To the Administrative Committee of
Fruit Center, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Fruit Center, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Fruit Center, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section-

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Fruit Center, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt that Fruit Center, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risk. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Fruit Center, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Fruit Center, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4i – Schedule of Assets (Held at Year End) and Schedule H, Line 4a - Schedule of Delinquent Participant Contributions as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Fruit Center, Inc. 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated June 25, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion, and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Fruit Center, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements
Years Ended December 31, 2021 and 2020

Note 1 - Description of Plan:

The following brief description of Fruit Center, Inc. (the "Company" or "Sponsor") 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

(a) General

The Plan was adopted on January 1, 1993 and is a defined contribution plan, covering all eligible employees electing to participate in the Plan (the "participants"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan covers all eligible employees of the age of 21 or over upon completion of one year of service with 1,000 hours are eligible to contribute up to 100% of their eligible compensation, as defined in the Plan, and subject to the maximum permitted by the Internal Revenue Code ("IRC"). Residents of Puerto Rico and leased employees, and non-resident aliens with no United States earned income are not eligible to participate.

In January 2020, Congress passed the Setting Every Community Up for Retirement Enhancement Act (SECURE Act) of 2019 that contained the largest package of retirement system reform in over a decade. Many of the provisions of the SECURE Act are effective on January 1, 2020 and did not result in material changes to plan administration and recordkeeping.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law. This aid package included numerous employee benefit plan provisions to assist plan sponsors and participants which include special coronavirus distributions of up to \$100,000 and the suspension of required minimum distributions during the 2020 plan year. The CARES Act also increased the limit on the amount which a qualified participant may borrow from their account, during the period from March 27, 2020 to September 22, 2020, to the lesser of \$100,000 (minus existing outstanding loans), or the participants vested balance in the Plan.

(b) Contributions

Contributions to the Plan can be made in increments of whole percentages or fixed dollar amounts, under salary reduction agreements. Participants may also contribute amounts rolled over from qualified pension and profit-sharing plans meeting the requirements of Section 401(a), 403(a), 403(b) and 457(b) of the IRC. The maximum allowable calendar-year pre-tax voluntary contribution, as determined by the Internal Revenue Service, was \$19,500 for each of the years then ended December 31, 2021 and 2020, in addition to a maximum allowable catch-up contribution of up to \$6,500 for each year.

Years Ended December 31, 2021 and 2020

Note 1 - Description of Plan (continued):

(b) Contributions (continued)

The Company may make a discretionary non-elective matching contribution, which would be allocated based on the participant's eligible compensation deferred into the plan each payroll period. Additionally, the Company may make a discretionary non-elective contribution to eligible participants who have completed 501 hours of services during the plan year and/or are employed as of the last day of the plan year by the Company and/or a related employer.

Discretionary non-elective contributions, are allocated based on (a) an amount equal to a percentage of the participant's eligible compensation as defined by the Plan, plus (b) an amount equal to the participant's eligible compensation in excess the Federal Insurance Contribution Act ("FICA") limits (\$142,800 and \$137,700 for 2021 and 2020, respectively) multiplied by the lesser of the percentage of the participant's eligible compensation or 5.7%.

The Company's discretionary non-elective contributions amounted to \$350,000 for the years ended December 31, 2021 and 2020. The Company may designate all or a portion of its discretionary matching employer contributions to the Plan, if any, as "qualified non-elective contributions" and allocate them to certain Plan participants in order to satisfy annual non-discrimination testing prescribed by the Code. Participants will be 100% vested in any as "qualified non-elective contributions" and may not request a hardship withdrawal of these contributions.

(c) Participant Accounts

Participants may elect to invest their account balances in any combination of the investments offered under the Plan and managed by Fidelity Management Trust Company ("Fidelity"). Participants may commence participation in the Plan upon the satisfaction of eligibility conditions. All funds are self-directed, allowing the participants to change their investment selection at any time.

Each participant's account is credited with the participant's contribution, the employer's contribution, as well as allocations of Plan earnings. Allocations are based on participant compensation, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested amount.

(d) Vesting

Participants are immediately and 100% vested in their contributions plus any earnings thereon. The participants become 100% vested in the Company's discretionary elective and non-elective contributions plus any earnings thereon after three (3) years of service. Participant accounts become fully vested upon death, disability, attainment of normal retirement age, or upon termination of the Plan.

Note 1 - Description of Plan (continued):

(e) Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. This amount was temporarily increased under the CARES Act (see section (a) of this Note). Participants may not have more than one loan outstanding at any time. The term of a loan shall be a maximum of five (5) years. A longer term not to exceed ten (10) years may be granted if used to purchase a primary residence. The loans are secured by the balance in the participant's account and bear interest at a reasonable fixed rate of interest based on the prime rate at the time of loan origination (ranging from 3.25% to 5.50%) and maturing at various times through January 2026. If the participant is currently employed by the Company, the participant is required to enter a payroll deduction agreement to repay the loan. In addition, participants may repay all or a portion of such loans at any time.

(f) Payment of Benefits

Participants may withdraw funds from their account upon retirement, disability, separation from employment, attainment of age 59 ^{1/2} and certain other times as specified in the Plan document. Distributions shall be reduced by the outstanding balance of any loans not repaid by the participant.

Distribution of funds may be made in the form of a single lump-sum payment or by installment payments, if such election is made prior to death. If a participant terminates employment with the Company prior to normal retirement, he/she may defer payment from the Plan until normal retirement age if the participant's account exceeds a balance of \$5,000. Participant account balances below \$5,000 are automatically distributed to participants terminated from the Plan. Withdrawals due to financial hardship are allowed to the extent permitted by IRS regulations.

(g) Forfeited Accounts

Forfeitures will be retained by the Plan and used to pay administrative expenses. Any remaining amounts will be used to reduce future Company contributions to the Plan. As of December 31, 2021 and 2020, unused forfeiture balances approximated \$16,000 and \$26,000, respectively. During the year ended December 31, 2021 the Company utilized forfeitures towards the employer match totaling \$13,000. No forfeitures were used during the year ended December 31, 2020.

Note 2 - Summary of Significant Accounting Policies:

(a) Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Notes to Financial Statements
Years Ended December 31, 2021 and 2020

Note 2 - Summary of Significant Accounting Policies (continued):

(b) Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of Plan assets and disclosures in the financial statements. Actual results could differ from these estimates.

(c) Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

(d) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

(e) Payment of Benefits

Benefit payments to participants are recorded when paid.

(f) Concentration of Credit Risk

Financial instruments that potentially subject the Plan to concentrations of credit risk are part of the holdings in the Plan's investments. Management believes that the trustee maintains the Plan's investments with high credit quality institutions and attempts to limit the credit exposure to any particular investment.

(g) Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 excess contributions to the applicable participants prior to March 15, 2022.

Years Ended December 31, 2021 and 2020

Note 2 - Summary of Significant Accounting Policies (continued):

(h) Expenses

Certain expenses to maintain the Plan are paid directly by the Company and are excluded from these financial statements. Participants are charged investment fees and transaction-based fees for funds and participant loans as outlined in the Plan's Service Agreement. Investment fees consist of redemption and short-term trading or, management fees outlined in each fund prospectus. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. For the years ended December 31, 2021 and 2020, Plan administrative expenses amounted to \$13,631 and \$838, respectively.

(i) Subsequent events

The Plan has evaluated subsequent events through July 21, 2022, the date the financial statements were available to be issued.

Note 3 - Information Prepared and Certified by the Plan's Trustee (Unaudited):

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2021 and 2020, was obtained by management and agreed to or derived from information certified as complete and accurate by the Plan's trustee, Fidelity Management Trust Company.

Note 4 - Investments:

During 2021 and 2020, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$241,347 and \$597,227, respectively.

Notes to Financial Statements
Years Ended December 31, 2021 and 2020

Note 5 - Fair Value Measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds and
Money Market
Fund:

Valued at the daily closing price as reported by the fund. Mutual funds and the money market fund held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Note 5 - Fair Value Measurements (continued):

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Total assets at fair value	<u><u>\$ 8,603,256</u></u>	<u><u>\$ -</u></u>	<u><u>\$ -</u></u>	<u><u>\$ 8,603,256</u></u>

Note 6 - Related Party Transactions:

Certain Plan investments are shares of mutual funds managed by Fidelity Management and Research Company ("FMR Corp."). FMR Corp. is an affiliate of Fidelity Management Trust Company, the trustee, and Fidelity Investments Institutional Operations Company, Inc., the record keeper of the Plan and therefore, these transactions qualify as party-in-interest transactions. The Plan paid administrative fees of \$13,631 and \$838 during 2021 and 2020, respectively, to FMR Corp.

Note 7 - Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their accounts, and the net assets of the Plan must be allocated among the participants and beneficiaries of the Plan in the order provided for by ERISA.

Fruit Center, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements
Years Ended December 31, 2021 and 2020

Note 8 - Tax Status:

The Plan is based on a "prototype" plan drafted by FMR Corp. The prototype received an Internal Revenue Service ("IRS") "prototype" letter on March 31, 2014. The letter states the prototype plan, as designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the "prototype" letter. However, the Plan's administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Service.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2017.

Note 9 - Risks and Uncertainties:

The Plan's investments, in general, are subject to various risks, such as interest rate, credit, and overall market volatility risk. Additionally, the value, liquidity, and related income of the investment securities are sensitive to changes in economic conditions and may be affected by shifts in the market's perception of issuers and changes in interest rates. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the funded status of the Plan.

Note 10 – Prohibited Transaction:

During the year ended December 31, 2021, the plan sponsor failed to remit to the Plan's trustee contributions totaling \$27 within the period prescribed by Department of Labor regulations. The delay in remitting the contributions to the trustee was due to an administrative error during the year. The Company will provided lost earnings on contributions required for the late remittances to the affected participants' accounts during 2022.
