Independent Auditors' Report

The Administrative Committee of
OC Auto Team 401k Plan
Tustin, CA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of OC Auto Team 401k Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of OC Auto Team 401k Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

OC Auto Team 401k Plan
Independent Auditors' Report

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of OC Auto Team 401k Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about OC Auto Team 401k Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of OC Auto Team 401k Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about OC Auto Team 401k Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report

The Administrative Committee of
OC Auto Team 401k Plan
Tustin, CA

We were engaged to audit the accompanying statement of net assets available for benefits of OC Auto Team 401k Plan, as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Transamerica Life Insurance Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

OC AUTO TEAM 401K PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

1. Description of the plan:

The following description of the OC Auto Team 401k Plan (the "Plan") provides general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is an employee contribution plan covering employees of Tustin Mazda, Tustin Hyundai, Mission Viejo Acura and Huntington Beach Mazda (the "Companies"). The Plan was initiated on January 1, 2016 with an initial entry date of April 1, 2016. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees oversees governance of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees.

Eligibility:

All Employees are eligible except members of a collective bargaining unit and nonresident aliens with no U.S. source income. Nonexcluded employees who have reached 21 years of age and have completed twelve months of service are eligible to participate in the Plan. Participants may enroll in the Plan on the first day of the quarter after satisfying eligibility requirements.

Contributions:

Participants may elect, by submitting a written request to the Plan administrator, to have their wage compensation reduced by up to the dollar amount allowable under the limitations of the IRC Sections 415, 401(k) and 402(g). For the year ended December 31, 2021, elective deferral amount allowed under IRC Code Section 402(g) was \$19,500, and catch-up contribution allowed for participants age 50 or older, under IRC Code Section 414(v) was \$6,500. These deferred amounts flow directly to the Plan.

The Companies shall contribute each year a discretionary matching and/or non-elective profit sharing contribution to the Plan, if elected. In 2021, the Companies contributed \$130,000 in profit sharing contributions for the Plan year ended December 31, 2021. Participants must have completed 1,000 hours of service during the Plan year. The funds were allocated pro-rata based on participant contributions for the 2021 Plan year.

Maximum annual addition to each participant's account is subject to the limitation set by IRC Code Section 415(c)(1)(A), which was the lesser of \$58,000 or 100% of the participant's compensation for the year ended.

1. Description of the plan (continued):

Participant accounts:

Each participant's account is credited with the participant's elective deferral amounts, employer contributions, Plan earnings (losses), and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on each participant's individual account balance or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately 100% vested in their 401(k) deferred contributions. Participants' proportional Plan earnings related to deferred contributions less monthly administrative fees are also included in their vested balance.

A Participant's Matching Contribution Account and Profit Sharing Contribution Account are subject to the following vesting schedule:

<u>Vesting years of service</u>	<u>Vested percentage</u>
Less than 1	0%
1 but less than 2	20%
2 but less than 3	40%
3 but less than 4	60%
4 but less than 5	80%
5 or more	100%

Notes receivable from participants:

Participant loans against individual Plan balances are allowed; however, total loan amount cannot exceed 50 percent of the participant's vested interest balance or \$50,000, whichever is lower. Each participant will be allowed only one loan outstanding at any one time. The minimum loan amount is \$1,000. The loans are secured by the balance in the participant's account. Interest is charged at a fixed interest rate comparable to rates currently being charged by commercial lenders for loans of comparable risk on similar terms and for similar durations at the time the loan is acquired and rates ranged between 4.25% and 6.50%. Upon termination of the employee, the remaining outstanding loan balance will be treated as a taxable distribution to the participant from the Plan.

1. Description of the plan (continued):

Payment of benefits:

On termination of service, participants will receive their vested plan balance less any early withdrawal fees. Each participant may elect whether to receive cash or to roll his or her contributions over into another qualified profit sharing plan or IRA. Participants are advised of the tax consequences of each option and may opt to have taxes withheld.

Forfeitures:

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$1,446 and \$0, respectively. These accounts will be used to reduce administrative expenses of the Plan or reduce future employer contributions. No forfeitures were used to reduce administrative expenses or employer contributions during the year.

Plan expense:

The Employers have elected to absorb part of the Plan's operating and administrative expenses. Certain administrative expenses are paid from Plan assets.

2. Summary of accounting policies:

Basis of accounting:

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of estimates:

The preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition:

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the Investment advisers, custodians, and insurance company. See Note 4 for discussion of fair value measurements.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED DECEMBER 31, 2021

2. Summary of accounting policies (continued):

Investment valuation and income recognition (continued):

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants:

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded based on the terms of the Plan document.

Payment of benefits:

Benefits are recorded when paid.

Expenses:

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. As mentioned in Note 1, a portion of expenses and fees may be paid out of forfeitures. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Date of management's review of subsequent events:

The Plan administrator has evaluated subsequent events through June 10, 2022, the date the financial statements were available to be issued.

