Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Gutchess Companies 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Fidelity Management Trust Company as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

An Independently Owned Member, RSM US Alliance

RSM US Alliance member firms are separate and independent businesses and legal entities that are responsible for their own acts and omissions, and each are separate and independent from RSM US LLP. RSM US LLP is the U.S. member firm of RSM International, a global network of independent audit, tax, and consulting firms. Members of RSM US Alliance have access to RSM International resources through RSM US LLP but are not member firms of RSM International.

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or within one year after the date the financial statements are available to be issued when applicable.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of and for the year ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated June 2, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

GUTCHESS COMPANIES 401(k) SAVINGS PLAN

December 31, 2021 and 2020

NOTE A--DESCRIPTION OF THE PLAN

The following description of the Gutchess Companies 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all employees of Gutchess Lumber Co., Inc. and its wholly-owned subsidiaries: Gutchess Hardwoods, LLC, Gutchess Freedom, LLC, Gutchess Brookville, LLC, Paul Bunyan Products, LLC and Gutchess Vernon, LLC (collectively the Company or Plan Sponsor). An employee who is age 18 or older is eligible to participate in the elective deferral and Company matching features of the Plan immediately. Participants are eligible to receive a Company discretionary matching contribution only if they make deferral contributions to the Plan. Participants are also eligible to receive an allocation of Company discretionary nonelective contributions if they are employed on the last day of the Plan year, have completed one year of service with a minimum of 1,000 hours during the Plan year and are age 18 or older. An employee is eligible to participate in the Company discretionary nonelective contributions feature of the Plan on the first day of each month following the date the employee meets the eligibility requirements. The Plan is subject to the provisions of ERISA. The Plan Administrator is responsible for the administration of the Plan and determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Board of Directors.

Contributions: Participants may contribute the lesser of 60% of their annual compensation as defined by the Plan, or \$19,500 into the Plan for 2021 and 2020 (elective deferral contributions). Contributions are subject to the limitations determined by the Internal Revenue Service (IRS). Additionally, if a participant has or is projected to attain age 50 before the end of the calendar year, that participant may make "catch-up" contributions of \$6,500 as determined by the IRS, for 2021 and 2020. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5% of eligible compensation. Automatically enrolled participants have their contributions invested in a designated balanced fund until changed by the participant.

GUTCHESS COMPANIES 401(k) SAVINGS PLAN

December 31, 2021 and 2020

NOTE A--DESCRIPTION OF THE PLAN--Continued

Contributions--Continued: Discretionary matching contributions are allocated among eligible participants so that each eligible participant receives a rate or amount that is identical to the rate or amount received by all other eligible participants as determined by the Plan Sponsor. Additional Company discretionary nonelective contributions may be contributed by the Company.

Participant Accounts: Each participant's account is credited with elective deferral contributions, allocations of the Company's matching and discretionary nonelective contributions, Plan earnings and losses and a participant's loan activity. Plan earnings and losses are allocated based on account balances. Allocation of Company discretionary nonelective contributions is based on a participant's eligible compensation to total eligible compensation. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary nonelective contribution portions of their accounts plus actual earnings thereon is based on years of service as identified in the Plan agreement. A participant is fully vested after three years of credited service.

Receivables--Notes from Participants: Participants may borrow from their vested accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms are up to five years, unless the loan is for the purpose of acquiring a principal residence then the maximum period shall be ten years. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest as determined by the Plan Administrator. Participants may only have one loan outstanding at any given time and may not apply for another loan until the existing loan is paid in full. Principal and interest are paid ratably through payroll deductions.

In response to the pandemic, the Plan implemented the following provisions of the Coronavirus Aid, Relief and Economic Security (CARES) Act that was signed into law on March 27, 2020 to help those participants impacted by the novel coronavirus (COVID-19) pandemic:

- Participants with an outstanding loan on or after March 27, 2020 may have qualified to defer loan repayments until December 31, 2020 and may have extended the term of the loan by one year.

