Independent Auditor's Report

To the Plan Sponsor and Plan Participants
Sherrill, Inc. 401(k) Profit Sharing Plan & Trust
Greensboro, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Sherrill, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements ("financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency ("qualified institution"), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the certified investment information in the accompanying financial statements agrees to or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules, as listed in the accompanying table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

1. Description of Plan

The following description of the Sherrill, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan") provides only general information. Participants should refer to the summary plan description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan available to eligible employees of Vertical Supply Group (the "Company") who have attained 20.5 years of age. Employees are eligible for participation immediately upon hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

In July 2019, the Company acquired the businesses and certain assets of Bishop Company and Sterling Rope Company, Inc. and the respective employees of the companies became eligible to participate in the Plan during 2020. The net assets of the Bishop Supply Company, Inc. Profit Sharing Plan and Sterling Rope Company, Inc. 401(k) Profit Sharing Plan and Trust totaling \$2,371,280, including outstanding notes receivable from participants of \$35,435, were transferred in February 2020 and are reflected in the accompanying statements of changes in net assets available for benefits.

Contributions

Eligible employees are automatically enrolled at a 4% deferral percentage which will increase by increments of 1% annually up to a maximum of 8% unless they elect an alternative percentage or decline participation. Participants may also elect to contribute up to 100% of their pre-tax and/or after-tax ("Roth") compensation, as defined by the Plan, not to exceed the limits set by the Internal Revenue Service ("IRS"). Participants who have attained age 50 are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). During 2021 and 2020, the Company made discretionary contributions equal to 100% of the first 3% and 50% of the next 2% of base compensation that each participant contributed to the Plan. The Company may also make discretionary profit sharing contributions. There was no discretionary profit sharing contribution in 2021 or 2020. Participants must be employed on the last day of the Plan year in order to receive Company contributions.

Upon enrollment in the Plan, a participant may direct their contributions into any of the investment options through the Plan. Participants may change their investment options at any time and their deferral percentages monthly.

Participant Accounts

Each participant's account is credited with the participant's and the Company's contributions and an allocation of the Plan's net earnings and administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contributions, plus any actual earnings thereon, is based on years of service according to the following schedule:

<u>Years of Continuous Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

See accompanying independent auditor's report.

Sherrill, Inc.
401(k) Profit Sharing Plan & Trust

Notes to Financial Statements

1. Description of Plan (Concluded)

Payment of Benefits

Upon termination of service due to death, disability, retirement, or separation, a participant is entitled to receive his or her vested account balance in a lump-sum payment. In-service withdrawals may be made to participants who have reached age 59½. Withdrawals may also be made upon circumstances of financial hardship, in accordance with provisions specified in the Plan.

Forfeitures

Forfeitures from non-vested participant accounts are used to offset Company discretionary matching contributions. Forfeitures of approximately \$5,000 and \$31,000 were used to reduce the Company's 2020 and 2019 discretionary matching contributions that were deposited in 2021 and 2020, respectively. As of December 31, 2021, forfeitures of \$2 are available to reduce future Company contributions.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Terms are primarily up to five years or up to 10 years for the purchase of a primary residence. Participants may only have one outstanding loan at a time. The notes are secured by the vested account balance in the participant's account and bear interest at a rate commensurate with market rates. Principal and interest are paid ratably through payroll deductions.

Administrative Expenses

The Company absorbs certain expenses incidental to the administration of the Plan, including internal administrative costs. Other fees, including custodian and asset fees, are paid by the Plan. Loan and distribution fees are paid out of affected participant accounts.

Coronavirus Aid, Relief, and Economic Security Act ("CARES Act")

In 2020, the Plan adopted certain provisions of the CARES Act, which allowed eligible participants negatively impacted by COVID-19 to receive Coronavirus-related distributions and loans. Distributions of up to \$100,000 could be taken through December 30, 2020, with the portion repaid in full or part within three years not subject to tax. Loans of up to \$100,000 or 100% of the participant's vested account balance could be taken through September 22, 2020. Participants could also suspend payments on new or existing loans for payments due between March 27, 2020 and December 31, 2020 for up to one year.

2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are primarily stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

See accompanying independent auditor's report.

