Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of ITS, Inc. 401(k) Retirement Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Security National Bank of Sioux City, Iowa, a qualified institution, as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of ITS, Inc. 401(k) Retirement Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ITS, Inc. 401(k) Retirement Plan and Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Board of Directors
ITS, Inc. 401(k) Retirement Plan and Trust

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ITS, Inc. 401(k) Retirement Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ITS, Inc. 401(k) Retirement Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of, Schedule of Assets (Held at End of Year), as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Board of Directors
ITS, Inc. 401(k) Retirement Plan and Trust

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of ITS, Inc. 401(k) Retirement Plan and Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated June 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ITS, INC. 401(K) RETIREMENT PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 DESCRIPTION OF THE PLAN

Plan Description

The ITS, Inc. 401(k) Retirement Plan and Trust (the Plan), established July 1, 1993, is a defined contribution plan covering all full-time and part-time employees of ITS, Inc. (the Company and Plan Sponsor) who are age eighteen or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Security National Bank of Sioux City, Iowa serves as Trustee of the Plan. The Trustee chooses the investment options for the Plan's assets. Participants direct their accounts to the available investment options.

Contributions

The Company has agreed to make basic contributions on behalf of each participant who has elected to reduce his or her compensation under a compensation reduction agreement. The basic contribution as pre-tax 401(k) or Roth contribution made on behalf of the participant is equal to the amount specified in that agreement, provided that the contribution does not exceed certain established overall limitations. The maximum employer contribution allowed, for participants who entered the plan prior to July 1, 2016, is equal to 40% of the participant's elective deferrals up to a maximum of 5%, and, for participants who have entered the plan on or after July 1, 2016, is equal to 50% of the participant's elective deferrals up to a maximum of 8% of the participant's compensation as defined by the Plan. This election percentage of a participant may be changed on a monthly basis. All employees who are eligible to participate in the Plan but are not deferring shall be automatically enrolled in the Plan with elective deferrals withheld in the amount of 4% of compensation or may exercise their right to opt out. In conjunction with this feature, the Plan has incorporated an annual automatic employee contribution increase of 1% for any participant deferring less than 10% unless the employee elects to opt out of this automatic increase. Any participant may make rollover contributions, transferring funds either directly or indirectly to the Plan from another qualified plan.

Participants direct their contributions and the Company match into the investment options of their choice. Each participant may contribute up to the annual indexed limitation in whole percentages of total pay each month under a salary reduction agreement. The participant amount contributed was limited to \$19,500 per participant in 2021 and 2020. The Plan allows catch-up contributions as indexed by the Internal Revenue Service (IRS) for individuals 50 years of age or older, which will be matched based on the Plan formula.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution and Plan earnings. Allocations are based on the participant's earnings or account balance, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Vesting and Forfeitures

Participants are vested immediately in their contributions plus actual earnings thereon. Company contributions vest 20% per year and are fully vested after five years of vesting service. Forfeitures are applied to reduce employer-matching contributions. The forfeited amount used to offset contributions was \$48,675 and \$52,604 during 2021 and 2020, respectively. Forfeitures for nonvested account balances available for future years as of December 31, 2021 and 2020 were \$11,468 and \$2,853, respectively.

Payments of Benefits

Upon normal retirement age at 65, death, total and permanent disability, or termination of employment, participants (or the beneficiary) are entitled to: (a) a lump-sum distribution; (b) payment in monthly, quarterly, or annual installments over a fixed reasonable period of time, not exceeding the life expectancy of the participant or the joint life and last survivor expectancy of the participant and beneficiary; or (c) automatic rollovers on vested balances between \$1,000 and \$5,000. If the participant's account balance is less than \$1,000, it will be paid in a lump-sum. The amount payable shall be equal to the value of the participant's vested basic contribution sub-account, rollover contribution sub-account, and matching contribution on the next valuation date which follows the retirement, death, disability, or termination of employment.

Notes Receivable from Participants

Any active participant may apply for a loan from the Plan, provided the loan amount does not exceed the lesser of \$50,000 or 50% of the participant's non-forfeitable (i.e., vested) account balances, as reflected by the books and records of the Plan. Furthermore, a participant may not request a loan for less than \$1,000 and may request a loan only once in any 6-month period, and have only one loan with an outstanding balance at a time. Interest charged is fixed at a rate of 2% over the national prime rate at the date of the loan. The Plan's loan policy allows participant loans for any purpose. Loan terms call for repayment within 5 years, or, if a qualifying home loan, 15 years. Principal and interest is paid ratably through payroll deductions.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Plan is sponsored by the Company. The Plan year ends on December 31. Significant accounting policies followed by the Plan are presented below.

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting.

ITS, INC. 401(K) RETIREMENT PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates in Preparing Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies utilizing information provided by investment advisors and the Trustee. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a settlement-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans determined by the plan administrator to be in default are reclassified as distributions based upon the terms of the Plan document.

Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses include quarterly fees charged by the Trustee and are absorbed by the Plan. Certain administrative expenses are paid by the Company and are excluded from these financial statements. Investment related expenses are included in the net appreciation (depreciation) of fair value of investments.

NOTE 3 SUMMARY OF INFORMATION CERTIFIED BY THE TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of the investments, interest and dividends for the years ended December 31, 2021 and 2020, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Trustee of the Plan.

NOTE 4 TRANSACTIONS WITH PARTIES-IN-INTEREST

Plan investments are held by the Trustee, who is a party-in-interest. Fees paid for the administrative services rendered by the Trustee totaled \$176,934 and \$136,429 for the years ended December 31, 2021 and 2020, respectively.

NOTE 5 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 5 FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the valuation methodology used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market: Valued at cost, which approximates fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2021			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 83,757,893	\$ -	\$ -	\$ 83,757,893
Money Market	-	3,803,226	-	3,803,226
Total Investments at Fair Value	<u>\$ 83,757,893</u>	<u>\$ 3,803,226</u>	<u>\$ -</u>	<u>\$ 87,561,119</u>

	2020			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 68,915,850	\$ -	\$ -	\$ 68,915,850
Money Market	-	2,981,095	-	2,981,095
Total Investments at Fair Value	<u>\$ 68,915,850</u>	<u>\$ 2,981,095</u>	<u>\$ -</u>	<u>\$ 71,896,945</u>

NOTE 6 TAX STATUS

The Plan is placing reliance on opinion letters received from the IRS on the prototype plan, indicating the Plan is qualified under Section 401 of the Internal Revenue Code (IRC) and is therefore not subject to tax under current income tax law. The Plan has not applied for its own determination letter. The plan administrator believes that the Plan is designed, and currently being operated, in compliance with applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in employer contributions.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through July 22, 2022, the date the financial statements were available to be issued.
