1. Description of Plan

The following description of the National Pediatric, M D, P C 401(k) Plan (the "Plan") is provided for general purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of National Pediatric, M D, P C and any participating Affiliates (the "Company" or "Employer") upon attainment of age 21 and who have completed 3 months of service. A participant can participate on the first day of the month following the completion of the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

On March 27, 2020, the President signed into law the U.S. Coronavirus Aid, Relief and Economic Security Act (the "CARES Act"). The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to Plan participants under the CARES Act and has implemented the following provisions:

- Eligible coronavirus distributions up to $100,000;
- Extend the period for loan repayments, if applicable, up to one year;
- Increase the limit of loans up to the lesser of $100,000 or 100% of a participant's vested account balance; and
- Suspend required minimum distributions for 2020

Contributions

Each year, eligible employees may contribute from 1% to 80% of their eligible compensation on a pre-tax or Roth basis, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. There is an annual limit as to the amount that can be deducted from compensation that is determined by the Internal Revenue Code ("IRC"). If a participant fails to complete a salary deferral agreement within 30 days after the participant becomes eligible to participate in the Plan, the participant will be automatically enrolled in the Plan at 1% of their eligible compensation on a pre-tax basis. Participants may also contribute amounts representing distributions from other qualified retirement plans.

The Company makes a safe harbor matching contribution equal to 100% of a participant's elective deferrals. The Company will not match elective deferrals that exceed 4% of their eligible compensation.

Vesting

Participants are 100% vested in their employee and employer contributions and earnings thereon.

1. Description of Plan *(continued)*

Notes Receivable from Participants

Participants may borrow from their accounts a minimum amount of $500 up to a maximum amount of the lesser of $50,000 or 50% of the participant's vested account balance, reduced by, if any, the participant's highest outstanding loan balance from the Plan during the previous one-year period. The interest rate on a loan equals the prime rate published in The Wall Street Journal on the 14th of each month plus two percentage points. Loan repayments must be made through payroll deductions over a term not to exceed 5 years unless the proceeds of the loan are used to purchase the participant's principal residence, in which case the term is not to exceed 30 years. Principal and interest is paid ratably through periodic payroll deductions.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Employer's contributions and (b) Plan earnings (losses) thereon. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. All investments are participant directed.

Payment of Benefits

Upon termination of service due to death, disability, retirement or other reason, a participant is entitled to receive a distribution in the amount equal to the value of the participant's vested interest in his or her account.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Administrative expenses paid by the Plan consist of fees related to the processing of Plan loans and distributions. Investment related expenses are included in net appreciation in fair value of investments.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

2. Summary of Significant Accounting Policies *(continued)*

Fair Value Measurements

The Plan follows U.S. GAAP guidance on Fair Value Measurements which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Pursuant to U.S. GAAP guidance, alternative investments where fair value is measured using the Net Asset Value ("NAV") per share as a practical expedient is not categorized within the fair value hierarchy.

Investment Valuation and Income Recognition

All of the Plan's investments are stated at fair value. Mutual funds held by the Plan are valued at fair value based on the daily closing price as reported by the funds. All of the mutual funds are open-ended and are registered with the Securities and Exchange Commission. These mutual funds are required to publish their daily NAV and to transact at that price and are deemed actively traded. The common/collective trust is valued at the NAV of units held by the Plan. The NAV, as provided by the trustee, is used as a practical expedient and is based on the underlying investments held by the fund less its liabilities.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as deemed distributions based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is July 25, 2022.

3. Information Certified (Unaudited)

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, the trustee of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reflected in the accompanying statements of net assets available for benefits as of December 31, 2020 and 2019, the related investment and notes receivable from participants activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2020, and the supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2020.

4. Investments

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	2020		
	Level 1	Other Investments Measured at NAV *	Total
Mutual funds	$ 4,794,191	$ -	$ 4,794,191
Common/collective trust	-	56,930	56,930
	$ 4,794,191	$ 56,930	$ 4,851,121

	2019		
	Level 1	Other Investments Measured at NAV *	Total
Mutual funds	$ 3,789,331	$ -	$ 3,789,331
Common/collective trusts	-	39,050	39,050
	$ 3,789,331	$ 39,050	$ 3,828,381

(*) As discussed in Note 2, investments that are measured using the practical expedient are not classified within the fair value hierarchy.

5. Common/Collective Trust

At December 31, 2020 and 2019, certain assets of the Plan were invested in the State Street S&P 500 Index Class VIII (the "Trust"), a common/collective trust. State Street Global Advisors Trust Company is the trustee and record-keeper of the Trust and State Street Bank is custodian of the Trust.

5. Common/Collective Trust *(continued)*

The NAV per unit of the Trust is determined each business day. Issuances and redemptions of units may be made on such days, based upon the NAV per unit as of the valuation date last preceding the date on which such order to contribute or redeem assets is received. The trustee of the Trust, in its sole discretion, reserves the right to value any contribution or redemption as of the next succeeding valuation date or another date as the trustee deems appropriate.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provision of ERISA.

7. Tax Status

The prototype plan document preparer, ADP, LLC has obtained an opinion letter dated July 8, 2014 from the Internal Revenue Service (“IRS”) stating that the Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

8. Party-in-Interest Transactions

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

The global economic uncertainty associated with the COVID-19 pandemic has resulted in significant volatility in global financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2020 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted due to uncertainty regarding the duration and scope of the pandemic and other changing market conditions.

10. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to the Form 5500 at December 31:

	2021	2020
