Independent Auditor's Report

To the Plan Administrator
Sound Generations Retirement Plan
Seattle, Washington

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Sound Generations Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Fax: 206-382-7700

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

Tel: 206-382-7777
Fax: 206-382-7700
www.bdo.com

Two Union Square, 601 Union Street
Suite 2300
Seattle, WA 98101

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Fax: 206-382-7700
www.bdo.com

Two Union Square, 601 Union Street
Suite 2300

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Sound Generations Retirement Plan

Notes to Financial Statements

1. Description of Plan

The following description of the Sound Generations Retirement Plan (the Plan) provides general information only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established January 1, 1994. It is a defined contribution plan providing benefits to eligible employees of Sound Generations (the Organization). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Trustee and Administration of the Plan

The trustee of the Plan is Ascensus Trust Company and recordkeeper of the Plan is Ascensus (together, Ascensus or trustee). The administrator of the Plan is the Company. The trustee holds all assets of the Plan in accordance with the service provider contract with the Company. Management determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Eligibility

Sound Generations employees are eligible to participate in the Plan after completing one month of service.

Contributions

Participant Contributions - Participants may elect to make Roth contributions and/or pre-tax deferral contributions to the Plan up to 75% of their eligible compensation (as defined in the Plan) subject to certain limitations of the Internal Revenue Code (IRC). When eligible to participate in the Plan, if an employee does not make an election otherwise, he or she will be automatically enrolled in the Plan at a deferral rate of 3%. This automatic deferral contribution rate will increase by 1% as soon as administratively feasible in each subsequent year, up to a maximum of 6%. Participants may also contribute amounts representing distributions from other qualified plans (rollovers from other qualified plans). The Plan allows catch up deferral contributions for participants 50 years of age or older at the end of the Plan year.

Employer Contributions - The Organization makes a safe harbor non-elective contribution of 3% of a participant's eligible wages. The Organization may also make discretionary profit-sharing contributions. No profit-sharing contributions were made by the Organization in 2021 or 2020.

The Plan also allows for a discretionary matching contribution to be made based on certain eligibility requirements. No matching contributions were made by the Organization in 2021 or 2020.

Contributions are subject to certain limitations of the Internal Revenue Code (IRC).

Participant Accounts

Each participant's account is credited with the participant's contribution, the Organization's contributions, allocations of the Plan's earnings and losses, and is charged with an allocation of

Sound Generations Retirement Plan

Notes to Financial Statements

administrative expenses. Allocations are based on participant-eligible compensation, participant contributions, or account balances, as defined in the Plan.

Participants direct the investment of their account balances into various investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Under the terms of the Plan, participants may borrow from their accounts up to \$50,000 or 50% of their vested account balance, whichever is less. The notes are secured by the participant's account and bear interest at the prime rate per the Wall Street Journal, plus 1%. Loan terms cannot exceed five years unless the loan proceeds are used for purchasing a primary residence, in which case the loan terms are limited to 10 years. Principal and interest are paid ratably through payroll deductions. As of December 31, 2021, the rate of interest on loans ranged from 4.25% to 5.25%, with various maturities from February 2022 to October 2025.

Vesting

Participants are 100% vested in their contributions and safe harbor non-elective contributions from the Organization to the Plan and related earnings at all times. Profit-sharing contributions from the Organization and related net earnings become vested to the participant based on the following schedule of years of service:

Completed Years of Service	Vested (%)
Less than 1	0%
1	0%
2	25%
3	50%
4	75%
5	100%

Additionally, a participant becomes 100% vested if the participant reaches normal retirement age (65), dies, or incurs total and permanent disability while in service of the Organization.

Forfeitures

The portion of a terminated participant account that is not vested (forfeitures) will be used first to pay expenses of the Plan. To the extent that forfeitures exceed administrative expenses, the excess will be used to reduce employer contributions.

Forfeitures used in 2021 to pay Plan expenses were \$1,846. As of December 31, 2021 and 2020, there were \$19 and \$1,846, respectively, included with net assets available for benefits to be used to pay expenses of the Plan.

Notes to Financial Statements

Payment of Benefits

Participants are eligible to receive a lump-sum distribution of their vested account balance upon termination of employment, retirement, disability or death. A participant or beneficiary may elect to (a) receive the lump-sum amount directly, or (b) roll over the value into another qualified plan or Individual Retirement Account (IRA).

