Morris James LLP Retirement Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the financial statements of the Morris James LLP Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, the related statement of changes in net assets available for benefits for December 31, 2021 and the related notes to the financial statements (the 2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the 2021 financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).

To the Board of Trustees and Management

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the 2021 financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2021 financial statements.

In preparing the 2021 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the 2021 financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the 2021 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

To the Board of Trustees and Management

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2021 financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### ***2021 Supplemental Schedule Required by ERISA***

The supplemental schedule, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the 2021 financial statements, but is supplementary information required by the

To the Board of Trustees and Management

DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to, or is derived from, the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Auditors' Report on the 2020 Financial Statements***

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 21, 2021, we indicated that: (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion, and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

## **Morris James LLP Retirement Plan**

### **Notes to Financial Statements**

#### **Note A - Description of the Plan**

The following summary plan description of the Morris James LLP Retirement Plan (the Plan) is provided for general information purposes. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

##### **1. General**

The Plan is a defined contribution plan covering all eligible employees of Morris James LLP (the Firm). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

##### **2. Eligibility**

Employees who are age 21 or older are eligible to make salary deferral contributions to the Plan after one month of service. Employees who are age 21 and older and who: (i) have completed two years of service; (ii) have worked at least 1,000 hours in the current plan year; and (iii) are employed by the Firm on the last day of the Plan year are eligible to receive a discretionary employer contribution. Entry dates for the discretionary employer contribution are January 1 and July 1 following satisfaction of the eligibility criteria.

##### **3. Contributions**

Participants may defer up to 100% of their compensation each year on a pre-tax or post-tax (Roth) basis up to the maximum amount established by the Internal Revenue Service (IRS). All new hires are automatically enrolled in the Plan with a 3% deferral percentage once they have met the eligibility requirements of age 21 and one month of service. All re-hires are automatically enrolled with a 3% deferral percentage immediately upon re-hire. Employees age 50 or older may defer additional pre-tax amounts (called catch-up contributions) to the Plan up to the established IRS limits. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers investments in mutual funds and a guaranteed investment contract. Profit-sharing contributions may be made at the discretion of the Firm's partners subject to certain limitations.

## **Morris James LLP Retirement Plan**

### **Notes to Financial Statements (Continued)**

#### **Note A - Description of the Plan (Continued)**

##### **4. Participants' Accounts**

Each participant's account is credited with the participant's contribution, allocations of the Firm's contributions and account earnings, and charged with an allocation of certain fees. Allocations are based on the participant's earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

##### **5. Vesting**

Participants are immediately 100% vested in both their salary deferrals and employer contributions plus actual earnings or losses thereon.

##### **6. Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant's loan fund. Loan terms shall not exceed 60 months starting from the first payment date unless the loan is for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with the local prevailing rates as determined quarterly by the Plan Administrator. Interest rates ranged from 4.25% to 6.50% for loans outstanding at December 31, 2021 and 2020. Principal and interest are paid ratably through payroll deductions.

##### **7. Benefits**

On termination of service for any reason, a participant may elect to receive a lump-sum amount up to the value of the participant's vested interest in his or her account. Installment payments are allowed for required minimum distributions only. Distributions are mandatory for terminated participant accounts with balances of \$5,000 or less.

##### **8. Administrative Expenses**

Recordkeeping fees, investment advisory fees, third-party administration fees, and origination fees on participant loans are all paid from the Plan. Plan audit fees are paid by the Plan Sponsor.

### **Notes to Financial Statements (Continued)**

#### **Note B - Summary of Significant Accounting Policies**

##### **1. Basis of Accounting**

The accompanying financial statements are prepared using the accrual method of accounting.

##### **2. Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

##### **3. Risk and Uncertainties**

The Plan's assets are invested in funds that are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with these funds, it is at least reasonably possible that changes in the values of these funds will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

##### **4. Payment of Benefits**

Amounts paid to participants are recorded upon distribution.

##### **5. Valuation of Investments and Income Recognition**

The Plan's investments are composed of mutual funds, which are reported at fair value, and a guaranteed investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note I for further discussion of the guaranteed investment contract.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

## **Morris James LLP Retirement Plan**

### **Notes to Financial Statements (Continued)**

#### **Note B - Summary of Significant Accounting Policies (Continued)**

##### **6. Fair Value Measurements**

The Plan follows authoritative guidance issued by the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, which defines fair value, establishes guides for measuring fair value, and prescribes disclosures regarding fair value measurements.