FOR THE YEAR ENDED DECEMBER 31, 2021

3. Information certified by the plan's custodian:

The Plan management has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such section, the plan management instructed the Plan's auditors not to perform any auditing procedures with respect to the following information certified by Transamerica Life Insurance Company, except for comparing such information certified by the custodian with information included in the Plan's financial statements and supplemental Schedule H, line 4i - Schedule of Assets (Held at End of Year):

	<u>2021</u>	<u>2020</u>
Investments, at fair value	\$ 3,947,980	\$ 2,897,097
Notes receivable from participants	77,871	68,350
Net appreciation in fair value of investments	418,517	
Interest income on notes receivable from participants	3,027	

4. Fair value measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The 3 levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

OC AUTO TEAM 401K PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED DECEMBER 31, 2021

4. Fair value measurements (continued):

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2021 and 2020. The following is a description of the valuation methodologies used for assets measured at fair value:

The pooled separate accounts invest in single mutual funds, domestic and international stock, fixed securities such as asset backed securities and residential and commercial mortgage backed securities, and commercial real estate. While the underlying assets values are quoted prices, the net asset value ("NAV") of a separate account is not publicly quoted. However, Accounting Standards Codification ("ASC") 820 allows NAV per share to serve as a practical expedient to estimate the fair value as long as certain requirements are met. The trustee and custodian believe that the NAV per share serves as a basis for determining fair value.

Investments measured at fair value on a recurring basis consisted of the following types of instruments as of December 31:

	Fair value measurements as of December 31, 2021			
	Level 1 inputs	Level 2 inputs	Level 3 inputs	Total
Investments measured at fair value *	\$ 0	\$ 0	\$ 0	\$ 0
Investments measured at net asset value *				
Pooled separate accounts				3,947,980
				<u>\$ 3,947,980</u>
	Fair value measurements as of December 31, 2020			
	Level 1 inputs	Level 2 inputs	Level 3 inputs	Total
Investments measured at fair value *	\$ 0	\$ 0	\$ 0	\$ 0
Investments measured at net asset value *				
Pooled separate accounts				2,897,097
				<u>\$ 2,897,097</u>

* In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statement of net assets available for benefits.

5. Fair value of investments in entities that use NAV practical expedient:

The following table summarizes investments measured at fair value based on NAV per share as of December 31:

Investments	Fair value as of December 31, 2021 2020		Unfunded commitments	Redemption frequency (if currently eligible)	Redemption notice period
Pooled separate accounts	\$ 3,947,980	\$ 2,897,097	n/a	Daily	Daily

6. Related party and party-in-interest transactions:

Certain plan investments are shares of mutual funds managed by the custodian as defined by the Plan and, therefore, these transactions qualify as party in interest transactions.

Fees paid during the year for administrative services rendered by parties in interest were based on customary and reasonable rates for such services and were paid by the employer and the Plan. Certain administrative functions are performed by officers and employees of the Company. No officer or employee receives compensation from the Plan for these services.

7. Plan termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions to the Plan and to terminate the Plan at anytime subject to the provisions of ERISA. In the event of Plan termination, participants will be 100% vested in their employer contribution accounts.

8. Tax status:

The Company has adopted the DATAIR Mass Submitter Prototype Non-Std CODA Plan. The IRS has determined and informed the Company by a letter dated March 31, 2014, that this Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

OC AUTO TEAM 401K PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED DECEMBER 31, 2021

8. Tax status (continued):

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Risk and uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statement of net assets available for benefits.

10. Contingencies - COVID-19:

On March 11, 2020 the Novel Coronavirus Disease, COVID-19, was declared a pandemic by the World Health Organization. As a result of the spread of COVID-19, economic uncertainties have arisen which have resulted in significant volatility in the investment markets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which change the Plan to, among other things, allow certain eligible individuals to receive coronavirus-related relief for loan repayments and in-service distributions, suspend required minimum distributions, and delay the commencement date for required minimum distributions. The optional features within these acts are currently being implemented. Written amendments to the Plan will reflect these operational changes and will be adopted in accordance with applicable law and IRS guidance.

11. Operational defect:

During the year ended December 31, 2021 it was discovered that certain of the plan's provisions were not properly applied in the daily operation of the plan. The definition of compensation for participant and employer contributions as per the plan document was not properly applied when calculating contribution amounts. One employee's deferral rate change election was not processed through payroll resulting in a missed deferral opportunity. One employee's vested interest in employer contributions was calculated incorrectly in determining the total account balance distributed upon termination. The Plan Administrator determined the affected participants and deposited approximately \$1,809 into the Plan in 2021 to make the affected participants and the Plan whole, including interest, which is reflected in the financial statements as other employer contributions receivable as of December 31, 2021.

12. Reconciliation of financial statements to Form 5500:

Schedule H of Form 5500 does not present other employer contributions receivable as of the end of the year. As of December 31, 2021 other employer contributions receivable on the statement of net assets available for benefits, but not on Schedule H, was \$1,809. Consequently, there is a difference in other employer contributions per the financial statements and Schedule H as illustrated below:

<u>Net increase in net assets available for benefits</u>	<u>12/31/2021</u>
Per financial statements	\$1,122,126
Less: other employer contributions at December 31, 2021	<u>(1,809)</u>
Per Schedule H	<u>\$1,120,317</u>

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 and 2020, to Form 5500:

<u>Net Assets Available for Benefits</u>	<u>12/31/2021</u>	<u>12/31/2020</u>
Per financial statements	\$ 4,157,660	\$ 3,035,534
