Plan Administrator
OASYS, Inc. 401(k) Profit Sharing Plan and Trust
Huntsville, Alabama

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of OASYS, Inc. 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of OASYS, Inc. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about OASYS, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of OASYS, Inc. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about OASYS, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Assets Held as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of OASYS, Inc. 401(k) Profit Sharing Plan and Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 31, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

1. DESCRIPTION OF PLAN

The following description of the OASYS, Inc. (the “Company”) 401(k) Profit Sharing Plan and Trust (the “plan”) provides only general information. For a more complete description of the plan’s provisions, refer to the plan agreement.

General

The plan is a defined contribution plan covering all employees of the Company and of Omicron Research Corporation, except union and nonresident alien employees, without regard to hours of service or age. Employees may enter the plan the first day of any month of the plan year. The plan was established on January 1, 2010, and is subject to the provisions of ERISA. The plan was adopted under the provisions of Section 401(a) of the Internal Revenue Code (the “Code”) with a cash or deferred arrangement qualified under Section 401(k) of the Code. Pursuant to the requirements of Section 401(a) 27 of the Code, the plan is also a profit sharing plan. The Board of Directors are responsible for oversight of the plan. The plan administrator determines the appropriateness of the plan’s investment performance and reports to the plan’s Board of Director’s.

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the plan. The plan offers a Roth feature that allows participants to make after-tax contributions to the plan. These after-tax contributions are subject to the IRC pre-tax employee contribution limits. The Roth contributions plus earnings accumulate tax free and qualified Roth distributions are not subject to federal income tax.

The Company contributes a safe harbor match that is currently 100% of the first 3% of eligible compensation plus 50% of a participant’s contribution which exceeds 3%, but does not exceed 5%, that a participant contributes to the plan. Additional profit sharing amounts may be contributed at the option of the Company’s Board of Directors and are allocated to all eligible participants in the same proportion that each participant’s compensation bears to the eligible compensation of all participants. To be eligible to receive the profit sharing contribution, an employee must be employed on the last day of the plan year and must have completed 1,000 hours of service during the plan year. During the years ended December 31, 2021 and December 31, 2020, the Company did not make a profit sharing contribution to the plan. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant’s account is credited with the participant’s contribution, the Company matching contributions, as well as allocations of the Company’s profit sharing contribution and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the plan. Allocations are based on participant earning, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

(continued)

1. **DESCRIPTION OF PLAN** (Continued)

Vesting

Participants are vested immediately in their contributions and safe harbor matching contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of vesting service. A participant is 100% vested in the discretionary contribution after six years of vesting service, using a graduated schedule.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account, or installments over a fixed reasonable period. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account.

Forfeited Accounts

At December 31, 2021 and 2020, there were no outstanding forfeiture balances at year end since the plan requires forfeitures to be applied in the year they are forfeited. Forfeited amounts will be used to reduce employer contributions, with any leftover amounts used to reduce plan expenses. Also, in 2021, \$8,049 from forfeited non-vested accounts was used to reduce employer contributions.

2. **SUMMARY OF ACCOUNTING POLICIES**

Basis of Accounting

The financial statements of the plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

(continued)

2. **SUMMARY OF ACCOUNTING POLICIES** (Continued)

Expenses

Certain expenses of maintaining the plan are paid by the plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses paid by the plan are included in net appreciation of fair value of investments.

3. **INFORMATION CERTIFIED BY THE CUSTODIAN**

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Fidelity Personal Trust Company, the current custodian of the plan, as complete and accurate, except for comparing such information certified by the custodian to information included in the plan's financial statements and supplemental schedule.

	December 31,	
	2021	2020
Certified by Fidelity Personal Trust Company:		
Mutual funds	\$ 8,274,279	\$ 7,117,837
Money market funds	116,554	111,177

The custodian also certified to the completeness and accuracy of \$760,038 of net appreciation in fair value of investments, \$12 of interest income and \$275,769 of dividend income related to the aforementioned investments for the year ended December 31, 2021.

4. **FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

(continued)

4. **FAIR VALUE MEASUREMENTS** (Continued)

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the plan are deemed to be actively traded.

Money market funds: Valued at the closing price reported on the active market on which the individual securities are traded.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2021 and 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>December 31, 2021:</u>				
Mutual funds	\$ 8,274,279	\$ -	\$ -	\$ 8,274,279

Investments at fair value	<u>\$ 8,390,833</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,390,833</u>

Investments at fair value	<u>\$ 7,229,014</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 7,229,014</u>

5. **RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Certain plan investments are managed by Fidelity Personal Trust Company. Fidelity Personal Trust Company is the custodian for the plan and, therefore, these transactions qualify as party-in-interest transactions. As described in Note 2, the plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

The Company is the plan sponsor, and therefore, transactions with the Company may qualify as exempt party-in-interest transactions.