FASB ASC 820, *Fair Value Measurements and Disclosures*, establishes a hierarchy for information and valuations used in measuring fair value, which is broken down into the following three levels:

Level 1: Valuations are based on quoted market prices in active markets for identical assets or liabilities.

Level 2: Valuations are based on inputs that are observable, either directly or indirectly, other than quoted prices included within Level 1.

Level 3: Valuations are based on information that is unobservable and significant to the overall fair value measure.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

##### **7. Certifications**

The Firm has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The assets of the Plan are held by the Trustees. Accordingly, the Trustees have certified that certain data included in the accompanying financial statements and supplemental schedule (see Note C) are complete and accurate.

##### **8. Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative

expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Vanguard Fiduciary Trust Company as Trustee.

## **Morris James LLP Retirement Plan**

### **Notes to Financial Statements (Continued)**

#### **Note D - Plan Termination**

Although there has been no expressed intent to do so, the Firm has the right, under the Plan, to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

#### **Note E - Tax Status**

The Plan adopted a prototype plan sponsored by Heritage Administrative Services. The prototype plan has received an opinion letter from the IRS as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code (IRC). Therefore, they believe the Plan was qualified, and the related trust was tax exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS. No liabilities for uncertain tax positions or related interest and penalties have been recorded in these financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan is no longer subject to income tax examinations for years prior to 2018.

#### **Note F - Related-Party Transactions and Party-In-Interest Transactions**

Certain Plan assets are invested in mutual funds managed by Vanguard. Vanguard Fiduciary Trust Company is a Trustee of the Plan, and therefore, these transactions qualify as party-in-interest transactions. Also, certain Plan investments are units in guaranteed interest accounts managed by Mass Mutual Life Insurance Company. Mass Mutual Life Insurance Company is a Trustee of the Plan, and therefore, these transactions qualify as party-in-interest transactions. In addition, the Plan pays fees to Heritage Administrative Services and Langan Financial Group, its third-party administrator and Plan investment advisor, respectively; these transactions qualify as party-in-interest transactions. Participant loans also qualify as party-in-interest transactions.

#### Note G - Commitments and Contingencies

In the normal course of business, there are various commitments and contingencies outstanding that are not reflected in these financial statements. In the opinion of the Plan Administrator, the outcome of such events, if any, would not have a material effect on the Plan's financial position or operations.

#### Note H - Fair Value Measurements

The table below presents the Plan's investments measured at fair value on a recurring basis by level within the hierarchy established by FASB ASC 820.

#### Note I - Fully Benefit-Responsive Investment Contract with Mass Mutual

The fully benefit-responsive investment contract with Mass Mutual (Mass Mutual Fixed Income Fund) is a traditional investment contract issued by Mass Mutual Life Insurance Company. This contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. The following represents the disaggregation of contract value between types of investment contracts held by the Plan at December 31,:

|                                 | <u>2021</u>          | <u>2020</u>          |
|---------------------------------|----------------------|----------------------|
| Traditional investment contract | \$ <u>10,668,527</u> | \$ <u>12,528,327</u> |

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer. The crediting rate is reviewed on a semi-annual basis for resetting. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with the fully benefit-responsive investment contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the IRC or the failure of the trust to be tax exempt under Section 501(a) of the IRC
2. Premature termination of the contracts
3. Plan termination or merger
4. Changes to the Plan's prohibition on competing investment options
5. Bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

#### Note K - COVID-19 Pandemic

In 2021 and 2020, the COVID-19 pandemic in the United States, including geographical regions in which the Firm operates, caused business disruption through mandated and voluntary closings of businesses. The Firm, however, was deemed to be an essential business under the Delaware State of Emergency Declaration and, therefore, remained operational. The extent of the impact of COVID-19 on the Firm's and the Plan's financial performance will continue to depend on certain developments, including the duration and spread of the outbreak, both of which are uncertain and cannot be predicted.

#### Note L - Subsequent Events

The Plan evaluated subsequent events through July 24, 2022, the date the financial statements were available to be issued.
