Independent Auditors' Report

To the Plan Administrator
Schear Financial Services, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Schear Financial Services, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Schear Financial Services, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Schear Financial Services, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Other Matter

The 2020 financial statements were compiled by us in conjunction with our report on the 2021 financial statements, dated July 25, 2022. We did not audit or review those financial statements and, accordingly, do not express an opinion or provide any assurance about whether they are in accordance with accounting principles generally accepted in the United States of America.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Schear Financial Services, LLC 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Schear Financial Services, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Schear Financial Services, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SHEAR FINANCIAL SERVICES, LLC 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021 and 2020 (Unaudited)

NOTE A – DESCRIPTION OF PLAN

The following brief description of the Shear Financial Services, LLC 401(k) Plan (the Plan) is provided for general information purposes. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

General Information

The Plan is a defined contribution 401(k) plan covering substantially all employees of Shear Financial Services, LLC (the Company) who are not classified as union employees, non-resident aliens or interns. Employees are eligible to participate in the Plan and to receive an allocation of Company contributions after reaching the age of twenty-one and completing six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and is qualified under the Internal Revenue Code (the Code).

Contributions

Each year, participants may voluntarily contribute up to 100% of their eligible compensation. However, an annually adjusted Internal Revenue Service (IRS) dollar limit also applies. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution or benefit plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant contributions are matched by employer contributions through a safe harbor matching contribution in an amount equal to (i) 100% of the employee contributions that are not in excess of 3% of eligible compensation, plus (ii) 50% of the amount of the employee contributions that exceed 3% of eligible compensation but that do not exceed 5% of eligible compensation.

In addition to the contributions described above, the Company may make additional qualified non-elective contributions for the benefit of such participants determined at the discretion of the Company. No non-elective contributions were made for the years ended December 31, 2021 and 2020 (*unaudited*).

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's contributions, if any, and plan earnings. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All amounts in participant accounts are participant-directed; however, the trustee has complete control over the investment offerings made available to plan participants.

SHEAR FINANCIAL SERVICES, LLC 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021 and 2020 (Unaudited)

NOTE A – DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their elective deferral contributions, rollovers and employer safe harbor matching contributions, plus actual earnings thereon. Any employer non-safe harbor discretionary contributions to the Plan, plus any earnings they generate, vest at 20% each year and are fully vested after five years of service.

Payment of Benefits

Participants become eligible for benefit distributions upon retirement, disability, death, or termination of employment. All benefit distributions are made in lump sum cash payments, rollovers to other plans, or installments upon participant request for payment (death benefits only). In-service distributions are permissible from the Plan for participants that have obtained the age of 59 1/2. Participants electing in-service distributions may elect to receive all or a portion of their vested benefits in a lump-sum payment. Benefit payments are recorded when approved. Hardship withdrawals may be authorized for the following reasons: (a) purchase of primary residence, (b) tuition expense for post-secondary education, (c) medical expenses, (d) prevention of foreclosure on a primary residence, (e) funeral or burial expenses for parents, spouse, children, or dependents, and (f) repair damage expenses to primary home that would be tax deductible and (g) expenses incurred due to a disaster declared by the Federal Emergency Management Agency. For participants with vested account balances of \$1,000 or less upon termination, the vested account balance will be distributed in a lump-sum distribution.

Expenses of the Plan

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Certain investment related expenses are included in net appreciation of fair value of investments.

Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated, participants would become 100% vested in their accounts.

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021 and 2020 (Unaudited)

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value except for the fully-benefit responsive investment contract (see Note E). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements. The fully-benefit responsive investment contract is reported at contract value because it represents the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments are recorded when approved. There were no benefit payments that were approved but not paid as of December 31, 2021 or 2020 (*unaudited*).

SHEAR FINANCIAL SERVICES, LLC 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021 and 2020 (Unaudited)

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Due from Broker

On December 31, 2021, the Plan initiated a transfer of the Plan's investments held with Voya Institutional Trust Company to First Bank & Trust (new custodian and trustee effective January 1, 2022). To facilitate the transfer, the Plan instituted a blackout period from December 23, 2021 to January 16, 2022, during which time, Plan participants were restricted from changing investment elections and completing other Plan transactions. Upon completion of the transfer on January 3, 2022, the investment options of First Bank & Trust became the new investment options available to Plan participants. Simultaneously with the asset transfer, First Bank & Trust was made the Plan's recordkeeper.

The Plan recorded a due from broker receivable of \$2,518,316 as of December 31, 2021 as a result of the transfer of investments from Voya Institutional Trust Company to First Bank & Trust. Due to the timing of the blackout period, certain contributions were received by First Bank & Trust for the year ended December 31, 2021 into the investment options available to Plan participants under First Bank & Trust (see Note D).

