## Independent Auditors' Report

---

To the Plan Administrator  
Kendall Packaging Corporation 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Kendall Packaging Corporation 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

### Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Kendall Packaging Corporation 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kendall Packaging Corporation 401(k) Plan's ability to continue as a going concern for one year from the date of this report.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Kendall Packaging Corporation 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kendall Packaging Corporation 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### *2021 Supplemental Schedules Required by ERISA*

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditor's Report on the 2020 Financial Statements*

We were engaged to audit the 2020 financial statements of Kendall Packaging Corporation 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 1, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion, and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**KENDALL PACKAGING CORPORATION 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2021 and 2020**

---

**NOTE A | DESCRIPTION OF PLAN**

The following description of the Kendall Packaging Corporation (Company) 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

*1. General*

The Plan was adopted January 1, 1990. It was amended and restated effective May 6, 2015, and is a profit sharing 401(k) plan under Section 401(k) of the Internal Revenue Code covering all eligible employees of the Company.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

*2. Administrative Expenses*

The Company has elected to pay a portion of the Plan's administrative expenses, while the remainder of the expenses are paid by the Plan. Total administrative expenses paid by the Plan were \$80,287 and \$60,585 for the years ended December 31, 2021 and 2020, respectively.

*3. Contributions*

Participants may contribute up to the maximum amount allowable under the current Internal Revenue Code. For the plan year or any other contribution period, the Company, in its sole discretion, may make a matching contribution which will be allocated to eligible participants' matching contributions accounts. For the years ended December 31, 2021 and 2020, the profit sharing match percentage was determined quarterly based upon the Company's pre-tax income for the previous quarter. The Company matched up to the first 6% of participants' contributions. Total Company contributions were \$131,187 and \$616,134 for the years ended December 31, 2021 and 2020, respectively.

*4. Participant Accounts*

Each participant's account is credited with the participant's contribution, the Company matching contribution, and an allocation of Plan earnings. Plan earnings are allocated to each of the participants at the end of the day on the basis of the individual participant's balances at the beginning of the day as a percent of total participants' beginning balances. Forfeitures may be used to offset employer contributions to the Plan or used to offset Plan expenses. Forfeitures were \$18,449 and \$16,941, for the years ended December 31, 2021 and 2020, respectively. The Company offset employer contributions with forfeitures of \$5,115 and \$17,027 for the years ended December 31, 2021 and 2020, respectively. The benefit to which a participant is entitled to is the benefit that can be provided from the participant's account.

**NOTE A | DESCRIPTION OF PLAN - CONTINUED**

*5. Notes Receivable from Participants*

Participants may borrow from their fund accounts a minimum of \$1,000 and to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant notes fund. Loan terms range from one to five years or up to ten years for the purchase of a primary residence. The loans are secured by the balance in the participants' accounts and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the plan administrator. Interest rates range from 5.25 percent to 8 percent. Principal and interest are paid ratably through payroll deductions.

The Plan deems all participant notes receivable to be fully collectible; therefore, no allowance for uncollectible accounts is required. Participant notes receivable are treated as distributions when they are determined to be uncollectible.

*6. Vesting*

Vesting is based on years of continuous service. A participant is 100 percent vested after six years of credited service. Amounts credited to a participant's salary deferral account and rollover account are 100 percent vested and non-forfeitable at all times.

*7. Payment of Benefits*

On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of his or her account or installment payments.

*8. Use of Estimates*

Management uses estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates that were used.

*9. Investment Valuation and Income Recognition*

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**NOTE A | DESCRIPTION OF PLAN - CONTINUED**

*10. Income Tax Status*

The Internal Revenue Service has determined by a letter dated June 30, 2020, that the prototype plan and related trust from which the Plan was drafted are designed in accordance with applicable sections of the Internal Revenue Code, and accordingly, the trust's net investment income is exempt from income taxes. The Plan has been amended since the date of the letter. However, the Company believes that the Plan continues to qualify for tax exempt status and is operating as designed. The Plan follows the accounting standards for uncertainty in income taxes; however, the Plan does not believe it has any uncertain tax positions and has no unrecognized tax benefits or liabilities for penalties or interest.

*11. Subsequent Events*

Management has evaluated subsequent events for recognition and disclosure in the financial statements through July 22, 2022, which is the date the financial statements were available to be issued. No subsequent events were noted that required recognition or disclosure.

**NOTE B | INVESTMENTS**

All of the Plan's investments are participant directed and held by a trust company. Participants may direct their contributions into any of the investment options offered by the Plan. Investment option changes and transfers may be made by the participants on a daily basis.