NOTES TO FINANCIAL STATEMENTS--Continued

GUTCHESS COMPANIES 401(k) SAVINGS PLAN

December 31, 2021 and 2020

NOTE A--DESCRIPTION OF THE PLAN--Continued

Receivables--Notes from Participants--Continued:

- Between March 27, 2020 and September 22, 2020, participants may have borrowed from their vested accounts, at an increased maximum amount that did not exceed the lesser of: (1) \$100,000 minus the difference between the highest outstanding loan balance during the last 12-consecutive-month period and the outstanding loan balance on the date the loan was made; or (2) 100% of the participant's vested account balance.

Payment of Benefits: Upon termination of a participant's employment for any reason, including death, disability or retirement, a participant may elect to receive a lump-sum cash distribution, a direct rollover distribution, a combination of both, or an installment distribution equal to the value of the participant's vested interest in his or her account. If a participant's vested account balance is between \$1,000 and \$5,000, and the participant fails to make a distribution election, a lump-sum amount will be rolled over to an individual retirement account without their consent. If a participant's vested account balance is \$1,000 or less, and the participant fails to make a distribution election, a lump-sum amount will be paid to the participant without their consent.

As a result of the CARES Act, the Plan implemented the following provisions:

- Participants were permitted to take a distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020.
- Participants and beneficiaries may have elected to suspend required minimum distributions for the 2020 Plan year.

Forfeited Accounts: Company matching and discretionary nonelective contributions from forfeited nonvested accounts are retained by the Plan and used to offset Plan expenses and to reduce subsequent Company contributions. At December 31, 2021 and 2020, forfeited nonvested accounts totaled approximately \$12,889 and \$14,456, respectively. Company contributions were reduced by \$45,755 and \$43,087 from forfeited nonvested accounts in 2021 and 2020, respectively. The Company did not use forfeited nonvested accounts to pay Plan expenses in 2021 or 2020.

NOTE B--SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared under the accrual method of accounting.

NOTES TO FINANCIAL STATEMENTS--Continued

GUTCHESS COMPANIES 401(k) SAVINGS PLAN

December 31, 2021 and 2020

NOTE B--SIGNIFICANT ACCOUNTING POLICIES--Continued

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note D for discussion of fair value measurements.

Purchases and sales of shares in registered investment companies are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains on investments bought and sold as well as held during the year. All investments are participant-directed.

Receivables--Notes From Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded at December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Excess Contributions Payable: Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to participants' salary deferrals. The Plan distributed the excess contributions recorded at December 31, 2020 to its participants in 2021. There are no excess contributions payable at December 31, 2021.

Payment of Benefits: Benefits are recorded when paid.

Events Occurring After Reporting Date: The Plan Administrator has evaluated events and transactions that occurred between December 31, 2021 and June 10, 2022, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements. There were no such events or transactions identified by the Plan Administrator.

NOTE C--INFORMATION CERTIFIED AND PROVIDED BY FIDELITY MANAGEMENT TRUST COMPANY (UNAUDITED)

The following is a summary of the Plan's asset information as of and for the years ended December 31, 2021 and 2020, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the trustee and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee that information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following assets.

	<u>2021</u>	<u>2020</u>
Participant directed investments, at fair value:		
Money market funds	\$ -0-	\$ 1,789
Common trust	1,255,656	2,255,058
Shares in registered investment companies	<u>37,548,219</u>	<u>30,430,791</u>
Total participant directed investments, at fair value	<u>\$38,803,875</u>	<u>\$32,687,638</u>
Receivables--notes from participants	<u>\$ 544,141</u>	<u>\$ 475,855</u>

Fidelity Management Trust Company (Fidelity) also certified to the completeness and accuracy of \$2,908,371 and \$5,820,651 of net appreciation in fair value of shares in registered investment companies, \$34,998 and \$33,724 of net appreciation in fair value of the common trust, \$2,436,640 and \$1,339,164 of interest and dividends and \$28,281 and \$30,379 of interest income on notes receivable from participants for the years ended December 31, 2021 and 2020, respectively.