NOTE C – INVESTMENTS (INFORMATION CERTIFIED BY THE PLAN TRUSTEE)

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, all investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2021 and 2020 (*unaudited*), and net appreciation in fair value of investments for the year ended December 31, 2021, were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Voya Institutional Trust Company and First Bank & Trust.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE D – FAIR VALUE MEASUREMENTS

Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurements* (ASC Topic 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are described below:

SHEAR FINANCIAL SERVICES, LLC 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021 and 2020 (Unaudited)

NOTE D – FAIR VALUE MEASUREMENTS (CONTINUED)

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020 (*unaudited*).

Mutual funds: Mutual funds are stated at fair value as defined by observable quoted prices in active markets (Level 1).

Collective investment funds: The collective investment funds participate in a stable value fund that invests primarily in traditional and synthetic guaranteed investment contracts and money market funds that is valued at the net asset value (NAV) of units of the collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. There are no redemption restrictions upon which the participant may redeem investments in the fund.

SHEAR FINANCIAL SERVICES, LLC 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021 and 2020 (Unaudited)

NOTE D – FAIR VALUE MEASUREMENTS (CONTINUED)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Collective investment funds*	\$ -	\$ -	\$ -	\$ 1,250
Mutual funds	40,149	-	-	40,149
Total assets at fair value	\$ 40,149	\$ -	\$ -	\$ 41,399

* Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020 (*unaudited*):

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 1,521,542	\$ -	\$ -	\$ 1,521,542
Total assets at fair value	\$ 1,521,542	\$ -	\$ -	\$ 1,521,542

NOTE E – INVESTMENT CONTRACTS WITH INSURANCE COMPANY

As of December 31, 2020 (*unaudited*), the Plan held investments in a fully benefit-responsive guaranteed investment contract with VOYA Retirement Insurance and Annuity Company. The objective of this fund is stability of principal and a guaranteed minimum interest rate of 1% and may credit interest that exceeds the minimum guaranteed rate. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the Plan.

NOTE E – INVESTMENT CONTRACTS WITH INSURANCE COMPANY (CONTINUED)

Credited interest becomes part of principle and the investment increases through compound interest. All funds invested in the VOYA Fixed Account receive the same credited interest rate. The insurance company may have limitations on transfers with this fund. Withdrawals from the fund are not subject to limitations and may be made for any reason, subject to the plan document and IRC limitations. At December 31, 2020, the VOYA Fixed Account's contract value was \$35,565 (*unaudited*). There were no unfunded commitments at December 31, 2020 (*unaudited*). The Plan did not hold any investments in fully benefit-responsive investment contracts at December 31, 2021.

NOTE F – TAX STATUS

The Plan was formed effective January 1, 2019, by adopting the CCH Incorporated Volume Submitter 401(k)/Profit Sharing Plan. The underlying volume submitter plan has received an advisory letter from the IRS dated March 31, 2014 stating that the form of the Plan is qualified under Section 401 of the Code and therefore, the related trust is tax-exempt. In accordance with Revenue Procedures 2013-6 and 2011-49, the plan administrator has determined that it is eligible to, and has chosen to, rely on the current IRS volume submitter advisory letter. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that is more likely than not to not be sustained upon examination by the IRS. There were no uncertain tax positions as of December 31, 2021 or 2020 (*unaudited*).

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in process. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019 (initial year of plan adoption).

NOTE G – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE H – PARTIES-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, and a person who owns 50% or more of such an employer or employee association, or relatives of such persons.

Certain plan investments were in investment contracts managed by the Trustee, and therefore, these transactions qualify as party-in-interest. However, they are exempt from the prohibited transactions rules under ERISA.

Certain administrative services are provided by the Company at no cost to the Plan.

NOTE I – SUBSEQUENT EVENTS

In connection with the preparation of the Plan's financial statements for the year ended December 31, 2021, events and transactions subsequent to December 31, 2021 through July 25, 2022, which is the date on which the financial statements were available to be issued, have been evaluated by the plan administrator for possible adjustment and/or disclosure.

As previously disclosed, effective January 1, 2022, the Plan's custodian, trustee and recordkeeper changed from Voya Institutional Trust Company to First Bank & Trust. In connection with the change in providers, the Plan was also amended and restated on January 1, 2022. Under the Plan amendment and restatement, employees are now eligible to participate in the Plan and to receive an allocation of Company contributions after reaching the age of eighteen and completing three months of service.

No additional subsequent events requiring financial statement adjustment and/or disclosure have been identified.