**NOTE C | RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE D | FAIR VALUE MEASUREMENT**

The Plan follows the fair value measurement guidance for financial assets and financial liabilities. The guidance defines fair value, establishes a framework for measuring value, and expands disclosure about fair value measurements. In addition, the guidance permits an entity to measure eligible financial instruments and other items at fair value. The Plan has not made any fair value elections.

Fair value is defined to be the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A three-level hierarchy has been established for fair value measurements based upon the inputs to the valuation of an asset or liability as follows:

Level 1 - Valuation is based on quoted prices for identical assets and liabilities in active markets.

**KENDALL PACKAGING CORPORATION 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2021 and 2020**

**NOTE D | FAIR VALUE MEASUREMENT - CONTINUED**

Level 2 - Valuation is derived from inputs, other than quoted prices included in Level 1, which are observable for the asset or liability either directly or indirectly. Investments classified as Level 2 are generally valued by benchmarking model-derived prices to quoted market prices and trade data for identical or comparable securities. The significant inputs used in this approach include interest rates, prepayment timing, yield spreads, maturities, credit losses, and credit ratings of the securities.

Level 3 - Valuation is derived from unobservable inputs that are not corroborated by market data.

Fair values of mutual funds and the collective trust fund have been determined by the Plan based on observable market quotations.

Assets that were accounted for at fair value on a recurring basis as of December 31 are as follows:

**NOTE E | PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are shares of mutual funds managed by Fidelity. Fidelity is the trustee of the Plan, and, therefore, these transactions qualify as party-in-interest transactions.

**NOTE F | PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

**NOTE G | VOLUNTARY CORRECTION PROGRAM**

During the year ended December 31, 2021, the Plan discovered an error whereby excess matching contributions were made to a certain participant. The Plan proposed a correction and was granted approval by the IRS under the Voluntary Correction Program. The corrective action has been executed as of the date of this report.

**NOTE H | LIMITATION ON SCOPE OF ACCOUNTANTS' AUDIT**

The accountants' audit has been limited with respect to investment assets and investment transactions certified by Fidelity Management Trust Company as being complete and accurate, as summarized below:

## Independent Auditors' Report

To the Plan Administrator  
Kendall Packaging Corporation 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Kendall Packaging Corporation 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

### Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Kendall Packaging Corporation 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kendall Packaging Corporation 401(k) Plan's ability to continue as a going concern for one year from the date of this report.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Kendall Packaging Corporation 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kendall Packaging Corporation 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### *2021 Supplemental Schedules Required by ERISA*

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditor's Report on the 2020 Financial Statements*

We were engaged to audit the 2020 financial statements of Kendall Packaging Corporation 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 1, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion, and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**KENDALL PACKAGING CORPORATION 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2021 and 2020**

---

**NOTE A | DESCRIPTION OF PLAN**

The following description of the Kendall Packaging Corporation (Company) 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

*1. General*

The Plan was adopted January 1, 1990. It was amended and restated effective May 6, 2015, and is a profit sharing 401(k) plan under Section 401(k) of the Internal Revenue Code covering all eligible employees of the Company.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

*2. Administrative Expenses*

The Company has elected to pay a portion of the Plan's administrative expenses, while the remainder of the expenses are paid by the Plan. Total administrative expenses paid by the Plan were \$80,287 and \$60,585 for the years ended December 31, 2021 and 2020, respectively.

*3. Contributions*

Participants may contribute up to the maximum amount allowable under the current Internal Revenue Code. For the plan year or any other contribution period, the Company, in its sole discretion, may make a matching contribution which will be allocated to eligible participants' matching contributions accounts. For the years ended December 31, 2021 and 2020, the profit sharing match percentage was determined quarterly based upon the Company's pre-tax income for the previous quarter. The Company matched up to the first 6% of participants' contributions. Total Company contributions were \$131,187 and \$616,134 for the years ended December 31, 2021 and 2020, respectively.

*4. Participant Accounts*

Each participant's account is credited with the participant's contribution, the Company matching contribution, and an allocation of Plan earnings. Plan earnings are allocated to each of the participants at the end of the day on the basis of the individual participant's balances at the beginning of the day as a percent of total participants' beginning balances. Forfeitures may be used to offset employer contributions to the Plan or used to offset Plan expenses. Forfeitures were \$18,449 and \$16,941, for the years ended December 31, 2021 and 2020, respectively. The Company offset employer contributions with forfeitures of \$5,115 and \$17,027 for the years ended December 31, 2021 and 2020, respectively. The benefit to which a participant is entitled to is the benefit that can be provided from the participant's account.