2. Summary of Significant Accounting Policies (Concluded)

Investment Valuation and Income Recognition (Concluded)

Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan invests in investment contracts through the Principal Fixed Income Guaranteed Option.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent notes receivable are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Management has evaluated events occurring subsequent to the date of the financial statements through July 22, 2022, the date that the financial statements were available to be issued, and determined that no events require adjustment to or additional disclosure in the financial statements, other than as disclosed in Note 11.

3. Certified Investment Information

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2021 and 2020, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company ("Reliance") and Principal Trust Company ("Principal"), respectively.

4. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

5. Income Tax Status

The Plan has adopted a prototype plan document sponsored by Principal Life Insurance Company ("PLIC"). The IRS has determined and informed PLIC by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since the date of the determination letter; however, the plan administrator believes that the Plan is currently designed and being operated in compliance with applicable provisions of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

6. Plan Termination

Although it has not expressed any intent to do so, the plan sponsor has the right to discontinue the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

7. Party-in-Interest Transactions

Certain investments of the Plan are managed by Principal and PLIC. Principal and PLIC also served as the respective custodian and recordkeeper of the Plan and, as such, these transactions qualify as party-in-interest. Administrative fees paid by the Plan to PLIC for recordkeeping and other administrative services were \$82,927 and \$45,766 during 2021 and 2020.

8. Fair Value Measurements

The Plan has adopted Accounting Standards Codification 820, "Fair Value Measurements and Disclosures" ("ASC 820") which establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy under ASC 820 are as follows:

Basis of Fair Value Measurements

- Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;
- Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at net asset value ("NAV") of shares held by the Plan at year-end. The NAV for these investments is a quoted price in an active market and is classified within Level 1 of the valuation hierarchy.

Common collective trusts: Valued at NAV as determined by the issuer based on the fair market value of the underlying investments, minus liabilities, which are valued primarily through the use of directly and indirectly observable inputs. As the value of these investments is readily determinable, these funds are classified within Level 2 of the valuation hierarchy.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

8. Fair Value Measurements (Concluded)

The following table summarizes the investments by level as defined within the fair value hierarchy as of December 31, 2021.

	Investment Assets at Fair Value			
	Level 1	Level 2	Level 3	Total
Common collective trust funds	\$ 8,232,836	\$ -	\$ -	\$ 8,232,836
	\$ 8,232,836	\$ -	\$ -	\$ 8,232,836

The following table summarizes the investments by level as defined within the fair value hierarchy as of December 31, 2020.

	Investment Assets at Fair Value			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 6,945,681	\$ -	\$ -	\$ 6,945,681
	\$ 6,945,681	\$ -	\$ -	\$ 6,945,681

9. Guaranteed Investment Contracts

The Principal Fixed Income Guaranteed Option is a guaranteed general-account backed group annuity contract issued by PLIC. Amounts contributed to the contract are invested in a broadly diversified fixed-income portfolio within PLIC's accounting, including primarily bonds and mortgage loans. The contract is designed to provide safety of principal, a declared interest rate, and liquidity, with no transfer charges to participants. The minimum crediting rate under the contract was 1.55% and 1.60% at December 31, 2021 and 2020. Principal and accumulated interest are fully guaranteed by PLIC. Generally there are not any events that could limit the ability of the Plan to transact at contract value.

10. Delinquent Participant Contributions

During the year ended December 31, 2021, participant loan (note receivable from participants) repayments of \$205 and elective deferrals of \$2,410 were not remitted within the appropriate time period by the Company. These transactions constitute, prohibited transactions as defined by ERISA. As of the report date, the Company has completed the necessary corrective actions, including the calculation and remittance of lost earnings to participant accounts.

11. Subsequent Events

Effective January 1, 2022, the Plan changed its recordkeeper and trustee service providers from Principal Trust Company to Transamerica and Reliance Trust Company, respectively. In preparation for this transition, approximately \$8,233,000 of Plan assets were transferred to Reliant Trust Company and held in the Transamerica Stable Value Core Account as of December 31, 2021 to be subsequently invested based upon participant direction in January 2022.

11. Subsequent Events (Concluded)

In concurrence with the above transition, participants may change their elected deferral percentages at any time. In addition, the Plan amended vesting for Company's discretionary matching and profit-sharing contributions, plus any income or loss thereon, based upon the following schedule:

<u>Years of Continuous Service</u>	<u>Vesting Percentage</u>
1	25%
2	50%
3	75%
4	100%

In April 2022, the Company was acquired by Gridiron Capital. The transaction had no impact on the Plan during 2021.
