continued

Basis of Accounting, continued

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The Statement of Net Assets Available for Benefits presents the fair value of the investment contracts as well as the adjustment of the fully benefit-responsive investment contracts from fair value to contract value. The Statement of Changes in Net Assets Available for Benefits is prepared on a contract value basis.

Significant Risk and Uncertainty

The fair value of the Plan's assets is subject to change as a result of changes in market rates and prices. A significant change in market rates and prices can significantly reduce the net assets available for Plan benefits and concurrently participant balances. Plans that invest in foreign securities are subject to foreign exchange and political risks among other risks.

Valuation of Investments and Income Recognition

The Plan's investments in the mutual funds are valued at fair value based on quoted market prices in active markets. Investments on common and collective trusts are valued at fair value as reported to the Plan by Reliance Trust Company. The Plan presents, in the statement of change in net assets available for benefits with fund information, the net appreciation (depreciation) in the fair value of its investments, which consist of the realized gains or losses and the unrealized appreciation (depreciation) of those investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Participant contributions are recorded in the period during which the Company makes payroll deductions from the Plan participants' earnings. Company contributions are recorded based upon the required Company matching levels as defined in the Plan agreement.

Tak Shing Hong, Inc. 401(K) Plan

Notes to Financial Statements

2. Summary of Significant Accounting Policies, continued

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the administrator and trustee to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at December 31, 2021 and 2020 and the reported amounts of additions to and deductions from net assets for the year ended December 31, 2021. Actual results may differ from those estimates.

Date of Management's Review

Subsequent events were evaluated through July 19, 2022, which is the date the financial statements were available to be issued.

3. Investments

Investments are held in custodial capacity by Reliance Trust Company, the trustee of the plan. Individual Plan participants direct the transactions that take place in their accounts. Allocations of gains (losses) are at the individual contract level. During the year ended December 31, 2021, the Plan's investments (including gains and losses on mutual funds bought and sold as well as held during the year) appreciated (depreciated) in value by \$167,677.

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB Accounting Standards Codification Topic 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, or inputs that are derived principally from, or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Tak Shing Hong, Inc. 401(K) Plan

Notes to Financial Statements

4. Fair Value Measurements, continued

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the net asset value of shares held by the Plan at year end. The NAV is a quoted price in an active market.

Common / Collective Trusts: The Plan has concluded that the net asset value as adjusted and reported by State Street denotes readily determinable fair value. Therefore these funds are classified in Level 1 in the fair value hierarchy.

Pooled Separate Accounts: Assets owned by the Accounts are primarily limited fund offerings issued by the underlying fund. These are classified within Level 1, as fair values of the underlying funds are based upon reported net asset values ("NAV"), which represent the values at which each sub-account can redeem its investments.

Changes in valuation techniques may result in transfer in or out of an assigned level within the disclosure hierarchy. Transfers between investment levels may occur as the availability of a price source or data used in an investment's valuation changes. Transfers between investment levels are recognized at the beginning of the reporting period. There have been no transfers between any level of fair value measurements during the year ended December 31, 2021.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

Assets at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	<u>\$2,402,090</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$2,402,090</u>

Assets at fair value as of December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	<u>\$2,253,023</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$2,253,023</u>

Tak Shing Hong, Inc. 401(K) Plan

Notes to Financial Statements

5. Participant Notes Receivable

Under the terms of the Plan, participants may borrow from their vested balances, subject to certain limitations as set forth in the Plan and the Internal Revenue Code. The loan amount must be between a minimum of \$500 and a maximum of \$50,000. Only 50% of the participant's vested balance is available for the loan. The amounts borrowed carry fixed interest rates which are prime + 2%. Loans are payable in full upon the participant's termination of employment from the Company. There was no employee loan granted during the year ended December 31, 2021.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

7. Information Prepared and Certified by Trustees (Unaudited)

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the trustees, Reliance Trust Company.

	2021	2020
Investments, at fair value:		
Mutual funds	\$ 2,402,090	\$ 2,253,023
Interest Income	0	0
Dividend income	73,606	44,865
Other Income	891	0
Net investment gain (loss)	167,677	214,388

8. Income Tax Status

The Company has adopted a prototype plan which has received a favorable determination letter from the Internal Revenue Service dated July 8, 2014 that the Plan qualifies under Section 401(a) of the Internal Revenue Code ("IRC"). The Company is of the opinion that the Plan is currently being operated in compliance with the applicable requirements of the IRC and that the trust, which forms a part of the Plan, is tax exempt. Accordingly, no provision for state or federal income taxes has been provided.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2017.

Tak Shing Hong, Inc. 401(K) Plan

Notes to Financial Statements

9. Related Party Transactions

Certain Plan recordkeeping functions are performed by ADP, LLC. Also certain plan investments are held in investments managed by the plan trustee, and these transactions qualify as party-in-interest transactions. Any purchases and sales of these funds are open market transactions at fair market value. Consequently, such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transaction under ERISA.

10. Other Income

Other income represents stale check written back during the year.

11. Operating Expenses

During the year of 2021, \$16,410 of administrative fees was paid by the plan.

12. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risk such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonable possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

13. Impact of Coronavirus

In March 2020, the World Health Organization declared a novel strain of coronavirus disease ("COVID-19") a global pandemic. Since then, the global and domestic response to the COVID-19 continues to evolve rapidly and is causing volatility in the global and domestic financial markets. While the ultimate disruption that may be caused by the outbreak is uncertain, it may have an adverse impact on the investments which the Plan has invested. Possible effects may include, but not limited to, rapid decline in market values and the inability of bond issuers to make payments when they are due.