NOTE D--FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) Topic 820, "Fair Value Measurements and Disclosures", are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTES TO FINANCIAL STATEMENTS--Continued

GUTCHESS COMPANIES 401(k) SAVINGS PLAN

December 31, 2021 and 2020

NOTE D--FAIR VALUE MEASUREMENTS--Continued

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Money market funds: The fair value of money market funds approximates carrying value due to the nature of the instrument.

Common trust: Valued at the NAV of units of the common trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the common trust, the trustee reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Shares in registered investment companies: Valued at the daily closing price as reported by the registered investment companies. The registered investment companies are open-ended and are registered with the Securities and Exchange Commission. Registered investment companies are required to publish their daily net asset value (NAV) and to transact at that price. The shares held in registered investment companies are deemed to be actively traded.

December 31, 2021 and 2020

NOTE D--FAIR VALUE MEASUREMENTS--Continued

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used at December 31, 2021 and 2020.

The following table sets forth by Level, within the fair value hierarchy, the Plan's investments at fair value:

	Investments at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Shares in registered investment companies	<u>\$37,548,219</u>	<u>\$-0-</u>	<u>\$-0-</u>	<u>\$37,548,219</u>
Total assets in the fair value hierarchy	<u>\$37,548,219</u>	<u>\$-0-</u>	<u>\$-0-</u>	37,548,219
Common trust measured at net asset value ^(a)				<u>1,255,656</u>
Investments at fair value				<u>\$38,803,875</u>
	December 31, 2020			
	Level 1	Level 2	Level 3	Total

Total assets in the fair value hierarchy	<u>\$30,432,580</u>	<u>\$-0-</u>	<u>\$-0-</u>	30,432,580
Common trust measured at net asset value ^(a)				<u>2,255,058</u>
Investments at fair value				<u>\$32,687,638</u>

- (a) In accordance with FASB ASC Topic 820-10, the common trust, which is measured at net asset value per share (or its equivalent) is not classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

NOTE D--FAIR VALUE MEASUREMENTS--Continued

The following table summarizes the investment for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for this investment; the redemption notice period is applicable only to the Plan.

NOTE E--TAX STATUS

Effective October 21, 2021, the Plan adopted a non-standardized form of a prototype plan sponsored by Fidelity. The prototype plan provider has received an opinion letter from the IRS as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. Prior to October 21, 2021, the Plan had adopted a volume submitter plan sponsored by Fidelity. The volume submitter plan provider had received an advisory letter from the IRS as to the volume submitter plan's qualified status. The volume submitter plan advisory letter had been relied upon by the Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE F--RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

The Plan invests in shares of registered investment companies and money market funds managed by Fidelity who is the trustee as defined by the Plan and, therefore, these transactions qualify as party in interest transactions, which are exempt from the prohibited transaction rules. Fees related to trustee recordkeeping and certain other administrative services are charged directly to the participant's account and are included in administrative expenses. Fees paid by the Plan to Fidelity for these services amounted to \$62,706 and \$50,927 for the years ended December 31, 2021 and 2020, respectively. These fees are deducted from individual participant accounts.

Administrative expenses for auditing services are provided by parties in interest and are paid directly by the Company.

Fidelity provides certain administrative services to the Plan pursuant to a Service and Compensation Agreement between the Company and Fidelity. Fidelity receives revenue from the investment service providers for services Fidelity provides to the investment funds. This revenue is used to offset certain amounts owed to Fidelity for its administrative services to the Plan.

NOTE G--PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, participants will become 100% vested in their accounts and all Plan assets will be distributed to participants in single lump sum payments.

NOTE H--RISKS AND UNCERTAINTIES

The Plan invests in money market funds, a common trust, and shares of registered investment companies. The investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