Certain administrative functions are performed by the officers and employees of the Company (who may also be participants) at no cost to the plan.

(continued)

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

7. TAX STATUS

The plan adopted a volume submitter form of a plan sponsored by Avantax Retirement Plan Services, Inc. The IRS has determined and informed the Third Party Administrator by an opinion letter dated March 31, 2014, that the plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the plan has been amended since receiving the opinion letter, the plan Administrator believes that the plan is designed and is being operated in compliance with the applicable provisions of the IRC and, therefore, believes that the plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. RISKS AND UNCERTAINTIES

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefit.

The plan is exposed to market risk which can affect the plan, its operations, and its performance. As a result of the COVID-19 pandemic, there has been substantial volatility in financial markets and the economy. The pandemic presents uncertainty and risk with respect to the plan's performance and its financial results.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 to Form 5500:

	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 8,468,678
Employer contribution receivable	(23,496)
Employee contribution receivable	<u>(54,349)</u>
Net assets available for benefits per Form 5500	<u>\$ 8,390,833</u>

(continued)

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (Continued)

The following is a reconciliation of changes in net assets available for benefits per the financial statements to Form 5500 for the year ended December 31, 2021:

Net increase in assets available for benefits per the financial statements	\$ 1,171,269
Current year employer contribution receivable	(23,496)
Prior year employer contribution receivable	21,155
Current year employee contribution receivable	(54,349)
Prior year employee contribution receivable	<u>47,240</u>
Net income per Form 5500	<u>\$ 1,161,819</u>

10. NET ASSETS AVAILABLE FOR BENEFITS

Net assets available for benefits at December 31, 2021 and 2020 did not include any amounts allocated to the accounts of persons who, as of or prior to that date, had withdrawn from the plan but have not been paid.

11. PLAN AMENDMENTS

There were no plan amendments executed during the plan year. However, the plan implemented certain requirements of the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act). Written amendments to the plan to reflect these operational changes, along with Cycle 3 Restatements, will be adopted in accordance with applicable law and IRS guidance.

12. SUBSEQUENT EVENTS

The plan has evaluated subsequent events through July 15, 2022, the date which the financial statements were available to be issued.

OASYS, Inc. 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of OASYS, Inc. 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of OASYS, Inc. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about OASYS, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of OASYS, Inc. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about OASYS, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Assets Held as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of OASYS, Inc. 401(k) Profit Sharing Plan and Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 31, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

1. DESCRIPTION OF PLAN

The following description of the OASYS, Inc. (the “Company”) 401(k) Profit Sharing Plan and Trust (the “plan”) provides only general information. For a more complete description of the plan’s provisions, refer to the plan agreement.

General

The plan is a defined contribution plan covering all employees of the Company and of Omicron Research Corporation, except union and nonresident alien employees, without regard to hours of service or age. Employees may enter the plan the first day of any month of the plan year. The plan was established on January 1, 2010, and is subject to the provisions of ERISA. The plan was adopted under the provisions of Section 401(a) of the Internal Revenue Code (the “Code”) with a cash or deferred arrangement qualified under Section 401(k) of the Code. Pursuant to the requirements of Section 401(a) 27 of the Code, the plan is also a profit sharing plan. The Board of Directors are responsible for oversight of the plan. The plan administrator determines the appropriateness of the plan’s investment performance and reports to the plan’s Board of Director’s.

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the plan. The plan offers a Roth feature that allows participants to make after-tax contributions to the plan. These after-tax contributions are subject to the IRC pre-tax employee contribution limits. The Roth contributions plus earnings accumulate tax free and qualified Roth distributions are not subject to federal income tax.

The Company contributes a safe harbor match that is currently 100% of the first 3% of eligible compensation plus 50% of a participant’s contribution which exceeds 3%, but does not exceed 5%, that a participant contributes to the plan. Additional profit sharing amounts may be contributed at the option of the Company’s Board of Directors and are allocated to all eligible participants in the same proportion that each participant’s compensation bears to the eligible compensation of all participants. To be eligible to receive the profit sharing contribution, an employee must be employed on the last day of the plan year and must have completed 1,000 hours of service during the plan year. During the years ended December 31, 2021 and December 31, 2020, the Company did not make a profit sharing contribution to the plan. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant’s account is credited with the participant’s contribution, the Company matching contributions, as well as allocations of the Company’s profit sharing contribution and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the plan. Allocations are based on participant earning, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

(continued)

1. **DESCRIPTION OF PLAN** (Continued)

Vesting

Participants are vested immediately in their contributions and safe harbor matching contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of vesting service. A participant is 100% vested in the discretionary contribution after six years of vesting service, using a graduated schedule.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account, or installments over a fixed reasonable period. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account.