**NOTE A | DESCRIPTION OF PLAN - CONTINUED**

*5. Notes Receivable from Participants*

Participants may borrow from their fund accounts a minimum of \$1,000 and to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant notes fund. Loan terms range from one to five years or up to ten years for the purchase of a primary residence. The loans are secured by the balance in the participants' accounts and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the plan administrator. Interest rates range from 5.25 percent to 8 percent. Principal and interest are paid ratably through payroll deductions.

The Plan deems all participant notes receivable to be fully collectible; therefore, no allowance for uncollectible accounts is required. Participant notes receivable are treated as distributions when they are determined to be uncollectible.

*6. Vesting*

Vesting is based on years of continuous service. A participant is 100 percent vested after six years of credited service. Amounts credited to a participant's salary deferral account and rollover account are 100 percent vested and non-forfeitable at all times.

*7. Payment of Benefits*

On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of his or her account or installment payments.

*8. Use of Estimates*

Management uses estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates that were used.

*9. Investment Valuation and Income Recognition*

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2021 and 2020**

---

**NOTE A | DESCRIPTION OF PLAN - CONTINUED**

10. *Income Tax Status*

The Internal Revenue Service has determined by a letter dated June 30, 2020, that the prototype plan and related trust from which the Plan was drafted are designed in accordance with applicable sections of the Internal Revenue Code, and accordingly, the trust's net investment income is exempt from income taxes. The Plan has been amended since the date of the letter. However, the Company believes that the Plan continues to qualify for tax exempt status and is operating as designed. The Plan follows the accounting standards for uncertainty in income taxes; however, the Plan does not believe it has any uncertain tax positions and has no unrecognized tax benefits or liabilities for penalties or interest.

11. *Subsequent Events*

Management has evaluated subsequent events for recognition and disclosure in the financial statements through July 22, 2022, which is the date the financial statements were available to be issued. No subsequent events were noted that required recognition or disclosure.

**NOTE B | INVESTMENTS**

All of the Plan's investments are participant directed and held by a trust company. Participants may direct their contributions into any of the investment options offered by the Plan. Investment option changes and transfers may be made by the participants on a daily basis.

**NOTE C | RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE D | FAIR VALUE MEASUREMENT**

The Plan follows the fair value measurement guidance for financial assets and financial liabilities. The guidance defines fair value, establishes a framework for measuring value, and expands disclosure about fair value measurements. In addition, the guidance permits an entity to measure eligible financial instruments and other items at fair value. The Plan has not made any fair value elections.

Fair value is defined to be the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A three-level hierarchy has been established for fair value measurements based upon the inputs to the valuation of an asset or liability as follows:

Level 1 - Valuation is based on quoted prices for identical assets and liabilities in active markets.

**KENDALL PACKAGING CORPORATION 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2021 and 2020**

**NOTE D | FAIR VALUE MEASUREMENT - CONTINUED**

Level 2 - Valuation is derived from inputs, other than quoted prices included in Level 1, which are observable for the asset or liability either directly or indirectly. Investments classified as Level 2 are generally valued by benchmarking model-derived prices to quoted market prices and trade data for identical or comparable securities. The significant inputs used in this approach include interest rates, prepayment timing, yield spreads, maturities, credit losses, and credit ratings of the securities.

Level 3 - Valuation is derived from unobservable inputs that are not corroborated by market data.

Fair values of mutual funds and the collective trust fund have been determined by the Plan based on observable market quotations.

Assets that were accounted for at fair value on a recurring basis as of December 31 are as follows:

|                       | 2021                 |             |             |                      |

**NOTE E | PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are shares of mutual funds managed by Fidelity. Fidelity is the trustee of the Plan, and, therefore, these transactions qualify as party-in-interest transactions.

**NOTE F | PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

**NOTE G | VOLUNTARY CORRECTION PROGRAM**

During the year ended December 31, 2021, the Plan discovered an error whereby excess matching contributions were made to a certain participant. The Plan proposed a correction and was granted approval by the IRS under the Voluntary Correction Program. The corrective action has been executed as of the date of this report.

**NOTE H | LIMITATION ON SCOPE OF ACCOUNTANTS' AUDIT**

The accountants' audit has been limited with respect to investment assets and investment transactions certified by Fidelity Management Trust Company as being complete and accurate, as summarized below:
