Grand Rapids, Michigan

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Auto-Wares Group 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C), which comprises the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021 and 2020, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and the procedures performed, as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current Plan instrument, including all Plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

#### ***Other Matter - Supplemental Schedule Required by ERISA***

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures, in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Notes to Financial Statements

---

### 1. Plan Description

The following description of the Auto-Wares Group 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

#### *General*

The Plan is a defined contribution plan covering all full-time employees of AWI Holdings, Inc. and Subsidiaries and AWI Leasing LLC (collectively, the Company). Prior to November 1, 2021, employees who had one year of service, or 1,000 hours, and were age 18 or older were eligible to participate on the next semi-annual entry date. Effective November 1, 2021, the Plan service requirement was amended to six months of service, or 500 hours. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

#### *Contributions*

Participants may elect to contribute a portion of their pre-tax annual compensation to the Plan through a salary reduction program. Pre-tax contributions are limited to those amounts allowable as a deduction under the Internal Revenue Code (IRC). Eligible employees automatically defer 4% of their compensation, unless they elect a contrary salary reduction or elect not to participate. Contributions automatically increase 1% per year up to a maximum of 8% of compensation. Participants may also elect to make Roth contributions.

The Company's contributions to the Plan are discretionary and may be made in two forms. The first type of Company contribution is in the form of a matching amount equal to a uniform percentage of each participant's deferred compensation. The second type of Company contribution is a discretionary amount. Both Company contributions are determined annually at the option of the Company's Board of Directors. Participants must be an active employee at the end of the plan year to receive Company contributions. In 2021 and 2020, the Company match was 50% of the participant's contribution up to 2% of eligible compensation. Company discretionary contributions are allocated to participants based on each participant's eligible compensation. The Company did not approve additional discretionary contributions in 2021 or 2020. Participants may also contribute amounts representing rollovers from other qualified defined benefit or defined contribution plans.

#### *Participant Accounts*

Each participant's account is credited with the participant's elective salary reductions and allocations of the Company's contributions, Plan earnings, and administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan. Investment earnings are allocated daily, based on unit values and units owned in accounts.

#### *Investment Options*

Participants are allowed to direct contributions to various investment options offered through Principal Life Insurance Company and Principal Trust Company (collectively, Principal). Participants may change their investment options at any time.

## **Notes to Financial Statements**

---

### ***Vesting***

All participant contributions, along with allocations of net investment earnings on these funds, are fully vested and non-forfeitable. Participants become 100% vested in Company contributions and allocations of net investment earnings after three years of service.

### ***Forfeitures***

Forfeited balances are used to pay Plan expenses or reduce future Company contributions. Forfeitures in the amount of \$73 and \$69 were used to pay administrative expenses for the years ended December 31, 2021 and 2020, respectively. Forfeitures in the amounts of \$22,298 and \$12,943 were used to offset employer contributions for the years ended December 31, 2021 and 2020, respectively. Unused forfeitures totaled \$24,947 and \$22,901 at December 31, 2021 and 2020, respectively.

### ***Notes Receivable from Participants***

Participants may borrow from their fund accounts in any amount greater than \$1,000, but less than 50% of the participant's vested account balance. In no event can a participant borrow more than \$50,000. The notes are secured by the balance in the participant's account and bear interest based on reasonable borrowing rates, which range from 5.25% to 7.50% on notes outstanding at December 31, 2021. The notes are repaid ratably through payroll deductions over a period of five years or less, except that a note used to purchase the principal residence of the participant may be repaid over a longer term.

### ***Payment of Benefits***

Upon normal retirement age (65), early retirement age (55), termination of employment, death, or disability, participants or their beneficiaries may elect to receive the value of vested interest in their account in the form of a lump-sum distribution, or in an alternative manner, as mutually agreed upon with the Plan Administrator. Withdrawals may also be made upon attainment of age 59½ and circumstances of financial hardship, as defined in the Plan Agreement.

### ***Administrative Expenses***

Certain administrative expenses are paid by the Company. Administrative expenses not paid directly by the Company may be paid from the Plan in accordance with Plan provisions.

### ***CARES Act***

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) was enacted and signed into law. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions:

- Special coronavirus distributions up to \$100,000 allowed through December 31, 2020.
- Increase of the available loan amount to the lesser of \$100,000 or 100% of the participant's vested account balance, allowed during a limited period during 2020.

---

- Extended the period for loan repayments, if applicable, up to one year.
- Suspended required minimum distributions for 2020.

## 2. Significant Accounting Policies

### *Basis of Accounting*

The financial statements of the Plan have been prepared under the accrual method of accounting.

### *Subsequent Events*

Subsequent events have been evaluated by management through July 19, 2022, the date these financial statements were available to be issued.

### *Use of Estimates*

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of net assets and changes therein. Actual results could differ from those estimates.

### *Risks and Uncertainties*

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

### *Investment Valuation and Income Recognition*

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset (an exit price) in the principal or most advantageous market for the asset in an orderly transaction between market participants on the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

### *Notes Receivable from Participants*

Participant loans are classified as notes receivable from participants and are measured at the unpaid principal balance plus unpaid accrued interest. Defaulted loans, if any, are reclassified as distributions based upon the terms of the Plan Agreement.

# Auto-Wares Group 401(k) Savings Plan

## Notes to Financial Statements

---

### *Payment of Benefits*

Benefits are recorded when paid.

### **3. Investments**

In accordance with Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, the Plan utilizes a fair value hierarchy for valuation inputs that gives the highest priority to quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy are described as follows:

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets.

*Level 2* - Inputs to the valuation methodology include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets, and other inputs that are observable or can be corroborated by observable market data.

*Level 3* - Inputs to the valuation methodology are both significant to the fair value measurement and unobservable.

The following valuation methodologies were used to measure the fair value of the Plan's investments:

*Collective Investment Trusts (CITs)* - The Plan's investment in the CITs held by the Plan are valued using net asset value (NAV) as a practical expedient, as reported by the trustee, based on the underlying investments. The NAV is reported by the fund managers as of the financial statement date based on recent transaction prices, and is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The CITs held by the Plan provide for daily redemptions by the Plan at reported NAV with no advance notice requirement. The Plan is permitted to redeem investment units at NAV on the measurement date.

*Pooled Separate Accounts (PSAs)* - These are valued based on the underlying investments (i.e., common stock, mutual funds, short-term securities). While the majority of the underlying asset values are based on quoted prices, the PSAs are not publicly traded on an active market. The NAV is reported by the fund managers as of the financial statement date based on recent transaction prices, and is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The PSAs held by the Plan provide for daily redemptions by the Plan at reported NAV with no advance notice requirement. The Plan is permitted to redeem investment units at NAV on the measurement date. Principal may place transfer or liquidation restrictions on the U.S. Property Separate Account. No such restrictions were in place during 2021. As of March 4, 2020, a withdrawal limitations was enacted and partial plan payments were made during 2020 for participants requesting withdrawals from the U.S. Property Separate Account.

*Mutual Funds* - These are valued at the daily closing price, as reported by the fund. These funds are required to publish their NAV and to transact at that price. The funds held by the Plan are deemed to be actively traded.

# Auto-Wares Group 401(k) Savings Plan

## Notes to Financial Statements

The Plan's valuation methods may result in a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Although Plan management believes the valuation methods are appropriate and consistent with the market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The tables below set forth the Plan's investments by level within the fair value hierarchy. There have been no significant transfers into or out of Levels 1, 2, or 3.

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

## **4. Information Certified by the Plan's Trustee**

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA as of December 31, 2021 and 2020, and for the years then ended. Accordingly, the Plan's trustee, Principal Trust Company, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants, as shown in the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020.
- Investment income and interest on notes receivable from participants, as shown in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.
- Schedule H (Form 5500), Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, as shown on the ERISA-required supplemental schedule.

## Notes to Financial Statements

---

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and ERISA-required supplemental schedule.

### 5. Related Party Transactions

Investments in PSAs are managed by Principal Life Insurance Company, an affiliate of the Plan trustee. The investments in CITS are managed by Principal Global Investors Trust Company, an affiliate of the Plan trustee. Therefore, these transactions qualify as party-in-interest transactions. Fees paid to Principal were \$336,808 and \$287,253 for 2021 and 2020, respectively. Additionally, the Plan holds notes receivable from Plan participants.

The Plan is administered by the Company. Certain administrative functions are performed by officers and employees of the Company. No such officer or employee receives compensation from the Plan.

### 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will automatically become fully entitled to the total balance in their accounts.

### 7. Tax Status

The Plan has adopted the Principal Financial Group 401(k) Non-Standardized Pre-Approved Profit-Sharing Plan. The prototype plan obtained an opinion letter, dated June 30, 2020 in which the Internal Revenue Service (IRS) stated that the Non-Standardized Pre-Approved Profit-Sharing Plan is qualified, and the trust established under the Plan is tax-exempt under the appropriate sections of the IRC. The Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there currently are no audits for any tax periods in progress.