Forfeited Accounts

At December 31, 2021 and 2020, there were no outstanding forfeiture balances at year end since the plan requires forfeitures to be applied in the year they are forfeited. Forfeited amounts will be used to reduce employer contributions, with any leftover amounts used to reduce plan expenses. Also, in 2021, \$8,049 from forfeited non-vested accounts was used to reduce employer contributions.

2. **SUMMARY OF ACCOUNTING POLICIES**

Basis of Accounting

The financial statements of the plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

(continued)

2. **SUMMARY OF ACCOUNTING POLICIES** (Continued)

Expenses

Certain expenses of maintaining the plan are paid by the plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses paid by the plan are included in net appreciation of fair value of investments.

3. **INFORMATION CERTIFIED BY THE CUSTODIAN**

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Fidelity Personal Trust Company, the current custodian of the plan, as complete and accurate, except for comparing such information certified by the custodian to information included in the plan's financial statements and supplemental schedule.

	December 31,	
	2021	2020
Certified by Fidelity Personal Trust Company:		
Mutual funds	\$ 8,274,279	\$ 7,117,837
Money market funds	116,554	111,177

The custodian also certified to the completeness and accuracy of \$760,038 of net appreciation in fair value of investments, \$12 of interest income and \$275,769 of dividend income related to the aforementioned investments for the year ended December 31, 2021.

4. **FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

(continued)

4. **FAIR VALUE MEASUREMENTS** (Continued)

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the plan are deemed to be actively traded.

Money market funds: Valued at the closing price reported on the active market on which the individual securities are traded.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2021 and 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>December 31, 2021:</u>				
Mutual funds	\$ 8,274,279	\$ -	\$ -	\$ 8,274,279
Money market funds	<u>116,554</u>	<u>-</u>	<u>-</u>	<u>116,554</u>
Investments at fair value	<u>\$ 8,390,833</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,390,833</u>
<u>December 31, 2020:</u>				
Mutual funds	\$ 7,117,837	\$ -	\$ -	\$ 7,117,837

Investments at fair value	<u>\$ 7,229,014</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 7,229,014</u>

5. **RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Certain plan investments are managed by Fidelity Personal Trust Company. Fidelity Personal Trust Company is the custodian for the plan and, therefore, these transactions qualify as party-in-interest transactions. As described in Note 2, the plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

The Company is the plan sponsor, and therefore, transactions with the Company may qualify as exempt party-in-interest transactions.

Certain administrative functions are performed by the officers and employees of the Company (who may also be participants) at no cost to the plan.

(continued)

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

7. TAX STATUS

The plan adopted a volume submitter form of a plan sponsored by Avantax Retirement Plan Services, Inc. The IRS has determined and informed the Third Party Administrator by an opinion letter dated March 31, 2014, that the plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the plan has been amended since receiving the opinion letter, the plan Administrator believes that the plan is designed and is being operated in compliance with the applicable provisions of the IRC and, therefore, believes that the plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. RISKS AND UNCERTAINTIES

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefit.

The plan is exposed to market risk which can affect the plan, its operations, and its performance. As a result of the COVID-19 pandemic, there has been substantial volatility in financial markets and the economy. The pandemic presents uncertainty and risk with respect to the plan's performance and its financial results.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 to Form 5500:

	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 8,468,678
Employer contribution receivable	(23,496)
Employee contribution receivable	<u>(54,349)</u>
Net assets available for benefits per Form 5500	<u>\$ 8,390,833</u>

(continued)

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (Continued)

The following is a reconciliation of changes in net assets available for benefits per the financial statements to Form 5500 for the year ended December 31, 2021:

Net increase in assets available for benefits per the financial statements	\$ 1,171,269
Current year employer contribution receivable	(23,496)
Prior year employer contribution receivable	21,155
Current year employee contribution receivable	(54,349)
Prior year employee contribution receivable	<u>47,240</u>
Net income per Form 5500	<u>\$ 1,161,819</u>

10. NET ASSETS AVAILABLE FOR BENEFITS

Net assets available for benefits at December 31, 2021 and 2020 did not include any amounts allocated to the accounts of persons who, as of or prior to that date, had withdrawn from the plan but have not been paid.

11. PLAN AMENDMENTS

There were no plan amendments executed during the plan year. However, the plan implemented certain requirements of the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act). Written amendments to the plan to reflect these operational changes, along with Cycle 3 Restatements, will be adopted in accordance with applicable law and IRS guidance.

12. SUBSEQUENT EVENTS

The plan has evaluated subsequent events through July 15, 2022, the date which the financial statements were available to be issued.