If upon termination of employment, the value of the vested portion of a participant's account is equal to or less than \$1,000, a single lump-sum amount will be automatically distributed at the time of termination. If the vested account balance is equal to or greater than \$5,000, the participant can choose to leave the amount in the Plan. If the vested account balance at termination is greater than \$1,000 but less than \$5,000, and the participant has not elected to have the vested amount paid out, the vested account balance will be automatically rolled to an IRA account. Participants may also receive a distribution while employed as long as they meet certain requirements as defined in the Plan.

Withdrawals from the Plan may also be made upon circumstances of financial hardship, in accordance with provisions specified in the Plan. Participants may also withdraw an amount at age 59½ if certain criteria are met.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at their fair value (see below). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurements

Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Sound Generations Retirement Plan

Notes to Financial Statements

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies at December 31, 2021 and 2020:

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Funds - Valued at the NAV of units of a collective trust fund. The NAV, as provided by the trustee of the CIT, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily.

The preceding methods described may produce a fair value calculation which may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Sound Generations Retirement Plan

Notes to Financial Statements

The following tables set forth by level, within the fair value hierarchy, the Plan's investments measured at fair value on a recurring basis:

<i>December 31, 2021</i>	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 7,479,245	\$ 7,479,245	\$ -	\$ -
Collective trust fund, at net asset value*	52,339	-	-	-
Total Investments, at fair value	\$ 7,531,584	\$ 7,479,245	\$ -	\$ -
<i>December 31, 2020</i>	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 6,247,654	\$ 6,247,654	\$ -	\$ -
Collective trust fund, at net asset value*	54,187	-	-	-
Total Investments, at fair value	\$ 6,301,841	\$ 6,247,654	\$ -	\$ -

* In accordance with ASC Subtopic 820-10, certain investments that were measured at NAV per unit (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020, respectively. There are no participant redemption restrictions for this investment; the redemption notice period is applicable only to the Plan:

<i>Year ended</i>	Investment Type	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
December 31, 2021	CTF	\$ 52,339	None	Daily	None
December 31, 2020	CTF	54,187	None	Daily	None

Notes Receivable from Participants

Notes receivable from participants are stated at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions based upon the terms of the Plan document. No allowance for credit losses had been recorded as of December 31, 2021 or 2020.

Payment of Benefits

Benefits to participants are recorded when paid.

Sound Generations Retirement Plan

Notes to Financial Statements

Expenses

Administrative expenses primarily relate to Plan administration. Certain investment expenses which are charged within investments are presented net of the appreciation (depreciation) in fair value of investments. The Organization may also pay some administrative expenses. Expenses paid by the Organization, if any, are excluded from these financial statements.

Risks and Uncertainties

The Plan holds various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements and participant account balances.

Subsequent Events

Management has evaluated subsequent events through the date these financial statements were available to be issued, which was July 12, 2022.

3. Tax Status

The Plan adopted a prototype plan document sponsored by Ascensus which received a favorable opinion letter from the Internal Revenue Service (IRS) dated January 1, 2020, which stated that the prototype plan is in compliance with applicable sections of the IRC. Although the Plan was amended subsequent to the date of the opinion letter, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for federal or state income taxes has been included in the accompanying financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no IRS examinations for any tax periods in progress.

4. Certified Investment Information

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Ascensus, as agent for Ascensus Trust Company, a qualified institution, has certified to the completeness and accuracy of:

- Investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020.
- Net appreciation in fair value of investments, and dividend and interest income reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Investment values disclosed in Note 2 and reflected on the supplemental schedule of assets for the year ended December 31, 2021.

Sound Generations Retirement Plan

Notes to Financial Statements

The Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to this certified information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

5. Party-in-Interest Transactions

Notes receivable from participants qualify as party-in-interest transactions. The Plan's management has approved these activities and transactions and they qualify as exempt party-in-interest transactions. The Plan paid for third party administrator fees, investment advisory, and plan audit fees which qualify as party-in-interest transactions. Certain management fees in the form of an expense ratio charged to each investment option are paid by the Plan and deducted from earnings on investments.

6. Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provision of ERISA and its related regulations. In the event of Plan termination, participants would become 100% vested in any employer contributions.
